SUBJECT : Petition.

Reg. VITALE Libero addresses himself to Admiral STONE in order to obtain permission to return to his own Province (Udine). He states that he fought side by side with the Allied Forces from 8th Sept. 1943 until an Allied Military order issued on 23rd Dec. 1945 cut short his activities and affected his most painfully.

In all his applications for a revision of said measure he has had little to no success.

Gen. J.K. DUNLOP, Regional Commissioner for Veneto, whom he first addressed, favoured his application after having been favourably informed on his behalf, but Col. H.N. BRIGHT, Commissioner for Udine zone, refused to give his consent. His petition was finally examined by Admiral STONE's Particular Office which in agreement with Col. BRIGHT, from what was referred to applicant, decided to maintain measures.

He has lately been informed by the Servizio Military Authorities that they have no objection to his return to the zone, but Col. BRIGHT replied in regard that he cannot do anything without his Superiors instructions. Following all what he has written and documents be forwarded to show his innocence of any charge against him, he makes this final appeal to Admiral STONE for permission to return to zone he belongs to. And if this is impossible for reasons he does not know nor comprehend, he applies for a leave of a few days to visit his province in order to settle his affairs there as he has no further means of living.

Trusting that his humble appeal in the name of the part he took in the past struggle, of his wife and children who are awaiting for his return, he confides to be favourably heard.

Thanking in anticipation.

SUBJECT : Monthly Report for JUNE 1946.

Report of Public Safety Activities for the month of June 1946.

A. POLICE

1. Strength of Police.

The recruiting of the additional 10,000 Carabinieri to raise the strength to the authorised 75,000 is progressing very slowly. Since the authority was granted 1,107 men have been recruited. The effective strength of the force is now 63,464. At the Central School in Florence there are 650 CC.RR. undergoing a course for N.C.O.'s. Further courses are held in Rome, Bari and Turin, and in all there are 3,089 recruits under instruction. 161 recruits have left the schools during the month to join Legions and a further 584 should leave in August. Part of the strength increase has resulted from the repatriation of Carabinieri prisoners of war. During the month 2 officers, 62 NCO's and 360 men have returned. It is very fully appreciated that the slowness in recruiting is due to unsatisfactory conditions of service and accordingly representations have been made to the War Ministry to amend the conditions under which men can re-enlist, and to provide a gratuity payable on termination of service.

2. Condition and Morale.

All liaison groups report continued improvement in the efficiency of Police forces. Agents of Public Security are making full use of the ex-Allied transport now being supplied to them. In most large cities flying squads can be seen driving through the main thoroughfares at high speeds. However, they do more than 'show the flag' because crime is generally reported to be on the decrease since the elections. Carabinieri are gradually becoming better equipped, and great credit is due to this body of men for having carried out their duties with such impartiality during the past few difficult weeks. Following their long

strength of the force is now 63,794. At the Carabinieri School in Rome there are 650 OC.RR. undergoing a course for N.C.O.'s. Further courses are held in Rome, Bari and Turin, and in all there are 3,099 recruits under instruction. 161 recruits have left the schools during the month to join Legions and a further 504 should leave in August. Part of the strength increase has resulted from the repatriation of Carabinieri prisoners of war. During the month 2 officers, 62 NCO's and 360 men have returned. It is very fully appreciated that the slowness in recruiting is due to unsatisfactory conditions of service and accordingly representations have been made to the War Ministry to amend the conditions under which men can re-enlist, and to provide a gratuity payable on termination of service.

2. Condition and Morale.

All liaison groups report continued improvement in the efficiency of Police forces. Agents of Public Security are making full use of the ex-Allied transport now being supplied to them. In most large cities flying squads can be seen driving through the main thoroughfares at high speeds. However, they do more than 'show the flag' because crime is generally reported to be on the decrease since the elections. Carabinieri are gradually becoming better equipped, and great credit is due to this body of men for having carried out their duties with such impartiality during the past few difficult weeks. Following their long association with the Royal House, they were very shaken by the Republican victory. At first there was much loose talk of wholesale resignations. However, all ranks are beginning to understand that even a republican administration needs a sound Police force and that the oath of allegiance given to the King was in fact an oath to serve the country whether monarchy or republic. It is felt that the Carabinieri will continue to perform their traditional duty of preserving the Peace. The partisan period, with its setback in public confidence in carabinieri, has now passed, and the force is fast regaining the esteem in which it was previously held.

3. General Public Safety Situation.

Generally speaking the crime situation has improved slightly during the month with the exception of a demonstration in Naples on 11th June, when 7 persons were killed and 47 wounded. This will be dealt with under the heading of Political Activities.

2912

154

Declassified E.O. 12356 Section 3.3/NND No. 185016

1. Crime Situation.

In Mount Dailis was the black spot for murders although the numbers were lower than the previous month. Murders for political and non-political reasons dropped from 34 to 21, but 4 cases of kidnapping were reported as against 1 in the month of May. The number of arrests, particularly of groups of individuals for major crimes - murder, extortion, armed robbery, etc. - is good.

