Undersigned begs to ask the Allied Command for the authorization to cross the Italian border at CHIASSO in order to reach Switzerland.

I have worked for about 30 years as a lady companion of an ill, 84-years-old Swiss lady. On May 1940, we left together Darnach bei Basel bound to S.Remo, where we intended to remain for a period of 4 months. Actually, after such time, we were not able to return owing to the poor health conditions of the lady. Later on, we were furthermore delayed owing to the war, and consequently remained at S.Remo (Casa Berigo, 22 Via Regina Margherita). When we decided to return to Switzerland, I was not allowed to cross the border, because the German citizens are not due to leave the country. This fact, which I completely ignored, was pointed out to me by the Border Police, which added that I should be allowed to leave the country only in case I can produce an entry-permit issued by the Swiss Authorities.

Now the old lady is utterly alone at Darnach, and needs my presence most urgently. Thus, I beg you to consider the circumstances and issue to me a permit to leave the Italian territory.

I never had anything to do with the Nazis Party.

Respectfully,

Dear, *W*

This letter will introduce L/Cpl. Binder who is on his way to Holland on compassionate leave. However his fiancée who is in Switzerland and he would like to get together before he leaves to discuss some rather important affairs.

As Binder will only be in Milan about 5 days they would not have time to get regular visas for either to go to the other's country, so we wonder if you could do anything to help them see one another.

Sorry to worry you, though we don't do it often these days.

Re: Dr. Ivan Mestrovic,
(Yugoslavian Sculptor)

5 Rue de Beaumont
Geneva, Switzerland

Dr. Ivan Mestrovic has been called by critics in Europe and in America the greatest living sculptor producing work on religious subjects. Immediately before the war he was in Italy doing a pieta here in Rome. He was also writing a book on the works of Michelangelo complete with over 256 photographic illustrations of examples of the master's works in Rome and Venice. During the war he has been in Switzerland continuing work on the manuscript. He now wishes to return to Italy to finish the pieta in Rome and to complete his book, for which he needs to make final reference to the original works.

The fact that Mestrovic is a profound student of the technique and life of Michelangelo makes his book of unusual importance in the world of art. The original copy is being written in Serbo-Croat, but recognition of its world-wide importance is already demonstrated by the fact that the University of Syracuse in the United States is anxious to publish the English translation. Dr. Tolley, Chancellor of the University, and Mr. Thomas Watson, Chairman of the Board of International Business Machines, and a Trustee of the University, have asked me to do all I can to expedite Mestrovic's return to Italy to complete his work. They have already made arrangements for the translation and are waiting for manuscript.

Mestrovic has adequate funds which he can bring from Switzerland to support himself and his family in Rome while he is completing the work, which will take from 5 to 6 months. Dr. Tolley and he ask for the assistance of the U. S. Embassy in obtaining from the Italian Government immediate permission to come to Rome. They feel that such action is appropriate since American interests are involved, and that it can be done more promptly and effectively this way than through the Yugoslavian Embassy in view of the strained relations between that country and Italy.

In order to work swiftly and efficiently, Dr. Mestrovic who is 62 years of age, needs to have his family with him. They are in

- 2 -

Switzerland on new passports issued by the present Yugoslavian Government. The data are as follows:

Passport No. 403 issued by Yugoslav Embassy in Bern, Switzerland
7 June 1945

Ivan Mestrovic born 15 August 1883 in Drnis, Croatia
Olga (Keatercanek) Mestrovic wife, born 26 November
1904 in Krizevci, Croatia

Passport No. 404 issued in Bern, 7 June 1945
Mate Mestrovic son, born 13 September 1930 in Zagreb,
Yugoslavia

Passport No. 541 issued in Bern, 2 August 1945
Marta (Mestrovic) Srepel daughter, born 19 January
1924 in Vienna, Austria
Vanja Srepel daughter's husband, born 19 October 1919
in Zagreb, Yugoslavia

All are Yugoslavian citizens in good standing with no
political objectives or interests. Both Dr. and Mrs. Mestrovic speak
excellent Italian, French and English.

Mr. ERNST OPPLIGER, Balmweg, 8, BERNE.

June 15 1945 .

Dear Mr. Oppliger,

It seems to me that within a reasonably short time you should be able to return to your home in Milan and resume your former position as Assistant Manager of our Italian subsidiary Compagnia Italiana Macchine per Calzature of Milan .

No doubt the Allied Military Authorities have taken all necessary precautions for the immediate protection of all American interests, including ours. However, we have had no direct information regarding the affairs of that Company since the Italian Declaration of War when that Company was placed under Italian sequestration .

We feel that your presence in Milan specifically would be to the advantage of the Italian shoe manufacturers served by that Company, and also would be of great assistance in the rehabilitation of the shoe and allied industries and, furthermore, would aid the Italian economic welfare. Under these circumstances we would like you to make the necessary arrangements to return to Italy at your earliest opportunity.

