Gentlemen: In Re - AC/14604/PS
Inheritance from the late Frank Talotta

We acknowledge receipt of your letter of November 5, 1945
in reply to ours of August 21, 1945, above reference.

We are sorry to again trouble you in this connection but
your letter did not give us the information we requested in ours of
August 21st. Therefore, will you kindly obtain definite information
on the following questions:

- A. Did Frank Talotta have any estate in Italy other than real estate?
- B. Was there an administrator appointed to administer his estate? If
so, we desire the name and address of the administrator.
- C. In whose name was the title to the various pieces of property in
and around Soveria Simeri as of November 14 1944?
- D. What is the Italian law relative to inheritance of property of an
intestate decedent. Frank Talotta, deceased, was survived by his
wife, resident in Italy, and two (2) children by that marriage
residing with their mother in Italy. He was also survived by three
(3) children, by a previous marriage, living in the United States.

As a matter of record, the property in our possession and of which
we are administrator will, under the Pennsylvania Intestate Law, pass
1/3 to the widow and each of the five (5) children will receive 1/5
of 2/3 or 2/15.

Unless the real estate situate in Italy was in the name of
husband and wife, by the entirety, we feel that, unless the Italian law
is substantially different from the Pennsylvania law, the three (3) children
by the former marriage will have an interest in the Italian real estate.

Awaiting your reply, we are,

Very truly yours,

Wm. W. Hurrell

This Bank is the Administrator of the estate of Frank Talotta, who died November 15, 1944 at 11:45 P.M. in the McKeesport Hospital from pneumonia.

At the time of his death we understand he was survived by his wife Caroline, their daughter Marie and son Donati who visited in Italy before the war and now residing at Soveria Simeri, Province Catanzaro, Italy. My enquiries be made respecting the whereabouts and welfare of Dott. Paolo D'ANDREA, aged 24 years, last heard of c/o the family FENI, Via San Fratte, Modena, or at S. Giuliano in Saliceto.

At times he has been a journalist and a member of the Municipal Guard, and may have worked with the Partisan Movement. He was at the Military Academy, Modena, and escaped from the Germans there on 8 Sep. 43.

The brother of the above named was very good to an officer of this Sub-Commission when the latter was a patient in an Italian Civilian hospital in Cosenza some time ago, and your kind assistance in this matter will be appreciated.

UMBERTO DEL MAR Corso Garibaldi 25 -LUCCA-

Lucca 9th April 1945

Allied Commission Public Safety Subcommittee.

The under-signed Del Mar Umberto, refugee from Genova, actually resident in Lucca, makes an application to the Commission in order to obtain, if possible, the transfer of his daughter Nella, who is now resident in London, at the auxiliary of the British Army, to Lucca.

The request is due to the consideration that the under-signed is old (68 years), sick, and would like to see her after six years of separation, and in order to receive from her presence here, a moral and material help, and above all the necessary assistance to a sick man who cannot move.

Hoping that such application will be accepted, I am waiting acknowledgement of receipt.

Respectfully.

-Umberto Del Mar-

It is reported that she is in fair health and living in a comparatively comfortable house. She states that she is in a bad condition financially and would like to receive assistance from her family.

In this connection it is understood that money may be sent to this country through a Banker and if you have an account with a Bank you should consult the Agent and he will advise you as to how you may transmit money to your mother.

Yours faithfully,

Dear Sir.

You have been recommended to me by Lady Margaret Kerr of Edinburgh that you may be able to locate my mother who is in Italy whom since the allied bombing have not heard any more news. The last we did hear of her was in our home town Piacenza, so I shall give you full particulars hoping that you will be able to help us as my father on my behalf I am writing is very worried.

My father has been in this country for 34 years and is now 62. My mother went to Italy for health reasons and could not return at the outbreak of war. The family is all there. The last we did hear of my mother she said she had 49.5 of my money left so I wonder if you could tell me how we can send her some.

Hoping you will be successful and I shall be waiting in eager anticipation and my father more so.

I remain

Yours Sincerely  
Yolanda Capaldi
