Ref No.

~~264.~~
~~21st~~ September 1946

To : Col. E.J. Bye
Acting Director
Public Safety Sub-Commission
A.C. Bldg

From : Director, Displaced Persons Division

Subject : Travel from Italy via Venezia Giulia to Yugoslavia of CELEBONOVIC Alexandre.

5-2/15 E 8

1. Reference is made to correspondence between your Sub-Commission and our Chief Repatriation Officer regarding the a/m and particularly to paragraph 6 of your letter to us dated 20th June 1946.

2. We regret that this individual was referred to AMG 13th Corp by UNRRA as desiring repatriation to Yugoslavia. In our letter of 3rd July 1946 addressed to Capt. Kellett, D.P. Officer AMG 13th Corp we outlined the basis for Celebonovic's eligibility for UNRRA care and/or repatriation. The fact that this young man availed himself of UNRRA repatriation services when, as a matter of fact, he did not expect to return permanently to his former home is regretable and we appreciate your assistance in clarifying this case.

3. Should Celebonovic apply to us again we will refer him to the Italian Questura for permit to transit Zone "A" which we understand is the established procedure in such cases.

Displaced Persons Division

SUBJECT : Travel from Italy via Venezia Giulia Province to Yugoslavia.
- CELEBONOVIC,Alexander.

TO : U.N.R.R.A., Italian Mission
(Attention Chief Repatriation Officer).

1. Further to our letter of even reference dated 7 May 1946, to the Yugoslav Delegation to the Advisory Council for Italy, copy to you.

2. The above-named Yugoslav national arrived once more at Trieste with a copy of a letter dated 3 June from the Director, Displaced Persons Division, your Mission, addressed to Capt. Kellett D.P. Office at AMG,XIII Corps.

3. This letter gave a brief history of the above-named individual and stated that he was being repatriated under UNRRA resolution 71, to Yugoslavia.

4. However once again Celebonovic admitted in Trieste that he was going to Yugoslav to apply for authority to open a branch office of the International Emigration service in that country and if this authority was granted he intended to return to Italy; and if not he still intended to return to Italy, to work as an artist

5. He was allowed to proceed by the Anglo-American authorities in Trieste as your Mission was well acquainted with this case by our above-quoted letter.

6. As was made quite plain in our first letter Celebonovic was not being repatriated and it is therefore requested this office be informed why he was returned to Yugoslavia under repatriation methods when he was only going on a visit. It is pointed out that in future all applicants should be dealt with according to the proper circumstances or they will be liable prevented from proceeding.

Your 064 of 15 June. This Headquarters does not favour to idea for the following reasons. It does not help the desire to encourage italian representation to be established in those countries where it does not yet exist. If appreal is given, a precedent is created for other nationals, and it is most undesirable for Trieste area to be used as a transit zone and a means of obtaining italian entry visas. It is also understood that the italian government look upon this with disfavour.

1. Further to this Office's letter of the 2nd May and your letter GDI. 389-506/1E-E-6 of 7th May I have to inform you that CELEBONOVIC has again been sent back to Trieste by UNRRA on route to Jugoslavia. He carried a letter addressed to the D.P. Division of this HQ., a copy of which is attached.

2. CELEBONOVIC said that as from the 31st May he was not receiving any salary from the International Emigration Service. He was however receiving financial assistance and had received istructions from the Emigration Service to apply to the Authorities in Belgrade for authority to open a branch office in that country. If this was granted he intended to return to Italy via Switzerland in about three months time. If not he intended to return to Italy to work as an artist in three or four months time. CELEBONOVIC stated that his father lives in Belgrade and his mother lives in Geneve (Switzerland).

3. I allowed CELEBONOVIC to continue his journey as UNRRA, in view of your letter to them, were fully of aware of the circumstances. This information is forwarded so that you may know of the type of person that UNRRA are persisting in sending through their channels.

UNRRA ITALIAN MISSION
Displaced Persons Division

To: Capt. KENNETT 3rd June 1946
Displaced Persons Officer
AMG 13th Corps
Trieste.

From: Louis Varrichione
Director, Displaced Persons Division

Subject: CELEBONOVIC ALEXANDRE No. 12517 (YUGOSLAV)
BORN LAUSANNE (SWITZERLAND) 29 December 1917.

The a/m was referred by the Yugoslav Delegation to our Rome local Assistance Office in April 1946 for repatriation. He was provided with rations and an Assistenza Post Bellica rail ticket for transportation to Trieste and eventual repatriation via your usual service.

