- DOLENC, Vladimir
ALEKSIC, Pavle.

TO : The Ministry of the Interior.

1. Reference your letters N. 443/41065 and 443/41077 dated 20 and 14 March respectively.

2. On informing the Allied Authorities in Belgrade of your decision on refusing entry of the a/m into Italy, they have advised us of the following particulars:

"Aleksic is an employee of the Italian Firm of Montecatini of Milan who was sent to Yugoslavia in September 1945 to enquire regarding property and stocks remaining in Yugoslavia; the Firm has about 15,000,000 dinars worth of dyes in Yugoslavia. He was to report to his Firm on the results of his investigations and in future business possibilities with Yugoslavia. He has now completed investigation and Signor Lucini director of Foreign Trade Montecatini (?). He wishes to be accompanied by Dolenc who is an official of the Yugoslav Ministry of Industry."

3. The above is passed for your information for a further reconsideration of this case.

TO : British Embassy, Belgrade.
Attention: S. Clissold Esq., Press Attache.

1. Your letter of the 8th of March has been passed to this Office.

2. It is very much regretted that so long a delay occurred in obtaining permission in the case of Mr. KOPPMAHLER but it is felt that this case is exceptional.

3. It will be appreciated that, as the Italian Authorities are now responsible for controlling entry into their country, all applications have to be referred to them for approval. It is in this stage that delay usually occurs.

4. However, representations to accelerate decisions have been made to the Authorities concerned and it is hoped that considerable improvement will result.

1. Receipt is acknowlegded of your GBI. 389-506/18-E-4 dated 26th February 1946, with enclosures.

2. The story told by the above named is probably true, and, as far as this area is concerned, could well be the manner in which they obtained entry into Italy.

3. There is, however, no record of these men having passed through the local DP dispersal centre, and from the report forwarded, it is not clear if they were in possession of DP cards, except that it was stated they did not come into the arrest categories.

For G-2 From M.

Further to MF 372 of 28 February.

MITAR is now being cared for by Jugoslav Red Cross who would appreciate indication of when permission may be expected for him as their funds are limited.

Our relations with Red Cross here are excellent and we would like to help in this case if possible.

Grateful therefore if early decision can be obtained from Italian Government with whom matter presumbly rests.

British Embassy,
Belgrade.

8th March, 1946.

To: D.P.R., A.F.H.Q.,
From: Press Attache, Belgrade.

18 E 4

I would like to draw your attention to the desirability of minimising the delay in obtaining the required authorisation for Allied journalists wishing to enter Italy.

On 24th December 1945, for example, I telegraphed to you requesting that steps should be taken to issue an entry permit for the Czechoslovak correspondent, Karel KOFFLER. It is only now, however, that I have been informed in your telegram 1616 of 6th March that this entry permit has been granted, and I fear that during this lapse of time the journalist in question has been obliged to make other plans.

I need hardly point out that such delays in facilitating the movement of Allied journalists are likely to have an adverse effect on the chances of British and American journalists obtaining speedy permission to visit other Allied countries. Perhaps you would, therefore, be good enough to draw the attention of the authorities concerned to the desirability of dealing as promptly as possible with applications for entry permits/on the part of Allied journalists.

SUBJECT : Entry Italy from Yugoslavia
- BAUM, Zora.

TO : British Embassy, Belgrade.

1. Further to our cable 1487 dated 28 February 1946.

2. The Italian Government take at least 30 days to make a decision on travel applications and normally more.

3. It is desired to point out that this is no unreasonable time; for the facts as given by the applicant have to be confirmed and this entails checking with the local Questura Offices in the places the traveller desires to visit.

4. In this respect one or two cases recently of people desiring to enter Italy from Yugoslavia have either given false or misleading information and this tends to make the checking a more thorough and hence longer process.

5. Furthermore when taking personal hastening action with the Italian Government officials we are quite naturally reminded of the fact that Italian subjects are not allowed to travel to Yugoslavia.

6. It is therefore hoped that you will take the above statements into consideration when delay occurs in future cases.

2. An application has now been received for Vaso RADMILOVIC, Jugoslav to come to Italy with Diplomatic mail for the Jugoslav Delegation to the Advisory Council.

3. Approval has been given for this journey but in our reply to Belgrade it has been pointed out that since the Delegations to the Advisory Council do not hold diplomatic status, neither the mail nor the courier can be considered as diplomatic.

4. It has been suggested also that the Jugoslav Government should appoint a regular courier who could be issued with a special permit for repeated journeys. This would save time and work and would also ensure that only one person held a permit for this duty.

PRO-MEMORIA PER IL CONSOLE BOMBASSEI DE VETTOR

Subject: Entry into Italy - Yugoslav diplomat.

