1. With further reference to communication dated 20/10/44, subject as above.

2. The investigation of the case against S.Ten. Alfredo MARCHETTI has been continued and among papers which belonged to him there has been found a "Special Official Pass" issued by the Commanding Officer, Headquarters 135th Infantry, United States Army, APO 34.

A copy of this pass is attached.

The original, which has been retained, clearly shows that the name of the officer to whom it was issued had been erased and MARCHETTI Alfredo S.Ten. substituted. The number O-1252844 is written in ink and obviously is the personal number of an American Officer.

MARCHETTI is badly wanted and any assistance given will be appreciated.

SUBJECT : Forged circulation passes.

Referring the report No 1982, dated September u.s., and our verbal conversation of the 8th inst., I inform you that in the search made in the flat of the Paratroops Lt. Marchetti Alfredo of late Luigi and Toti Caterina, born in Rome on the 21st of December 1919, on duty at "Tolgore Unit" living in Rome at 158 Babuino street care off Tiburtina, four circulation passes for motor-vehicles headed to different names, and some two-lap= passes permits issued by the Transportation Office of Rome, and some other passes headed to Marchetti himself, having the signature of Major A.H. Mejer, evidently forged, have been seized. The above mentioned officer is out of Rome on account of duty. It seems that he is attached to some Allied Command.

I beg to assure you that inquiries concerning the forged circulation passes, will be pursued with particular attention and that in the meanwhile a wanted circulation has been sent for the arrest of Lt. Marchetti and of Calafapietro and Viviani as well.
