1. Enclosed herewith are a copy of letter from the above-named Lady addressed to the British Ambassador in Italy dated 15 July and copy of his reply dated 22 July 1946.

2. It will be observed that it would appear that Colonel Earley, who it is understood is the British Liaison officer with the French at Innsbruck, is under a misapprehension as to the procedure to obtain the necessary clearance to enter Italy.

3. May it be pointed out to him that it is entirely a matter for the Italian Government's decision and all applications to enter Italy should be referred the Italian Political representative in Vienna for necessary action.

25th July 1944

I have not received any letter from you except that dated 15th July and I think there must be some misunderstanding. Under present conditions for obtaining visas for Italy it would not be unusual procedure for me to write a belated letter for you. The Italian Government now issue visas themselves for entry into Italy and it is for them and for no other authority to do so. They have their own representative in Vienna, namely Signor Gaggia, who is in fact their Consul there. Knowing some of this I had hoped that you were personally changing an Italy sends her may well be a normal procedure here.

You should therefore apply direct to the Italian representative in Vienna and he will be in a position either to issue the necessary visa or alternatively to answer that he cannot deal without first referring to his Government in Rome. In either event he will be Italian authorities who will decide and if your applications have to be referred here, let me know the details, including the dates and references that are, so that I can put it to and I the military here for you. From the foregoing you will understand that I am unfortunately unable to assist to the action for you officially.

I am sending your letter to the Vatican Consul Section in Rome so that they can put certain rights with their opposite numbers in Innsbruck, as clearly is my misunderstanding.

I will do what I can for you and judge unofficially, but I am afraid I cannot guarantee his result.

Yours sincerely,

Chère Rose,

Nous vous avons déjà écrit, il y a trois semaines, mais nous ne savons pas encore si vous avez reçu notre mot. On nous avait promis d'envoyer la lettre de Bolzano. Si elle vous est parvenue excusez-nous de vous raconter la même histoire de nouveau.

Nous vous prions de nous aider dans un moment où nous avons très besoin de votre protection. Nous sommes toutes les deux dans une situation qui nous rend la continuation de notre vie ici impossible. Nous vous raconterons de vive voix de quoi il s'agit.

Notre prière est la suivante. Comme nous avons l'intention -Evelyn pour toujours et moi pour un certain temps- de venir en Italie, il nous faudrait une lettre de recommandation écrite par vous à l'officier de liaison britannique, le Colonel Berry, Innsbruck et la permission de Travel Section pour notre entrée. Toutes les formalités du côté autrichien et française sont déjà en règle. Votre recommendation et l'autorisation de Travel Section devraient par des raisons formelles être envoyées par lettre et pas par télégramme. Il s'agirait d'autorisation d'entrée pour les personnes suivantes: Elizabeth Herwarth von Bittenfeld avec fille Alexandra, Hadja Norton avec enfants Neal, Peter, Rosa, Pride Henley, bonne d'enfants.
Pourrion vous voir faire donner la lettre de Travel Section et la joindre à votre lettre ou qu'elle nous parvienne séparément.
La meilleure adresse pour avoir le courier le plus vite que possible est: Colonel Rupert Robinson, Albergo Griffone, Bolzano. Supposant que vous avez quand-même reçu notre dernière lettre nous vous prions d'excuser la brièveté de celle-ci qui ne doit que répéter les points essentiels de la dernière. Nous vous savons infiniment reconnaissantes si vous pouvez bien nous aider.

Mon enfants ont besoin de se remettre et puisque la situation de nous ne leur fournit pas de bien nous voulons d'abord aller un peu à la campagne ou au bord de la mer.

En vous priant de bien vouloir transmettre à Lady Charles nos souvenirs & reconnaissantes nous vous envoyons l'expression de notre amitié sincère.

With the compliments of

Travel Control Section,

The British Embassy,
ROME.

29th July, 1946.

I have not received any letter from you except that dated 15th July, and I think there must be some misunderstanding. Under present requirements for obtaining visas for Italy it would not be correct procedure for me to write to Colonel Harley for you. The Italian Government now issue visas themselves for entry into Italy and it is for them and for no other authority to do so. They have their own representative in Vienna, namely Signor Coppini, who is in fact there partly for that purpose. Regulations of this kind have changed and are continually changing as Italy wends her way back to a normal peace-time basis.

You should therefore apply direct to the Italian representative in Vienna and he will be in a position either to issue the necessary visas straightaway or alternatively to answer that he cannot do so without first referring to his Government in Rome. In either event it will be Italian authorities who will decide and if your applications have to be referred here, let me know the details, including the dates and reference numbers, so that I can put in a word at the Ministry here for you. From the foregoing you will understand that I am unfortunately unable to initiate the action for you officially.

