From: Capt. D.C. Hills (I.C.) 17141, A-2, 'A' Br[illegible]ch, GHQ, CMF.

Subject: Entry Visa.

27 March 1946

Dear Capt Rauzi,

I have been advised by Capt. JAIT G2(CI3) GHQ CMF to write to you with regard to obtaining an entry visa to ITALY for my wife, who is resident in CAIRO, and I beg your kind assistance and advice in this matter.

In view of the fact that I am a British Army Officer, and have voluntarily deferred my release for two years w.e.f. Mar 46, I am authorised under A.C.I. 179/46 published this month to bring my wife and one child from EGYPT to reside with me in this theatre.

I am informed by G2(CI3) GHQ CMF that the arrangements previously made through British Army Channels for providing wives of British serving personnel with entry visas to ITALY are no longer in operation.

This complicates the question of obtaining an Italian entry visa for my wife, as there appears to be no Italian representation in her country of residence, namely EGYPT.

I am therefore asking your kind assistance and advice in the matter of obtaining the necessary visa. As my wife is in ill health, and as her health will be further seriously impaired if she cannot leave EGYPT before the onset of hot weather, I am extremely anxious that the arrangements for her departure be made as soon as possible.

My wife will be accompanied by our daughter, aged 1 year, 10 months. I have ascertained that there will be no difficulty as regards rationing and accommodating them together with the wives of other British officers at GHQ CMF.

I shall be very grateful if you can assist me in this matter without delay.

Yours truly
R. Hills Capt

Sir, re: DSO/P/8266/D8A

I wish to thank you for your letter of the 13th Febr., but it does not satisfy my request. I assume that you are aware of the fact that my son Marcel was fighting the Germans in Italy with the Partisans. In November 1943 three English Officers who had escaped from prison applied to my family in Le Sprocco near Florenz for help. They were clothed by my family and my son Marcel escorted them to the neighbouring town of Florenz, where they got in touch with their men. At the end of January this year, one of them visited my family, thanking them for their heroic deed, and you can imagine what would have happened to my family should the Germans have caught them.

From Rome my family was informed that all explanations, regarding my application for a visa, had been given already. It is quite clear that everything about me is in order and I think I am fully entitled to seeing my family after six and a half years of absence.

I therefore kindly request you once more to take up the matter again and perhaps contact Rome Headquarters by Telegraph asking them why after four months of waiting I have not yet received the reply I have been waiting for so long.

Thanking you in advance, I am, Yours respectfully,

6947 Dr. Leon Shulman

To the Office of the Executive Commissioner.

Allied Commission HQ. Rome.

Sir,

I have the honour to request that a permit to enter Italy be granted to Mr B.J.Olivier,a National of South Africa; he is the holder of a South African passport and is at the present time waiting in Cairo for the necessary permission to enter Italy.

The reason for Mr Olivier's desire to come to Italy is to attend a conference of his business associates of the firm "Societa Italo Sudafricana" of which he is a director.

Mr Olivier is known personally to this Legation and his Society S.I.S. is preparing an important trade agreement between the Union of South Africa and Italy. We therefore are pleased to recommend that Mr Olivier be granted permission to enter Italy for a period of one month.

Thanking you,
yours faithfully