Mr. Celebonovic was placed on an UNRRA movement order for one person since at that time we were not yet moving Yugoslavs for repatriation in organized groups. Mr. Celebonovic returned to Rome and stated that he was advised to report to the Questura at point of origin to request a permit for transit of zone "A" since he was not considered a displaced person. The Rome Assistance Office investigated this case thoroughly and we submit to you for your confidential information the following report :

The subject left Belgrade on 6th April 1941 immediately after bombardment of that city by the Germans and took up residence in the Italian occupied zone of Dalmatia. In November 1941, in order to escape persecution as a Jew he escaped to Italy with documents bearing no indication of his religion. He came to Florence were he attended the Academy of Fine Arts. He was in continual danger there because he was suspected of being Jewish. In September 1943 at the time of the Italian capitulation he escaped to Switzerland and was placed in a special camp for refugees. In November 1945 he re-entered Italy at Chiasso in a transport of displaced persons sponsored by the British military authorities. He has been identified by the Yugoslav Delegation to the Advisory Council for Italy as Yugoslav national.

His case would appear to us to follow a rather usual pattern for Yugoslav displaced persons of Jewish religion eligible for UNRRA care and repatriation services on the basis of UNRRA Resolution 71 - "persons displaced by action of the

NOTES FOR THE CONSUL GIORGIO BOMBASSEI DE VETTOR.

The Direction of the Milan "Gazzetta dello Sport" requests the authorization, as in the past, to bring about the Italian Cyclist's competition, which has reached its 19th run, from 15th June till 7th July next.

The distance covered by cyclists, in its 14th (Rovigo - Padova - Montalcone) and 15th (Trieste - Gorizia - Udine - Auronzo) stages is going to cross a district still administrated by the A.M.G.

The aforesaid Direction pointed out that, as far as the a/m part of the itinerary is concerned, "a regular permission was received on the 20th March from the President of the zone, Lawyer EDMONDO PUSCHER, following a favourable issue of his request by the A.M.G.".

Accordingly, we should like to enquire whether the Allied Authorities have really no objections whatever against the bringing about of the competition in the district under the A.M.G. Administration.

An early aknowledgement of receipt, even by telephone, should be appreciated for, as we said, the competition is going to begin on the 15th June next.

APPUNTO PER IL CONSOLE GIORGIO BOMBASSEI DE VETTOR

La Direzione della "Gazzetta dello Sport" di Milano, ha richiesto l'autorizzazione ad organizzare come di consueto lo svolgimento del Giro ciclistico d'Italia, che è giunto alla sua XXIX edizione, dal 15 giugno al 7 luglio p.v.

Il percorso nelle tappe 14ª (Rovigo-Padova-Monfalcone) e 15ª (Trieste-Gorizia-Udine-Auronzo) si svolgerebbe in territorio tuttora sottoposto al Governo Militare Alleato.

Nel far presente che l'ente organizzatore ha dichiarato che, per quanto riguarda detta parte di itinerario, "ha già ricevuto, in data 20 marzo, dal Presidente di Zona, avv. Edmondo Puecher, approvazione regolare in seguito alla risposta affermativa ricevuta in merito dal Governo Militare Alleato" si prega di voler confermare che in effetti le Autorità Alleate non hanno da sollevare eccezioni allo svolgimento della manifestazione nella zona sottoposta alla propria amministrazione.

SUBJECT : Travel from Italy via Venezia Giulia to Yugoslavia - CELEBONOVIC, Alexander.

TO : Yugoslav Delegation to the Advisory Council for Italy.

1. The a/m Yugoslav national was apprehended in Trieste on April 26, 1945. He had arrived there through Displaced Persons channels having been recommended to UNRRA and Cinecitta' Reception Centre by your Council.

2. Celebonovic, took unto himself to leave the UNRRA camp in Trieste, and he was returned to Italy as he was not being repatriated.

3. Your Council must have been aware of this fact, for you only issued him with a Yugoslav visa valid for a month and in any case Celebonovic was travelling as a representative of the International Emigration Service. Furthermore he had already made an application to the Questura for the necessary permit to transit Zone A, of Venezia Giulia, but he did not wait for the permit to be forwarded from Trieste.

4. It is therefore requested that only people who are being repatriated to Yugoslavia be recommended to UNRRA and that all other persons desiring to transit Zone A, of Venezia Giulia, be referred to the local Questura who will in the laid-down manner, forward their application to the Anglo-American Military authorities in that zone for their decision.

