SUBJECT : ZIESLER Egon son of Edmund, born at Neustaedtel (Slesien) on the 14/4/1914, German.

The CATANIA Prefecture, with a note dated 7th inst., communicated the following:

"" The German in subject came to the local Questura in order to declare his change of residence. He stated to be coming from Rome and to be going to live at Riposto (Torre Archicari d.) by widow NICOTRA Maria, as an Administrator of the farm owned by the same NICOTRA.

The a/m ZEISLER showed a sojourn permit Nr. 7990 issued at Rome on the 18/11/1945, lacking of the well-known initials C.S.A. Accordingly, the Rome Questura was asked for informations, and its reply - Note C16657 dated 3/1/1946 - runs as follows:

"" The a/m foreigner, concerned in the aforesaid note, is a former 1st Lieut. of a Tank Outfit in the German Wehrmacht. On the 29th April 1945, he was interned by order of the Allied Authorities, in the Coma Concentration-camp, from which he was later on transferred.

On October of the same year, he was released by the same Authorities.

It appears that he lived at Rome years ago as a member of the German Intelligence.

He has no precedents in our files, and is not inscribed in the Census Registers.""

The foreigner in question was invited to point out, which services he had displaid during the German-Fascist occupation. He forwarded to the local Questura the attached statement, according to which he seems to have worked first as an employer at the Rome German Ambassy, and afterwards as an interpreter at various Italian Outfits and Commands at the East Front, in Africa in France and in Italy.

He furtherly stated to have got engaged on 1939 to the Italian subject Rosita TABUSO daughter of late Francesco and of Maria Nicotra, born at Riposto on the 10/5/1910 and to have married her on the 31/5/1944.

Forwarded for due information and such action as you may deem opportune. The foreigner in question, according to the rules in force, was summoned not to leave the Catania district without having previously obtained the due authorization.

The a/m was inscribed in our Census Registers. ""

Consequently, we beg your Commission to examine the opportunity to proceed to the repatriation of the above, pointing out that dispositions were issued concerning his conveyance to the Fossolo di Carpi (Modena) Concentration-Camp. He has now arrived at Fossoli, and awaits your authority for repatriation.

To : H. Catania Questura.

Undersigned Egon ZIESLER son of Edmund and Anna Weise, born at Neustaedtel (Schlesien) on the 14th April 1914, German subject, former 1st Lieut. of the Reserve in the German Army, begs to point out the following:

"" I am living in Italy since 1/8/1939. At the beginning I was employed at the Rome German Ambassy, and later on, having been called up on 1940, I was an interpreter at various Italian Outfits and Units at the East Front, in Northern Africa, in France and in Italy (4th Army.)

I was captured on the 29th April 1945 by the Americans and was released after five months of imprisonment in Italy and one month in Germany, on the 19th October 1945.

On November, being in possession of a regular authorisation and papers, I reached Italy. I went to the Rome Questura, where after an interrogatory by the Allied Military Police and with its authorization, I was granted a sojourn permit for Italy.

I beg to point out that I never was a member of the Nazist Party nor of any dependent organizations.

Being engaged since November 1939 to the Italian subject Rosita TABUSO daughter of late Francesco and of Maria Nicotra, born at Riposto (Catania) on the 10/5/1910, I married her on the 11/5/1943 with the due authorization of the Ministry of Interior and the licence of the Pop. On the 24th April 1945 my wife gave birth to a baby son in Milan.

Presently, I am living by the mother of my wife at Torre Archiati (Riposto), where I help my mother-in-law in the administration of her goods, as her only son, who once lived with her, was killed at the Tunesien Front.

Invitato pertanto a chiarire quale servizio abbia espletato durante l'occupazione nazi-fascista, il medesimo ha presentato alla locale Questura la dichiarazione che si trasmette in originale, in cui egli afferma

Lo stesso è stato qui censito."""

SUBJECT : Passports for Alien Displaced Persons entering the United Kingdom.

TO : HQ Allied Commission
Civil Affairs Section

1. In reply to a recent question in the House of Commons the Home Secretary stated that certain categories of distressed Aliens having near relatives in the United Kingdom, who can give the necessary assurances for maintenance etc. may be permitted to join them there, subject to a Visa from a British Consul on Home Office authority.

2. This raises the problem of passports for those whose passports are out of date or lost and cannot produce proof of identity.

3. Those whose country of origin has no consular representative in Italy, such as Austrians, will require some identity document which will be recognized both in Italy and Great Britain as the equivalent of a Passport, on which the Visa can be granted.

4. Others may be unable to get into touch with their Governmental agent. For instance in BARI the only countries having consular representatives are Great Britain, France, Switzerland and Greece. It would be helpful if other countries appointed consular agents.

5. Given that the Visa is granted, the question will then arise as to how the individual concerned is to travel to U.K. and the method of payment.

No 443/33304.

SUBJECT : American - Belgian - French - English - Norvegian - Dane Dutch - Swedish and Swiss subjects. Exit and return to Italy.

In order to simplify and quicken the proceeding referring to the visas for exit and return in Italy, procedure depending since the breaking of the war on a complex discipline, this Ministry resolved to authorize, with effect from this day, the territorial competent Questure to issue directly such visas(available for three months only and for a single journey) only to American, Belgian, Dane, French, English, Norvegian, Dutch, Swedish, and Swiss subjects provided they should be favourably known and they have been staying in Italy for several years. The present procedure in force for other foreigners shall remain unaltered.

It is understood that in doubtful cases, before issuing a visa, the concerned territorial C.S. Centres should be consulted by the Questure. In case of discordant opinions this office shall be informed in order that it may, in its turn, ask for information the Ministries of Foreign Affairs and of War(Information Service), to know how to manage.

For statistic reasons the Questure are requested to keep a register to note the visas issued and send to this Ministry, within the 5th of every month, a duplicate list containing said visas.

Allo scopo di semplificare e di rendere più spedita la procedura, riguardante i visti di uscita e reingresso degli stranieri nel Regno, procedura soggetta, dallo scoppio della guerra, ad una complessa disciplina, questo Ministero è venuto nella determinazione di autorizzare, da oggi, le Questure competenti per territorio, a rilasciare direttamente tale visto, valido non oltre i tre mesi e per un solo viaggio, limitatamente ai sudditi americani, belgi, danesi, francesi, inglesi, norvegesi, olandesi, svedesi e svizzeri, che siano favorevolmente noti e che risiedano da vari anni in Italia, ferma restando, per ora, in vigore, la procedura attuale per i rimanenti stranieri. SUBJECT: Proposal of expulsion from the Kingdom of the German citizen Walter Rodolf and Anne Walter, born at Leitmeritz (Czechoslovakia) 17/4/1885, architect painter, single, residing at Florence since Sept. 1932.

