My dear Colonel-

Last July 12th I wrote you from Accra Ghana, inquiring for information regarding my daughter Mrs. Caroline Probst Pagulo.

Your appreciated reply reached me here last month.

119A

I am here by invitation of the Liberian Government as a member of the Centennial Committee, working on entertainment programs for their 100th Celebration.

From this location it is very difficult to obtain accurate information regarding European conditions as it has been the war years has ceased.

Can you inform me whether or not my letter to the Department that would enable me to assist my daughter who from last heard of me being with the Germans in North Italy.

In my official belief, or possibly my presence. 4505
The front from the Partisan Croatian states she was "about non-German."
This is probably an exaggerated attitude for self protection.
She was miserable during the year I put her in school at Bonn a/Rhein, Germany, but greatly relished when she was sent to the French Swiss to study. Her distaste for Germans was marked when last I was with her.
I would much appreciate any advice or information that could be sent me also how I might proceed in assisting her.

Yours very truly,

Frances Allison

1. My name is Vincent D. Fichera, my grade is private, my Army Serial Number is 32527255. I am stationed at APO 986, c/o Postmaster, Seattle, Wash., assigned to the 31st Special Service Company.

2. At the present time, my father, Filippo Fichera, and my sister, Mary C. Fichera, are residing at Via Calamatta, Sicily, Italy. My father is suffering from idrosatenite osceilare and my sister is afflicted with malaria. Both are penniless and, according to a communication I recently received from them, they are unable to obtain medical care.

3. I am greatly concerned over the welfare of my father and my sister and I am certain they would not have advised me of their condition of health unless it were out of dire necessity.

4. It is my understanding that an American soldier's family is given special consideration in Army hospitals, so that I would sincerely appreciate anything that can be done on behalf of my father and my sister, both of whom reside in Allied-occupied territory.

With reference to attached correspondence and your third Indorsement AG/1:804/P3 dated 20 Oct. 1944.

1. Inquiry has been made of the Regional Welfare Officer and the following information obtained,-

(a) The convent of the Sisters of St. Dorothy has a staff of 10 sisters and is attended daily by 70 children. Before the war the principal income of the convent came from the selling of embroidery. This source of income is no longer available as the price of cotton is too excessive.

(b) The convent receives L.40 (forty lire) per day from the local Ente Comunale Assistenza. This sum is to be increased.

(c) A general survey of all Orphanages, Convents and other institutes is being made with the intention of supplementing as far as can be possible the food supplies.

27 October, 1944.

Referring to the attached not, we forwarded very confidential enquiries and we were able to identify the ~~demerbed~~ persons:

1)= PASULO Timoteo of late Giuseppe and Cassi Thea, born at Renese (Mantova) on 26/904, living at via Po N° 14 int. 1 a private teacher. He was called under arms with the rank of a Bersaglieri's Lt. in the Spring of 1943, and sent to Sicily, where he was made prisoner.

2)= PROBST Caroline of Arnold and Francesca Allison, born on the 13/9/906 at Englewood N.J.U.S.A. (a teacher). American citizien. She married PASULO and she divorced 4 yeers ago. Through confidential information we were able to state that on account of her American nationality she was taken by the Germen and brought to a concentration camp near Perugia. Up to this day nothing has been known about her.

Mr. Pasulo, since 8 years ago had established in his flat at via Po, a sporting school called "Arte del Movimento. This was a branch school of the sporting school of Milano and Cortina d'Ampezzo. Actually his premises has been requisitioned by the Allied Troops and from the 1st of November there is a camp for jugoslavian soldiers.

During all the time that they lived in Rome, this people carried out a very kind and honest life.

In spite of careful investigations having been made to retrace Nemi Anna no positive result could be achieved.

All people bearing the same surname have been questioned, & registers consulted - Neither the name Nemi Anna nor Nemi E. appear however on the town records.

It might be the case of people dwelling in this Commune, but not born in it, and of a change of names.

