Dear Sir

Enclosed please find
 application form, for permission to enter
 Italy, for a period of three months.

My reason for this application
 is, as stated on the form, that I
 desire to visit my fiancé, who is
 with the American ^{Red} Cross H.Q. in
 Naples.

In the near future he is
 due to return to his home, and we
 are desirous of completing all
 possible arrangements for our
 marriage, so that he can make the
 necessary preparations upon arriving

6291

U.S.A. The uncertainty and
 delay in postal arrangements between
 Egypt and Italy, render correspondence

most unsatisfactory at such a stage,
and personal contact is necessary
in view of the possible lack of time.

Paragraph 4 of the application
form may be a little vague with
regard to my sojourn in Germany
at the time (April 1941) I was
employed as a Nurse aboard the
"SS Zam Zam" (Nier Company) and when
that ship was torpedoed off Iceland,
I was taken prisoner and interned
in Germany until August of that year.

In view of the possible move
of my fiancé, you will no doubt
realize the urgency of my request
and I thank you in anticipation
of an early reply.

Yours faithfully,
P. Bonnin

(Mlle P.O. Bonnin)

LIEUTENANT-GOVERNOR'S OFFICE.

MALTA, 19th December, 1945.

Sir,

With reference to your letter of the 15th November, 1945, I have the honour to inform you that Paul Camilleri is suffering from a re-activation of an old tuberculous spondylitis with abscess formation and is dissatisfied with the treatment he has so far obtained locally. He has received good treatment in the past and appears to think that treatment in Malta is not equally effective. For psychological reasons it is advisable that he should consult a doctor in Catania.

He proposes to stay at 80 Via S. Maddalena, Catania; the duration of his stay will be as short as possible, probably only a few days.

I have the honour to be,

Sir,

Your obedient servant,

Secretary to Government.

The Assistant Chief of Staff,

Subject: Ekrem KEATIFO - Albanian.
Mario PIROLA - Italian.

1. The two above-named persons, have, during the war, been employed as Travailleurs Etrangers in Syria by the French. Their offence was illegal immigration, and now that all cases dealt with by the French and British in Syria are being cleared up, they are anxious to dispose of the last remaining bodies. So far as is known there is no security case whatsoever against either of these two persons, and their personal particulars are attached.

2. Would you please ask the Italian Government whether they would permit the return of PIROLA, and would you please authorise the grant of an Allied Force Permit for the transit of Italy to KEATIFO. He has signed a statement declaring his willingness to be repatriated to Albania.

A. ROSSLYN, Captain,

The 29th October, 1945

Defence Security Officer,
HQ. Palestine.,
Jerusalem.

Sir,

Subject: - My travel to Italy

I have the honour to refer to the Chief Secretary's letter No. 1/I72/45, dated the 16th October, 1945, inviting me to resubmit my application with full supporting particulars to you, for notifying you of the following facts:

1. I was serving with the Army under No. Pal/13561. I was enlisted to the Pioneer Corps, and was discharged on the 30 November, 1944; after services of three years and 364 days, 3 years and 197 days were served abroad. When I felt prisoner at Calamata (Greece) in the hands of the Germans, I was transported to Germany, and after a stay of 16 months in that Country, I was transferred to the internments in Italy. After a stay of a year in these internments I fled, and hid myself by an Italian family at Rocca Priora (Rome) until the occupation of Rome by the Allies, and so I joined the Army, and was sent to Egypt and Palestine, in which I was discharged.

2. When I was by the family Paccini in Rome I married to their daughter Matilde Paccini, but when I joined the Army I promised my wife to come back to Italy and to join her as soon as I am discharged from the Army.

3. Since my discharge I am doing my efforts to have the facilities to travel to Italy by my wife, but Department refers me to other, and now, the Chief Secretary refers me to you.

4. I therefore beg you to be so kind as to consider my matter, and to arrange that my travel to Italy be facilitated as prompt as possible, please, as it is pity to neglect my wife, and her family who were for me better than a father and a mother, and hid me in difficult circumstances.

I wait for your kind answer, and thank you in advance.

I am ,

Sir,

Your obedient servant.

/Sgd/ H. Ali Hassan.

SUBJECT : Signing off from Maltese Schooners in
Italian Ports

TO : Ministry of Interior
Direzione Generale della P.S.

1. The British Authorities in Malta have requested that no signing off from Maltese Schooners be permitted whilst they are in Italian Ports.

2. The Allied Port Security controls can see this is not permitted from Ports of the Italian Mainland but as there are no Allied controls in the ports of Sicily we cannot guarantee this will not happen there.

3. Are there any Italian controls in the Ports in Sicily? And if so can you guarantee that they will be able to prevent these "signing offs"?

4. An early reply will be appreciated.

1. In your signal F 37814 of the 23rd August you granted permission for the above-named to transit Italy en route to Albania. His case is unfortunately similar to that of several Albanians formerly employed by Force 133 whose politics are contrary to those of the present régime in that country. It is believed that these other Albanians are being held in a Camp in Italy until their status can be defined and their disposal effected. Would it be possible for us to send BUKMIRI to join this party?
2. He is now held most unsuitably in an Interrogation Centre as there is, of course, no possibility of allowing him his freedom in the Middle East since he is without any valid documents of identity. It would help us out of a great difficulty if you would assent to this proceeding.

Gentlemen,

I herewith take the honour to inform you the followings:

I have been interned in Italy for 5 years, and came to Palestine without my luggage which I had to leave there because we (my wife and I) fled from the air raids out of the Battle - zone.

The Town Mayor of Tel-Aviv, has kindly given me your esteemed address to which I should apply and so to enable me the entry to Italy, for the purpose of settling my affairs there.

I own a Certificate of Identity with the permission to leave Palestine and enter to Italy.

I will be allowed to enter Italy, and Oblige.

Thanking you in advance,

I am,

Yours faithfully,

Alfred Kovelover.

P.S. I ask you to give me the possibility of a personal audience in order to describe you personally the urgent need of my matter.
