The Allied Commission for Austria replied that the case raised by your office involved matters of policy, which could not even be tackled, until the Italian Government has recognised the Austrian Republic, since it would hardly be reasonable for them unilaterally to authorise the residence of Italians on Austrian soil.

3. They went on to say that once political representatives have been exchanged, (this has now taken place with effect 1 June 1946), between these two countries, the treatment of the subjects raised by implication in your letter can be studied.

Io sottoscritta Marietta Hammerstein in Cinti, prego di volermi accordare un visto di ingresso in Germania valido per le provincie di Hannover, Renania e Baviera dove ho urgente bisogno di recarmi per la sistemazione dei miei interessi.-

A tale scopo faccio presente quanto segue:

All'atto della morte di mio padre, Barone Adolf Hammerstein avvenuta nel 1938, mi sono trovata nella impossibilità di provvedere alla esecuzione del testamento in mio favore essendo quest'ultimo redatto in termini contrastanti con le leggi naziste allora in vigore. Da allora abbandonai la Germania e mi trasferii in Italia assumendo la cittadinanza italiana in seguito al matrimonio con il signor Omar Cinti.-

In tutti questi anni sono rimasta tagliata fuori dalla Germania e sono stata costretta a vivere consumando le poche scorte di denaro che avevo portato con me. Ora sono rimasta del tutto sprovvista di mezzi si chè la mia presenza in Germania ha assunto un carattere di estrema urgenza.-

La località dove dovrei recarmi per la mia eredità è Loxten in provincia di Hannover.-

Con l'occasione faccio altresì presente che altri interessi da sistemare, si trovano a Monaco di Baviera presso la Dresdner Bank ed a Berlino presso la Konversionskasse.-

Aggiungo infine che da sette anni non vedo i miei famigliari che desidererei ardentemente poter rivedere; essi sono: - mia madre, baronessa Carola Hammerstein e mio fratello Hans Gundolf Hammerstein residenti a Loxten, nonchè mia sorella baronessa Erika Rechenberg in Braunenburg residente in Baviera.-

REDENTORISTI
SANT' ALFONSO VIA MERULANA 31
ROMA (3/35)

CURIA GENERALIZIA

May 18, 1946.

To the Allied High Commission:

The undersigned Superior General of the Redemptorist Order, Patrick Murray, testifies that the Reverend Father Alois Schwarz, born June 25, 1879 in Marlengo-Marling, pronounced his vows as a member of the Redemptorist Order in our Austrian Province on Sept. 2, 1900, and from the date of his ordination to the Priesthood, July 31, 1907, labored continuously in the ministry in Austria.

However, in 1938, when our convent in Innsbruck was occupied under the Nazi regime, Father Schwarz fled to his home region, that part of the Tyrol which had been annexed to Italy, in order to be able to carry on his priestly work unhindered.

But since, in Austria, the situation as regards religion has undergone a radical change for the better, I have already some time ago given orders to Father Schwarz, in accordance with Church law and the Rules of our Order, to return to his former convent in Innsbruck. This move is the more urgent because, on the one hand, the faith and morality of the people are menaced as a result of the war and the privations following the war, and on the other hand, there is a serious dearth of priests because for many years there have been no new recruits.

Therefore I respectfully request that Father Schwarz be granted a passport together with permission to pass from the Italian Tyrol into Innsbruck in order to help his overburdened Confreres in their religious work.

Sincerely yours,

Patrick Murray C.SS.R.

The undersigned Prince Bishop of Bressanone-Brixen testifies that the Rev. Father Alois SCHWARZ, born on 25 June 1879 at Marlengo-Marling, is member of the Austrian Province of the Redemptorist Order. According to the Canon Law F.SCHWARZ has now to return to his Province which he left after the confiscation of the house of his Order at Innsbruck, ordered by the Nazi-Government in the year 1938.

Therefore he requests a passport enabling him to go to Innsbruck and the undersigned begs to recommend earnestly the demand of F. SCHWARZ.