The Ministry of War General Staff Intelligence Office Army has communicated with note n.IC0658/2 P.M. 30/8/43 the following:

The German citizen Walter Rodolfo, residing at Florence since 23/9/32, from Czechoslovakia, has since his arrival in Italy, with apparent political indifference, shown lively nazist sentiments so that during 1937 he became member of the "Reichsdeutscheverimgung" and in 1940 was a candidate for the "Nazional-Social-Deutsche-Auslandpartei.

Joining the Army, he became officer-interpreter at Catania Air-field, dismissed for bad health, on 15/2/44 returned to Florence.

Although apparently inactive, has always carried on an easy life which gives the suspect of an indetermed illegal activity.

Considering the s/m, it is found necessary to expulse- as undesirable- the said alien from the Kingdom.

Dispositions in that sense will be appreciated and in meantime this Office desires the opinion in merit from Allied Commission.

OGGETTO: Proposta di espulsione dal Regno del cittadino tedesco Walter Rodolfo di Joseph e di Anna Walter,nato a Leitmeritz (Cecoslovacchia) il I7 aprile I885,pittore architetto,celibe,residente a Firenze dal settembre I932-

Il Ministero della Guerra Stato Maggiore R.Esercito-Ufficio Informazioni, ha comunicato,con nota n.I00658/2-P.M. del 30 corrente,quanto segue:

"Dal 23 settembre I932 risiede a Firenze - proveniente dalla Cecoslovacchia - il cittadino tedesco Walter Rodolfo,meglio specificato in oggetto.

Sin dal suo arrivo in Italia il Walter, pur non svolgendo - almeno apparentemente - alcuna attività politica,dimostrò accesi sentimenti filonazisti tanto che nel I937 entrò a far parte del "Fronte del Lavoro Tedesco", nel marzo I939 aderì alla "Reichsdeutschevereinigung" e nel I940 fu candidato per la "Nazional-Sozial-Deutsche-Ausland-Partei". Richiamato alle armi nel dicembre I940,quale ufficiale interprete nel campo di aviazione di Catania,venne congedato - per malattia - il I5 febbraio I944 allorquando rientrò a Firenze.

Pur non svolgendo quivi alcuna palese attività,egli ha sempre condotto tenore di vita agiato sì da dar luogo a sospetti di attività imprecisata ma poco lecita.

In considerazione di quanto sopra, si rende necessaria la espulsione [illegible] dello straniero suddetto dal Regno.

SUBJECT: Foreigners coming to Rome from the North.

VERY URGENT

We deem necessary to inform your Commission that the affluency of foreigners in Italy (in a great degree coming from the concentration camps of Dachau, Mathausens and from other European Countries) becomes more and more considerable and is day by day increasing. In fact, according to the available statistics from 30 July to 6 August 1945, 181 foreigners have arrived in Rome, from 6 to 12 August 1945, 300 and from 12 to 18 August '45, 503.

The a/m figures (that have been deducted from the sojourn declarations and from the list of lodgers) do not show exactly the actual movement as several unavoidable transgressions may easily take place on this ground.

Almost the totality of the a/m foreigners arrive without identity documents nor the concerned diplomatic representatives (official or not) here staying, are any way informed of them.

The a/m inconvenience, besides making doubtful these foreigners' identification, entangles the Police surveyance.

On the other hand, as it is well known, these people 's emigration both beyond the sea and beyond the frontier is bounded; moreover, although some of them be afterwards sent to the various gathering camps (Aversa, S.Maria di Leuca and others) while awaiting to leave Italy, yet a great deal of them settle in Rome , increasing the present difficulties for food supply and housings. Besides only a part of the said foreigners may be lodged - owing to the Relief Committees - in the Camps of Via Matteo Boiardo, Via Tasso, Corso Trieste, Lungotevere Sanzio, Cinecittà, Campo Parioli, etc., and the greatest part of them live poorly.

./.

2.

Unclassified E.O. 12356 Section 3.3/NND No. 785016

We are moreover pointing out that many incidents, robberies or criminal activities of this kind, having lately taken place, were foreigners' work.

Finally it is necessary to consider that the political antagonism existing amongst these foreigners (Poles, Yugoslavs, Albanians, "Ucraini", Georgians, Estonians, etc.) makes puzzling and difficult the previous surveyance of this Office.

Thus it appears more and more evident the necessity of issuing proper measures to prevent, restrain and discipline the foreigners' affluency to Italy, to Rome particularly.

Consequently we beg your Commission to take into consideration the a/m situation issuing the dispositions proper to eliminate the inconveniences which are complained of and which are day by day increasing with deleterious consequences particularly on the ground of public order and safety.

URGENTISSIMA

Si ritiene opportuno da parte di questo Ministero informare codesta On.le Commissione Alleata che l'afflusso degli stranieri in Italia, in massima parte provenienti dai campi di concentramento di Dachau, Mathausens e da altre località europee, diventa sempre più rilevante e, specie dai primi del corrente mese, è continuo aumento.- Infatti, da parziali rilievi statistici, desunti dallo schedario alloggiati e dalle dichiarazioni di soggiorno, si nota, raffrontando le unità in arrivo a Roma nelle tre ultime settimane, che dal 30/7/1945 al 6/8/1945 sono giunti 181 unità; dal 6/8/1945 al 12/8/1945 n.388 e dal 12/8/1945 al 18/8/1945 n.503.

Tali dati non prospettano, peraltro, fedelmente il movimento verificatosi per parecchie inevitabili evasioni e mancata presentazione di una non precisabile aliquota di stranieri.

Detti profughi stranieri arrivano, nella quasi totalità, sprovvisti di qualsiasi documento, nè, d'altra parte, le rispettive Rappresentanze Diplomatiche, ufficiali o ufficiose, qui esistenti, possono dare comunque contezza di essi.

Tali dati non prospettano, peraltro, fedelmente il movimento verificatosi per parecchie inevitabili evasioni e mancata presentazione di una non precisabile aliquota di stranieri.

Detti profughi stranieri arrivano, nella quasi totalità, sprovvisti di qualsiasi documento, nè, d'altra parte, le rispettive Rappresentanze Diplomatiche, ufficiali o ufficiose, qui esistenti, possono dare comunque contezza di essi.

6982

Questo stato di cose, oltre a lasciare dubbi sulla identificazione dei vari soggetti, rende difficoltosa la vigilanza della Polizia.

Sono, per altro, com'è noto, limitate sino ad ora le immediate possibilità di esodo oltremare od oltre confine e, per quanto alcuni gruppi siano successivamente fatti proseguire per i diversi campi di raccolta (Aversa, S.Maria di Leuca ed altri) in attesa di lasciare l'Italia, una buona percentuale si ferma a Roma e viene così ad aggravare il problema dell'alimenta-

zione e degli alloggi. Tanto più che solo una parte di essi, a cura dei comitati di soccorso, vengono alloggiati negli accantonamenti di Via Matteo Boiardo, di Via Tasso, Corso Trieste, Lungotevere Sanzio, Cinecittà, campo Parioli, ecc. e si trovano quasi tutti in difficoltà economiche.