In the Piemonte area good arrests are being made by CC.RR. following persistence of enquiry and the co-operation of the public with the Police. The Asmara area was full of crime shortly after the liberation. The efforts of the CC.RR. were thwarted in the early days by the fear of the Eritreans that prevented law abiding citizens from giving information to the Police. The CC.RR. have patiently made enquiries and during June they were successful in arresting the looters of a gun. The arrests cleared up crimes which had been committed over a period of 12 months.

2. Political activities.

The month commenced with the Election and Referendum on 2nd and 3rd June. To the surprise of the majority of theyvere there was found to be a remarkably quick answer. Polling took place throughout the whole country without incident. At most of the polling stations there were queues all day as a result of alarms in the past of the effects. Nevertheless, despite the very grave risk of violence involved, people were patient and well behaved.

This tranquillity prevailed for a few days until the publication of results showed that the Republicans were winning. On the afternoon of the 5th June the first Communist demonstration took place in Asmara. The appearance of one of the Communists was directed against the clergy, who were accused of having made republican propaganda. Plans for demonstrations, which involved crowds varying from a few hundred to several thousands, continued without any serious result until 11th June. This evening a large Communist demonstration consisting of several thousand people collected outside the Communist Headquarters in Piazza Cavalli with Republican and Communist flags be carried. Strong action was necessary to disperse the crowd who fired on the Police and threw hand grenades. Before order could be restored the following casualties were caused:

Civilians	killed	7
	wounded	47
Police	C.C.R.R. wounded	11
	P.S. Guards wounded	6

This incident checked public unrest throughout the country and no further disturbances took place. E. Taylor.

[illegible] to the purpose of the [illegible] of electors chosen to [illegible] passed in a remarkably quiet manner. Polling took place throughout the whole country without incident. At most of the polling stations there were queues all day as a result of slowness on the part of the officials. Nevertheless, despite the very hours of waiting involved, people were patient and well behaved.

This tranquillity prevailed for a few days until the publication of results showed that the Republicans were winning. On the afternoon of 5th June the first Monarchist demonstration took place in Naples. The bitterness of some of the Monarchists was directed against the clergy, who were accused of having made republican propaganda. These demonstrations, which involved crowds varying from a few hundreds to several thousands, continued without any serious result until 11th June. That evening a large Monarchist demonstration consisting of several thousand people collected outside the Communist Headquarters in Naples demanding that Republican and Communist flags be removed. Strong action was necessary to disperse the crowds who fired on the Police and threw hand grenades. Before order could be restored the following casualties were caused:

Civilians	killed	7
	wounded	47
Police	C.C.S.S. wounded	11
	P.S. [illegible] wounded	6

This incident shocked public opinion throughout the country and no further demonstrations took place in Naples.

General attention has been focussed more on external rather than internal politics since the elections. The 'big three' proposals for a new Italian treaty at the Paris conference have come as a very rude shock to people of all classes, and have added much fuel to the anti-Allied feeling that already existed.

5. Venezia Giulia Police Force.

During the month of June there were extremely many calls on Civil Police to deal with the many demonstrations, meetings and other political incidents. The morale of the Force has been maintained principally by the active duty participation by Allied Officers during these critical times. Leaves and rest days had to be suspended and arrangements have been made to give the Police payment in lieu of leave. The Communists have been most active during the month and they have been operating in small parties. So far, the Police have kept the situation in hand. The 125 extra Police employed to protect Middl and other goods in railway yards have made a good start, but unfortunately they had to be

Declassified E.O. 12356 Section 3.5/NND No. 785016

withdrawn during the demonstration periods.

Two important demonstrations took place in Trieste on 12th and 20th June 1946. On the former date there was an unauthorised anti-Italian demonstration by about 2,000 people. The demonstrators refused to disperse, and opened fire on the Police. Finally tear gas bombs were used by Allied officers and order was restored. There were 23 civilian casualties and 8 Police injured. On 20th June competitors in a 'Tour of Italy' cycling race were attacked by Jugo-Slavs near Monfalcone. The race was abandoned and demonstrations took place in Trieste. Military Police were called on to assist the civil police. At one stage a hand grenade was thrown under a jeep wounding 2 American officers and 2 enlisted men. There were 8 Police casualties. Civilian casualties were 2 dead, 21 injured. 10 arrests were made.

5. SECURITY

7. Civilian Internees.

The internees transferred from Terni are now located in No. 1 Sub. District, Padua. They consist generally of Fascist Party officials, Carabinieri, etc. Certain class of Italian internees will now be released by our police and the Italian Government will be promptly informed. The idea is also then to take such action as they may deem necessary. All documentary correspondence received by the Civilian Internee Section is being kept. Security Division is here prepared to reply to the various offices.