No.130944/SA

Dear Lieutenant Baker:

The Secretariat of State of His Holiness takes the liberty to recommend to your kind attention and consideration the request of the Reverend Father Grove H. Johnson for the authorization required for himself and two assistants to travel from Rome to Klagenfurt, Austria and return.

Father Johnson is a British subject and carries the Australian passport No. A.203424. He would be assisted by Mr. Gino Rocchetti, an Italian citizen bearing the Vatican Tessera No. 2664 and by Mr. Domenico Tem- Giulio ZAMPESCHINI, an Italian citizen bearing the Vatican Tessera No. 3089. They would travel by Vatican truck, license S.C.V. 284, motor number 00135, chassis number 00090.

Subject: Application for Permission to return to Austria.

I enclose the application of a certain Toson G. Giovanni Battista of Enemonzo for permission to return to Austria I consider it a very deserving case. There are some others like it , in particular the case of a boy born in Austria , who came to Italy on a visit in 1943 and has been unable to get back though he is a minor and his person and property are in ward to the court of Leoben. I feel that it is time that AC/ AMG took up strongly this type of case with the army. The number can not be great , the securty objections are nil and the British authorities in Austria give passes to Austrians to come to Italy, if on business, for I have seen one. The army, probably has no idea of the unnecessary hardship it is causing and also how it hinders the resumption of normal life in the 2 countries. Surely IO months after the end of this war, it is time to press for the concession of a limited number of permits for special cases.

La sottoscritta Ditta Paolo Morassutti con Sede Centrale in Padova e Filiali a Knittelfeld e a Köflach in Austria come risulta dall'unito certificato di questa Camera di Commercio, dichiara che il Sig. Toson G.Batta fu Antonio di Colle Emenanzo è da circa 40 anni alle sue dipendenze, nelle industrie e commercio legnami presso le Filiali di Knittelfeld e Köflach in Austria. Per tali mansioni di direttore il Toson risiede con la moglie e figlie a Knittelfeld, Löbnerstr. 3. Il Toson però il 17 Agosto 1944 munito di regolare passaporto e di documenti sanitari, che tuttora possiede, si trasferì in Italia per assoggettarsi ad una cura perchè affetto da grave forma di artrite deformante. Al momento della disfatta germanica 2 Maggio 1945, il Toson si trovava ancora in cura in Italia, e non gli è stato possibile ancora di ritornare in Austria per la mancanza del permesso delle Autorità Alleate.

La Ditta fa presente l'assoluta necessità che il Toson faccia ritorno al più presto in Austria per riprendere le sue mansioni direttive presso la sua Ditta, la quale sta riprendendo la sua attività, rivolta in questo momento specialmente a forniture alle Forze Alleate per lavori di ricostruzione.

La Ditta sottoscritta confida veramente che verrà concesso il richiesto passaporto al suo dipendente Toson GBatta, la cui presenza in Austria è per essa necessaria e insostituibile.-

arr. 28/6/46
16 Luglio 46

1. It has come to the notice of this office that the Ufficio Passaporti of the R. Questura di BOLZANO are issuing large numbers of Lasciapassare authorising entry into AUSTRIA.

2. These permits, it is believed, are valid for travel between BOLZANO and the French zone of AUSTRIA under a reciprocal extended Frontalier agreement.

3. As a number of travellers were attempting to cross into the British zone of AUSTRIA with these permits and since they were made out for "AUSTRIA" and not for any specific place in AUSTRIA, a representative of 62 FS Section visited 51 FS Section BOLZANO and Questura on 3 May 46, explained the situation and asked that the destination should be specified as a town or province instead of 'AUSTRIA'. This they agreed to do.

4. Further cases however have come to notice of permits issued since the agreement made on 3 May 46 still giving authority to travel to 'AUSTRIA'.

5. It is requested that you take this matter up with the authorities concerned with a view to preventing persons travelling under this extended local Frontalier agreement from entering the British zone of AUSTRIA.

6. A similar letter has been addressed to the British Liaison Officer at INNSBRUCK.

Colonel,

SUBJECT : SCHWANDTNER Anna Maria, daughter of late Ludwig, widow Heino, born at Vienna on the 7/6/1917, Austrian.

