With letter A.C./I4613/I/PS, dated 29 October, that Subcommission has ordered that, approval of local P.S.O. of A.M.G., without opinion of Allied Commission, will be enough in matters concerned with transfer of P.S.officials, of a grade lower than Commissario and with the one of Agents.

In thanking You for the issued provision, which will make easy the movement of P.S.staff, we beg you to examine the opportunity of allowing that also P.S.officials lower than Commissario and n.c.o. and Agents, may be appointed in AMG territories, without the previous approval of that Commission.

This new concession would allow us to transfer the staff, with most urgency.

This Ministry, in ordering movements, would not fail to inform immediately the competent Prefects, in order to comunicate it to AMG Prov.P.S.O and at the same time, to inform that Allied Commission.

In this way, it would be possible to send immediately the inferior ranges staff needed for functionning of services, in AMG provinces.

MINISTRY OF INTERIOR
P.S. Gab. No.
No. 600/9602.

17th October 1944.

SUBJECT : Transfer of N.C.Os and Agents of P.S.

TO : A.C.C. Public Safety Sub-Commission - Rome.

The Prefects, who, in agreement with the Allied Authorities, are assigned to the newly liberated Provinces, have repeatedly notified this Ministry of the serious difficulties which they encounter in regard to the re-organisation of the complicated police services. These difficulties are largely due to the deficiency in the P.S. personnel, resulting from desertions, discharges ordered by the Allied Military Commands and by the epuration of undesirable elements, which continually demand the urgent assignment of agents particularly able quickly to re-activate at least the most important Public Safety Services.

Therefore this Ministry, while most desirous of re-establishing normality in these unfortunate regions so heavily hit by the war, is not always able to provide, with the necessary urgency, for the re-establishment and the allocation of agents, given the necessity of referring the name of each appointee to the A.C.C. for approval.

Consequently it is requested that, in view of the urgent necessity of re-establishing the service, consideration may be given to the possibility of allowing the General Directorate to provide for the movement of agents, considered necessary by the Prefects or by the Allied Military Authorities, in the provinces still under Allied control, without the necessity of submitting each case for approval.

MINISTRY OF INTERIOR
P.S. Gen. HQ.

N. 800/9802

17 October 1944.

Subject : Transfer of P.C.O.s & Agents of P.S.

To : A.C.C. Public Safety Sub-Commission - Rome.

The Prefects, who, in agreement with the Allied Authorities, are assigned to the newly liberated Provinces, have repeatedly notified this Ministry of the serious difficulties, which they meet with in the re-organisation of the complex Police services. These are caused by the deficient situation of the P.S. personnel, which has been impoverished by desertions, by discharges ordered by the Allied Military Commands and by the epuration of undesirable elements. They are always requesting the assignment of agents specially fit to re-establish, as soon as possible, above all, the P.S. services of a particular importance.

But the Ministry, though desiring to re-establish normality, as soon as possible, in said Regions, so heavily struck by the War, cannot always provide with the necessary urgency for the reinstatement and for the alternation of the agents, in view of the necessity to notify each time the relative particulars to that A.C.C. for consequent authorisation.

Therefore, we beg, in view of the advantage and rapidity, which the service would gain, to kindly examine the possibility of authorising this Gen. H.Q., to make those movements of agents, in the Provinces still under Allied Control, which would be deemed necessary by the Prefects or by the same Military Authorities, without being obliged to ask case by case for single authorisation.

Of course, it would be the charge of the Ministry to remove the agents, whose staying would be incompatible with the new situation, replacing them, at the same time, with elements particularly fit for the active Police services in the liberated Provinces.

Awaiting your courteous urgent reply.

Sarebbe naturalmente cura del Ministero provvedere a rimuovere gli agenti la cui permanenza fosse incompatibile con la nuova situazione, sostituendolo in pari tempo con elementi particolarmente idonei ai servizi attivi di polizia delle provincie liberate.

To : A.C.C. Public Safety Sub-Commission - Rome.

For service reasons, it is suggested, that the P.S. Commissario Capo Dott.Uff. Ettore Primavera and the P.S. Commissario Aggiunto Cav. Domenico Meloni, be transferred from the Grosseto Questura, assigning the former to Macerata, where P.S. officials are needed, and the latter to Nuoro.

They would be substituted by Commissario Aggiunto Dott. Arcangelo Toscano and by Vice Commissario Aggiunto Dott. Eugenio Testa.

Toscano, already effective at the Grosseto Questura and temporarily aggregated to that one of Rome, has asked return to said seat, which, as stated by him, he left a short time after the Nazi-occupation.

Regards, we are informing you, though not having particulars on the activity carried out by said official after September 1943 and till his departure from Grosseto, he has declared, to never have co-operated with Nazi-Fascist authorities.

Therefore, we express favorable opinion for his return to said seat.

P.S. Vice Commissario Aggiunto Dott. Eugenio Testa performs duties at the Littoria Questura.

Would you please inform us of the decisions, which your Commission will adopt on said matter.

The PS Comissioner Miserendino Vincenzo, of the Macerata Questura and temporally sent to join the Rome Questura, has asked to be allowed to return to his previous place which he left last february to avoid nazi-fascist menaces, and where he left a widowed sister with seven children.

Dr. Guido Celentano has proved most useful at Foggia and his removal is opposed. If Celentano is sent to Manfredonia, is it intended to remove SPADEA, the carbon in charge there, from the Province? or is it intended to remove Sbaffa to Foggia.

No objection is raised to an internal move if it meets with the approval of Dr. SPADEA, the Questura, but we do not wish to lose either of the men.

It is known that Celentano's family resides in Manfredonia.

REGIONAL DIRECTORATE OF PUBLIC SAFETY IN SICILY

Palermo, 27 January 1944.

SUBJECT: Sicilian officers of Public Safety in Service on the Mainland.

To : Questure of Reggio Calabria, Catanzaro, Taranto, Brindisi, Bari, Potenza, Matera, Foggia, Benevento, Naples, Salerno, Cosenza, Avellino, and Lecce.

Copies to Questura of Sicily and Public Safety Division of the Allied Military Government in Palermo.

This Regional Directorate, with circular published January 8th, has ordered the immediate return of all P.S. officials belonging to Free Italy, and which were taken from the Questure of Sicily in bodies during and after the period of emergency.

Such provision was necessary to avoid Sicilian officials, who went to Sicily on leave or for other reasons, from making pretexts of not being able to return to their stations because of the lack of transportation.

Therefore, since many officials who were previously stationed in Sicily have been taken in large numbers by the above-mentioned stations, we request that they be returned to their former stations.

The Regional Director,

(Signed) Modica.
