1. Further to your AGC/14622/PS of 23 May 44 the 150 OCORR dispatched from the NORT Depot duly arrived.
2. Their expeditious dispatch is appreciated.
3. The general appearance, clothing and equipment of the men, considering the circumstances, is good.
4. They are already on duty with Formations in the forward area, where their presence has been warmly welcomed by the civilians.
5. In the control of refugees they are of great value.
6. As regards the strength of Mobile Carabinieri with Eighth Army and 5 Corps, this is 223.
7. In response to an urgent request from Fifth Army AMG the 38 Carabinieri from NAPLES Depot have been diverted in agreement with this HQ for duty with Fifth Army.

S/203/2.

TO : R.C. and W.G. Section, A.C.C.

Reference 302/123/CA, dated 23rd May 1944.

1. This Army A.M.G. had a Nucleo Autonoma of CC.RR. of 153.
2. On the Eighth Army taking over a section of Fifth Army front, 64 CC.RR. of the Nucleo were transferred to it.
3. The rapid development of this Army, coupled with a new Corps being added and that 6 Corps on the beach-head is using CC.RR. which have to go forward with Fifth Army (CAS), makes it imperative that more CC.RR. be sent here to replace those handed over to Eighth Army.
4. Sixty (60) CC.RR. will therefore be required as quickly as arrangements can be made.
5. When these CC.RR. are available, could this H.Q. be advised when disposal instructions will be sent. You giving destination and date.