8. War Criminals.

The transfer of war criminals from Italian to Allied custody is still taking place. Security Division acts in a liaison capacity between SPAB and the various Ministries of the Italian Government concerned. MEMORANDUM

AC/14756/PS

25 May 1946

SUBJECT : Fossoli Camp.

A conference was held at 5.30 a.m. 28 May 1946 to discuss the Fossoli di Carpi Gathering Centre, near Modena. The following were present.

Lt.Col. Fothergill	(Displaced Persons S/C)
Major Hartman	(Displaced Persons S/C)
Lt.Col. Wilson	(Public Safety S/C)
Flight Lt. Baker	(Travel Control Div. G-2, CE, AFHQ)

Lt.Col. Wilson explained that the Camp at Modena was completely under Italian Government control. Aliens found in Italy without good cause were all sent to the Camp to await repatriation, Allied Commission being informed. The regulations as to procedure for repatriation were still under consideration by AFHQ, and very little progress was being made in moving people from the Camp.

On 14th May 1946, 22 Greeks in the Camp had commenced a hunger strike, and recently a report had been received through the UNRRA Mission of alleged ill treatment in the Camp in which the Italian Police were said to be concerned. Public Safety S/C were dealing with the latter incident, but it seemed that some further guidance and assistance should be given to the Italian Government to deal with the repatriation of the interness.

2917

Declassified E.O. 12356 Section 3.3/NND No. 785016

Lt.Col. Fatbergill stated that the question of the Greeks would be passed to the Greek Mission for enquiry. Major Hartman would contact the responsible official in the Ministry of Interior and give such assistance as was possible to channel enquiries concerning repatriation.

Major Hartman said he was visiting Bologna in the course of the next few days, and would take this opportunity to visit the Fossoli Camp to note conditions at first hand.

"Il locale Ufficio di P.S. Viminale, in data 2 corrente, ha fatto accompagnare in questo Ufficio lo straniero indicato in oggetto, perchè la sera precedente, verso le ore 2I,30, in piazza Indipendenza aveva provocato una lite tra militari italiani e si era poi falsamente qualificato per agente di polizia francese.

Alcune settimane or sono, la locale Questura aveva sentore di un certo fermento in ambienti politici di sinistra, determinato dal circolare di insistenti voci circa un prossimo espatrio clandestino, attraverso il porto di La Spezia, di ex fascisti e militari della SS tedesca.

Successivamente, veniva informata anche da fonte fiduciaria, che due motonavi da carico di modesto tonnellaggio, ancorate da qualche giorno nel locale porto, stavano per caricare ingenti quantitativi di viveri, di gran lunga superiore all'effettivo fabbisogno del modesto numero dell'equipaggio.

In seguito a questa seconda segnalazione, avvalorante la prima, il giorno 3 aprile, di intesa e con il concorso del Comando Compagnia della Guardia di Finanza, si procedeva ad una accurata ispezione sulla motonave "PEME", riscontrando che effettivamente su di essa erano state caricate diverse tonnellate di viveri e che era stata mutata l'attrezzatura del battello da carico in trasporto passeggeri.

In seguito a questa seconda segnalazione, avvalorante la prima, il giorno 3 aprile, di intesa e con il concorso del Comando Compagnia della Guardia di Finanza, si procedeva ad una accurata ispezione sulla motonave "PEDE", riscontrando che effettivamente su di essa erano state caricate diverse tonnellate di viveri e che era stata mutata l'attrezzatura del battello da carico in trasporto passeggeri.

Si intensificava quindi la vigilanza sul molo Pirelli, dove era ormeggiata la nave.

Durante la notte, infatti, giungevano alcune auto, con a bordo un individuo in divisa militare alleata e tali Musso, agente marittimo, Morenzano, dell'omonima società di Genova e Bertiacchi, noto industriale di La Spezia, i quali dichiaravano che la motonave doveva portare in Palestina alcuni ebrei ex internati politici nei campi di concentramento tedeschi e che detto trasporto era perfettamente regolare, tanto che sarebbero stati scortati dalla Military Police.

Successivamente, alle ore 1,25 del 4 aprile sopraggiungeva una jeep con quattro individui, anch'essi in divisa alleata, che, richiesti, però, dei documenti di identificazione dagli Agenti di servizio, si allontanavano rapidamente.

Disposto l'inseguimento della camionetta, questa veniva rintracciata qualche ora dopo sulla strada di Sarzana, incolonnata con altri 37 automezzi, carichi di circa 1000 persone di razza ebraica, uomini, donne e qualche bambino, tutti sforniti di documenti di identificazione e pilotati da autisti in divisa militare alleata, anch'essi di razza ebraica, ma senza scorta alcuna di polizia militare.