Please find herewith enclosed a note by the Allied Commission GBI.389-506/18-E-4, dated 26 January 1946, concerning the entry into Italy of Wladimir MILJKOVIC, a Yugoslav diplomat. The following remarks could be made very appropriately on the contents of said note.

a) It may be agreed with the Allied Commission's viewpoint that the issue appears to be whether or not the case in question was to be considered a "Pressure case". On this subject it is pointed out that the case (all the more so because the original Allied Commission's request, dated December 21st, was not marked "Pressure case") could not be considered, under any circumstances, as being urgent.

b) In fact no urgency (and it may even be said no purpose) could be seen in Mr.Miljkovic's entry into Italy. Reason given for his A.F.P. application was that the Yugoslav Ministry for Foreign Affairs wished to send him to Rome as a diplomatic courier. Yet the Allied Commission is well aware that no diplomatic relations have been re-established as yet between Italy and Yugoslavia.

c) Above considerations render unnecessary any comments on paragraph 4 of the attached note.

d) It has been definitely ascertained that this Ministry's Liaison Officer at the Allied Commission did not agree that Mr.Miljkovic's diplomatic status justified immediate approval of his entry into Italy, because same Liaison Officer was not consulted in the matter. Not accurate

d) It has been definitely ascertained that this Ministry's Liaison Official at the Allied Commission did not agree that Mr.Miljkovic's diplomatic status justified immediate approval of his entry into Italy, because same Liaison Officer was not consulted in the matter.

e) At present, according to the recent agreement with the Allied Commission, foreigners' entry into Italy should be approved only if the applicants' visits to the country comply with national interest. In view of the well known present situation, as stated in this Ministry's memorandum nº 6/448/148, of January 27th, Inst., very seldom do Yugoslav citizens' visits to Italy conform with national interest, and therefore each case is to be thoroughly investigated and given all due consideration before a decision can be reached.

f) Examination of Mr. Karel KOPFMAHLER's case is still pending. A report from the competent Italian Authorities is awaited and, as soon as received, a reply will be forwarded to the Allied Commission.

Please see my 127 of 11 January and previous signals concerning case of Naumov.

2. Naumov has experienced considerable delay in obtaining Swiss visa. This has now been obtained but simultaneously there arrived letter from istituto Sottore Munari Florence Via Mazzini 38 stating that Naumov can be received and treated there. Letter is in my possession and is dated 17 December 1945.

3. In view of this undertaking on part of sanatorium may we grant Naumov permit to enter Italy other than in transit. Transit visa already granted in Alcom 225 of 14 January and VGP SEC 34 of 16 Jan.

4. Would appreciate decision by end of week as if permission not granted Naumov has opportunity of being flown to Switzerland early next week. He would much prefer to be treated in Florence and in view of his evidently serious condition would urge that permit be granted.

Subject: MAGNONI and AIROLDI - Entry into Italy from Yugoslavia.

1. Reference is made to Allied Commission's note DPR/60/MAG/G-II(DP), dated 17 November 1945.

2. It has been ascertained that Signor Alvaro MAGNONI has left Modena to join his wife Magdalena Magnoni.

3. The Mayor of Galliate reports that Primo AIROLDI married in 1931 a Maria Clerici.

Notwithstanding the fact that they were legally separated in 1943, Primo Airoldi's marriage to Dragica Bojanac is a bigamous one inasmuch as the legal separation does not entitle the parties to re-marry.

4. The entry into Italy of Magdalena Magnoni and of Dragica Bojanac cannot consequently be approved by the Italian Government.

5. The applications are returned herewith.

GEI. 389-506/18-E-4 26 January 1946

SUBJECT : Entry Italy - Yugoslav Diplomat.

TO : The Ministry of Foreign Affairs

1. Reference your 6/372/124 dated January 23rd.

2. The point at issue appears to be that Mr. MILJKOVIC's case although quite clearly a "Pressure Case" was not actually marked as such when forwarded to the Italian Government for approval.

3. On examining the relevant correspondence it is found that the instructions issued to Allied Permit Officers with regard to such cases reached Belgrade the day after the submission of MILJKOVIC's application, which was accordingly submitted in the usual way without being specifically marked.

4. It is desired to point out that the application was forwarded to your Ministry on 21 December and that no reply had been received in this Office by January 19th when a protest over the delay was received from Belgrade.

5. After consultation with your Liaison Officer at A.C. it was decided that his status as an Allied Diplomat justified immediate approval and a cable was sent to this effect and your Ministry notified.

6. It is desired to point out further that the Yugoslav Government has several times complained over the long delays which ensue before decisions are reached on travel applications.

A case which is causing considerable concern at the moment is that of Karel HOFFMANLER (Czech) which was forwarded to your Ministry and the Ministry of Interior on 7 December under our GEI. 389-506/18-E-4 and to which no reply has been received.

7. KOPPMAHLER is an Allied press correspondent whose bona fide is vouched for by the British Embassy Belgrade. He has arranged with the U.S. Embassy in Belgrade to buy a jeep from the U.S. Army in NAPLES and drive it back to Jugoslavia.

8. Repeated reminders to the Ministry of the Interior have so far brought no reply which this Office would be glad to receive as soon as possible.

9. Your further comments are invited.
