Ringrazio per la cortese e gradita comunicazione ed assicuro che ho già dato disposizioni affinché, quando sarà liberato il Piemonte, i militari dell'Arma che, con gesto veramente patriottico si sono uniti ai patrioti, siano senz'altro ripresi in servizio.

I thank you very much for the kind and appreciated informations, and I give assurance that I have already issued orders, for, the restoring to service, as soon as Piemonte will have been liberated, of those Carabinieri, who, in a very patriotic way, have joined with patriots.

It is reported that in PIEDMONTE 3,000 Carabinieri have deserted with their arms to Patriot Bands.

If this turns out to be true, is it possible to make arrangements to take these people back into the Carabinieri when we finally overtake them?