Attached herewith, for competent action, is a petition forwarded by the person in subject, in order to obtain her repatriation to Vienna together with her three children.

The above is presently living at S.Fili (Cosenza district) where she arrived on the 19/7/1945 together with a SERPE Sante, a former member of the Italian Army interned in Germany.

SCHWANDTNER stated that on May 1942, while she was residing in Vienna, she was compelled to leave the town and reach Gotha in order to work at a factory for electric sets. There she got acquainted with the above SERPE Sante son of late Eugenio, from S.Fili (Cosenza d.), who was also working in the same factory as a P.O.W.

On July 1944, as the Russians occupied GOTHA, all the Italians were gathered in the Eisreen screening-centre in order to be repatriated and SCHWANDTNER followed them, having stated that her late husband, engineer HEINO Edoardo Francesco Giovanni son of late Felice and late Stefania Anna, born at Vienna on 29/7/1907, had been granted the Italian citizenship during his stay in Italy from 1926 to 1936.

Consequently, SCHWANDTNER reached, together with her three children and SANTE SERPE S.Fili, where she lived up till now being supported by SERPE. But, as he be himself destitute of means, SCHWANDTNER has applied in order to be repatriated.

We beg to add that it was impossible to ascertain if the died husband of SCHWANDTNER might have actually been granted the Italian citizenship, as the investigations carried out by our Office did not confirm the fact of his residence in Italy as stated by his wife, and consequently SCHWANDTNER must be considered to be an Austrian subject.

As re 18/J/2

1. Reference your GBI.389-506/18-J-2 of 3rd June 1946.

2. To facilitate trade between INNSBRUCK and BOLZANO a meeting was held in my office on the 18th of Feb 46 to draw up local rules for crossing the frontier. Apart from representatives of the French Military Government in Austria the following were present:
The Prefect of Bolzano,
the Questore of Bolzano,
P.S.O's Liaison Group Bolzano
Representatives of the F.S.S. and
HQ 60 Sub-Area.

3. The Prefect presided at the meeting and I attach hereto a confirmation of the minutes of the meeting sent by the Directeur de la Sureté du Gouvernement Militaire Francais d'Autriche.

4. It was agreed that for trade purposes signature either of the Prefect, the Questore or the C.L.O. would be accepted for crossing the frontier to INNSBRUCK. Certain French officers were authorized to sign Laissez-Passer's for crossing the frontier from INNSBRUCK to BOLZANO.

5. No journey southwards of BOLZANO could be approved except by the Questore. No journey further than INNSBRUCK could be approved except by the French Military Government in INNSBRUCK.

6. It was also agreed that for journeys beyond INNSBRUCK or BOLZANO recommended by the issuer of the permit due consideration would be given a) by the French Military Government and
b) by the Questore of BOLZANO.

7. The above conditions were sent by the Prefect to ROME and have been approved by the Italian Government who were responsible for the Brenner control.

8. Permits are valid for only one month and as far as is known at this HQ, this facilitation of travel has in no way been abused.

9. The copy of the Laissez-Passer forwarded with your letter is perfectly in order and the fact that the bearer obtained permission from the French Military Government to cover the whole of Austria, is a matter to take up with the French Military Government and not with me, please.

INNSBRUCK, 19-2-46

From : Chef du Gouvernement Militaire Francais en Autriche (Direction de la Sureté)

TO : Col. S. W. MILLER, C.L.O., Allied Commission, BOLZANO.

I have the honour to confirm the results of the meeting held by you and my representatives on Monday, Feb. 18th, 1946 regarding permits to pass the frontier between the Province of Bolzano and the French Occupation Zone in Austria.

It was done to try and facilitate as much as possible the economic relations between these two provinces in consideration of their particular situation.

The question was to change the Allied Agreement of 14th July, 1945 in order to make it easier to pass the border in special cases.

