SUBJECT: Time Consumed in Making Welfare Inquiries.

TO: A.C.C.-Rear Headquarters, Public Safety Sub-Commission
Attention: Col. Paul G. Kirk, Chief.

1. We have been investigating as to why it takes so long to obtain the welfare and whereabouts inquiry information. We advise you of the results.

2. Taking a slow inquiry and following it through: 4201
(a) 7 days consumed en route from your HQ to this HQ. (It is not unusual for your letters to take even longer, however, in reaching us. A typical case of normal time consumed is your letter of 22 Feb, ACC/14604/PS, which reached us this morning.)
(b) 1 day in clearing this HQ. (We seldom take longer.)
(c) 2 days awaiting dispatch from this HQ southward. (The dispatch for the southern provinces leaves twice a week. Therefore, if the inquiry arrives on the day the dispatch has left, it must await the next one.)
(d) 2 days en route to southern province. (This does not allow for weather upsets like a bridge washing away.)
(e) 1 day to clear the Provincial HQ.
(f) 7 days to leave for the distant commune, (If inquiry arrives on the day the dispatch has left for the Commune and there is but weekly service between Provincial Capital and Commune.)
(g) 1 day in transit.
(h) 3 days to make inquiry itself. (Are Italians so quick?)
(i) 25 days in returning the same slow way to your HQ.

3. A total of 50 days has been consumed in the above case. We realize that it would be very poor luck for the inquiry to miss all of the connections, as this one did, but not at all impossible.

4. There does not seem to be anything that we can do to hasten these inquiries. Civilian mail service is even slower in this Region. It took two months for a military letter (Italian Army) to reach this HQ from Catanzaro by Civilian Post a few days ago.

SUBJECT: Inquiries re civilians VINCENZO CASTELLANA

TO : S.O. & MG Section HQ., ACC., APO 394

Inquiries have been made concerning Vincenzo Castellana at the office of "Stato Civile", Grave Registration Units, Quarters and Municipio with negative results. The "Stato Civile" informed us that 20 persons approximately, were buried in the Palermo City Cemetery without name or identification of any sort except that they died sometime in September 1943 prior to the Allied landings and obviously Vincenzo Castellana is not included in this group.

If the man was wounded as stated in basic communication he, no doubt received medical treatment at the Allied Field Hospital set up in Palermo during the landings.

It is suggested that Mr. Castellan's informant Mr. LO GIUDICE, Giuseppe, give more specific details and not just vague ideas concerning the case. Basic communication also states that the body was removed from Palermo and brought to the St. Orsola cemetery in Palermo.

1. In my view, the best and most convenient instruction which can be issued with regard to the making of enquiries about Italian Nationals in that enquiries respecting

(a) Italian CIVILIANS believed to be located in Allied controlled territory should be addressed to the Public Safety Sub-Commission here, and

(b) that all other enquiries should be addressed to the FA and MG Section.

2. If this is done the enquiries which may be addressed to you are,

(a) in respect of Italian leaders in enemy controlled area (which may be passed to the International Red Cross) or

(b) in respect of members of the Italian forces either serving or POW's, (which may be passed to the Military Section).

3. Where a question of release of a PW arises because his services are required I think that the Sub-Commission requiring his services should have the handling of the question of release. (For example, the case of a local Government official should be dealt with by the Labour Sub-Commission and similarly case of a member of the judiciary by the Legal Sub-Commission and similarly for other technical experts).

CIVILIAN ENQUIRIES.

With reference to letter quoted above in which information is required by A.F.H.Q. as to health and whereabouts of the following civilians.

I have seen the persons named and particulars are given herewith.

1. Mrs. Luigia Catalano MIRARCHI still resides at Via Christoforo Colombo, ALIA, Province of Palermo, Sicily, with her three children (1 son Celeste aged 9 years and 2 daughters Barbara and Elena aged 8 and 6 respectively). They all appeared in good health and cheerful. They live in humble circumstances having been maintained by assistance and relief from the town during the past two years in which time she has received no money or news from her husband Vincenzo MIRARCHI who resides at 63, Harris Street, Providence, R.I. U.S.A.

40.77

2. Mrs. Anna RICOTTA, still resides at 24, Via Alessandro Manzone, ALIA, Province of Palermo, Sicily, with her 2 daughters Anna aged 21 and Teresa aged 17 and her son Salvatore aged 16. They have enjoyed good health and appeared very cheerful although living in humble circumstances. They have received assistance and relief from the town during the past two years. Mrs. Ricotta ~~informed us~~ says that she used to receive money from four other sons in America, and also that recently she received a visit from one of these sons Vincenzo RICOTTA, a Corporal in the American Army, who was serving with his unit in Sicily, and who will doubtless communicate the news to his brothers in America.

In una delle sue lettere però ebbe ad annunciarmi che si sarebbe dovuto trasferire e che non conosceva però la sua destinazione.

Non ho avuto poi altro suo scritto.

Declassified E.O. 12356 Section 3.3/NND No. 785016

Da tutte le Sue lettere mi ha informato sempre della Sua ottima Salute.

Per quanto riguarda invece tua figlia Giulia, per tutto il periodo della Sua permanenza in Italia non ho avuto altro che un solo suo scritto (una cartolina) che non portava data ma dal timbro postale ho letto che deve essere stata scritta verso il novembre 1940.

L'indirizzo apposto in calce alla cartolina è il seguente:

Sig. F. Giulia Martelli
colonia "X Legio"
Miramare di Rimini.

Successivamente da Augusto abbiamo saputo che Emilia stava bene ma non mi precisava se la medesima avesse eventualmente cambiato indirizzo.

Da parte mia ho scritto sempre, molte volte anche a lei come ad Augusto ma da parte di Emilia non ho mai avuto risposta.

Queste sono le notizie che mi risultano.
Noi tutti stiamo bene. Datemi vostre notizie che desideriamo ardentemente.

My dear and affectionate Josephine,

Your letter of Aug.4th on hand, and your letter sent to Deputy Chief Political officer of Catania has been received also Said letters have been delivered to me to-day through Lawyer Paolo Pellegrino propietar of the establishment where I work at, and who is using all his friendship, to allow me to come back home as soon as possible.

I cannot understand how you have not received any news from me for I have regularly answered every letter of yours, and I tell you more: last april, being myself without any news of yours, I did send you a sum through the Italian Red Cross, and a telegram did you received it?

As I told you on a preceding letter, I am out in the country since May 12th and I go every day to the office. I thank God that He had preserved me from any danger.

On my next coming I shall have many things to tell you.

How mama is? I have heard with great pleasure how well the Sisters respect you.

On a letter of ont Adelaide you did speak, about uncle Henry but nothing you spoke about Mary.

I have received both letters of Maestro Boscetto of Professor Fabriani.

My health is good, and I'm glad to hear that you all are well. I deeply thouk you from the bottom of my heart for your interest in getting my news which I never doubt, and embracing and kissing you strongly with mama, believe me