Si fa, inoltre, presente che molti incidenti, furti, truffe o attività delittuose in genere, verificatisi in questi ultimi tempi, sono stati opera di stranieri.

Infine è necessario considerare che gruppi nazionali di stranieri (originari polacchi, jugoslavi, albanesi, altri balcanici, ucraini, georgiani, estoni, ecc.) sono nella maggior parte tra loro in antagonismo, perchè scissi da divergenze politiche, che rendono delicati e complessi l'orientamento e l'azione di vigilanza preventiva di questo Ufficio.

Da quanto sopra esposto appare sempre più evidente, quindi, la necessità di qualche misura atta ad evitare, limitare o comunque disciplinare l'afflusso degli stranieri in Italia e particolarmente a Roma.

Si prega pertanto codesta On.Commissione Alleata di voler prendere in seria considerazione la suesposta situazione, ed eventualmente impartire adeguate disposizioni, atte a porre un rimedio ad uno stato di cose, che va aggravandosi giorno per giorno con effetti deleteri, sopratutto per l'ordine e la sicurezza pubblica.

Sir,

I have to report that at RIMINI on the 14th August 1945 at about 1630 hours, acting on instructions received from the DAPM - 214 SUB-AREA, I proceeded to the RAILWAY STATION at RIMINI where I saw the R.T.O. who informed me that a woman believed to be a GERMAN subject had been taken off the NORTH BOUND train. The woman was not in possession of an authority to travel.

I then saw the woman

MARGOT ROTHERMEL
MANHEIM, GERMANY.

and with the aid of a soldier who could speak the German language, I questioned her. She informed me that she had been working for the AMERICAN C.I.D. in MANHEIM, and that she had been brought to ITALY by an AMERICAN OFFICER

Capt. YOUNGBLOOD.
A.M.G.O.T. U.S. FORCES.

She further stated that she had been employed by the above named American Officer as a secretary.

On the 2nd August 1945, while at VERONA, Capt. YOUNGBLOOD, left without stating if he would return or explanation. ROTHERMEL stated that she was under the impression that the Officer would return, but only waited a day, and then made her way to ROME. She stated that she went to ROME to try to find an ITALIAN MALE friend whom she had met 2 years ago in GERMANY. While in ROME she stayed at the HOTEL NAZIONALE, she stated from the 14th to the 5th of August. When taken from the train at RIMINI, she was trying to make her way back to GERMANY.

I conducted the above named woman to HQ. 21 TANKS BDE at RICCIONE, where I handed her over to an INTELLIGENCE OFFICER for questioning. Intelligence informed me that the woman would be detained for further questioning, and that if she was found to be in order, they would make the necessary arrangements for her return to GERMANY.

SUBJECT: Statement by Klose Riccardo- living in 60 Via Vecchia Ognina , Catania.

" I was born in Malta on the 27 Oct.1903. My father is German and my mother Maltese. The first years of my life were spent in Algiers; finished up school in Swisszerland and from 1919 to 1943 lived in Catania.

In Jan.1941 I was called by the German Aviation Command in Catania to act as interpreter. In July 1943,following allied landing on Sicilian shores, I had to follow said Command to Calabria and later,to Pordenone.

I never fought in any campaign nor took part in rounding- ups. My work consisted of merely translating letters forwarded to the German Command. I always tried my utmost to help the inhabitents around Pordenone,and so much so,that I won the respect of the C.L.N. and that of the partisan leaders. In view of this,the C.L.N., when I informed them that I had abandoned the Command, granted me a permit to Join my family in Milan and thence to Catania.

I have never been in Germany. Although I am German subject,my feelings are wholly Italian. I am married to an Italian,and my son was never registered in any Consulate,as it is my wish that he remain an Italian.

Il I/I2/I94I sono stato chiamato a prestare servizio come interprete nell'Aviazione Germanica ed assegnato al Comando zona di Catania. A fine luglio I943, in seguito allo sbarco delle truppe alleate in Sicilia, dovetti seguire il Comando in Calabria sostando per breve periodo a Vibo Valentia ed a Cosenza. Dopo lo sbarco alleato a Salerno, dovetti spostarmi nuovamente con il Comando che si trasferì a Pordenone dobe rimasi sino all'aprile I945, epoca in cui mi sganciai rifugiandomi in campagna in attesa degli eventi che poco dopo precipitavano.

Non ho mai preso parte nè ad azioni belliche, nè a rastrellamenti. Sono stato sempre negli uffici traducendo le varie pratiche che pervenivano al Comando. Nel mimito delle mie possibilità ho sempre cercato di aiutare la popolazione del circondario di Pordenone, ciò che mi ha cattivato le simpatie di tutti, compreso quella del C.L.N. e dei capi partigiani.

A riconoscimento della mia opera benefica, il C.L.N. che fu da me informato del mio allontanamento, mi concesse il nulla-osta per raggiungere i miei cari a Milano, coi quali tornai a Catania per riprendere la mia vita di lavoro

SUBJECT : Statement of Di Loretto Elena

The Questura of Reggio Calabria transmits the statement made by Di Loretto Elena, daughter of Arnaldo and Diana Graefin von Braedov, born in Berlin on the 4 April 1924 law studendess.

""" For several years I lived in Berlin with my father an engineer by profession in 20/21 Vilmasfotf Kolstanger Street.

On the night of the 16th April 1944 Berlin was heavily raided by the Americans. When I returned from the air-shelter I could not find any trace of my parents. I think they are dead. Having nowhere to go and worried about the expected Red Army invasion, I reached, in stages, the German-Austro frontier.

From Szieferspeldem with the help of an Italian partisan named Cavallo Ilario, I reached Florence hoping to find there a relation of my father's. But I found that he had been killed in an air-raid.

Once more at a loss where to go, I accepted Mr. Cavallo's kind invitation to go to his home in Reggio Calabria. Whereapon I remembered that my father had once told me that he was a native of said Region, but he never mentioned who were his people or where they lived.

Some time after my arrived at Reggio Calabria I was invited by the local Police to give an account of my presence there."""

SUBJECT: Return to TAORMINA from MERANO of Baron Charles STEMPEL.

TO : Headquarters, Allied Commission, APO 394.

1. The Supreme Allied Commander has received a letter from Baron Charles STEMPEL addressed from the Deaconess' House Iffinger Street, Haia Alta, MERANO. In it Baron STEMPEL explains that he is 84 years of age, a Baltic (Lettish) subject by birth and lived at TAORMINA Sicily for some 50 years up to 1942. He was granted German Citizenship in 1940 after an unsuccessful attempt to obtain Italian Citizenship. Because of financial difficulties he moved from TAORMINA to FLORENCE and there obtained free lodgings in the German Asylum for old people. This institute was transferred to MERANO in 1944. The Baron has requested permission to return to his old home at TAORMINA.