To this end you and my representatives have decided the following:-

1. Austrians resident in Tyrol and Voralberg can now go to South Tyrol (Province of Bolzano) with a permit (see attached specimen) signed by my delegate Col. Andrieu, Director Public Safety, or, in case of his absence, by his adjutant Commandant Aubert, without your previous approval.

In the same way Italians resident in Bolzano Province must have, to go to Austria, a permit signed either by you, or by the Prefect of Bolzano, or by the Questore of Bolzano.

2. These permits cannot be issued unless for economic reasons, except exceptional cases, and will be valid only for a month.

3. When over the border, people concerned must have their permits countersigned, if Italians by Col. Andrieu (Innsbrudk, Landhaus Bureau 7587) if Austrians by the Questore of Bolzano.

4. British and Italian authorities on one side and French authorities on the other will have the right to refuse the permit to enter to anybody they deem undesirable. In this case they will notify the other side.

5. Of course all people not resident in Tyrol and Voralberg or in Bolzano who want to cross the border must have regular permits in accordance with the agreement of 14th July, 1945.

I shall be very grateful if you will confirm in writing your approval to this arrangement.

I attach to this letter specimens of the signature of the authorities who can give permits from Austria to Italy.

SUBJECT : Travel to Austria - Colonel SELAKOVIC Miodrag
Lt. JOVIC Jovan.

TO : Yugoslav Welfare Society
Corso Trieste 10/v
ROMA.

1. This office has been referred a copy of your note N. 438/B/46 dated 18 March 1946 which was given the above-named to facilitate ~~his~~ travel to Austria.

2. The only authorisation for a person to enter Austria is an Allied Force permit which can only be obtained from this office or our office at AFHQ in Caserta.

3. Colonel SELAKOVIC already made application to this office for this permit and this was refused as travel to Austria is not allowed for private reasons at the present time. Furthermore this office cabled the Allied Authorities in Austria for information about the Colonel's two sons and we were informed that they were being held for trial for engaging in black market activities and other crimes.

4. You are therefore requested not to issue notes begging authorisation and all facilities of this kind to people desiring to go to Austria, unless they have the necessary permission; these notes are apt to cause the bearers considerable hardship, for on managing to get to the Italo-Austrian Frontier they will only be refused entry into Austria.

MEMORANDUM FOR THE OFFICER IN CHARGE:

SUBJECT: SELAKOVICH Cvetko and Ivan
Royalist Yugoslavs

RE : Investigation of circumstances of arrest of Subject.

Pursuant to instructions of the Special Agent in charge, Salzburg Section, based upon request of the A. C. of S., G-2 AFHQ, dated 21 January 1946, through channels, this agent investigated the circumstances of arrest and conviction of Subjects by the Military Government Court in Salzburg.

Subjects were arrested on or about 19 October 1945 while entering Austria from Italy. Brought to Salzburg and interrogated by CIC Provost Marshal, USFA, Salzburg Section, they were found to be in possession of travel orders from the Yugoslav Royal Military Mission in Italy, dated 6 October 1945. Since this Mission was dissolved on 27 March 1945 by the Allied Commission for Italy, these travel orders were considered as illegal and Subjects were committed to the Police Prison in Salzburg pending trial by the Military Government Court. In January 1946 Subjects were tried by said court and were found guilty or charges of "having knowingly in their possession false documents of official concern to the Allied Forces" and illegal entry into Austria. Subjects received the following sentences: Cvetko SELAKOVICH 6 Months and Ivan SELAKOVICH 6 Months of imprisonment in Salzburg Jail, sentences being retroactive to the date of arrest.

At the date of the writing of this report it is revealed that Cvetko SELAKOVICH has already been released from prison, a part of his sentence having been remitted because of illness. The sentence of Ivan SELAKOVICH expires on 19 April 1946.

Germany.

I am commanded by His Majesty King Peter II of Yougoslavia to enquire into the case of two Yugoslav soldiers Cvetko and Ivan SELAKCOVICH, who were arrested in Salzburg by the American Military Police for illegally crossing the frontier from Italy to Austria without the necessary papers.

