An Italian employee of Tech-h in Trieste Miss Anna Mikalic made an application on 16.5.1945 for an Italian passport in order to travel to England to marry an Englishman.

It is understood that the application was forwarded through the Ministry of Foreign Affairs Office in Udine on ref. 15331/III, but so far nothing seems to have been done.

Could this matter be raised with the Ministry and the case expedited.

As he is meeting with such difficulties as endanger his existenme seriously, he deems it as necessary to elucidate his past to the competent Authorities relving upon an early action.

Already on the first day of the occupation of Jugoslavia he was arrested by the Gestapo, being a member of the "English Society" of Zagreb. Owing to the help of some good friends he succeeded in freeing himself. He flew to Spalato where he remained for about one year. There he was thrice put into prison and ill-treated by fascists because suspected of anti-fascist activity. Besides also the Croates wanted his

TO : The Italian Ministry of the Interior.

1. Reference your letter N. 443/41078 dated 18 Feb. 1946.

2. It is regretted that the a/n Yugoslav nationals should have arrived in Italy without the approval of the Italian Government or this office.

3. However it would appear that it is a case of illegal entry, but to make quite sure the Allied Authorities in Venezia Giulia have informed and requested if they were issued permits.

4. It would be appreciated if more details could be given as to how the a/n entered Italy, at what place and the actual time and place.

5. With these particulars it is hoped to prevent further illegal entrances of this nature.

1) Josanovic is a driver of the Jugoslav Delegation ACI.He has gone on January 16 to Trieste with our counsellor Antunac,who was in possession of a regular Allied Permit.

2) Josanovic had orders to bring back to Rome our motor car Hudson JD 09,that was lent by this Delegation to the Jugoslav Military Mission to the XIII Corps (British).

3) We presumed that Josanovic would be issued documents for his return by the XIII Corps.

4) The Colonel mentioned is obviously col. Pehacek,Chief of the Jugoslav Military Mission with the XIII Corps.

5) Car Lancia 4532 has nothing to do with this Delegation.

6) As it seems,the XIII Corps has not issued permits to Josanovic and the car Hudson for his return to Rome.The Delegation requests therefor that such a permission be given by cable.

7) All officials of this Delegation did request for a permit, whenever they were travelling in the Zone A,but the Delegation has not been informed that drivers needed to have special permits too.

We applied to Headquarters-Allied Military Government-City of Trieste Area- in order to obtain for our assistant manager Mr.NINO SIRIANI, whom we intend to send out on business to Vienna and subsequently to Praga, to permit to leave this country and return. In reply we were advised to make application to you, as the travel to those cities can only be authorized by A.F. Headquarters Central Mediterranean Forces. Following this advice we beg to state which follows.

Our Company, in its capacity of forwarding agent, had been entertaining in pre-war times vast relations with those countries which exported theis products through the port of Trieste and imported, on the same way, from abroad, and are now in amind to have those countries, that is to say particularly Austria and Czechoslovakia, visited by Mr.Siriani, in prevision of an resumption of the trafics. Mr. SIRIANI's work would be to inquire into situation, to inform our clients as to the export and import possibilities, and to take up again the relations with uor customers, as far as still existing.

Our firm and its organisation are no doubt well known to your, and we hope that our request will be taken into seriosr consideration.

The dates you may require on behalf of Mr.SIRIANI are given hereunder.

Looking forward to your kindly reply, we are

Yours respectfully

SUBJECT: Entry into Italy from Venezia Giulia. - FURAN, Stasa

TO : Venezia Giulia Police Force,
Headquarters, XIII Corps, C.M.F.

1. The above-named Yugoslav national arrived by air at Ciampino Airport, Rome, from Udine, on December 5, 1945.

2. She is the daughter of a one time Minister of a Yugoslav Government in London during the war and had been working for the Yugoslav authorities in Trieste.

3. According to her, her position was becoming untenable and it was necessary for her to leave as soon as possible, as her political opinions were subject to census by the local Yugoslav authorities.

