SUBJECT : Entry or transit of Italy - Christina VLACHOU.

TO : GSI (BCIS)
HQ. LF(G), C.M.F.

1. Reference your letter Gen/22/I(b) dated 4 March 1946 to A.F.H.Q.

2. This office has no security objection to the above-named entering Italy providing the Greek Government has no case against her, though it is necessary to obtain the Italian Government's concurrence first.

3. At present her application to come to Italy is being held by the Italian Government pending the receipt of the information as requested in our cable 300 dated 16 January 1946. As regards transitting Italy her application will not be considered until she obtain a French visa.

4. The views of the Greek authorities as mentioned in para 5 of your letter are understandable, however the Italian Government is also not interested in having persons of this kind enter Italy. This office has noticed in the past that interest in applications by high-ranking officers is sometimes proportionate to the attractiveness of the applicant.

5. It is therefore requested that this office be informed whether the a/n desires to enter Italy or merely transit Italy.

1. Reference the pro-forma submitted you January 15, 1946 in respect of the above-named.

2. Information has now been received that her fiance' is VON OSOFFY, a Hungarian diplomat whom she met in Berlin in 1939. In March 1940 she returned to Athens to arrange her wedding but was 'marooned' there with the out-break of the Greek-Italian war. Later she went to MITYLINE island where she was employed in the German Prefect's office of Hauptman FOUX(?) and later at the Post Office of Hauptman RUSSINSKIN(?). In December 1941 she left this employment and went to Budapest in order to marry her fiance, but was unable to obtain permission, as she was Greek. When the Russians approached, VON OSOFFY gave himself up to the British, and she left Budapest for Athens via Istambul on April 19th.

3. The Greek Civil and Military authorities are anxious to rid Greece of the w/n but that is not thought any reason why she should come to Italy.

4. The above is passed for your information when making a decision on this case.

Christina VLACHOU.

1. The s/m has submitted an application for an Allied Force Permit, to travel to France via Italy, with the object of marriage.

2. This is the second time she has applied to leave this country for the same purpose. In her former application she intented to proceed to Italy (ref. Greekmil Travel Bureau signal TB/1883 dated 14 Jan. 46 and your Alcom/300 dated 16 Jan. 46.) to meet her fiance who is a Hungarian diplomat named VON GSOPEY, whom she met at the Hungarian Embassy in Berlin in 1939. She was once in Berlin in 1936, staying with her aunt Bursch(?) for a year.

3. In March 1940 she returned to Athens to arrange her wedding but was 'marooned' here with the out-break of the Greek-Italian war. Later she went to MITYLINE island where she was employed in the German Prefect's office of Hauptman POUX(?) and later at the Post Office of Hauptman BRESSINSKIE(?). In Dec 1941 she left this employment and went to Budapest in order to marry her fiance, but was unable to obtain permission, as she was Greek. When the Russians approached, VON GSOPEY gave himself up to the British, and she left Budapest for Athens via Istanbul on Apr. 19th.

4. According to her statement to the Greek Aliens Bureau, her fiance now appears to be in Italy and she produced letters from him inviting her to go and meet him in Milan.

5. As the Greek military and civil authorities want to rid the country of this person, all our efforts to hinder her departure have been met with indifference on their part. It is interesting to note, that high-ranking British officers have repeatedly showed their eagerness to assist her in obtaining the necessary documents for the journey.

6. We shall be very grateful to have your comments on this case.

About 6 weeks ago an application was made by Mr.R.Ferros,who was then living in Athens,to travel to Trieste via Italy.

The Police were approached here and Captain Bolt,the Security Officer Venezia Giulia Police Force, had no objections whatever to Mr.Ferros coming here. Indeed as Mr.Ferros has a position waiting for him in the family business here it is desirable that he gets to Trieste as soon as possible.

Mr.Ferros has arrived in Rome only to find that he must wait several weeks for a permit to come to Trieste.

In view of the fact that he was sensible enough to plan his movements properly and through the correct Public Safety channels it appears that some slight hitch may have occurred to delay his transit.

Could you please ask the Questura in Rome if this application could be expedited as Mr.Ferros personal funds are becoming exhausted.

MEMORANDUM FOR THE ALLIED COMMISSION
- Sub Commission for the P.S.-

The signed Captain Eduardo BASSI of Italian Army, in service at the Ministry of Foreign Affairs, has the honour to expose the following:

Recently my wife Augusta Bassi and my daughter three years old, have fallen serionaly ill. Having no other relatives, I wrote to my wife's mother: Marika Prassinou, Greek nationaly and living in Athens: 18 Asklipiou street - to come all at once, to Rome in order to help us in this difficult situation.

A few days ago, she telegraphed me she had already undertaken the necessary steps, by British Authorities in Greece, to obtain the permit to leave that country and rejoin Italy.

For my part, in order to earn time, I addressed to Italian Ministero dell'Interno to get the agreement for the entry to Italy of my mother in law and afterwards to send it to the Allied Commission in Rome.

I have been told there, that the Ministry has nothing in the contrary, but for giving and sending this permit it needs a request of this kind from the Sub Commission for the P.S. by the Allied Com-

1. Reference application for the above-named Greek to enter Italy forwarded on 28 January.

2. The journey and business of Mr. MAGLIVERAS are sponsored by the British Naval authorities in GREECE and a further cable has now been received requesting a reply as urgently as possible.

