Dear

A.

Thank you for your letter of August 8, 1946.

As far as this office and really CI(3) is concerned, they will close at the end of this month. There is a move to get the Embassies, (U.S. and Br.) to take on the job and if they do, I will most probably go to the British Embassy, where I have been offered a job, as a civilian.

I'm glad to hear Greece is nice and you are enjoying things; Rome is lovely and very hot right now.

Basil is advertising manager for Coscor radios, Barney I should think is in Brazil right now; they and Mary left at the beginning of April. Basell left some time in June too for the States.

That's about it for now. I doubt if we'll get all your outstanding applications cleared up by the time we close as the I.G. is very slow in replying.

Glad to hear of you again,

Yours very sincerely,

A

Dear *Anthony*

File
me / *Aug 14*
Very pleased to hear from you even if only on business.

How are you these days? -- I can hope that you are enjoying still the delights of Rome, as much as I do those of Greece. Athens itself is not so pleasing nor so incomparably lovely as Rome, but one can have a grand time here and especially in the surrounding country -- bathing is marvellous, and the country people so unspoilt.

To answer your official letter; + so far as can be discovered we have no outstanding applications besides those which you mention.

- GSI.389-506/12/E/3 dated 15 July 46.

WHAT WILL YOU DO (sorry I'm typing this myself, being for the moment left with only half a typist!) when your office closes? Basil I suppose has settled down to civilian life and Barney is leaping over St Brazilian Hills -- has Basil gone back to her Southern pastures -- should like to see her again.

ALL the best:

Yours

Andy
