1. Reference your letter on above subject dated 3 January 1946.

2. For entry Italy from the Middle East you will require an Allied Force Permit obtainable from HQ Middle East Force, Cairo.

3. To enable us to obtain the necessary clearance from the Italian Government so that we can authorize HQ MEF to issue you your permit the following information is necessary:-

- (a) Full name
- (b) Date and place of birth
- (c) Nationality
- (d) Exact address to which you are proceeding in Trieste.
- (e) Number and place of issue of passport.
- (f) Duration of stay in Trieste.

4. You would be well advised to do your trip to Trieste by air, if at all practicable, as civilian rail travel in Italy is now an extremely slow and uncomfortable business.

1. Reference is made to Allied Commission's note GBI.389.506/18-G-I dated 11 December 1945.

2. The repatriation from Turkey of Giuseppe TOSINI and Remo ALIOTTI is approved by the Italian Government.

3. The travelling expenses will have to be borne by the parties concerned.

4. According to the new regulations a/m, who are Italian nationals, would not have needed any special authorization by the Italian Government or by the Allied Authorities, a valid Italian passport issued or renewed by the Italian Consulate General of Istanbul being the only document required as evidence that they will be allowed to enter Italy.

5. The cases of Mr. and Mrs. COHEN are still being processed. It is anticipated that a decision will be forthcoming in the very near future.

Subject : Application for a visa to enter Italian Zone
controlled by A.F.I.C. in favour of
Mohamed Shafik Gabr M.P. EGYPT.

Sir,

I take the liberty to write directly to your office in order to call your attention on the application dated 12.12.46. sent to the office of the Deputy Adjutant General, AG-2 section, MEF, Cairo.

I have reported, to-day, to the DAG/AG-2 office, in Cairo, to ask the reason of the delay taken to allow me the visa and it was replied to me that your office is investigating and that they were hoping to have a reply to their signal A/2 80052 dated 16.1.46. sent to your office owing to the good references given by the British Embassy, in Cairo.

I must point out that my application was highly recommended by the Personnel of His Majesty's Embassy and the Commercial Attaché, and it is through this channel that my application was transmitted to the DAG/AG-2.

May I add that my intention to visit Italy is essentially for a business end which is in relation with the project of exchange of raw cotton against Italian goods in surplus. It is my opinion that this deal is profitable both to my Country and Italy, including the Allied Military Government for the following reasons:

- 1° Italian manufactures will hire workers that are jobless at the present time
- 2° Italy will be brought up to a producing Country instead of being supported by the Allied Nations who are enough busy in the huge task of rehabilitation in the other European devastated Countries.
- 3° Italian surplus goods will help to eliminate the shortage in the M.E. and they will be distributed under the Egyptian Government supervision.

I hope that the points raised above have convinced you of the necessity for me to visit Italy and I trust that you will take into consideration my application, favouring with your approval to enter your zone, this, I thank you in anticipation.

P.T.O.

ADEN, 3rd January 1946

Civil Affairs Branch,
HQ. C.M.F.

Dear Sirs,

In 1938 I became engaged to Miss Carla Cameroni, an Italian subject residing in Trieste, whom I had known for a number of years, myself having been borne and educated in that town and my family and hers having had long and friendly relations.

In 1940 I obtained for Miss Cameroni a permit to travel to the Sudan, where I was then living, but the entry of Italy into the war prevented her voyage and consequently our marriage.

I have now been able to communicate with her again and we both wish ardently to see our long delayed wish of marrying fulfilled.

With this end in view, when proceeding on leave for the U.K. in a few months, I intend travelling via Trieste. With the present, therefore, I submit my formal application for a travelling permit to Italy and Trieste. The period I intend staying there is one month, as then I wish to proceed to London to visit my parents prior to my return to Aden.

For your information I am a British subject by birth and am holding a valid British Passport issued in Aden. I may also mention that I still have some relatives living in Trieste, namely my grandmother and an aunt. Any further information regarding myself which you may require could be furnished you by my employers, Messrs. Mitchell Cotts & Co. (M.E) Ltd, 33 Malika Farida, Cairo.

Should it not be possible for you to issued the permit I am applying for, any advice which you may be able to give me which would enable me to further my purpose would be greatly appreciated.

Yours faithfully,

(G. Clarke)

ADEN, 3rd January 1946

The Military Permit Office
L O N D O N

Dear Sirs,

In 1938 I became engaged to Miss Carla CAMERONI, an Italian subject residing in Trieste, whom I had known for a number of years, myself having been borne and educated in that town and my family and hers having had long and friendly relations.

In 1940 I obtained for Miss Cameroni a permit to travel to the Sudan, where I was then living, but the entry of Italy into the war prevented her voyage and consequently our marriage.

I have now been able to communicate with her again and we both wish ardently to see our long delayed desire of marrying fulfilled.

With this end in view, when proceeding on leave to the U.K. in a few months, I intend travelling via Trieste. With the present, therefore, I submit my formal application for a travelling permit to Italy and Trieste. The period I intend staying there is one month, as then I wish to proceed to London to visit my parents prior to my return to Aden.