All other inquiries & questioning made by me during the past three days proved unsuccesful too.

Illustre Commissario

Ceprano, 25 Novembre *194* 4.

Sono stato eseguito le più scrupolose indagini per la ricerca di Anna Anna, figlia di Noè S., ed risultato negativo.

Sono stati interpellati tutti quelli che hanno il medesimo cognome e specialmente vecchi, i parroci e sono stati esaminati accuratamente i registri di stato civile. Non solo non si riscontra il nome di Anna Anna, ma nemmeno quello di Noè S.

Devo trattarsi di persone non nate e residenti in questo Comune, o che in tale epoca siano cambiati i nomi.

Ho personalmente interrogato tutte le persone anziane di due giurati e vecchi, sempre di sesso, per l'udienza di oggi stessa, con risultato più negativo.

Quindi posso assicurare che la ricerca del predetti sono stata rigorosa.

Con ossequi

Gentlemen:

Margarete Schlesinger Landsberg, one of the refugees at the Fort Ontario Emergency Refugee Shelter, Oswego, New York, which is administered by this agency, reports the loss of a valuable fur coat in Bari, Italy, during the first week of July, 1944. She says that it was stolen from her flat at Via Guiseppe Bozzi 8 I in Bari, and that the matter had been reported to the authorities and was under investigation at the time she left for the United States. The investigation was apparently being handled by All'Ufficio della Questura, Via Argiro 151 I, Angolo Piazza Umberto.

4353

This inquiry is being referred to you at the suggestion of Colonel J. C. Boyer, Assistant Deputy Chief of Staff for Service Commands, who informed us that Bari, Italy, is an area which remained under Italian jurisdiction under over-all control of the Allied Control Commission.

Any assistance you may be able to give us in obtaining information regarding the lost article and the progress of the investigation will be very much appreciated.

Gentlemen;

I have attempted twice to communicate with my sister, Mrs. Mary Peri, and her family, who resides at 24 Via Monte Pulciano in the city of Rome. So far I haven't received any word.

I'm greatly concerned as to their welfare and whereabouts. I've been hoping to receive some word through the American Red Cross. Evidently, since the liberation of Rome, messages have been discontinued.

My sister has been residing in Rome, Italy since 1937 as an American citizen. Her American passport has been renewed and is in force to date.

Your cooperation in obtaining information as to their whereabouts will be greatly appreciated.

SUBJECT:- Welfare Enquiry.

November 4th 1944

Welfare Officer
A.M.G. Near 8 Army

Ref. yor letter OA/84 dated 30 October 1944.
I have made an enquiry respecting the Countess de Paulsen with the following result.

Until the recent fighting in this locality, the Countess occupied a house in S.Lorenzo in Strada, near Riccione and had a small estate consisting of two farms. During the course of the fighting, the house was completely destroyed and the Countess lost all of her possessions. The wine crop could not be gathered in and the grapes rotted on the vines.

The health of the Countess at present is moderately good, but she finds prevailing conditions extremely difficult on account of her age (over 60 years) and that her right arm is withered. She is now residing at a small cottage situated at Via Zara 12, Riccione, with her husband and maid, where they occupy two small rooms.

For a time she worked as an interpreter to A.M.G. (Refugees) in order to obtain food, but left on her own accord.

In short her conditions are no better than the majority of Italian peasants in this locality who have lost their homes and possessions during the course of the fighting.

The Countess wishes to know the identity of the person who is making enquiry in regard to her whereabouts and would be glad of any assistance.

Sgd. M. Turner, Lt.

Gentlemen:

I have attempted twice to communicate with my sister, Mrs. Mary Peri, and her family, who resides at 24 Via Monte Mulcinno in the city of Rome. So far I haven't received any word.

I'm greatly concerned as to their welfare and whereabouts. I've been hoping to receive some word through the American Red Cross. Evidently, since the liberation of Rome, messages have been discontinued.

My sister has been residing in Rome, Italy since 1937 as an American citizen. Her American passport has been renewed and is in force to date.