Scortati i camion e le persone sul molo Pirelli, si procedeva al fermo degli automezzi e delle persone in attesa di disposizioni del Comando Alleato di Genova, subito informato della cosa.

Da quanto sopra sommariamente esposto e dalle indagini successivamente svolte, è risultato che il Musso, nella sua qualità di agente marittimo, il Morenzano quale armatore delle motonavi "FEDE" e " FENICE", rispettivamente di proprietà di tali DACCO' e BONINO di Genova, avevano avuto l'incarico di preparare l'imbarco di ex internati stranieri di religione ebraica e che all'uopo avevano interessato la ditta Bargiacchi di La Spezia per trasformare le motonavi da carico in navi trasporto passeggeri.

La stessa ditta Bargiacchi aveva poi provveduto ad immagazzinare alcune tonnellate di viveri (riso, cioccolato, caffè, cacao) con imballaggio, su cui si leggevano diciture in lingua inglese, nonchè notevoli quantitativi di nafta, parte caricati sulla "FEDE" in quantitativi sufficienti per il vettovagliamento di 1000 persone per 12 giorni e parte ancora nei magazzini della ditta, evidentemente destinati alla motonave "FENICE". Tali viveri sono stati, secondo egli afferma, portati da camion militari alleati in diverse riprese.

Non essendo quindi risultato regolare detto trasporto e non avendo il Comando Militare Alleato di Genova confermata l'autorizzazione di esso da parte delle Autorità Alleate, si procedeva al fermo delle persone, tra cui anche il Musso, il Morenzano ed il Bargiacchi, degli automezzi, delle motonavi e dei viveri, parte caricati sulla nave "FEDE" e parte depositati nei magazzini della ditta Bargiacchi, ponendoli tutti a disposizione dello stesso Comando Militare Alleato di Genova.

Nelle prime ore del mattino la notizia del fermo di un così notevole numero di persone e della motonave, sulla quale avrebbero dovuto imbarcarsi, determinò in larghe masse della popolazione, specie in quella operaia, appartenente politicamente ai partiti di sinistra, un vivissimo fermento, con propositi di effettuazione immediata di scioperi e di atti di grave violenza contro i presunti elementi fascisti fermati in porto.

Fu perciò necessario rinforzare notevolmente i servizi di vigilanza e farvi apparire anche un'autoblinda in difesa degli ebrei.

Lo sciopero fu scongiurato dopo che gli organi sindacali ed alcuni componenti del C.L.N., anch'essi, in sulle prime diffidenti, non furono convinti che trattavasi effettivamente di ebrei e non di fascisti, intervennero a calmare gli animi.

Intanto la Commissione Alleata di Genova richiese il mantenimento assoluto del fermo di tutte le persone già fermate e mantenendosi in frequentissimo contatto telefonico con la Questura, inviava da Genova prima un Sottufficiale della Polizia e successivamente Ufficiali per rendersi più esatto conto della situazione.

Sempre a mezzo telefono assicurava che avrebbero provveduto alla sistemazione degli ebrei fermati.

Nella serata dello stesso giorno 4 il predetto Comando, a mezzo dei propri Ufficiali, provvide a lasciare in libertà gli autisti militari inglesi, in totale circa 40 conducenti i 37 autocarri e la Jeep di proprietà militare alleate, avviandoli a Capua. Il giorno dopo provvide a far tradurre a Genova il Sergente militare inglese, che dichiarava

Il giorno dopo provvide a far tradurre a Genova il Sergente militare inglese, che dichiarava di essere uno studente di fisica e matematica e due altri soldati, uno dei quali la sera precedente si era spacciato per maggiore, tutti e tre di razza ebraica, e, sembra, palestinesi. Il contegno di tutti questi elementi ebraici è quanto mai ostruzionistico ed improntato alla più tenace resistenza passiva. Essi sono in numero di 611 uomini, 400 donne e 3 ragazzi, dai 10 ai 14 anni. Sono tutti giovani, tanto gli uomini quanto le donne e la loro età media si aggira dai 18 ai 30 anni.

Vi sono 50 nuclei familiari ma di cui quaranta famiglie sono formate

di marito e moglie senza figli.=

Sono tutti sprovvisti di documenti di identità e si rifiutano in modo assoluto di rispondere a qualsiasi chiarimento loro venga chiesto circa la località di partenza e quanto altropossa essere utile a sapersi, relativamente alla loro spedizione clandestina.=

Si limitano soltanto a far comprendere che essi non intendono abbandonare la nave sulla quale si trovano, e non essere disposti a proseguire il loro viaggio da La Spezia per nessun'altra località che non sia la Palestina, a costo di bruciare o far saltare la nave, nella quale si trovano e perire tutti.-

La Questura tuttavia ha potuto stabilire che si tratta di elementi tutti ebraici in maggioranza sembra tedeschi e Polacchi, provenienti in buona parte dai campi di concentramento come si rileva chiaramente dai marchi a fuoco, indicenti la loro razza che ignobilmente i Tedeschi in modo indelebile nella loro persona.

