1. Your para 2.

These APP's were shown in error on our list. In fact none of these permits were issued for transit ITALY but all for transit AUSTRIA, in each case with the permission of the occupying authorities concerned. The quotation VCP SEC 97 of 15 Feb 46 as authority for the issue of a permit to KARA-NIKOLIC is a further error on our part, since this quotation should stand opposite the name of BUWE just above, together with AFHQ C 22589 of 14 Feb 46. These errors are deeply regretted, and we apologise for the confusion caused.

2. Your para 3.

We can find no record in our files of LEPKA VALJAJIC. Perhaps you would check the date and the number; the number you quote, 1671, is certainly not ours.

Application has been made to return to ITALY by PETRICA KAMIC,
Jugoslav, holder of passport 2097/46, born at DREVIS in 1919.

Applicant has no Italian visa, and we have pointed out that this is necessary for entry into ITALY. She has, however, produced two documents (copies attached), one a letter from UGERA, MILAN, and the other a document from the Comune di LECCO stating that applicant may return to LECCO to look after her sister. Applicant also holds hand-written medical certificate for her sister.

Will you please inform us whether the Italian Government consider the latter document sufficient authorisation for entry into ITALY, and if so whether we may issue applicant with a transit permit for Zone A?

Subject: Permits for UNRRA Officials to go to Trieste

In answer to your request in your letter of 12 February 1946, we are forwarding to you attached lists of UNRRA members in three categories. Category "A" is list of this Mission's officials, now stationed inside Yugoslavia, who may be required to work at the UNRRA Office in Trieste for long periods, together with those stationed permanently at Trieste. Category "B" includes members of the UNRRA Yugoslav Mission, now stationed in Yugoslavia, who will require frequently to pass through Trieste in transit Italy. Category "C" is a list of the remaining members of the UNRRA Yugoslav Mission.

You will understand that, during the winter months and in view of the difficulties of obtaining air passage, the Mission regularly uses Trieste as an alternative route to Italy. We would be grateful, therefore, if for Categories "A" and "B" at least you would provide Allied Force Permits made valid for three months and endorsed for repeated journeys between Yugoslavia and Venezia Giulia. For Category "C" (although we would, of course, prefer to have similar permits), perhaps you would be able to clear the UNRRA members in this category with AFHQ so that you could issue them with permits whenever necessary. You will understand, I am sure, that we wish to avoid delays in despatching our personnel to Italy, as journeys often have to be made at short notice on official business, or some cases due to sickness or other reasons.

Yours very truly,

SIGNED: Wilford E Johns,
Acting Chief of Mission
