SUBJECT : Arab Prisoners of War in Sicily.

AMGOT HQ. SICILY

TO : AMGOT Liaison,
15 Army Group.

17 Sept. 1943

1. There are in the custody of the Italian prison authorities some 211 Arab natives of Libya who were brought to Sicily as P.O.W. by the Italians, of these 168 are at Caltanissetta and 43 at Modica.
2. The C.C.A.O. wishes these Arabs to be returned to North Africa at earliest possible moment. A message has been sent to MIDEAST regarding their reception there and instructions have also been issued for the making out of nominal rolls by territories.
3. Meanwhile the men are an embarrassment to the Prisons Dept. apart from the fact that they would seem to merit better treatment than it is possible to give them in a prison. To liberate them in the island before repatriation is obviously out of the question. In the circumstances you are requested to approach 15 A.G. to see whether these men could not be accommodated in a P.O.W. cage until such time as they can be repatriated.
4. It may well be that Security may wish to process these men before they are repatriated and this could be done more conveniently from a cage.
5. It will be necessary to ask you to take steps to obtain transport for these men as soon as numbers and destinations are known.