Nella giornata del 5 il Comando Alleato continuò a tenere colla Questura i suoi frequenti contatti telefonici, affermando che si stava studiando il modo di provvedere nel più breve tempo possibile alla loro sistemazione.

Senonchè in serata il predetto Comando comunicò che le decisioni da esso prese erano di ritirare, come già aveva fatto, gli elementi militari, protagonisti di questo affare e di lasciare tutti i civili a disposizione della Questura perchè trovandosi in territorio italiano si provvedesse nei loro confronti con la denuncia per i reati a loro imputabili dalla legge italiana.

Poichè tale decisione, avrebbe messo in serio imbarazzo l'ufficio sia per la sistemazione ed il vettovagliamento di oltre 1000 persone in condizioni della città disastrata dalle

Poichè tale decisione, avrebbe messi in serio imbarazzo l'ufficio sia per la sistemazione ed il vettovagliamento di oltre 1000 persone in considerazione anche delle precarie condizioni della città disastrata dalle operazioni belliche e sia per ragioni di umanità il Questore, in piena intesa con lo scrivente, il mattino del 6 aprile si recava a Genova per indurre il Comando Alleato a prendere una decisione diversa e più favorevole agli ebrei.-

Difatti il Comando Alleato, in tal modo sollecitato, preannunciava l'arrivo per il giorno successivo di un ufficiale e di alcuni marinai inglesi per effettuare il trasferimento dalla motonave e delle persone da La Spezia a Chiavari.

Senonchè il mattino successivo il Capitano della Marina Inglese, incaricato del trasporto, giunto a La Spezia doveva desistere dal proposito per la resistenza calma, ma risoluta, degli ebrei stessi che dichiaravano, come sopra si è detto, di non essere disposti a partire, se non per la Palestrina.

Avendo l'ufficiale chiesto istruzioni al proprio Comando, questo decideva di sospendere il trasporto, in attesa di disposizioni del Comando Supremo Alleato del Mediterraneo, che ha già inviato quì due suoi Ufficiali.

Nella mora di tali disposizioni gli ebrei continuano ad essere concentrati sul molo "Pirelli" di questo porto e sulla motonave "FEDE", in precarie condizioni d'igiene e di salute essendo qualcuno di essi affetto da tubercolosi per cui per uno è stato disposto il ricovero in ospedale.=

Faccio presente che la prolungata permanenza di tante persone in questa città per motivi vari è da evitare, anche per le gravi difficoltà di provvedere al loro vettovagliamento, quando fra sette o otto giorni verranno a mancare i viveri che essi hanno a bordo e che dovevano servire per la navigazione fino alla Palestina.=

Quegli altri ingenti quantitativi immagazzinati presso la Ditta Bergiacchi e già sequestrati dalla Questura d'intesa colla Guardia di Finanza sono stati già ritirati dal Comando Militare Alleato con propri uomini, inviati quì a tale scopo.

Prego quindi codesto On.le Ministero di voler far conoscere, con l'urgenza, che, a me sembra, di particolare caso richiedere le proprie determinazioni con le relative istruzioni per la sorte dei suindicati ebrei.=

Durante il periodo fascista repubblicano, secondo le risultanze di questi atti, si sarebbe prestato in favore di enti e cittadini per proteggerli dall'oppressione tedesca. In questo periodo egli tenne a nascondere la propria nazionalità dichiarandosi cittadino italiano, fatto che lascia indubbiamente perplessi e fa apparire ambigua la figura del Lademann. ""Nel novembre u.s., gli stranieri in oggetto, provenienti da Apecchio (Pesaro) presero dimora in Castelplanio presso Lorenzetti Sante in via Moia n.19.-

Il Graif dichiarò di avere preso parte al movimento partigiano durante l'occupazione tedesca in Italia e di aver contratto matrimonio con la cittadina italiana Taccoini Fernanda di Guerrino in Apecchio dalla quale ebbe una figlia a nome Ivana che conta circa un anno.

Dichiarò inoltre che presso il Consolato russo a Roma aveva iniziato le pratiche per ottenere il passaporto e rientrare in Russia con la famiglia, ripromettendosi di partire nella prossima primavera. Disoccupato, per poter vivere si dava a vari espedienti non escluso il commercio di borsa nera, importunando cittadini ed autorità del luogo con continue richieste di aiuti ed assistenza.

Verso la metà dello scorso febbraio, il Graif e la moglie si allontanavano, per ignota destinazione, lasciando incustodita la piccola Ivana, per cui l'Arma dei CC.RR. di Castelplanio li denunziava all'Autorità Giudiziaria competente, per il reato di violazione degli obblighi di assistenza famigliare (art. 570 C.P.).