4. Colonel BULLOCK of 13 Corps facilitated her travel from Trieste via Udine to Rome but she did not have prior clearance to enter Italy.

5. At present she is employed in HQ Allied Commission and the Italian authorities are being approached to regularise her stay in the country.

6. Meanwhile your comments are requested, together with any security traces.

1. The a/n reported to this office to-day to have his permit, T 30603 issued by Capt. P.W. Miller of your office 31 October, renewed.

Trieste, November 21th 1945

To the

ALLIED MILITARY AUTHORITIES

Trieste

Enclosed to the "application for military travel authorization" I take the liberty to present the request in order to obtain an outward and homeward pass for Milan and the province of Bolzano.
I need this pass in order to go to the abovesaid zones where it is possible to buy lumber and firewood.
I live in Trieste, except for very short absences, since November 1943 and definitively I dwell here as an emigree from March 1945 and I have always lived in Via San Spiridione 12 by boardinghouse Possi.
Therefore since I have not been declared to the competent Register of emigrees either during the German occupation in order to eviod the forced labour or the Yugoslav occupation of this city, I cannot obtain now the identity card as a resident in Trieste.
I add that I am uncensured both from the civil and the political point of view.
Hoping to obtain soon what I ask, I remain respectfully

I enclose herewith a request for a travel permit to enable a Jugoslavia subject, ARAMBASIC Bosidar, to proceed to Torino.

This gentleman was forced to leave Jugoslavia when the Jugoslav Government seized his tannery in Belgrade. He has been in Trieste since last June and has now succeeded in obtaining employment in his own type of business. He encloses letter received inviting him to assume an appointment with the tannery of the Concerie Borgaro Company.

You will appreciate the necessity of assuming this appointment without delay and consequently any steps you can take to expedite the necessary A.F.H.Q. authority would be appreciated.

I can recommend Mr. Bozidar Arambasic as a man of integrity and honesty.

T R I E S T E

Io sottoscritto EMILIO HIRSL, cittadino jugoslavo, attualmente residente a Trieste Via Machiavelli N.22 presento a Codesto Comando la seguente domanda:

Sono nato a Peteranec (Zagabria) ed ho sempre risieduto in Jugoslavia, dove facevo il commerciante e l'industriale. Essendo di razza ebraica, per quanto battezzato venni durante la guerra inprigionato dagli ustasci. Liberato dal carcere alla fine della guerra, compresi che la nuova situazione creatasi in Jugoslavia abbisognava di un lungo periodo di tempo prima di trovare la sistemazione definitiva per cui decisi di venire a Trieste ed iniziare quì la mia attività commerciale ed industriale. Condussi con me i miei due figliastri Boris e Zeljko Kefela che sono entrambi i miei collaboratori. Quì in Trieste ho già chiesto la protocollazione di una fabbrica di dischi smeriglio, mole e consimili e sempre insieme con i miei figliastri siamo diventati

grandissimo danno se dovessimo affidare a terze persone acquisti così importanti e di grande valore.

Ed è perciò che rivolgo domanda a Codesta Autorità perchè sia concesso a me ed a miei due figliastri il permesso di recarsi a Milano con la validità per il ritorno entro due mesi.

Con la dovuta osservanza

TO THE

ALLIED MILITARY AUTHORITIES

Trieste

Enclosed to the "application for military travel authorization" I take the liberty to present thi request in order to obtain an outward and homeward pass for Milan and the province of Bolzano.

I need this pass in order to go to the abovesaid zones where it is possible to buy lumber and firewood.

I live in Trieste, except for very short absences, since November 1943 and definitively I dwell here as an emigree from March 1945 and I have always lived in 12 Via San Spiridione by the boardinghouse Poggi.

Therefore since I have not been declared to the competent Register of emigrees either during the German occupation in order to avoid the forced labour or the Yugoslav occupation of this city, I cannot obtain now the identity card as a resident in Trieste.

I add that I am uncensured both from the civil and the political point of view.

Hoping to obtain soon what I ask, I remain respecfully