Their father Colonel Miodraj SELAKCOVICH, who lost his left arm fighting together with the Allies against the Germans near Padua, for which he has a recommendation from Field Marshall Sir Harold Alexander, is living alone in Rome and being an invalid badly needs their help.

His Majesty would much appreciate, if they have done nothing more than cross the frontier without papers, if they could be liberated and sent back to their father in Rome.

I would be grateful if you would let me know what the result of your enquiries are.

This is to put on record that Dr. Silvio STOSSL, now resident at Via Marianna Dionigi 17/1, ROME, has rendered considerable assistance to the above-named Intelligence Section in supplying detailed information on parts of AUSTRIA, in the course of January, February and early March of this year.

Dr. STOSSL is an Austrian by birth, but is understood to have become a naturalised Czecho-Slovak citizen shortly before the war. Although I am unqualified to judge of his professional abilitation, my contact with him has given me the impression that he is quite a fit person to hold an appointment under the Allied Military, Allied Military Government or Austrian Commission Authorities.

SUBJECT: Col. SELAKOVIC Miodrag and Lt.JOVIC Jovan, (Royal Yugoslaves).

TO : HQ.AC, Rome (Attn.Public Safety. Security Division).

1. On Tuesday, 26 March 1946, subjects presented themselves at this Office and requested a permit to travel to Pongau, Austria.

2. They produced a movement order, copy attached, which is self-explanatory.

3. It is quite obvious that subjects could not be allowed to proceed to Austria for the reasons they stated, but in view of the fact that they had travelled all the way from Rome with very little money, Major Hare communicated with you by telephone, respecting the matter.

4. As far as can be ascertained, no suspicion is attached to the request and it would appear that subjects were misinformed by the person signing himself Mino Krek on the attached movement order.

5. This Office has treated this as a compassionate case, as subjects are practically penniless, and it has been arranged for them to travel back to Rome by military transport, at the same time instructing them to inform Dr. Mino Krek that there is no opportunity to cross the frontier of Italy on movement orders similar to the attached.

6. To save further embarrassment, it would be appreciated if the Yugoslaves in Rome, responsible for sending subjects to Bolzano, could be informed as contained herein.

I am Albanian student, whom since
a year ago has been studing "Technical

My intention is to go back to Orgosh to
finish my last year of study!
The reasons are as follows:
1° Time is my last year to take my degree.
2° In the Italian University there I can
study since 4 study ("Lettere and Filosofia")
3° Cannot come back to Albania because
over there are not Universities
4° I am 30 years old and I cannot
waste any more time!
I should get to Graz during April,
because during said month, I should
substitute my name in such University
for the "three months course", otherwise
I shall loose another year! — 935

Subject:
Travel from Italy to Austria.

Sirs,

I beg to acknowledge and thank you for your letter of March 11th and would like to say in regard to point 3 that I should not wish to have the possibility of returning from Carinthia (Austria) back to Italy, were it not that I fear that trouble might break out in Carinthia when the Yugoslav Government again put forward their claim for parts of this province.

But as you say that you could not grant me a Visa to return from Austria to Italy, I herewith beg to modify my request so that I do no longer apply for a journey to Austria and back, but for a one way journey only.

I should like to leave Italy for Austria (Carinthia) in the month of June next.

Yours faithfully,

E. Born

Allegato alla domanda viaggio per l'Austria

Con riferimento alla domanda presentata dal nostro direttore sig.Dino Dancevich in data odierna per un permesso di viaggio in Austria si dichiara che lo scopo dell'andata del sig.Dancevich in Austria è di trattare sul posto una compensazione di pesce conservato per un controvalore di circa 30 milioni di Lire, contro importazione di legname e carta.

L'Ufficio del Commercio Estero dell'Austria, Warenverkehrsbureau di Vienna, interpellato attraverso corrispondenti nostri, ha espresso la sua approvazione di massima,soggetta all'approvazione definitiva del Governo Militare Alleato di Vienna.

Non potendosi trattare l'affare su basi di compensazione monetaria bisogna trattarlo unicamente come scambio merci, cosa che per corrispondenza non è possibile. Necessita inoltre sottoporre i campioni, organizzare sul posto i trasporti e tutto ciò richiede la presenza di un incaricato della Ditta esportatrice.

