F/Lt. Clarke. R. 106588.

With reference to your letter dated 7th. February 1946 regarding the movement to U.K. of the above named officer and his wife, it is regretted that they will not be able to travel together on the overland route.

2. There are no arrangements at present in force whereby husbands are able to accompany wives and families over the Medloc routes to U.K., although special trains are arranged as and when required for unaccompanied wives and families.

3. The only alternative in this case, if Mrs. Clarke cannot or does not desire to travel alone,, is for both F/Lt. Clarke and his wife to be routed to No. 56 P.T.C. on the normal Algiers/Naples Ferry. They will then await embarkation on the first available ship to the United Kingdom. This may entail a wait in Italy of a period up to one month, and it will therefore be essential for Mrs. Clarke to be in possession of the necessary documents to cover this period.

4. When the date of F/Lt. Clarke's repatriation is finally fixed and a decision has been made regarding the above, will you inform this Headquarters, when the necessary arrangements for onward routing will be made.

Attached herewith application from the above to enter Italy for the purpose of marriage.

2. Application has been received from H.M. Consul, Casablanca, and the name and address of her proposed fiancé is not stated. It is presumed, however, that he is the person mentioned in Par.10. of the application form. No doubt this can be checked your end.

3. The French Authorities are anxious to facilitate subject's departure from French Morocco as she is, apparently, known for her anti-French attitude.

4. In the event of entry into Italy being authorised care will be taken (i.e. she will be requested to produce a Death Certificate of her former husband) to ensure that she is in a position to marry before an A.F.P. is issued.

Sir,

I beg to submit this application for my wife, at present in Algiers, to be permitted to join me here in Italy, under the terms of Families Scheme 'B', laid down in 217 Area Routine Order 107/46.

In support of my application, I should like to mention the question of accomodation here in Bologna. This has not been guaranteed by the Town Major, but he has stated however that, so far as can be foreseen at present, he will be able to provide requisitioned accomodation. Should this be unobtainable through unforeseen circumstances, then I have an alternative offer of accomodation for my wife only, with a civilian family here in Bologna. Should even this fail, I am willing to bear the cost of my wife's residing in a civilian hotel.

I add the following particulars, in case they are needed :-

My A/S Group is 40.

My Date for "Python" repatriation is 7 Jan 47.

My age is 23 years (born 20/6/22)

My nationality is British, by birth.

My medical category is 'B' (permanent)

Date of last leave :- 11 Dec 45 (28 days' leave to Algiers, in lieut of "L.I.A.P.")

1. The French C.I.C. informed this office verbally and by letter that the two a/n ladies, wives of French Army Officers in Rome, would be arriving by air; they requested the airport controls at Ciampino Rome be informed to let them pass as neither was in possession of an Italian visa or Allied Force Permit.

2. As the ladies were arriving that day an exception was made but the French C.I.C. were impressed that it was only exception and that the excuse they did not have time to obtain an Allied Force Permit was of no avail.

3. However on making a routine security check the following trace was found on a Rene Mesnard:

"Bordeaux Trade Union leader in December 1942; on staff of 'Atelier' Trade Union Weekly in Paris. Support and collaboration, in return for devotion to Laval made member of Comite' d'Information Ouvriere et Sociale. February 1944 President of Comite' ouvrier du Secour Immediat."

Your letter GEM.389.506/18-F-1 of 18.12.45.

1. The document held by Mme. TRAVERSA is not a national passport but a French "Titre d'Identite et de Voyage", or, in other words, a form of identity and travel document issued by the French Authorities to Stateless persons or to persons belonging to a country maintaining no Representatives in the territory of their residence.

2. You are perfectly correct in your assumption that there are at present no Italian Representatives in French North Africa.

3. The date of expiry of the document in question should have been given as 19th April 1946.

4. Steps will be taken in future to ensure that the actual type of identity document held by applicants is clearly shown on the form.

Telegram No. 2 of 30.11.45 from the Office of the British High Commissioner (Visa Department), Rome to the Assistant Passport Control Officer, Tangier repeated this Office No. 10 states that, as from 1.12.45, visas issued by an Italian Consular Officer will be valid for entry into Italy.

2. Confirmation of this is requested.

3. In such case, the only territory in which the scheme can operate is, of course, Tangier, as there are no Italian Consular Officers established anywhere in French North Africa.

4. Information is also requested if, in the event of a traveller passing through Algiers and holding an Italian entry visa for Italy, it would be in order to allow him to proceed without his obtaining an Allied Force Permit.

Dear Martin,

Herewith application forms in duplicate (with copy of medical certificate in the case of the husband) of Victor NAHMIAS and his wife Rosalia, for permission to enter Italy.

The applications are made on two counts, (a) the wife wishes to return to Italy to look after her mother who is, or was, very ill and (b) the husband is in ill-health and is advised to leave Morocco.

There would appear to be no urgency in the case so I would suggest it go through at the normal pace.

Applicants' names have not been through Travel Control Records.
