23 May, 1944.

Subject: Prefect of Bari.

To : Public Safety Sub-Commission.

1. Reference 1st Ind. ACC/14760/32/PS dated 27 April, to Interior Sub-Commission letter ACC/42/32/Int. dated 24 April 44.

2. It is regretted that a definite reply cannot be sent on this matter, but owing to the shortage of personnel in this department, there is no-one available to make enquires in Bari.

3. Dr. CRAVESI has been seen, but he is unable to make any useful addition to the information already disclosed. He suggests Avv. COMANDINI may be able to assist, and an appointment has been made to interview him upon his return to Naples.

4. The case against LIVOTI seems to have been investigated sufficiently to justify his removal from office, but it would be appreciated if the Provincial Commissioner at Bari could give further information respecting Sig. DELLISARIO.