Disposte le ricerche a mezzo della Questura di Pesaro, questa telegrafava in data 3 corrente che i predetti erano stati arrestati dall'Arma di Città di Castello il I4 febbraio u.s. quali autori di furto aggravato di due capi bovini ed associati in quelle

carceri, in attesa dell'espletamento delle relative indagini e denuncia.

E' stato disposto che, a soddisfatta giustizia, i predetti stranieri siano avviati nel comune di Apecchio, domicilio della Tacconi Fernanda, e siano diffidati a non ritornare ulteriormente a Castelplanio od in territorio di questa provincia, quali elementi indesiderabili.

Quanto sopra si riferisce a codesto Ministero, per notizia e per le eventuali disposizioni che crederà opportuno di adottare.""

Ciò premesso, si interessa codesta On.le Commissione, perchè voglia far conoscere le proprie determinazioni in ordine al rimpatrio dei predetti, significando che, frattanto, è stato disposto che i medesimi siano avviati al Centro di Raccolta di Fossoli di Carpi (Modena).=

From : the Office of the First Aide-de-Camp of His Royal Highness the Lieutenant General of the Realm.

To : the Allied Force Headquarters - Caserta.

Mr. Romualdo Di Fonzo, residing in Rome, Via S.Michele No.20, recently home after a period of internment in Germany, has urged the aegis of His Royal Highness the Lieutenant General of the Realm in order to be included in the lists of the workers scheduled to be sent abroad.

Dear Simmonds,

A new edition of the pamphlet "East Wind on the Adriatic" by the well known Italian author Daniele Varè has just been published.

It deals with the harrowing question of the Venezia Giulia of which it enlightens some peculiar and less known aspects.

I know how interested you are in the problem, and therefore I take the liberty of sending to you, herewith enclosed, three copies of the pamphlet, trusting you will find its reading quite engaging.

With my best wishes, I beg to remain, my dear Simmonds,

Very sincerely yours

Dear Sir,

I wish herewith to make application for a permit to enter Italy, my native country, as a student.

I am an Italian by birth & national, and, having completed my first year at the University of Melbourne in the faculty of Medicine, desire, now that hostilities have ceased, to return to Italy to complete my studies there.

I have taken steps to contact some of the Italian Universities particularly that of Padua in which city I have relatives, and that of Rome.

If necessary birth particulars etc. can be obtained by you from Acate, Pr. Ragusa, Sicily where I was born in 1836 and from where I

left for Australia in 1933.

If you think it possible for this permit to be granted could you please notify officially the Department of the Interior, Canberra A.C.T Australia. Through the colonial office, London.

Hoping that you will give this application full consideration and grant me the permit if possible in time for me to commence at the beginning of the Academic year of 1946

yours faithfully

2. It appears that he is under a misapprehension as to the clearances required to travel to Hungary. This office quite naturally does not have anything to do with clearances for the United Kingdom unless the journey is by way of Italy, when an Italian transit visa is required.

3. Clearances for Hungary have to be obtained from the British Military Mission in Budapest.

4. In our reply by cable dated 10 January 1946 to Mr. Perlesz we advised him to apply to the local Passport Office for guidance.

Dear

Lt.Col. Young handed me your letter (DC:2455/P - 29 Jan.46) and I am glad to say that he is in complete agreement with you on the questions raised.

I have made the strongest recommendations about retaining Lt. Hall and his men and "A" Branch have taken it up, but I am afraid they have med some resistance. It is suggested that you should take this up locally where you may be able to present the case more effectively.

Thank you very much for the pleasant evening in Udine and I hope you enjoyed your trip to Vienna.

From: Lt Col Hon H.B.G. ROWS MONTAGU

My dear Dominic,

I have delayed replying to CMF letter 399/A-1 dated 19 January 1946, as I had hoped to have seen Simmonds by this time, and also to have been able to make a consolidated reply with the DPM. The DPM has gone to a conference in ROME where he intends to discuss his side of the matter with the APM from AFHQ.

The BRENNER is under control. We have an officer from 6th Pz. Regt. there, Lieut HALL, who is very able. His original task was checking military personnel, but since CIC pulled out from there he has taken over the organization of the frontier as a whole. His team is being reinforced by one FS NCO which is all we can spare for the moment without hampering operation HERRING. This should be adequate, together with HALL and his men.

PASSO di RESIA is blocked by snow and is impassable. There seems therefore no action to be taken until the snow melts.

The DOBBIACO-SILLIAN crossing should be covered from the Austrian side and it would be a waste of our already exiguous man-power to duplicate controls on a purely British frontier. If AUSTRIA can take on the job of stopping the Poles, I hope that AFHQ will agree to them doing so and dispensing with controls on our side. It has always been agreed between ITA and AFHQ that the former should be responsible for the Austrian frontier.

I am going to VIENNA to-morrow where I shall take this point up. I hope to meet Simmonds at UDINE to-morrow night and he will no doubt be able to amplify our views when he returns to you.