We trust that you will experience no difficulty in obtaining the necessary passport, visas and any other essential documents as soon as civilian travel between Switzerland and Italy is permitted .

Yours very truly

signed A.W.Todd, President .

Messieurs,

nous nous permettons par la presente de vous remettre les doubles de nos demandes de visa qui ont été déposées le 4 Octobre (Joas, Bischof, Maest, Stauffer, Bianchini) et le 18 October (Senna auprès Monsieur Elliott, British Passport Control Officer à Berne.

Ces personnes devraient pouvoir se rendre dans trois semaines environ en Italie, afin de tourner un film des actions du Don Suisse en Italie, et de faire des reportages et des photographies pour l'information de la presse suisse.

Nous vous serions très reconnaissants s'il vous serait possible de bien vouloir appuyer ces demandes de visa à Rome et à Gœttinge, car le British Passport Control Officer ne peut pas nous garantir de pouvoir accorder les visas en temps utile.

En vous remerciant d'avance pour votre peine, nous vous présentons, Messieurs, nos salutations les plus distinguées.

Enclosed I send you an attestation from the Swiss Consulate in Milan, in which they give me the permission for 10 days / to go to Switzerland.

As I can only voyage to Switzerland, in my passport is assured, I should be very obliged to you, if you could give me the necessary visa.

I would like you to know that I possess a Hungarian passport. I was a Gestapo-prisoner in Germany, and have been liberated from the Allies, after what I came to Italy.

I have to do for business - as this is my profession - and so this voyage for Switzerland is for me of a very great importance.

My permission is bound to the date December 8th. 1945. as it would be very kind of you to give me the answer - which I hope to be positive - by telegraph.

Yours very truly

The details of her passport are as follows:-

Details place of birth.....Tarrow-on-Tyne.
Date of birth.....13/12/10.

The countries for which this passport are valid:-British Empire and all countries of Europe including the Union of Soviet Socialist Republics and Turkey.

We have Belgian friends in Milan, Mrs Eycken, Corso Genova 29, with whom my wife would stay. Can you please grant me the necessary permit for my wife to cross the frontier at Chiasso where I would meet her and produce the necessary authority. In view of the shortage of time and the delay in correspondence with the U.K. I would very much appreciate an early reply.

Yours faithfully,

Motivazione circa la richiesta del nulla-osta per
l'entrata e l'uscita dall'Italia.

Al mio paese d'origine (Alzate-Brianza) possiedo una
proprietà quale retaggio dei miei defunti genitori.

Sono venuto a conoscenza che durante la guerra la casa venne
usata prima dalle truppe tedesche di occupazione, poi dai
soldati Alleati. Dopo le cote restrizioni di frontiera non
avendo più potuto recarmi in Italia, non ebbi più modo di
occuparmi di questa mia proprietà ed ignoro completamente
in quale stato si trovi. Occorreranno certamente delle ri-
parazioni urgenti, e ci saranno delle pendenze da regolare
quali : luce, acqua potabile, tasse erariali, ecc.--

In appoggio alle necessità qui sopra citate mi permetto
unire : A) dichiarazione dell'On. Sindaco di Alzate-Brianza

Da queste dichiarazioni traspare anche il desiderio del-
la popolazione di Alzate Brianza di poter contare sulla pre-

Le medesime motivazioni valgono anche per mia moglie
Ines. Faccio inoltre notare che fino all'entrata in vigore
delle restrizioni attuali, tanto il sottoscritto quanto la
moglie Ines sono sempre stati in possesso delle PASSERE di

SUBJECT: Visa for Switzerland.

The Swiss Consulate granted to me a permission to entry into Switzerland; said permission needs a visa from your SubCommission, I thus beg to forward to your Office following application:

I am a German, born at Stuttgart on the 25th January 1888. When I was only one year old, I came to Switzerland, where I lived for 32 years, only going to Germany in 1915 in order to display the military-service till 1918.

Since December 1919 I lived in Italy as a business man and in 1920 I became a member of the Trade-chamber at Milan, where I lived at 6- Princess Clotilde Square.

During the war, I was evacuated at Turano (Valvestino). I recently came back to Milan in order to obtain the sojourn permit for Switzerland. As it is impossible to get the Allied visa in the local Allied Offices, and I was told that Your Commission is competent for the issue of such visa, I beg to forward to you my request.

I furtherly point out, that my 80 years old mother is very ill and wants to see me: she and a sister of mine, who is living at Zurigo-Badnerst. 12 are both Swiss citizens. They requested me to urgently go to Zurigo, and that is why the Swiss Police granted to me a sojourn permit for two month.

I ask you to grant to me the due visa at the earliest in order to find my mother still alive; and beg you to kindly address your communications at Formaga (Gargnano), where I live since I am evacuated.

Sincerely
s/ Karl SchweitzerP.S. I inclose a letter of my sister concerning
