I, undersigned, Carlino Vincenzo, late Salvatore, and Puleri Maria, born in Canigatti, county of Agrigento, the 18-7-1914 - Via Soldato 23, am applying to this Commission for the issue of a permit with my wife, to enter Cecoslovacchia =

My wife is born in MOSNA - the 10-6-1927 and has been resident in Bilina (Cecoslovachia)

She is in very poor health conditions, due to the Italian climate, which does not agree at all with herself, beside our presence is absolutely requested in Cecoslovacchia to control our real-estate.

Thus, authorize, please, the issue of our permits, also the documents prescribed to live this country =

Our best regards.

13 August - 1946.

Subject: Travel from Italy to Austria

Now that the Allied Commission Liaison Officer in Genoa has officially ceased to function the enclosed application for Military Travel Authorization in respect of Mrs. Margaret STADLER, a British subject, is forwarded to you in accordance with your GBI 389-506/18-J.

2. This lady is considered a bona-fide case and her application is supported by this office.

3. Mrs. Stadler has only just arrived from Australia and in view of the fact that the Australian Government would only credit her with a limited amount of Lire it would be appreciated if her application were dealt with as quickly as possible. Perhaps you would be so good as to let me know how much time is likely to elapse before a decision is reached so that Mrs. Stadler may plan her budget accordingly.

4. Screening has been applied for.

15/7/46 B.F.

1. With reference to your letter of the 28 June 1946 under reference number 389-506/16-J-2 and the attached copy letter from the Intelligence Organization, Allied Commission for Austria (IE) dated 11 June 1946 under reference number Ib/III/SF/3500.

577

2. Enquiries have been made and it has been ascertained that under the agreement between the French Military Government Authorities, Innsbruck, and the actin. Prefect of Bolzano, which agreement has the approval of Allied Commission and the Italian Government, there have been 1.322 (thousand-threehundred-twenty-two) permits issued by the Italian Authorities in Bolzano up to the 9th July 1946.

3. The reasons for which these passes are issued by both the French and the Italians are basically economical, to preserve the compensation trade of these two frontier zones.

4. Under these circumstances it is necessary for a person to have a recommendation of the Chamber of Commerce, Bolzano, before the Italian Authorities will issue a permit, and the recommendation states that it is desired that the applicant be allowed to travel to the French Military Government zone.

5. Unfortunately the work of making out these passes was given to an Agent of the Questura who did not realise the importance of stating the destination of the applicant in the French Military Government zone of Austria.

6. In consequence 212 of these passes were made out "to Austria".

7. Whilst it is appreciated that an unscrupulous person could take advantage of this loose way of making out the passes, I feel it only fair to say that the Italian Authorities are not completely to blame, and it can be

578

Declassified E.O. 12356 Section 3.3/NND No. 785016

quite safely said that a person found outside the French Military Government zone using one of these passes as an authority to travel anywhere else in Austria is doing so well knowing that the pass was not issued for that purpose.

8. I have interviewed the Questore who has promised in future to write the actual destination of the person on the permit.

Dear Miss Nelli-

I was happy to receive your letter from Inchia yesterday.

Unfortunately both your travel to Germany and Austria have been refused by the Allied Military Authorities in those countries; I am enclosing copies of the two letters I sent you at your home address giving you this bad news.

Trusting that this information will not spoilt an otherwise pleasant holiday,

Yours sincerely

To Captain Rauzi, Allied Commission, Via Vittorio Veneto, Rome

Dear Sir,

The undersigned Directress General of the Sodality of St. Peter Claver, having received from the archepiscopal Curacy of Salzburg the advice to send there a Sister of the Sodality with the necessary authorizations, in order to take back the houses of the same Sodality in Salzburg and Maria Sorg, which had been sequestered by the Nazi Regime, presents the request for a permit of entrance and sojourn in Austria for the 2 Sisters Maria Hermann and Rosa König (because our Sisters always have to travel in two). They will be lodged and maintained by the property of the Sodality.

In the hope of a favorable reply I remain

Yours truly

Rector of the Seminary of Salzburg.

Salzburg, 24.VIII.1945.

Reverend Directress General,

As an old friend of the Sodality of St.Peter Claver and in veneration of your late holy Foundress I feel myself urged to advise you most instantly to send as soon as possible an authorized deputy to Salzburg, or else, I am afraid, important opportunities would be missed. The Claverianum has suffered damages by the bombs, which, however, are nowise irreparable.

With many greetings from the Austrian home and best wishes for the whole Sodality

Yours truly