For your information, I am a British subject by birth, and am holding a valid British Passport issued in Aden. I may also add that I still have some relatives living in Trieste, namely my grandmother and an aunt. Any further information regarding myself which you may require could be furnished you by my employers, Messrs. Mitchell Cotts & Co. (ME) Ltd, 226 Winchester House, Old Broad Street, London or by my father, Edwin Clarke, 2 Lovelace Gardens, Southend-on-Sea.

Should it not be possible for you to issue the permit I am applying for, any advice which you may be able to give me which would enable me to further my purpose would be greatly appreciated.

Yours Faithfully,

J. Clarke

OFFICE OF UNDER SECRETARY OF STATE.

24th November, 1945.

Dear Mr. Tomiya,

ERNST, Walter.

Reference your No. BIP/38/45 of 16.11.45.

ERNST, Walter, is the correct name of the interned referred to in the letter addressed to you by Bishop Hughes.

There would of course be no objection to Mr and Mrs ERNST going to Italy instead of Germany when they leave this country, but it would seem advisable for them to put up the necessary application through the competent authorities.

Yours sincerely,

(Signed) R.E. BISHOP.

My dear Mr. Tomlyn,

I should be grateful if you would kindly receive Mr and Mrs. Ternaz who wish to speak of their situation. Mr. Ternaz is technically a German subject and is by blood German but has not resided in Germany since 1939. His wife is Italian and their two sons are both of Italian nationality and have been brought up and educated for the priesthood in Italy.

Mr and Mrs Ternaz would desire, if it were possible, to remain in Egypt where they have been since 1937 but, should that be impossible they would be appalled by the prospect of being sent to Germany and would ask to be allowed to go to Italy instead.

They are people very worth of sympathy and assistance.

Yours very sincerely

Cara Yolanda

Come ti ho già scritto in una
precedente il povero mio padre
ho Mario fu assassinato dai
fascisti della Brigata nera
il 20 Nov. 1944.

Vorrei ti descrivo il dolore di tutti
noi e quello che abbiamo fatto
per salvarlo. Ti basti sapere
che io per 5 volte sono venuta
a Parigi a piedi per lui non
essendoci nessun mezzo di
trasporto.

È stato denunciato per avere
dileso in qualità di legale dei
Partigiani, per avere collaborato
con essi e per il 6384
era venuto in Montigny coi

Partecipanti - Per due volte
 arrestato e rastrellato anche
 dai tedeschi, io ero riuscito
 a farlo recedere in libertà
 quando di sera fu preso
 mentre usciva dal caffè
 e ammesso a vigilanza
 lì. Il suo esodo fu pro-
 vato la mattina dopo
 quando una carcerina di noi
 libi - quando fu arrestato
 Mario prese anche un
 perché da una perquisizione
 fu trovata una sua lettera
 che scriveva a Marino do-
 ne diceva che attendeva
 gli invasi per essere posto
 liberato - Mario per salvare
 Mirco non si discostava
 da peggio come avrebbe
 dovuto fare e così lo uccisero
 pochi giorni dopo.

Portai via subito i tre ragazzi
 e i loro due io ero sfot-
 tato e si restarono fino
 alla fine di Aprile 1945.
 Da allora sono scesi a
 Reggio e si sono annati
 di parti partigiani - ora
 tutti sono ricabilitati
 ma stanno trovandosi
 un impiego a Reggio per

Espresso Sig. Carlo DIVERIO
Fermo Posta - C A I R O

Siamo in possesso della vostra stimata in data 2 Agosto ed accogliamo con piacere la ricevuta della precedente in data 9 Settembre 1944 alla quale già rispondevamo il 12 Giugno 1945.

Il Prof. Serono ed il Sig. Bertarelli ringraziano e contraccambiano i vostri cordiali saluti, esprimendo l'augurio che presto possiate riprendere la vostra precedente attività, e dimenticare così le brutte ore trascorse che avete trascorse. Al ricevere la vostra sopracitata ci siamo affrettati a mandare notizie a vostra sorella Fiorenza Diverio, pregandola di rispondervi all'indirizzo: Fermo posta, Cairo.

La nostra situazione dal punto di vista commerciale è purtroppo ancora poco lieta, tuttavia abbiamo speranza di poter col tempo medicare le nostre ferite e riprendere quell'attività che la guerra prima, ed i bombardamenti poi, hanno interrotto.

Vi saremo grati se vorrete cortesemente darci vostre informazioni in attesa che la tanto attesa nuova situazione si maturi a beneficio dei nostri antichi rapporti.

Vi preghiamo voler gradire distinti saluti.

we have a trace in this man.

He was one of a party of Turkish representatives
~~to~~ to Tripoli in Oct. 44. D.S. Tripoli has
stated in report "From a security point of
view we are interested we should
ask you to obtain verification of [his] nationality"

There is no further information in our files - as
the present application comes from Tripoli
and there is the applicant appears to hold a
British passport that not appear to be
unusually Arabic
