Questo Ministero non è in grado di pronunziarsi sulla richiesta in quanto non si hanno in atti elementi che si riferiscono ai predetti stranieri, nè, per l'urgenza rappresentata, vi sarebbe modo di disporre nei loro confronti le consuete indagini.

Peraltro, poichè i due predetti stranieri sarebbero diretti in Svizzera, si autorizza in via eccezionale il loro transito attraverso il territorio italiano, purchè essi non debbano in alcun modo sostarvi.

Si prega di fare le comunicazioni del caso all'Ambasciata Britannica di Belgrado.

OFFICE OF THE RESIDENT MINISTER

To: G-2(OI).

From: Major I.G. Macpherson.

Subject: Entry of Yugoslav UNRRA personnel into Italy.

The Foreign Office are perturbed at the situation existing in Belgrade whereby the Military Attache is authorised to give immediate clearance to enter Italy for UNRRA employees of all nationalities except Yugoslavs.

2. They point out that Yugoslavs employed by an international body like UNRRA are on a different footing from other Yugoslavs and that UNRRA employees are not affected by any restrictions which have been applied by the Yugoslav Government to travel in their territory.

3. H.M.G., like other member Governments, have agreed in the UNRRA Council Resolution No. 36(3), to accord to UNRRA officials the same facilities in respect of passports and visas as are accorded to officials of comparable rank of their own and other Governments.

4. Apart from these general considerations, the number of officials involved is likely to be small and UNRRA would do all in its power to ensure that

5148

4178

they/

Declassified E.O. 12356 Section 3.3/NND No. 785016

they refrained from any political activity while in Italy. The Foreign Office have impressed upon UNRRA in London that if Allied Force Headquarters disapproved of the behaviour of any of their representatives they might have to be withdrawn immediately.

5. The Foreign Office have requested that this matter should be taken up urgently and hope that in the light of the above considerations AMIC will feel able to relax their restrictions so as to place all employees of UNRRA on the same footing.

in Belgrade.

(C). Conclusion. Consider essential conditions for establishment of such Permit Office are:

(i). Issue of identity cards in Zone 'B' by Jugoslav authorities.

(ii). Establishment by Jugoslavs of similar machinery for Italians to apply for entry to Zone 'B'. In our opinion this should be the Jugoslav Military Mission with XIII Corps which is normal liaison channel with 4 Jugoslav Army who control Military Govt of Zone 'B'. At present the Mission exercises this function occasionally although it was never precisely prescribed in its terms of reference.

All informed.

1. Ref BELGRADE Embassy signal 890 of 4 Dec.

(A). Assume Jugoslav Govt note is result of diplomatic enquirien made to BELGRADE as result of our letter 5810/G dated 22 Nov to AFHQ only on subject of Jugoslav issue of identity cards in Zone 'B'. Have Jugoslav Govt been or will they be informed that this HQ will initiate security control on MORGAN Line WEF 15 Feb 46 to detriment of persons resident in Zone 'B' NOT in possession of identity cards. Your unnumbered letter of 1 Dec does NOT cover this point.

(B). Following are our comments on A/M signal by paras.

(i). Appendix 'H' to DUINO agreement stipulates identity cards are required for crossing of MORGAN Line in either direction by residents of both Zones. In this case travel permits are superfluous and furthermore local civilian authorities are NOT empowered throughout AMG area to issue such permits.

(ii). To enter Zone 'A' Jugoslav nationals must obtain permit from Allied authorities vide Appendix 'H' para 4B.

2. Agreed but consider desirable existence of other machinery more accessible than in BELGRADE.

3. Agree to location of Permit Office in SLOVENIA with representative of this HQ with W/T link but would suggest LJUBLJANA more practicable and central than SKOPJA LOKA. Permit Office could then be located with or near British Consulate LJUBLJANA.

INFO-ACTION

SECRET.