We are anxious to provide the maximum restriction possible on illegal frontier crossings, and our present concern is to see how this can be done most efficiently, taking into account the man-power situation.

Yours ever,

Rowley

To the

Dear Sir,

I applied to Passport Office Perth. West Australia for a passport to go to Italy so that I can bring my daughter who is in Genoa to Australia. They replied that I must first obtain permission from You.

I left Italy on 30/4/1940 as a Stewardess on the Italian ship Remo. It was Confiscated and I have not been able to return and get my daughter.

She is at the Institute Regina Casa Orfani Conte di Mare Voltre. Genoova Italy

She is the daughter of my first

Marriage, which took place in New York
19th June 1930. Her name is Luigina Tassallo
and she is now 14 years of age.

I left her at Genoa when I took a position as Stewardess on the Remo.

I married in Australia at Nilma on 4th December 1940. The ceremony was performed by Rev. Father .Y.E. Sharry.

My married name is Anaglio and my husband is desirous and willing to support my daughter. I have written to Immigration Dept Canberra Australia so as to get permission to have my daughter emigrate Australia. Our separation has been the cause of much ill health to me and I am most anxious to get my daughter as quickly as possible Considering the distress now prevailing in all European Countries I do not intend to stay long in Italy. All I am anxious to do is to get my daughter and bring her to Australia

Io sottoscritto LEPIZZO Nicola di Domenico e fu Mazzariello Serafina nato a Margherita di Savoia il 27-5-915 ed ivi domiciliato in via Frontino n.6 domando alla S.V. Ill/ma quanto segue:

Mi trasferii con i miei genitori in Francia nel 1923 per motivi di lavoro, ove rimasi sino al 1935, data in cui dovetti ritornare in Italia per una questione di eredità.-

Da quell'epoca non mi è stato più possibile rivedere i miei genitori in quanto le necessità delle guerre che si susseguirono non mi permisero più fare ritorno in Francia.-

Non appena l'Italia fu liberata mio padre ha subito scritto una lettera con la quale mi invita a rientrare perchè desidera vedermi in quanto lui e di età abbastanza avanzata, e pertanto domando alla S.V.Ill/ma un permesso sia pure breve, di recarmi a Grenoble (Francia) e passare in loro compagnia qualche giornata.-

Nella speranza che la presente venga presa in cosusiderazione ringrazio.

P. SAFETY. Travel Control

Allied Control Commission,
Allied Forces Headquarters,
ITALY.

Dear Sirs,

Upon instructions from the Passports Officer, Melbourne, I apply for your permission to my entering England en route to Hungary.

I was born at Budapest Hungary, on the 17th. November 1913. I left Hungary in February 1939, and became a British subject in January 1945.

My late father founded the Alexander Perlesz Hosiery Factory at Pesterzsebet, Hungary. This firm employed 500 workpeople in 1939. The factory is in good condition in the control of my mother. I would like to travel to Hungary in order to take charge of my business. I have been allocated a berth on the "Priam" which is to sail from Sydney to the United Kingdom on the 17th. instant. The Passports Officer has informed me that I cannot be given a passport without your permission to enter the United Kingdom.

I have cabled to you today, and paid the reply, as follows: "Am asking for permission to enter England en route to Hungary. Am British subject Hungarian birth. Owner of Alexander Perlesz Hosiery Factory, Pesterzsebet Hungary. Please cable permission for me. Gabriel Perlesz, 58 Park Street, Moonee Ponds, Melbourne."

Hoping for your favourable consideration,

I am,
Yours faithfully,

Gabriel Perlesz

1. Attached has been card checked and there is no trace.
2. I do not think it is worth while submitting this application to Hungary in its present form and until subject has a Passport.
3. If he became a British subject in Jan 45 surely he can produce proof of naturalisation and obtain a Passport in Australia.
4. It is suggested you reply to the letter on Allied Commission paper.

For card check please.

Then possibly it should be forwarded to BMM Hungary for action. I think he's a bit mixed about which authority to refer to for 2734 England. hmw. 18 Jan.

Further to my 981 of 19th December and 1 of 21st December (NOT to AFHQ).

Today's BELGRADE Press states that children in question have now returned to ZAGREB after five days detention in a camp one half kilometre from SEMMERING. I would be most grateful for an explanation for the true facts of the case which has NOT unnaturally provoked much adverse comment in YUGOSLAVIA.

You will no doubt be aware that it has also been commented on very bitterly by MOSCOW Radio.

DP recommended that no further Jewish "Rabbis" be permitted in Italy

G-5: 383.7-5

Spiritual Aid for Jewish Displaced Persons

1	G-5	G-2 (thru UNRRA)	8 Dec 1945	Reference the attached paper from the Senior Staff Chaplain GHQ (130/2/ACG dated 6 December 1945).