3. The name of the ship appears to have been misspelled in the first cable and is now given as S.S. EUGLOS.

4. A reply at your earliest convenience would be appreciated.

SUBJECT : Entry Germany from GREECE
- VOGEL Karl

TO : Balkan Counter Intelligence Section
HQ Land Forces Greece.

1. The covering letter forwarding the application of Karl VOGEL for repatriation to Germany has been mislaid. Application was forwarded to Germany on 26 November 1945, so the covering letter is probably dated mid November.

2. Authorities in Germany refuse VOGEL's application.

3. It is stated that the Combined Repatriation Executive is making arrangements for the repatriation to Germany of German nationals now residing in other countries. The plan is to effect repatriation by organised movement rather than by individual movement, and it is expected that such arrangements will be completed and the movement begin within the next two months.

TO : Commandement Des Missions
Militaires Francaises en Italie
(Securite Militaire)

1. Reference your letter 116/ies January 14, 1946 and further to the telephone conversation on the above-named ladies.

2. As requested the two a/m ladies were permitted to pass through the controls though they were not in possession of Italian visas or Allied Military Permits.

3. However it is hoped that it will be appreciated that this is an exception and not a rule; and that the reason for not having time to obtain a permit is no excuse.

4. It would be appreciated therefore if you would inform this Office of the length of stay of these two ladies in Italy and take steps to see that in future cases the necessary permits or visas, where applicable, are obtained prior to departure.

Le Général LE COULTEUX DE CANTELEU
Commandant les Missions Militaires françaises en Italie

à

Monsieur le Commandant de la Public Safety Sub/Commission
Via Veneto - ROME

Monsieur le Commandant,

J'ai l'honneur de porter à votre connaissance que Mesdames MESNARD René et PEYCRU Georges, femmes d'Officiers français du Commandement des Missions Militaires françaises en Italie arrivent d'Afrique du Nord mercredi 16 courant, par notre avion postal.

Je crains que les nouvelles dispositions n'aient pu être communiquées à temps à ces personnes et qu'elles n'aient pu se procurer ni le visa italien, ni l'autorisation de l'Allied Commission d'Afrique du Nord.

Je vous serais reconnaissant de ne faire aucune objection à leur séjour en Italie. Ces personnes se présenteront naturellement à la Questura Centrale dès leur arrivée à Rome, en vue de se faire établir un permis de séjour.

Par le même courrier, j'adresse au Ministero dell' Interno, Direzione Generale della Pubblica Sicurezza, une correspondance relatant la situation des deux personnes ci-dessus mentionnées.

Veuillez agréer, Monsieur le Commandant, l'assurance de ma haute considération.

SUBJECT : Italian Entry Permits

TO : The Ministry of the Interior
The Ministry of Foreign Affairs

1. We have been informed by the British Military Authorities in Greece that Allied Force Permits have been issued to Achille and Lucie KOUTSOUKARIS (greek) to enter Italy without prior reference to this H.Q.

2. This action was taken because the applicants were in possession of "Italian entry permits Nos 5953 and 5954 issued in Bari on 27 Oct. 45".

3. It is thought that these so-called entry permits were probably Italian Permessi di Soggiorno.

4. Copies of application forms are enclosed for the Ministry of Foreign Affairs.

5. For your information.

Herewith application forms in duplicate for A.F. Permits for the a/n persons to travel to BRESCIA N. ITALY. They are the fiancee and the fiancee's mother of a British officer, who has signed an affidavit of which we enclose a copy, to say that they have relatives in ITALY who will accomodate them. 18th December, 1945.

To: G-2(CI).

From: Major I.G. Macpherson.

Subject: Travel of Greeks.

With reference to telephone conversation Hallwile-Macpherson of the 16th December.

It is confirmed that we have received a request from H.M. Ambassador in Athens for permission to be sent urgently for the 159 Greek students who are to take up appointments at French Universities before the beginning of the new academic year.

2. Application was made in Greekmil's signal No.TO 1762 of the 15th December but it is understood that this Headquarters refused permission for them to land in Italy on the grounds that nothing was known of any arrangement. In fact CRS have undertaken to move the party by train from Taranto to Chiasso and Basle and all details as regards finance, visas, etc. have been settled and the French Embassy in Rome informed.

3. The party was to have sailed on the 17th December on the "Macaron". In view of this Headquarters' refusal they are being held back and a passage is booked provisionally for the next trip on the 22nd December.

4. There is no other means of moving this party complete so as to arrive before the beginning of the academic year, H.M. Ambassador points out that it is important that transit permission should be sent to Land Forces Greece as soon as possible.

URGENT

MEMORANDUM FOR THE ALLIED COMMISSION

SUBJECT : EVANGELO BARBARA - ENTRY INTO ITALY FROM GREECE.

1. Reference is made to Allied Commission's note DPR/3/VELLI/G-II (IT), dated 7 September 1945 and specifically to the authorization kindly given by the competent Authorities at the request of this Ministry, to the issuance of the Allied Forces Permit for the entry into Italy from Greece in favour of Barbara BONIFAZI nee EVANGELO, listed under (b) of para No.1 of the aforesaid note.

2. It has now emerged that Gino BONIFAZI is already legally married in Italy, since 8 years, to a Carla Bonifazi, residing in Rome, and that a daughter was born to them.

3. The Ministry for Foreign Affairs should consequently be grateful to the Allied Commission if they would kindly wire to the competent Authorities in Greece to cancel the authorization in favour of Barbara Bonifazi nee Evangelo, who should be prevented from coming to Italy from Greece.

4. It would be appreciated if the matter could be treated as very urgent.

Rome, 5th December 1945.