Per questa ragione, dato anche il grande interesse che c'è in Austria

Enclosure to the request for a travelling permit to Austria.

With reference to the travelling permit to-day requested by our Gen.Man.Mr.Dino Dancevich for a bussiness trip to Austria we hereby have pleasure in stating that the purpose of the voyage is the transaction of a compensation bussiness amounting to some thirty million Lire in which our fishpreserves should be bartered against on a money settlement, but on a commodity-barter,could not be handled by correspondence.
Transportation problems will also have to be solved and samples submitted and a value assessed to the commodities object of the barter.
All this quires the personal presence of responsible managers.
The Warenverkehrsbureau of Vienna that is the official austrian Bureau of commerce, informed by our correspondents, has expressed his agreement on principle, subject to final approval by the Vienna A.M.G.
For the above reasons and as our produce is much sought after in Austria while not easily placeable

Dear Barney,

Here are the application forms by Baroness Karajan for return to Austria.

Wing Commander Slesser is going to Acabut (Karachi) today, via Delhi, apparently contacting Col Durand Hamblen with a view to expediting things at that end.

Can you POSSIBLY get permits ready for collection from your office by 6th Mar? (If so Gp Capt Pakenham can fly the good lady up to Vienna with him on 7th. - Yes for your information only!) - so you see the urgency.

Am sending this by hand to reach you with the greatest urgency.

To the Allied Commission
in Rome - 183.V

I, the undersigned, Domenico LEONETTI, of Domenico and Elisa Cimetta, born in S. Salvatore Fraginone (County of Rieti), have been war prisoner on Sept. 1943 in Yugoslavia (Austria). Set free by the Russian on April 1945, soon after got a job at the Canadian army, as Hotel porter, until April 1946. At each time came to Italy on leave, to visit my family. I left Vienna April the 19th 1946 via Tarvisio, but reaching the city of Udine I lost all my travelling papers which the American Consul gave to me!

Reaching Rome thereafter, I found my family in the worst peculiar situation on account of this event and my needs of help! = Up to now I could find not work no where and my only desire is to get back to Fraginone on the name-day which is still open for my self and wife!

This I beg you to grant me a pass for Austria and please let me know if I shall have a passport.

Yours:

Domenico Leonetti

Per tanto ora mi rivolgo a codesta On.le Commissione Alleata pregandola a nome della mia famiglia la quale versa le più critiche e pietose condizioni di salute, e finanziarie essendo essa composta dalla mia moglie, da tre teneri miei bambini, i quali sono nudi, scalzi e soffrono continuamente la fame, dalla mia madre vedova di circa 60 anni e malaticcia, e da mio nonno di 80 anni e inabile e senza beni di fortuna di volermi concedere un nuovo lasciapassare col quale possa raggiungere il mio posto di lavoro e poter quindi provvedere il vivere per i miei tre sofferenti e teneri bambini e i miei inabili familiari -
Prego altresì codesta On.le Commissione volermi informare quali documenti occorrono da parte mia per ottenere detto lasciapassare essendo io ancora in possesso dei tesserini rilasciatimi dal Comando Americano per il riconoscimento, e del foglio del buon servizio prestato fino alla data dell'aprile 1946 -
Faccio presente che fin dal mese di luglio 1945 ho preso residenza in Austria presso tutti gli Uffici e tutti i Comandi essendo anche in possesso delle relative Carte Annonarie, ed essendo gli Uffici Viennesi informati che io per 40 giorni altro i viaggi fino essendo da Vienna per recarmi in Italia -
Con la speranza che codesta On.le Commissione vorrà esaudire le mie preghiere e le lagrime dei miei tre teneri e quasi morenti bambini che giornalmente versano, prego Volermi rilasciare il detto lasciapassare e non farmi perdere il posto col quale posso vivere i miei bambini -

