SUBJECT : Transit across Italy from Middle East.

Reference to the a/m note.

It is communicated that the requests for transit across Italy forwarded by the foreigners concerned in the list attached to the same note, were received by this Ministry to-day for the first time.

Apart from the fact that the requests in question have been forwarded a long time ago, we beg to point out that the particular present situation, made worse by the continuous arrival of foreigners especially Jews, does not advice the further granting of visa to elements who, after all, are even liable to remain in Italy.

Owing to the a/m reasons, our opinion is that it is not opportune to give a favourable issue to the requests in question.

In relazione alla nota sopraindicata, si comunica che le richieste di transito per l'Italia degli stranieri di cui all'elenco allegato alla nota stessa, sono pervenute a questo Ministero ora per la prima volta.

A prescindere dal fatto che trattasi di domande rimontanti a qualche tempo addietro, si osserva che la particolare situazione attuale, aggravata dal continuo afflusso abusivo di stranieri in genere e di ebrei in ispecie, sconsiglia la concessione di visti ad elementi che, in definitiva, potrebbero rimanere sul territorio italiano.

Non si ravvisa, quindi, per le anzidette considerazioni, la opportunità di concedere alle persone in parola il visto di transito per l'Italia.

We thank you for the prompt action you have taken with regard to this matter. It is, however, pointed out that Mrs Naggiar has to take a cure for kidney trouble which will last six weeks. After that she wishes to go for a rest on the Lacumbins and at the same time will meet her son, Major L.D. Naggiar, whom she has not seen for a long period, and who is due for release in the near future. As the authority granted appears to expire after one month, it would be greatly appreciated if you would apply for permission for Mrs and Miss Naggiar to remain in Italy for a further period of two months after the expiry of the one month authorised.

In view of the fact that Mrs Naggiar is expected to leave Egypt in the very near future, would you kindly forward to this office your further approval.

- Polish Red Cross Personnel.

TO : The Ministry of the Interior.

1. Further to our letter of even reference dated 3 April and your reply N. 443/12233 di prot. dated 2 May 1946.

2. The British Military Headquarters in the Middle East and the Allied Force Headquarters at Caserta were informed of your refusal of entry into Italy of the six Polish Red Cross personnel and their eight children, and they have requested that this office re-submits this case to you for further consideration.

3. They point out that these six members of the Polish Red Cross are the last of a party of 20 members who were approved in principle by the Allied Force Headquarters in October 1944, before the Italian Government was consulted on entry into Italy of this kind.

4. Furthermore it is stressed that even though the Polish Corps is due to be demobilized, these Red Cross officials are urgently required now by the Polish Forces in Italy.

5. In view of the above it would be appreciated if your original decision could be reviewed and your ultimate views be passed to this office as soon as possible.

1. Reference your letter 6/2031/847 dated May 10, 1946.

2. On receipt of your letter N. 6/1835/770 dated April 23 this office informed the British Military Authorities in Cairo, from whom the application was received, of your decision.

3. However the Ministry of the Interior approved their entry with their note N. 443/46715 dated April 20, 1946; this however was not received in this office till May 7, and on that day, 3 days ago, we cabled the authority through to Cairo for Mr. Zawisza to come to Italy.

4. It is not felt though that this approval had time to get to Cairo before Mr. Zawisza's departure and it would appear that he left the Middle East before his clearance was obtained.

5. Meanwhile this office is making investigations to determine if the British Authorities in Cairo gave their approval on this travel without waiting for your decision.

6. This office would like to take this opportunity of reminding your Ministry that we will not approve any applications, other than for American and British service personnel, for entry into Italy without first consulting the Italian Government; apart from the courtesy side this is necessary to obtain the necessary authorisation i.e. a visa, or Ministry of Foreign Affairs, or of the Interior reference giving the necessary approval for entry.

TO : The Ministry of Foreign Affairs.

1. Reference your letter 6/1937/811 dated April 30, 1946.

2. This office is quite aware that the authority to enter Italy for diplomats and other bearers of diplomatic passports is given by your Ministry and that is why your Ministry was approached first verbally to obtain your approval.

3. However it was still necessary to approach the Ministry of the Interior to obtain their concurrence and reference and date approving this entrance so this could be given Mr. Chung so he should have no difficulty when presenting himself at the Italian Immigration controls.

LIEUTENANT-GOVERNOR'S OFFICE.

MALTA, 18th April, 1946.

Sir,

I have the honour to refer to your letter GBI.389-506/18-G-1 of the 11th March, 1946, concerning a request made by Mrs.Carmelina Liberto for permission to enter Italy.

The reason given by Mrs Liberto for her journey was to visit her two sons whom she had not seen for some years.

As both Mrs Liberto's sons are now in Malta there seems to be no point in her travelling to Italy now, and no further action is consequently being taken on her application.

I have the honour to be,
Sir,
Your obedient servant,

for Secretary to Government.

SUBJECT : Entry into Italy from the Middle East.

TO : The Ministry of Foreign Affairs.
The Ministry of the Interior.

1. A request has been received from the British Military Authorities in the Middle East to obtain decisions on all the outstanding cases still with your Ministries for comments or concurrence.

2. As there is a ship due to leave Egypt on 11 April 1946 on which many individuals are anxious to sail it would be appreciated if as many of these cases could be decided on as soon as possible.

3. At present there are about 300 outstanding applications for entry into Italy with your Ministries of which approximately 100 are from the Middle East; some of these were submitted in December 1945, nearly 3/4 months ago.

4. This section would like to take this opportunity of requesting if hastening action could not be taken on all these cases, for at present decisions are only being received on an average of two a day which would mean this section would still have to be operating for a further eight months.

5. As neither of the present two officers will be here for that time or will replacements be received it would appear that some applications will never get answered.

6. Your attention is therefore drawn to the desirability of obtaining the Italian Government decisions as soon as possible on these cases.

Ranco, 6/4/1946

With a letter addressed to Col. CHAPMAN, Miss Matilde GIUSTI living at Molin Nuovo (Arezzo district), Ranco 547, begs to thank him for his kind informations forwarded with a note dated 29th March last.

She points out that her marriage with soldier Ahmed MOUSSA did not take place simply because of the fact that the necessary documents, which were all ready, were still lacking of the signature of the Colonel when her fiancee had to return to Palestine.

She furtherly states that she had already undergone an interview with the Commanding Officer of the 446th Coy, and that three investigations had also been performed in her house first by an American Officer and afterwards by a Captain of the 446th Coy.

She thus asks again Col. CHAPMAN, to whom she is deeply grateful, to do what he can in order to help her to join her fiancee, whom she still loves very much, as she thinks that even a recommendation by Col. CHAPMAN could be of great help to her.

She warmly thanks in advance.