1. - We have received note from Jugoslav Government to the effect that in accordance with Duino conference Jugoslav officer commanding zone B has issued following instructions relating to passage over the demarcation line between 2 zones. Relative text of the note reads as under: " 1. All persons residing on territory of the zone B shall be able proceed territory of the zone A if they are in possession of regular travelling permits issued by local civilian authorities: similarly all persons residing on territory of zone B if they are in possession of travelling permits issued by local civilian authorities. 2. All persons residing outside zone B on the territory of the democratic federative Jugoslav shall be able to obtain travelling permit to proceed zone B and to zone A at special offices in federate ministries of the interior home offices of Serbia Croatia and Slovenia, ".

2. Note goes on to suggest that the American Consulate general in Zagreb and the British consuls in Belgrade and Ljubjanda might be regarded delegate by the British military authorities to deal with permits authorised in zone A. Already explained verbally to Yugoslav officer that the project cannot repeat not be acceded to as such passes can be issued only by Allied Military authorities and that they cannot therefore be obtained through diplomatic channels.

3. Permits office already exstst in Belgrade and at present any yugoslavs from Zagreb or Ljubjlana have to be cleared through this; hence reasons for this note are quite clear since to date any individual requiring permit has been obliged to tr to Belgrade. Further permits office situated in Ljubjlana

have vital advantage however. Fact that the actual process of the issue or refusal of permit would much speeded up is obvious but further to this it is suggested for your consideration that you may wish to have your own representatives in that town. Yugoslav government are clearly most anxious that permits should be issued from Ljubljana? and should you agree request you will start with an advantage and a strong bargaining counter. For example you would be in a position to insist that the permits officer had his own W/T link to 13 Corps and AFHQ and that he had complete freedom of movement in his own transport across the line.

4. - Report whether early views on the above would be much appreciated.

This Ministry has no objection to authorizing the foreigner in subject to enter Italy.

But considering the fact that Mrs. Pardo 's daughter died in the Civil Hospital of Verona since July 13 last, there are no more reasons for that journey.

Thus we beg your Commission to inform the a/m lady in the manner you will deem most proper.

For G2 and Movements from Military Attache.

1. French Government is providing 100 scholarships at French Universities to Jugoslav students to be nominated by the Jugoslav Government.

2. The students have now been nominated and the Jugoslev Government has provided 2 railway wagons to transport them via TRIESTE to CHIASSO from whence they will make their way to PARIS under arrangements made by French Government.

3. The Jugoslav Government has attached the following conditions to the provisions of the railway wagons.

A. That their repatriation to JUGOSLAVIA on completion of journey to be guaranteed.

B. 12 Jugoslav engine drivers are proceeding to BELGIUM to take delivery of locomotives being supplied to JUGOSLAVS by UNRRA. The French Embassy has ascertained from UNRRA JUGOSLAVIA that the locomotives in question are actually awaiting collection in BELGIUM.

4. The French Ambassador has personally requested my cooperation in arranging the earliest possible despatch of the students as the academic year has already begun and the French Authorities are most anxious that their arrival be NOT further delayed.

5. May I therefore issue Allied Forces permits to students and engine drivers. And may I be authorized to guarantee to Jugoslav Authorities repatriation of their rolling stock on completion of its mission.

Military Attache's Office,

Belgrade.

HMA/8/1.

27th November 1945.

To :- A.F.H.Q. (for G-2 Section)

Further to my signal 387 of 26 Sep 45 and your letter in reply GBI 389-506/18-E-4 dated 6 Oct 45.

We have again been approached concerning this lady, this time by a Miss Murphy and a Dr. Macphail, both British subjects working with the UNRRA Jugoslav Mission.

They have been informed that an entry permit has been refused to Miss HOMJAKOFF, and have enquired whether this was because it was considered that Miss HOMJAKOFF would be destitute and therefore constitute an "economic burden" in ITALY. They wish, in case this were the reason for the refusal, to give personal guarantees that they would support her and that she would in no way be destitute.

They further state that Miss HOMJAKOFF, despite her age, had a good pro-Allied record during the occupation, and that she stood firmly by her attitude in face of grave Ustasi threats.

It also appears that Miss HOMJAKOFF has obtained the necessary exit permit from the Jugoslav Government.

In the light of the above, would you please inform us whether there is any chance of this case being reconsidered ?