1. It was originally suggested that two civilian Rabbis should be permitted to enter Italy to help with Jewish DP's in camps; this suggestion was later altered to permit four Rabbis.

2. It was the intention that these persons should form part of the staff of the Joint Distribution Committee so that they could come to Italy under the same conditions as other officials of that organization.

3. The Senior Jewish Chaplain RAAC who originated this request was asked in AFHQ memorandum G-5: 383.7-5 dated 9 November 1945 to communicate with the JDC on this matter and advise whether the Committee was prepared to accept them; no reply has been received.

4. No trace of signal request referred to in the Senior Staff Chaplain's letter has been received in this office.

5. If the names of the team have been cleared by G-2, we will undertake to make arrangements for them to be attached to a recognized organization in the theatre.

6. Please advise this Section, if known, of the names of persons concerned.

Norme generali di prevenzione

La vostra casa sia sempre pulita e ordinata. Abolite i drappeggi, le tendine, i mobili imbottiti.

Dormite a finestre aperte o in camere dove l'aria si rinnovi di continuo.

Fate un bagno tiepido generale, almeno una volta per settimana. Lavatevi accuratamente le mani con acqua e sapone prima dopo d'ogni pasto.

Abbiate cura scrupolosa della bocca e dei denti perchè la bocca è una delle porte d'entrata più comune del bacillo della tubercolosi. La bocca va sciacquata prima e d'ogni pasto.

Copritevi solo quando è necessario. Chi si copre in eccesso va più soggetto ai raffreddori di chi si copre poco.

Non abusate mai nel mangiare e nel bere. L'abuso di vino e di liquori predispone l'organismo, più di qualsiasi altra causa, all'attecchimento del bacillo della tubercolosi.

Lavorate sempre metodicamente: il lavoro regolato non indebolisce mai l'organismo, anzi, mantenendolo in esercizio, lo rafforza.

Vivete il più possibile all'aria libera.

Mantenetevi sempre sereni fiduciosi di voi e di chi vi circonda.

Sir,

I have been requested by Allied Force Headquarters to bring the following facts to the attention of the leading Yugoslav Royalists in Rome for dissemination to as many such persons as possible.

It is pointed out that members of the former Royalist Yugoslav Army are no longer recognised as Allied Military personnel In AMG territory all Royalist Yugoslavs are therefore subject to the jurisdiction of AMG courts.

It has been decided, therefore that in AMG territory Yugoslav Royalists are to be arrested and made subject to trial by AMG courts for the following offences:

a. Entering Allied occupied VENEZIA GIULIA without an AMG permit.

b. Wearing Allied uniform unless the insignia is such as to make them clearly distinguishable from Allied military personnel.

Dear Dr. Prunas,

In reply to your letter 3/2050 of 16 November 1945 I wish to inform you that the Allied Military Government in Trieste is carefully watching the labor problems existing in Venezia Giulia.

I believe you should know that in the case of three factories in Trieste who dismissed or suspended workers, under pressure from workers representatives, all workers are back at work. This was the result of an AMG order.

I trust there will be a continual improvement in the labor situation there, as result of actions of this type.

Yours very truly,

OFFICER COMMANDING,
Dear Sir,

I hereby make application for permission for my father, Sig. Gianelli Giovanni , aged 72, to leave Roncole di Busseto, PARMA, to come to London at the above address to his family.

We are six in number and all English having been born here. My father went to Italy in September or August 1939 to take a rheumatic cure but was caught there by the outbreak of war. He has lived most of his life here and is now alone in Italy, my mother having died here in 1942.

We have sent relevant documents to the R.Questura at Parma so that they may issue him a new passport and have given the necessary guarantee that we will maintain him here . The family includes 4 brothers, - an accountant, a schoolmaster , a musician and a waiter so that we are in a position to do so.

We have also instructed him to make application to you to the same effect .

TO : The Ministry of Interior
(Direzione Generale della Pubblica Sicurezza)

1. Transmitted herewith is a letter N°11003 dated 26/3/45 received by this Sub-Commission from Headquarters 15th Army Group where it had been addressed by the Questore of Ragusa, Sicily, which deals with the application of the above named to travel to Gorgona (Isola) from Ragusa.

2. As Gorgona (Isola) was north of the Rear Army Security Control Line at the time the application was received it was forwarded to Allied Military Government at Livorno for their authority to issue the necessary passes.

3. A reply has been received from AMG Livorno to the effect that Verga and his wife arrived at that place on 23rd April, 1945, with Passes Nos 548119/6 issued by the Questore of Siracusa on 10th April, 1945.

4. It seems that the Questore of Ragusa dealt with application in a proper manner but the Questore of Siracusa issued passes to a place in the Army Zone in contravention of directions issued.

5. This Sub-Commission would appreciate an investigation of this matter, information of the result of action taken and return of documents attached hereto.