Your cooperation in obtaining information as to their whereabouts will be greatly appreciated.

Dear Brigadier Rush,

The wives of [redacted] Guido and D'ANDREA Pietro begged H.R.H. the Lieutenant General of the Kingdom to get news of their husbands who left Rome on the 6th, going to Rieti-rto, (province of Perugia), where they had to look after some family interests.

These two men haven't come back and haven't sent news; their wives think they might have been arrested by the Allied Police - and interned - in the vicinity of the boundary line, north of Terni.

I shall be very grateful to you if you will let me know whether there is any charge against them, and if so, whether you would be willing to do something for them.

Thanking you, I remain,

n. 097 s.p. di prot. Roma 1 novembre 1944

Caro Generale Lush,

le mogli di tali STELLA Guido e D'ANDREA Pietro si sono rivolte a S.A.R. il Luogotenente Generale del Regno implorando il Suo interessamento allo scopo di avere notizie dei loro mariti che il giorno 6 c.m. si sono diretti - per interessi familiari - da Roma a Riotorto (provincia di Perugia).

Fino ad oggi i due uomini non sono ritornati in famiglia nè hanno fatto pervenire loro notizie, per cui alle donne è sorto il dubbio che essi siano stati fermati dalla Polizia Alleata - ed internati - nei pressi della linea di demarcazione, a nord di Terni.

Le sarò molto grato se vorrà farmi conoscere se risulta qualcosa a loro carico e in tal caso, se vorrà interessarsi in loro favore. 4343

Grazie e molti saluti

Both said they were now well, but Mrs. Stein had been quite sick with heart trouble and rheumatism. They are now drawing American rations and have suffered no indignities from either the Germans or the Italians. During the shelling they spent 20 days in a cellar but with better food they are now feeding well and Mr. Stein has recovered from a slight psychological break down as his wife stated. They say their financial conditions are all right as a sufficient monthly ration of money is now unblocked. SUBJECT: Assistance to be given to MATOZZO Rosa. 206

To H.Q. N.A.D. "A" Branch

I, the undersigned, T/10346 sold. CUNZOLO, Francesco, would be very much obliged to your H.Q. if kind attention could be given to the following matter.

My wife, MATOZZO Rosa, lives with her daughter at S.Vito sul Jonio (prov.of Cosenza) in the same village as GRETO Bettina, my sister-in-law (wife of my brother P.O.W. in India)

GRETO Bettina is continually making claims on the estate which has not been divided between my wife and her brother up to the present.

My wife, not having a legal mandate, cannot acceed to the requests of GRETO Bettina, and being alone without the support of any relatives, it would be necessary to enlist the services of the Carabinieri in order to dissuade Greto Bettina from insisting in her requests, which often take a threatening and offensive attitude, until the return of her husband.

I believe it necessary to state that GRETO Bettina behaved in a very bad way during her husband's absence.
She even had an illegitimate child, and as far as I know, she has therefore been deprived of her family allowances.

OGGETTO - Assistenza a Matozzo Rosa.

Il sottoscritto fa presente che a S. Vito sull'Jonio (prov. Catanzaro) vive la di lui moglie MATOZZO ROSA con una figlia.

Nello stesso paese vive anche tale Greto Bettina, mia cognata(moglie del fratello di mia moglie prigioniero in India) la quale vanta continue pretese su la proprieta' che ancora mia moglie ha indivisa col proprio fratello.

Non avendo essa nessun mandato legale non puo' aderire alle richieste della Greto, e trovandosi sola, senza l'appoggio di nessun congiunto, le sarebbe necessario che i CC.RR. del luogo diffidassero la detta Greto a desistere dalle proprie richieste,talvolta anche minacciose ed ingiuriose, fino al ritorno del proprio marito.

Non credo inopportuno accennare al fatto che la Greto durante l'assenza del Marito ha tenuto condotta tuttaltro che lodevole, ed ha avuto anche un figlio illegittimo,tanto che mi risulta le sia anche stato tolto il sussidio.