I am sending your letter to the Travel Control Section in Rome so that they can put matters right

Cher Noel,

Nous vous avons déjà écrit, il y a trois semaines, mais nous ne savons pas sûres si vous avez reçu notre mot. On nous avait promis d'envoyer la lettre de Suisse. Si elle vous est parvenue, excusez-nous de vous raconter la même histoire de nouveau.

Nous vous prions de nous aider dans un moment où nous avons très besoin de votre protection. Nous sommes toutes les deux dans une situation qui nous rend la continuation de notre vie ici impossible. Nous vous reconterons de vive voix de quoi il s'agit.

Notre prière est la suivante. Comme nous avons l'intention - Konja pour toujours et moi pour un certain temps - de venir en Italie, il nous faudrait une lettre de recommandation écrite par vous à l'officier de liaison britannique, le Colonel Hurley, Innsbruck, et la permission de Travel Section pour notre entrée. Toutes les formalités du côté autrichien et français sont déjà en règle. Votre recommandation et l'autorisation de Travel Section devraient par des raisons formelles être envoyées par lettre et pas par télégramme. Il s'agirait d'autorisation d'entrée pour les personnes suivantes:

Elisabeth Herwarth von Bittenfeld avec fille Alexandre,
Konja Hanke avec enfants Noel, Peter, Hans
Frida Hanke, bonne d'enfants.

Pourriez-vous vous faire donner la lettre de Travel Section et la joindre à votre lettre pour qu'elle nous parvienne sûrement. La meilleure adresse pour avoir le courier le plus vite que possible est: Colonel Rupert Robinson, Albergo Corona, Bolzano. Sirs:

The Embassy has been advised that Milenko Mitrovich, his wife and two children, who are presently in Innsbruck, Austria, desire to enter Italy pending such time as they may obtain visas to proceed to the United States. Mr. Mitrovich is a Yugoslav national who was a trustworthy and capable employee in Belgrade of the United States Information Service. He fled to Austria to avoid retaliation by elements opposed to the work in which he had been engaging.

In the aforementioned circumstances, it would be greatly appreciated if the Travel Control Division were to obtain from the proper Italian authorities permission for the Mitrovich family to enter Italy.

Very truly yours,

Con circolare telegrafica 22 Aprile scorso n.443/45837/34794 è stato disposto, com'è noto, che è consentito l'ingresso nel Regno al " personale militare britannico ed Americano in servizio in possesso di regolari documenti di viaggio."

E' stato ora posto il quesito, dalle autorità di P.S. del Brennero, se può essere consentito l'ingresso stesso anche ai militari francesi che, com'è noto, presidiano la zona dell'Austria in confine con l'Alto Adige.

Si sottopone la questione a codesta Commissione e si prega di far conoscere le proprie determinazioni al riguardo.

RACCOMANDATA

ALLIED FORCES

HEAD QUARTER

CASERTA

OGGETTO: Permit to come to Italy

Mrs. Johanna FRANKL, of Vienna (Austria) , born on May 24th, 1890 is in urgent need to come in Italy. She must settle personally several important matters afferring to patent rights of the highest importance for Austrian reconstruction.

Mrs.FRANKL is acting as proxy of Mr.Hermann GRUNDEI , Vienna, Siebensterngass 39, Patent Agent of Vienna.

Mrs.FRANKL will have as a companion in her trip Mrs.Karoline SUCHY, of Vienna (Austria), born Octobre 1873.

In consequence of the many years' interruption of all communications between Italy and Austria, many difficulties have arisen which cannot be solved by correspondence; letters would take, in any case, so much time that the important rights having to be protected should be certainly prejudiced.

It appears for these reasons that a permit for the said voyage would be justified and the requirer hopes that the Allied Commission will give him a favourable answer.

This application is made in reference to another presented to the Allied Commission in Vienna by Mrs. FRANKL.

OGGETTO: = Ingresso in Italia dall'Austria di famiglie di ufficiali polacchi =

Com'è noto, sembra imminente la smobilitazione delle Forze Armate Polacche e il conseguente rimpatrio di coloro che intendono ritornare nel proprio Paese.

Alla stregua di tale considerazione, non sembra sia il caso di far entrare in Italia le famiglie dei tre ufficiali di cui alla nota sunnicata, per un soggiorno illimitato, data la nota gravità del problema degli stranieri in Italia.

Si gradirà perciò conoscere se codesta Commissione, ciò nonostante, ravvisi la necessità del loro ingresso nel Regno.
