Date: 19/7/46

Subject:- return of reserve Officer  
Cadets School Bks (PALERMO).

The Palermo Military Terr.HQ has pointed out that two barracks( Rocca and Turba) which the 11th CAR has, are absolutely insufficient to meet actual requirement. Rooms whose normal capacity is about 20 men, accomodate, 56 men in double bunks, each touching without any spacing in between them.

The aforesaid HQ whilst reporting this situation, has reported that the CAR could be confortably accomodated in the Reserve Cadet Officer's School Bks.

A Battalion could be confortably accomodated there. This Bks is however at present occupied by a P.S. Unit, with a presumed strength of about 200 men. i.e. it is only partially used with a number of men with no more than 6 or 7 to a room.

Steps taken by the Military Authorites for the release of the Bks have been unsuccessful.

We ask your MMIA to examine the possibility of approaching the competent S/C to obtain the release of the Bks which could be put at the disposal of the Palermo Military Territorial HQ.