A Sua Eccellenza Il Generale

Io qui sottoscritto Domenico Leonetti fu Benedetto e di Cianetti Teresa da S.t Salvatore di Fiumignano provincia Rieti / reduce dalla prigionia mi rivolgo A. Sua Eccellenza per dirle quanto segue -
Prigioniero dai Tedeschi in Vienna Austria fin dal 8-9-1943 - e liberato dai Russi nell'occupazione di Vienna dall'aprile 1945.
Quanto in seguito giunta le truppe Inglesi, e Americane, fui preso da quest'ultimi e cioè dagli Americani e messo in servizio come Portiere in un Albergo ove vi erano Ufficiali Americani -
Trascorso circa un'anno di servizio sempre nello stesso posto e essendo privo di notizie dei miei familiari fin dall'agosto 1943 - pregai a titolo di elemosina il Comando Americano volermi concedere un lascia passare onde potermi recare in Italia per visitare i miei, non sapendo la sua sorte toccatagli durante l'occupazione Tedesca -
Il bravo Comando esaudì le mie preghiere ed in data 18 aprile 1946 - mi concesse un lascia passare per tornare in Italia e ritornare in Vienna (Austria) per la durata di giorni 40 - 882
Partito da Vienna il 19 stesso mese 1946 e giunto Italia lo stesso giorno alle ore 8 di sera linea Tarvisio, e precisamente a Udine ove vi è un Centro Alloggio, restandone per circa quattro giorni ove mostrai i documenti di Viaggio rilasciatimi dal Comando Americano. Giunto nella mia famiglia, e riabbracciati i miei cari, laceri rifiniti, nudi, scalzi, e visto che il mio lungo soggiorno in Italia

liberato dai Russi nell'occupazione di Vienna dall'aprile 1945. Quando in seguito giunte le truppe Inglesi, e Americane, fui preso da quest'ultimi e cioè dagli Americani e messo in servizio come Portiere in un Albergo ove vi erano Ufficiali Americani –

Giunto nella mia famiglia, e riabbracciati i miei cari, lacerî stinti, nudi, scalzi, e visto che il mio lungo soggiorno in Italia avrebbe aggravato la situazione dei miei cari di recare un profitto quotidiano e la fame ogni giorno aumentava, mi presentai agli Uffici competenti per ottenere un nuovo lascia passare onde poter raggiungere Vienna e riprendere prima del tempo fissato il mio posto di lavoro per sollevare dalla miseria i miei e non farli morire dalla fame, essendomi sufficiente il mio guadagno per il suo vivere. Dai quali Uffici mi furono date risposte non favorevoli e cioè

Declassified E.O. 12356 Section 3.3/NND No. 785046

che senza un giustificato motivo non era possibile rilasciarmi detto documento -

Eccellenza lascio Lei considerare il giustificato motivo: più grave del presente e cioè: il pietoso stato della mia famiglia essendo essa composta dalla mia moglie, da tre teneri miei bambini i quali oltre ad essere piccoli e nudi soffrono la fame, dalla mia madre vedova e circa 60 anni e sempre malaticcia, e dal mio Nonno di 80 anni e inabile, senza beni di fortuna tanto più che ogni giorno aumenta il bisogno vivendo avvolti in un mondo di miseria e di fame—

Per tanto mi rivolgo A. Sua Eccellenza a ciò voglia tener presente del pietoso stato che versa la mia povera famiglia, oltre che a salvare i miei tre teneri e cari bambini dalla fame, e dalla morte Volendomi concedere o farmi rilasciare dagli Uffici competenti un nuovo lascia passare in sostituzione della smarritomi e poter raggiungere al più presto il mio posto di lavoro in Vienna ove io già dall'aprile 1945 ho presa effettiva residenza presso tutti gli uffici competenti ed essendo in possesso delle relative carte Annonarie -

Fo presente che il mio guadambio in Vienna è sufficiente per il vivere dei miei tutti; essendo ora in questo breve periodo di così chiamata libertà senza lavoro e disoccupato -

