ACC/3018/FH

SUBJECT: - Employment of Doctors.

TO : - Public Safety.

During the week ending April 14th, both Doctor Pietro Donati and Doctor Ciro Donati were removed from Anzio where they were doing very good work. I understand that one of them was found in possession of a radio receiving set but I am not certain of the facts. When at Anzio I met Prince Borghese who said that both of these doctors were badly needed and were above suspicion.

Will you please let me have any information you may have on this matter.