2. There is no objection to the change of residence from the point of view of this Headquarters and it is desired to reply affirmatively to his request.

3. It is desired that you will approach the Italian authorities and ascertain whether they have any objection to Baron STEMPEL moving to TAORMINA. An early reply is requested.

C O P I A

Il sottoscritto Claus Ahrens di Johannes e di Erna Ossig, nato il I4 Maggio I907 a Duedelsdorf dichiara quanto segue:

" Da oltre I6 anni mi trovo in Italia ove ho diviso le gioie e le pene degli italiani. Mi è stata data molta ospitalità ed assistenza e mi ci sono talmente affezionato al punto di considerarmi ormai cittadino italiano. Undici anni orsono ho sposato una cittadina catanese, la quale come tutte le isolane è attaccata alla propria città natìva. Anch'io ho finito per amare questa città, piena di vigoria di sole e di vita. Ho tentato diverse volte di ottenere la cittadinanza italiana, ma i miei tentativi sono falliti sempre a causa delle difficoltà frapposte dalle autorità germaniche.

Con la venuta delle truppe germaniche in Sicilia gli interpreti a suo tempo addetti presso i Comandi Germanici, essendo essi tedeschi dell'Alta Italia e quindi non a conoscenza della lingua e degli usi siciliani, non erano in grado di soddisfare i comandi germanici e a diversi tedeschi residenti in Sicilia, fra cui anche il sottoscritto, fu imposto di mettersi a disposizione del comando germanico per fare il servizio da interprete. Per un anno circa ero riuscito ad impedire la mia assunzione, però nel mese di dicembre I94I fui anche io costretto a soddisfare a tale servizio e fui assegnato al Comando Amministrazione di Catania. Sono rimasto presso quel comando in tale qualità, sempre come civile, fino alla fine del mese di luglio I943. Fui addetto al disbrigo degli interessi degli operai italiani occupati presso quel Comando in connessione con l'Ufficio Aeronautico Italiano (Ufficio Operai Cat.). Ho curato sempre con cura e con zelo gli interessi degli operai italiani, favorendoli in tutto e per tutto, ingaggiando spesso di mia iniziativa gente bisognosa contro il volere dei capi germanici, così da tirarmi addosso l'odio dei miei superiori che per questo iniziarono procedura penale contro di me.

Il Signor Giovanni Noto da Catania, allora uno dei dirigenti dell'ufficio operai Cat. potrà dare delle delucidazioni sull'attività svolta da parte mia in favore degli operai [illegible]. Durante la ritirata delle truppe germaniche dalla Sicilia, essendo allora sotto processo, esse mi costrinsero a trasferirmi in continente trasportandomi a Nettunia. Qui mi ammalai di tifo e nel novembre I943 fui ricoverato all'Ospedale di Udine. Dopo la convalescenza fui assunto da interprete presso i magazzini militari, ove rimasi fino alla fine di novembre 1944. Poi mi trasferii a Trieste ed infine a Verona. In queste due città fui sempre occupato presso amministrazioni militari

./.

Declassified E.O. 12356 Section 3.3/NND No. 785016

in qualità di interprete.Durante la loro ritirata verso il nord, alla fi-
ne di aprile 1945,i tedeschi vollero obbligarmi,essendo di nazionalità
germanica, a trasferirmi con loro in Germania,ma mi rifiutai decisamente
per non allontanarmi dall'Italia che adoro e stimo tanto. A Verona mi
presentai al Comando Americano e questo dopo un sommario esame della mia
posizione mi mise in libertà e mi ordinò di raggiungere la mia famiglia
a Catania e di presentarmi subito alle Autorità di P.S.

Posso assicurare nel modo più esplicito che ho svolto sempre atti-
vità di interprete presso i comandi militari germanici e che non ho mai
preso parte nè direttamente nè indirettamente ad azioni di guerra contro
chicchessia.Ho cercato sempre di favorire le popolazioni italiane,per
cui ero malvisto dai miei connazionali ed appunto per questo mio filoita-
lianismo mi diedero il soprannome"d'italiano".

Accanto a mia moglie desidero crearmi una nuova esistenza in que-
sta città che mi sta a cuore più di ogni altra,in quanto che, sin da ora
ho avuto da parte del Signor Ferruccio Cononi, titolare della Ditta Cononi
e C. Catania, l'offerta di un impiego come corrispondente in lingue este-
re.E'sempre vivo in me il desiderio di prendere la cittadinanza italiana
e sono fiducioso che presto le difficoltà saranno eliminate e che potrò
finalmente vedere realizzato il sogno da lunghi anni accarezzato.

Per notizia ed eventuali provvedimenti, si trascrive la seguente nota della Prefettura di Catania relativa al suddito tedesco Klose Federico di Adolfo e di Carmela Dirgli Maria, nato ad Algeri il 20 Febbraio 1908:

" Si è presentato alla locale Questura, per la dichiarazione di soggiorno, il suddito germanico Klose Federico di Adolfo, già qui domiciliato dal 1927, corrispondente di lingue estere, e cioè, come risulta da una comunicazione in data 1 Dicembre 1941 dell'allora Console di Germania, nello stesso anno era stato richiamato per il servizio militare.

Il Klose, invitato a chiarire quale servizio abbia prestato durante il richiamo nelle forze armate germaniche, ha presentato alla Questura la dichiarazione che si trasmette in originale, in cui egli afferma che prestò unicamente servizio come civile presso i magazzini di sussistenza di Treganì, Rondeno (Ferrara), Cicognara (Cremona) e Castelfranco Veneto e che non prese mai parte ad alcuna azione di guerra nè comunque fece uso delle armi.

Il 28 Aprile 1945 avrebbe fatto passaggio nelle forze partigiane, con le quali avrebbe collaborato efficacemente.

Il predetto straniero è sposato con la cittadina italiana Carolì Filippina, nata a Torino il 21 Giugno 1913, qui residente. Durante la sua permanenza in questo Capoluogo non ha mai dato luogo a rilievi con la sua condotta."

Nel 1941 sposai una cittadina italiana. I miei sentimenti sono stati sempre di perfetto italiano e nel maggio 1941 sono stato espulso dal partito nazista, ove ero stato iscritto quale aspirante d'autorità perchè intollerante delle prescrizioni imposte da quel partito; tale comunicazione mi venne data dal fiduciario Signor Mometter. Nel dicembre 1941 fui chiamato d'autorità a prestar servizio come civile presso le forze armate tedesche e fui assegnato ai magazzini di sussistenza di Trapani. In seguito a ripiegamento dei tedeschi dalla Sicilia raggiunsi Foggia dove contrassi la malaria e fui ricoverato in ospedale da campo dal settembre 1943 al febbraio 1944, poscia fui assegnato ai magazzini di Rondeno (Ferrara), poi a quelli di Bonemerso (Cremona) ed infine a quelli di Castelfranco Veneto dall'Ottobre 1944 al 28 Aprile 1945 giorno in cui passai definitivamente fra i partigiani con i quali collaborai e della cui attività farò cenno.