SUBJECT : CELEBONOVIC Alexander, Yugoslav
TO : Public Safety Sub-Commission, HQ. A.C., Rome

May 2nd 1946

1. On the 26th April '46, the above-named arrived here en route from Rome to Yugoslavia. He was handed over to FSS for interrogation. He was born on the 29th December 1917 at Lausanne (Switzerland) and is the holder of Yugoslav passport No. 6289/1938.

2. The passports contains a visa issued by the Yugoslav Delegation on the 10th April '46 for entry into Yugoslavia, valid for 1 month.

3. He states that he was interned for a time in Switzerland and in June 1945 he went to Geneva, where he was employed with the International Emigration Service. He was chosen to go to Yugoslavia to there form a branch of this service. Therefore on the 30th of Nov '45 he was sent back to Italy from Switzerland. He has a card in his possession which shows that on this journey he stayed in the D.P. Camp at Como. On arrival at Rome he stayed at the Pensione San Giorgio, Piazza Santi Apostoli, 49.

4. He states that on the 10th March he applied to the Questura in Rome for a permit to transit Zone "A", but did not receive a reply. He therefore came through UNRRA channels from Cinecittà, Reception Centre, from Rome to Trieste. Five copies of the UNRRA movement report, his railway warrant and letter from the Yugoslav Delegation to the Advisory Council for Italy to UNRRA asking for CELEBONOVIC to be admitted to the Centre for repatriation, are attached.

5. These papers are forwarded for any further enquiry thought necessary as CELEBONOVIC was assisted by the Yugoslav Delegation and obviously made use of D.P. channels when travelling on official business.

5138

CELEBONOVIC was not permitted to continue his journey. He was given a permit to return to Rome with

My dear Mr.Minister :

I have received your letter 3/1976 dated 8 november, 1945, relating to travel within Venezia Giulia.

You are aware, no doubt, that control of movement into and within Venezia Giulia including Zones "A" and "B" was determined and fixed by the terms of the agreement between the Supreme Commanders of the Allied and Yugoslav Forces. Those terms provide that there will be no restrictions on travel within Venezia Giulia by persons of either Italian or Slovene origin normally resident in Venezia Giulia nor on the passage of such persons to and fro across the Morgan line.

Provision was made for the issuance of identity cards which should indicate the residence of the holder. Unfortunately circumstances beyond our control made it impossible to begin issuing such identity cards until quite recently. They are now in the process of being issued.

The agreement further provides that Italian and Yugoslav citizens, not resident in Venezia Giulia, may move freely, in Venezia Giulia if those entering from the west have Allied approval and those entering from the east have Yugoslav approval. It will be noted that Allied authorities exercise no control over persons entering Venezia Giulia from the east.

This situation, coupled with the lack of proper identity cards showing residence, has made it practically impossible to exercise ad adequate control over movement across the Morgan line. The Yugoslavs solved the problem by establishing what has amounted to a complete block on travel eastward across the Morgan line by Italian citizens, whether resident in Venezia Giulia or not. Such action violates the spirit, if not the letter, of the agreement and the Allied authorities are not willing to adopt similar measures, believing that it would be impolitic to do so.

Now that identity cards are being issued Allied control of movement

Caro Ammiraglio,

secondo quanto mi è stato segnalato, mentre le autovetture italiane non possono oltrepassare la linea Morgan, le autovetture jugoslave hanno invece grande facilità a passare la detta linea, cioè ad entrare dalla zona B nella zona A. E' stato infatti notato che gli automezzi jugoslavi - tra i quali si notano numerose macchine targate LB (Lubiana), o addirittura sprovviste di targa - circolano liberamente nella zona di Trieste e Gorizia passando poi spesso nel Veneto. Le stesse considerazioni valgono anche per le persone isolate o che usano altri mezzi di trasporto.

Non occorre che io mi dilunghi a rappresentarLe gli inconvenienti di vario genere che derivano da questa incontrollata libertà di circolazione, e cioè, a non elencarne che i più gravi: affluenza di propagandisti politici e di accaparratori di viveri e merci italiani che vengono così sottratti al consumo delle popolazioni locali; immissione di valuta italiana in gran parte accaparrata a mezzo di sostituzione con quella recentemente creata dagli jugoslavi per il territorio di loro occupazione. Di più, si può dire che allo stato dei fatti, ognuno che passi la linea Morgan ha praticamente possibilità di raggiungere qualsiasi punto

In this connection, this Ministry beg to insist that the Allied Commission adopt all necessary measures in order that a more effective control be enforced on the Morgan Line, and enclose copy of a letter on the subject sent by Admiral Stone to H.E. De Gasperi on 19 March 1946 (Encl.B).
