Dear Sir,

Lt Col White has recently completed a tour of certain provinces in company with a representative of the AHC for Epuration. At Pesaro his attention was drawn to the fact the Guilelmo Vincenzo former Italian Consul at San Marino had been held under arrest at the request of the Italian Govt for some considerable time and that no arrangements had been made for his disposal. The Provincial Commissioner felt that it was undesirable that the Allies should continue to be responsible for his safe custody indefinitely and asked whether as the Allies had no charge against him he could release him if the Italian Government did not take over his custody.

If he is released he will of course immediately escape into San Marino territory in which case his re-apprehension may be difficult.

Will you please arrange for his future custody or may he be released.

Yours truly,

G. W. Chapman

Dear General,

In accordance with art. 40 of DLL No. 159 of 27 July 1944 it is necessary to appoint a Commissioner for the forfeiture of profits derived from the regime and a Commissioner for the liquidation of fascist property, to replace signori Crete LIZZADRI and Celeste NEGARVILLE who have resigned because they had to take up other offices.

For the above-mentioned positions Mario PAONE and Anacleto COSTA have been proposed respectively; I shall be very grateful if you will let me know, as soon as possible, the position of the Allied Commission in regard to these proposals.

Sincerely yours.

With reference to your ACC/110/PSU dated 17 May 1944, with enclosures, I cannot understand precisely what you require.

Since these persons are resident in Sicily it is presumably a matter for the Italian Ministry concerned to satisfy themselves respecting the bona fides of the officials before they are re-appointed.

The principle of screening Italian officials as to their suitability for employment under the aegis of Military Government is a matter for the Regions concerned.

I shall be very glad to do whatever I can to assist you in this matter if you will let me know exactly what is required.
