1. Reference your ACC/14616/PS of 14 Apr 44, this HQ entirely agrees with the plan put forward by the Commander of the NAPLES Legion of the Royal Forest Guards.

2. It may be mentioned that these effective Forestry Guards in the CHIETI Province are badly in need of footwear, clothing and equipment when supplies become available.

Naples 7 April 1944

SUBJECT: Forestal service in Chieti.

TO : AMG Region 3, Regional Public Safety, Naples.

The AMG Superior Police Offices in Vasta for the Province of Chieti has referred to the Provincial HQ. of Campobasso a request that an officer be sent to Vasto to re-activate Forestal Service in the part of the Province of Chieti already liberated.

This HQ retains that until Chieti is liberated Forestal duties in that Province can be carried out by Campobasso Provincial HQ. inasmuch as personnel is lacking and also because there is not sufficient office supplies in Chieti and thus it would not be easy to form a new office at Vasto.

Awaiting your answer and approval also your approval that the personnel of Lanciano; Atessa and Castiglione Messer Marino, and the Stations of Vasto, Montebelli, Palmoli and Villa S. Maria be attached to the administration of this HQ.

Prot. N. 1563 Posiz. II-1/I

Risposta al foglio del

P. N. Pos. Dio. Sez.

OGGETTO: Provincia di Chieti-Servizio Forestale-

L'Ufficiale Superiore di Polizia del Governo Militare Alleato per la provincia di Chieti, attualmente in Vasto, si è rivolto al Comando Provinciale di Campobasso chiedendo che venisse inviato a Vasto un Ufficiale che provveda a riattivare i servizi forestali nella parte della provincia di Chieti già liberata.

Questo Comando ritiene che fino a quando non sarà liberata Chieti i servizi forestali della parte della provincia già liberata possono essere disimpegnati dal Comando Provinciale di Campobasso in quanto data la deficienza di personale, la mancanza di tutte le pratiche che trovansi a Chieti, suppellettili d'ufficio ecc. non sarebbe agevole costituire un nuovo ufficio a Vasto.

Si resta in attesa di conoscere, con cortese sollecitudine, se nulla osta da parte di codesto Ufficio, come pure se nulla osta a che il personale dei Comandi di distaccamento di Lanciano, Atesa e Castiglione Messer Marino e delle stazioni di Vasto, Palmoli, Montazzoli e Villa S. Maria venga assunto temporaneamente in forza anche amministrativamente da