Pertanto non ho mai preso parte ad alcuna azione di guerra nè comunque fatto uso delle armi.

Nel febbraio I943 fu chiamato dal Comando Militare Germanico a Roma ed inviato come interprete alla Scuola Contraerea ad Anzio; vi rimase fino all'8 Settembre I943, giorno in cui dovette fuggire, essendosi rifiutato di combattere contro la truppe italiane. Non potendo raggiungere la propria famiglia (a Monteporzio (Roma)) per non compromettere la sorte dei suoi congiunti, si rifugiò a Verona dove la famiglia Gemozsini (lo studente Mario, partigiano, aderente al Partito d'Azione e sua madre Vittoria, via Castel S.Felice 6) lo accolsero ospitandolo clandestinamente a Caprino Veronese, prima in frazione Dosso di Rubiana, in casa di Albino Arduini (Ottobre I943 -gennaio I944), poi in frazione di Zerman in casa del fratello Ernesto Arduini (gennaio-settembre I944) infine in frazione Porcino, in casa di un altro fratello Luigi Arduini (settembre-ottobre I944). Troncate subito all'inizio la sua attività di propagandista antinazista dall'arresto del suo ospite Mario Mamozzini (avvenuto nel novembre I944) riuscì tuttavia, pur essendo rinchiuso in casa Zerman, a combinare degli incontri fra partigiani veronesi e quelli dislocati sul Monte Baldo. Subject : Movement of foreigners in the Kingdom.

To : Allied Commission Public Safety s/c.

In order to regularise the release of permit to travel out of province for the foreigners, this Ministry, with circular letter n°443/30261, dated 30th January 1945, has divided the foreigners in two groups:

1°) the United ~~States~~ Nations subjects,

2°) subjects of enemies ~~of~~ neutral states,

For the first the permits are issued according to the modality in force for italian subjects, otherwise for the second it is necessary the approbation of the Ministry from time to time, which approbation for the localities under the Allied Authorities jurisdiction, the permits are issued, after the authorisation of the same Authorities.

It is opinion of the Ministry that the same providing must continue also on account of the new dispositions in regard to the movement of civilians in the territory recently liberated, considering the United States subjects in the same way of the italian citizens, and to continue on asking for the foreigners of the second group, the authorisation of the Allied Authorities, in the case in which they intend to go in zones still under the Allied jurisdiction.

However the question is reported to the Commission, pointing out that a prompt reply on this regard would be greatly appreciated.

OGGETTO Movimento stranieri nel Regno.

Nel disciplinare il rilascio agli stranieri dei permessi di viaggio fuori provincia, questo Ministero, con circolare 30 gennaio 1945 n.443/30261, ha distinto gli stranieri stessi in due gruppi:

1) i sudditi delle Nazioni Unite;

2) i sudditi di stati nemici o neutrali, e gli apolidi.

Mentre per i primi i permessi vengono concessi secondo le stesse modalità vigenti per i cittadini italiani, per i secondi - invece - occorre, di volta in volta, il preventivo consenso del Ministero, consenso che viene dato, ove si tratti di località sottoposte alla giurisdizione delle Autorità Alleate, previo nulla osta delle autorità stesse.

Sembra al Ministero che la stessa procedura debba continuare a praticarsi anche in seguito alle nuove disposizioni sul movimento dei civili nel territorio di recente liberato, nel senso cioè di considerare i sudditi delle Nazioni Unite alla stessa stregua dei cittadini italiani, e di continuare invece a richiedere, per gli stranieri del secondo gruppo, il preventivo nulla osta delle Autorità Alleate nel caso che intendano recarsi in zone tuttora sottoposte al Governo Al-

MINISTERO DELL'INTERNO

H2H

N. AA3/010021 P.S.

SUBJECT: Sojourn of Foreigners to Italy.

TO : P.S. Sub-Com., ACC, Salerno

The Prefettura has recently issued the attached order by which foreigners are required to have a sojourn certificate from the Italian P.S. authorities. The following persons are excepted from such requirement:

a) Minors under 15 years of age.
b) Members of the Allied Forces.
c) Citizens of nations in war against Germany, and Japan provided they have identity papers issued by the Allied Government.
d) Citizens of nations at war against Germany and Japan who are employed by nations at war with said nations.
e) Non-Italian elements who have filled the form issued by the Allied Military Government and who have been given a temporary certificate of identification by the Sub-Commission of Interned and Displaced Persons, or who, in any case, are living in camps or quarters under the supervision of that sub-commission.

While, according to Art. 132, 1st chapter of P.S. law, foreigners who have sojourn certificates are required to renew them where a change of residence takes place, citizens at war with Germany or Japan are not required to do so providing they have identity papers issued by either the Allied Government or the Sub-Commission of Interned or Displaced Persons.

If the above were not so, this Ministry, though thinking it advisable to maintain the exception stated in above order of the Prefetture of Salerno for those groups mentioned in a), b), d), and the last part of e), would suggest that those also included in c) and in the first part of e), should also have sojourn certificates. This would not only bring up-to-date the status of all foreign civilians residing in liberated Italy, who are not employed by the Allied Forces or residing in camps under the supervision of the Sub-Commission of Interned or Displaced Persons, but would enable the Allied authorities to keep a better check on the movements of such persons especially where change of residence is involved by simply applying to the Italian P.S. offices.

We would appreciate your opinion on this matter so that this Ministry may issue orders to the Prefetture controlled by the Royal Government, so as to establish a uniform system of procedure.

rinnovare la dichiarazione presso l'Autorità di P.S., non risulta che ad un equivalente adempimento siano obbligati verso le Autorità Alleate i cittadini delle Nazioni in guerra con la Germania e col Giappone in possesso di un documento di identità rilasciato dal Governo Alleato o dalla Sottocommissione per internati e dislocati. Ove ciò non fosse, questo Ministero, pur ritenendo di mantenere ferma la dispensa prevista nell'ordinanza della Prefettura di Salerno per gli stranieri compresi nelle categorie di cui alle lettere a), b), d) ed ultima parte della lettera e), ravviserebbe l'opportunità di far munire del foglio disoggiorno anche quelli indicati nella lettera c) e nella prima parte della lettera e). E ciò non solo per aggiornare la situazione di tutti i civili stranieri residenti nella Italia liberata, che non siano impiegati presso le Forze Alleate o dimorino in campi o quartieri posti sotto la sorveglianza della Sottocommissione per interneti e dislocati, quanto pure nell'interesse stesso delle Autorità Alleate, le quali dai riscontri che ritenessero di fare presso gli Uffici di P.S. italiani ne potrebbero seguire meglio il movimento, specie in caso di cambio di residenza.

