TO : HQ. A.C.C., Administrative Section 30 August 1944

SUBJECT: Carabinieri.

FILE No: RXII/024.13

1. May we please know, at the earliest possible instant, your proposals for the provision of Carabinieri for Region XII. The attached table shows the figures of Carabinieri and Guardia Di Finanza as at September 8, 1943. It is understood that you have approved a strength of 7508 for Region XII.

2. While it is realized that many of the required Carabinieri will have to be recruited locally, it is considered essential that a small organised force, preferably of northern Italians, be available to go forward with Region XII.

3. We can arrange to accommodate any reasonable number at Chianciano.

Col. M.