Dear Sir---

Could you give me any information regarding my daughter Caroline Probst-Fasulo who formerly ran a school named "Arte del Movimento" at Via Po 14, Rome?

She and her Italian husband Tineteo Fasulo opened the school some years ago.

Their marriage was later annulled, but they continued to collaborate in their work, she opening a branch school in Milan. (Via Puccini 5,) and being often in Rome.

Her last letter to reach us had a Swiss post mark, tho written from Milan just before we entered the war. She said she expected to be evacuated to the province of Umbria, which now seems to be in Allied hands.

I would appreciate any information or suggestions you could give me.

Yours very truly

Commanding Officer

Rome, Italy -

Dear Sir —

Could you give me any information regarding my daughter Caroline Probst-Fasulo who formerly ran a school named "Arte del Movimento", at Via Po 14, Rome? 430

She and her Italian husband Timoteo Fasulo opened the school some years ago. Their marriage was later annulled, but they continued to collaborate in their work, she opening a branch school in Milan, (Via Puccini 5,) and being often in Rome. Her last letter to reach us had a Swiss post mark, tho

written from Milan just before we entered the war. She said she expected to be evacuated to the province of Umbria, which now seems to be in Allied hands. I would appreciate any information or suggestions you could give me.

Yours very truly

Frances Allison

1. I submit to your kind attention the following:

Since the 9th of July 1943, I have not heard from my family (4 brothers) resident at LUCERA - Province di FOGGIA, Southern Italy, which was occupied by American and British troops on October 1943, and is still under allied military government (AMG), and, in particular, under American Command.

2. Due to the political and military events of last summer and fall in Italy, and to the German policy of deporting to Germany for hard labor, or even executing, all the valid Italians who did not pledge loyalty to Fascism and Nazism, I am very worried as to my brothers' fates.

3. I dare apply to your understanding and kindness begging to try to let me have some information about them, through the AMG or through the private source of American officers stationed at Foggia.

I was suggested to turn to you for a request in favor of one of our Convents in Sicily - Italy. The Superior wrote to me asking a recommendation to the Commander of the Allied Forces of that section in order to have more food and clothing.

The name of the Superior is : Rev. Mother Carolina Rutti - (Suore Dorotee)
The address : Mirabella Imbaccari, Prov. di Catania - Sicily Italy.

I would be very much obliged to you if you could take care of the aforesaid recommendation so that our poor Sisters would be, as soon as possible, provided. In case your authority does not extend to that field, I would ask you the great kindness to let me know to whom I have to address myself, or how to go about in this affair.

T. 245264., Sold. TORNELLO F. (418 Ord. Retd. Stores Coy)

1. The above mentioned Italian Co-operator, whose Coy. forms part of the establishment of Ordnance Depot, Bari, approached me through his Italian Officer yesterday for a personal interview.

2. It appears that his wife :-

Signora TORNELLO, GRAZIA,
Piazza Elena, No.3
Ramacca (Catania) Sicilia.

has been in receipt, for the past four years, of a daily allowance of 28 lire from the Municipality of Ramacca. This she has attempted to eke out by selling vegetables, etc. to maintain herself and three children, aged 12, 5 and 2 years respectively.

3. Sold. Tornello has recently received a letter from his wife stating that, about 4 months ago, this daily allowance of 28 lire stopped. He can offer no explanation for this action, other than that the Municipality of Ramacca may be taking the view that his wife can fend for herself. He is emphatic that this withdrawal will cause the greatest hardship. Under the new scheme of Co-operators' pay he has remitted all the money possible out of the balance standing to his credit.

4. The soldier himself is a well conducted man and is, so I am informed, capable and hard working. The matter is obviously causing him great distress. I would be extremely grateful if some enquiry could be instituted regarding this matter, or, failing this, that I could be supplied with details of the appropriate channel of enquiry.