Al riguardo tornerà gradito conoscere l'avviso di codesta On.le Commissione, perchè questo Ministero possa impartire disposizioni alle Prefetture controllate dal R.Governo, allo scopo di disciplinare in modo uniforme il servizio.

1. It has been ascertained from the Security Intelligence Branch, A.C.C., that a system of registration for persons staying at hotels and boarding houses is already in operation in ITALY, and is administered by the local Questore.

2. It is requested that the Italian authorities be warned that we wish this registration procedure to be rigidly enforced both in territory administered by the Italian Government and in that under Allied Military Government.

3. Instructions are being sent to F.S./C.I.C. personnel to carry out

(a) Periodic examinations of Questori records with a view to noting new arrivals in the area and checking these against suspect or "black" lists; and

(b) Periodic checks at boarding houses and hotels, to ensure that the regulations are being complied with.

4. With regard to the procedure laid down for registration of Aliens, may we please be informed as to how far this is or can be effective? The system seems very complicated and would hardly appear practicable in view of the number of Yugoslav refugees, etc. Our letter of even number dated 24 Jan 44 addressed to A.C.C. also refers to this subject.

MEMORANDUM

SUBJECT: Italian Laws on control of aliens.

TO : D.C.L.C.

36A

Ref para 2 of the letter 131/16/CA of the RC & MG Sect. dated 25 Feb 44.

I. No Italian laws have been automatically repealed.

II. The provisions on the above subject can be found in
(a) the Public Safety Law (RD 18 June 1931 n. 773) Title V.
(b) Rules for execution of the law mentioned under (a) contained in RD 6 May 1940 n. 635.

III. The provisions referred to under 2 are still in force. According to the reports recently received by the Ministry these laws are being fully enforced in some Provinces (e.g. Lecce); however, some of the provisions have not been applied in other provinces subsequently to the Allied invasion.

IV. The following are the highlights of
(a) The public Safety Law Title V.
(1) Every alien must personally report within 3 days after his arrival in Italy to local Public Safety authorities and must do so every time he changes his residence within the Kingdom. ✓
(2) Under certain circumstances the duty of personal appearance before the Public Safety authorities is waived. ✓
(3) The Public Safety authorities may at any time order an alien to prove his identity and have his fingerprints taken. ✓
(4) Any person who employs an alien must report within 5 days his personal data and type of employment. ✓
(5) Any person who transfers any right in real estate located in Italy to an alien must report it within 10 days giving all details. ✓
(6) The prefect may forbid any alien to remain in areas which are in any way of interest to the defense of the State. ✓
(7) Aliens sentenced for a crime may be expelled. Ministry of Interior may order expulsion of an alien for reasons of public safety. Such expulsion is pronounced by a decree of the Ministry of Interior in agreement with the Minister of Foreign Affairs and with the consent of the Chief of Government. ✓
(8) In urgent cases prefects of the Provinces situated along the State frontier may order aliens removed from the communities close to the frontier or refuse permission to enter to aliens who cannot properly identify themselves or are without means. Such aliens may also be brought to the frontier on prefect's order.

(b) The Rules for execution of the Public Safety Law.
(1) These rules provide in detail for the form and content of the report to be made by aliens and for the receipt executed by the police authorities upon presentation of the report.
(2) The aliens living in a hotel may file a report in writing. This exception applies to some other enumerated cases.
(3) The procedure for expulsion is set forth in detail.
(4) Pending the expulsion proceeding the alien may be released from custody except in the case of an alien with a criminal record or in case of a

(4) Pending the expulsion proceeding the alien may be released from custody except in the case of an alien with a criminal record or in case of a political suspect. The fifth columnists, foreign agents and spies collecting infromation to be used in the approaching war created an additional incentive.

A control of aliens in one form of another is inoperative in the interest of the safety of Allied forces in Italy. If the present law should be repealed, a new law would have to replace it immediately. I suspect that the new law would have to contain essentially similer rules.

The entire system of Public Safety laws will have to be revised by a strong and representative government. Some of its provisions have been already repealed by Badoglio.

V. The above laws definitely bear all the earmarks of an omnipotent police state and are incompatible with the Anglo-Saxon concept of personal liberties protected by courts of law. However, a careful check on foreigners was inherent in the modern centralized European state with the fully developed system of administrative law and administrative agencies. Even the democratic

countries of ~~Europe~~ Europe such as France and Czeckoslovakia applied a similar scheme of control which was considerably broadened in the late thirties. The immediate impulse for that was the terrific wave of dislocated population which has flooded Europe. The fifth columnists and foreign agents and spies collecting information to be used in the approaching war created an additional incentive.

A control of aliens in one form or another is inoperative in the interest of the safety of Allied Forces in Italy. If the present law should be repealed a new law would have to replace it immediately. I suspect that the new law would have to contain essentially similar rules.

All permanent changes of address and temporary changes of more than eight days must be reported. So far no exceptions to the internment provisions has been met. If one should crop up, such as on account of illness, age, etc., the necessary steps will be taken. The Questore has been instructed to give special consideration to German nationals who are natives of Czechoslavakia or any other place incorporated in the German Reich. No written application to travel more than 10 kms. has been received to date. Instructions have been issued to the Questore to immediately keep a register in which to note particulars of all such applications.

Trapani Province : In compliance with directions, the Questore, with the cooperation of the CC.RR., has re-established the existing Italian scheme of alien (stranieri) control within the province of Trapani, including the checking of all existing records. Local orders on the subject in compliance with the instructions have been published and exhibited throughout the Province. Records of all aliens have been scrutinized by the SCAPO, in conjunction with a CIC agent. Restrictions imposed on neutral aliens have been confined to reporting their arrivals and departures only into and from the Province. In addition, it has been made incumbent on all Hotel keepers and householders wherein all aliens are residing to report their presence immediately to the Questore in order to ensure complete control of movement.

Declassified E.O. 12356 Section 3.3/NND No. 783016

Central registry of all aliens is being maintained by the Questore. To date all known non-Italian nationals numbering 23 have registered correctly. No male German nationals resident in Province.

Agrigento Province : The control of aliens was placed in the hands of the Questore immediately upon receipt of numbered memorandum No. 55, the pre-invasion machinery for the registration of aliens (which was intact) was re-established, and the CC.RR. were asked to cooperate. A notice was issued throughout the Province calling upon all aliens to register with the Questori by 25th January, 1944. The aliens have been informed of the restrictions on their movements, and the steps to be taken before they can travel more than 10 kms. Notices have been distributed by the Questura together with registration forms. A card index system is maintained at Agrigento by the Questura containing all pertinent information.

Enna Province : There are only 5 known aliens in this Province and the necessary action has been taken by the Questore to effect their registration and that of any other aliens who might now be residing there.

Messina Province : All aliens have been directed by public announcements to report to the Police for registration by 20th January, 1944. Their records will be scrutinized as directed, and arrangements are being made for all male Germans to be arrested. The necessary action is also being taken to restrict the movement of all enemy nationals. Record cards and books are maintained at the Questura.

Catania Province : The Foreign Office of Questura has ordered the immediate re-establishment of control of aliens and the checking of existing registers. All Sindaci of Comuni of the Province have been instructed concerning the registration of aliens residing in the Province. Before the Allied Occupation all aliens were registered in Offices of P.S. or by the Podesta. In no Comune of the Province exist detached Offices of P.S. The movement of aliens of enemy States has been restricted to 10 kms., unless their identity cards are signed by C.A.O., authorizing travel more than 10 kms.
At the moment there are 6 men of German nationality living in Catania and 1 in the Comune of Acicastello. In Catania there are 5 Hungarians; another in Grammichele.

Enquiry is being carried out to trace them and as soon as possible a list will be prepared. The procedure fixed by para's 11 - 12 - 13 of numbered memorandum No. 55 will be carried out, and records kept by SCAO of the applications for such travel.

Siracusa Province : The control system for aliens has been reinstated and instructions have been issued. In due course a nominal list of all aliens residing in the Capital City and the Province will be submitted upon completion of the census. At present no male German nationals are residing in this Province.

Ragusa Province : All aliens affected have been registered and their records examined in conjunction with the F.S.S. Arrangements are in hand to endorse their identification cards as directed. Only three aliens can be classified as enemy aliens, the remainder are either allied or neutral nationals. Of the three enemy aliens only one is a male and therefore subject to internment. It has been suggested, however, that he is a suitable person to be dealt with as an exception to internment, and a separate report is being submitted in regard to this.

Caltanissetta Province : Orders for the registration of Aliens with the Police have been issued throughout the Province and a total of eight aliens have complied with the directions. There are no male aliens in the Province. All Police agencies have been made conversant with the regulations relating to the control of aliens.

2. From the foregoing it will be seen that active steps have been taken to control aliens in all Provinces. Delay has been occasioned in submitting this report owing to the fact that some of the Provincial reports were mislaid, and it is anticipated that by this time action in connection with the subject is almost complete throughout Sicily. Further information will be obtained in due course.

Nulbered Memorandum N° 55 dated 22-12-44 (Ragusa FR/ 204,31.12.43)

All aliens affected have been registered and their records examined in conjunction with the F.S.S.

Arrangements are in hand to endorse their identification cards as directed by par: 5 of the above quoted memorandum.

The list is as follows:

1. PROLL Romano, German, resident in the church of S.Giovanni Ragusa
2. ZOHRER Rosa, Ferman, resident in Scicli Via Principessa Maria,n.20
3. DONTH Amalia, German, resident in Vittoria Via R.Cancellieri n.14
4. THIS Albert, Belgium, resident in Modica, Via Domenico Savio
5. CASSAR Andreu, English, resident in Modica Via Domenico Savio
6. DE BONO Vincenzo, Maltese, resident in Modica Via Domenico Savio
7. GIORGIO Giovanni, Maltese, residente in Modica Via Domenico Savio
8. MANGION Giovahni, Maltese, resident in Modica Via Domenico Savio
9. MAROUNITCH Giovenni, Russian, residente in Ragusa Via Dante,11
10. PILUSO Lucia, French,resident in Ragusa Via 24 Maggio n.54
11. BERGER Hulda, Swiss, Resident in Vittoria, Via Fanta
12. MASMISAN Francesco, Swiss,resident in Vittoria,Via Cappellini,45
13. ROSA Giovanni, Argentin resident in Scicli Via G.Bianco n.5
14. DE HANDA Meliton, Messican, resident in Scoglitti Via Ancona n.3

Only three (N° s. 1,2 and 3) can be classified as enemy aliens; the remainder are either allied or neutral nationals.

Of the three enemy aliens only one (N.1) is a male and therefore subject to internment. I would suggest however that he is a suitable person to be dealt with as an exception to internment under pars. 9 and 10. Proll is age 30 and was born in Ulrichsberg in Upper Austria. In 1940 he became a Catholic Priest and was drafted into the German Army as chaplain in November 1941.

He arrived in Comiso to act as chaplain to the Luftwaffe at the airport on 7.7.43 and was wounded by machine bullets during the fight for the airport that took place on 11.7.43. He was discharged from the Red Gross hospital Ragusa on 17-9-43 and has since been in the custody of the Italian priest of S.Giovanni Ragusa,whom he assists in religious matters.

I have examined his papers and they appear to be in perfect order.

If approval is given to treat him as an exception to internment he will of course be subject to the restrictions as laid down.

Only three (Nº s. 1,2 and 3) can be classified as enemy aliens; the remainder are either allied or neutral nationals.

Of the three enemy aliens only one (N.1) is a male and therefore subject to internment. I would suggest however that he is a suitable person to be dealt with as an exception to internment under pars. 9 and 10. Proll is age 30 and was born in Ulrichsberg in Upper Austria. In 1940 he became a Catholic Priest and was drafted into the German Army as chaplain in November 1941.

He arrived in Comiso to act as chaplain to the Luftwaffe at the airport on 7.7.43 and was wounded by machine bullets during the fight for the airport that took place on 11.7.43. He was discharged from the Red Gross hospital Ragusa on 17-9-43 and has since been in the custody of the Italian priest of S.Giovanni Ragusa,whom he assists in religious matters.

I have examined his papers and they appear to be in perfect order.

If approval is given to treat him as an exception to internment he will of course be subject to the restrictions as laid down.

SUBJECT : Control of Aliens.

TO : RCAO Region II.

Reference your letter dated 16 December, 1943 (2201/16/78) and telegram dated 3 January, 1944.

1. It was anticipated that an officer from this Headquarters would be in a position to call at Region II Headquarters and take up the matters referred to in your letter directly with your Regional Officers. It is regretted that this has not been possible to date.

2. With regard to the points raised in the letter:-

(a) The system of alien control in operation in Calabria does not take into account the existing Italian system of alien registration and control which it is intended shall be re-established throughout occupied territory and used by the authorities as a means of controlling the movement of aliens.

The Region II Order should cover Calabria as well as all other parts of the Region.

(b) It is not intended that the Aliens Order shall apply to any alien who has been screened and to whom a temporary identity document has been issued by Internees and Displaced Persons Sub-Commission, or under arrangements made by that Sub-Commission.

It is understood that the inmates of the co-internment camp in the Province of Cosenza are under the supervision of personnel attached to the sub-commission named.

(c) Details of the measures of control which will be imposed upon the different categories of aliens, apart from the 10 km. restriction which will apply to enemy nationals, should not be announced in the Regional Order.

(d) Any alien who has suffered internment or any form of persecution because of his religious or political beliefs and has been satisfactorily screened, should be accorded special consideration, and paragraph 10 of AMG letter 14756/PS dated 3 December, 1943, will be cancelled and the following paragraph substituted:

" 10. Special consideration will be given, however, to persons who have had to leave their countries of residence because of the danger to their lives or liberties on account of their race, religion or political beliefs, and who have been satisfactorily screened.

1. Referring to your AMG/14756/PS there are one or two questions which we should like your advice upon before we prepare the fianl draft of a Regional Order concerning the Registration, movement, and internment of aliens.

2. The enclosure is a copy of an order which the SCAC for Calabria, that is of the three provinces of Reggio, Catanzaro, and Cosenza recently issued. As you will see, the result of the registration will not be fully known for a few days. It occurred to us that it would be advisable for us to postpone action on the Regional Order until we can estimate the nature of the problem upon the basis of the registration in Calabria.

3. There is an ex-internment camp in the Province of Cosenza where many aliens are still residing, under an organized and systematic method of control. Should the proposed Order be made applicable to persons who are already controlled in that way?

4. Is it your feeling that the Regional Order requiring registration should also contain announcement of the types of control which will be imposed upon the different categories of aliens? It is our feeling that such classification of aliens into groups of enemy aliens, neutral aliens, and allied nationals, though perhaps sound legally, would be difficult in practice to follow out, and that therefore no public announcement of the categories should be made. The German Jews, recently released from internment in this area, could not fairly or wisely be treated as enemy aliens, except in special cases. Accordingly, some further clarification of the plan which you went us to follow in making your paragraphs 6 & 16 effective would be appreciated.

TO : Chief of Public Safety.

1. The temporary identity document shown on attached (Folio 8) is considered suitable for the purpose intended.

2. If the document is still in draft form, the following points might be considered:-

(a) As the document is a temporary one, the date of expiry should be shown.

(b) The document should be printed in English (bold type) and Italian (less prominent type). Additional languages, e.g. French or German, would be an advantage.

(c) If the document is to take the shape as shown, the printing should be spaced so that when the document is folded into four, the folds do not fall across any of the given particulars.

1. Referring to the attached draft memorandum (3), I have the following comments to offer:-

(a) Paragraph 2(a).

Should not the term "the police" be clarified. Does it include Carabinieri and Guardia di Finanza as well as the Questore's Agents?

(b) Paragraph 2.

It might be advisable in the Local Order to emphasise the fact that all changes of address or other variations in registration particulars must be reported at once.

October, 1943.

To: All S.C.A.P.C's (through S.C.A.O's).

1. The Questori will be instructed to re-establish the existing Italian system of alien (stranieri) control, and to check all existing records.

2. Local orders will be published:
(a) calling upon all non-Italian nationals to register with the ~~(police)~~ before a given date, and
(b) restricting the movement of enemy nationals to 10 kms. from their residences unless in possession of civilian passes issued by a Civil Affairs officer authorising them to proceed further than the stated 10 kms.

The instructions of (a) will not apply to:
(i) members of the allied armed forces, or
(ii) allied nationals in possession of personal identity cards which have been issued by the Allied Military Government.
(The identity cards referred to in this sub-paragraph will be the subject of a further communication).

3. The identification card of every alien who registers under the orders will be marked to indicate that they have so registered.

4. The records of all enemy nationals will be closely scrutinised in conjunction with the military security services, and German male nationals who are adults will be interned, ~~unless there is good reason why this should not be done.~~ Exception to this application of the internment provision may be made only by the authority of the S & P, subject to [illegible]

5. S.C.A.P.C's will work closely with the Questori on this matter in order to ensure that all aliens are registered and a proper check is made on their movements.

TO : Deputy Commissioner of Public Safety.

It is agreed that the issue of Identity Cards as suggested would serve a very useful purpose.

As the form of the Card has been agreed with G. 2. and the Provost Marshal, it may not be considered necessary to amend it now, but two minor points which occur to mind are -

(a) The desirability of numbering the Cards, and,

(b) the inclusion of a note on the front to the effect that its loss should be at once reported.

20 October, 1943.

Subject: Issue of AMGOT Identification Cards to Allied Nationals.

To: Commissioner for Public Safety.

1. In connection with the control of aliens, it has come to notice that a number of allied nationals, chiefly Yugo-Slavs, who were formerly political prisoners in the hands of the Italians, are located in camps in the Province of Palermo without any means of identity.

2. These nationals are at present under the supervision of AMGOT Welfare Division, and Representatives of the Yugo-Slav Government who have arrived from Cairo.

3. The movement of these men within the Province is unrestricted, and they are likely to remain here for varying periods before passing on to other places decided upon by their respective governments.

4. Other persons similarly situated are likely to arrive from the mainland, and it has been suggested that a special identity card be issued to these men by AMGOT.

5. The matter has been taken up with G.2 and the Provost Marshal, and they agree that a card in the draft form attached (2) would be suitable for issue, after the subject has been vouched for by AMGOT Welfare Division and, where possible, a representative of his government.

6. The cards would be issued by Registration & Licensing Section under the authority of the Commissioner for Public Safety.

7. I suggest the matter might first be referred to Superintendent Civil Police for the favour of his comments.

Control of Aliens

To: Commissioner, Public Safety Division.

Subject: Control of Aliens (Stranieri).

1. Under the existing Italian law aliens (stranieri) making a sojourn in Italy of more than two months duration must be registered with the police and have in their possession forms of identity issued by the police.

2. Records relating to all aliens resident within each province are kept by the Questore, while a central registry of all aliens resident in Italy is maintained by the Minister of the Interior in Rome.

3. Under the Italian sytem of control as it existed prior to the occupation, a complete check was maintained over the movements of all aliens.

Since the occupation of Sicily by the Allies this system has broken down, and the number and nationality of the aliens still resident on the island is not known.

4. Prior to the occupation some 130 Germans and 15 Hungarians (civilians) were registered as residing in Palermo Province. The bulk of these persons probably left the island, but it is possible that there are xxxxx some enemy nationals still residing here on whom there has been no check. This seems to constitute a gap in our security measures.

5. In my view the following steps should be taken:

(a) all non-italian nationals (except members of the allied armed forces) should be ordered to register with the police;

(b) the Questori should re-establish the sytem alien control, and all existing records should be checked.

(c) the Provincial C.A.P.O's should work closely with the Questori on this matter to ensure that all aliens are registered and a proper check is made on their movements.

(d) the records of all enemy nationals should be closely scrutinised in conjunction with the military security services.

(e) all German male nationals between the ages of 18 and 60 should be interned unless there is good reason why this should not be done.

6. I suggest that:

(a) this matter might be considered at the forthcoming conferences of the Questori and the Provincial C.A.P.O's.