Prego Sua Eccellenza tener conto della smarrimento dei miei documenti di viaggio, essendomi invece restato solo il foglio del buon servizio che presto con gli Americani e due tesserini di riconoscimento rilasciatimi dal Comando Alleato di Vienna, essendo invece smarriti i due fogli di viaggio per venuta in Italia e ritorno in Austria scritti in tre lingue -

Giuro che Sua Eccellenza non vorrà punirmi, e vorrà esaudire le mie preghiere e le lagrime dei miei tre teneri bambini essendovene certo il buon Dio per tale gesta salvando una famiglia dalla

malattia, e dal mio Nonno di 80 anni e inabile, senza beni di fortuna tanto più che ogni giorno aumenta il bisogno vivendo avvolti in un mondo di miseria e di fame—

Per tanto mi rivolgo A. Sua Eccellenza a ciò voglia tener presente dell'pietoso stato che versa la mia povera famiglia, atta che a salvare i miei tre teneri e sacri bambini, dalla fame, e dalla morte Volendomi concedere o fornirmi rilas-ciare dagli Uffici competenti un nuovo lascia passare in sostituzione dell'altro smarritomeni e poter raggiungere al più presto il mio posto di lavoro in Vienna— ove io già dall'aprile 1945 ho presa effettiva residenza— presso tutti gli uffici competenti ed esente in possesso delle relative carte Annonarie—

Le fo presente che il mio guadambio in Vienna e sufficiente per il vivere dei miei tutti; essendo ora in questo breve periodo di così chiamata licenza senza lavoro e disoccupato—

Prego Sua Eccellenza tener conto dello smarrimento dei miei documenti di viaggio, essendomi invece restato solo il foglio del buon servizio che presta con gli Americani e due tesserini di riconoscimento rilasciatimi dal Comando Alleato di Vienna, avendo invece smarrito i due fogli di viaggio per venuta in Italia e ritorno in Austria scritti in tre lingue—

Sicuro che Sua Eccellenza non vorrà punirmi, e vorrà esaudire le mie preghiere e le lagrime dei miei tre teneri bambini rendendomene grado il buon Dio per tale gesta salvando una famiglia dalla fame e dal bisogno così concedendomi un nuovo lascia passare—

1. Reference your GBI.389-506/18-J-2 of 6 March 46.

2. The case raised by PPSO UDINE Province involved matters of policy, which could not even be tackled, until the Italian Government had recognised the Austrian Republic, since it would hardly be reasonable for us unilaterally to authorise the residence of Italians on Austrian soil.

3. Once Political representatives have been exchanged between these two countries in the near future, the treatment of the subjects raised by implication in your letter can be studied.

ALLIED COMMISSION FOR AUSTRIA
(British Element)

Labour Division
C.M.F.

To: The Chief Commissioner,
Headquarters,
Allied Commission Italy,
A.P.O. 394.

Subject: Proposal for Recruitment of Italian Workers for Austria.

1. There is a general shortage of building trade labour in Austria and this shortage is particularly acute in Karnten and Steiermark (British Zone).

2. Before the war there was a seasonal migration of labour between Northern Italy and Western Austria, especially of building trade workers, brick makers and land workers. The Austrian authorities are anxious to re-open this movement and 50 brick makers and 400 bricklayers are required for Karnten and 350 of the latter for Steiermark. It is stated that the brick makers could be recruited from Udine and the bricklayers from other towns in Northern Italy. Transport, therefore, could be arranged without very much difficulty. The Building Employers Section of the Chambers of Commerce concerned is willing to accept responsibility for housing and feeding the workers and to guarantee continued and regular employment up to next Autumn. Consultation has already taken place with the Trade Unions concerned who are agreeable to the importation of labour from Italy and, in fact, propose to send a representative with the President of the Provincial Labour Office to interview and engage workers on behalf of employers in both Steiermark and Karnten. The rates of pay and other conditions will be those applicable to Austrian civilians engaged on the same class of work.

3. Steps are being taken to overcome the difficulty regarding the remittance of money from Italian workers to their dependents in Italy but it is suggested that for the present recruitment should be limited to single men without domestic responsibility in Italy. Reciprocal arrangements with regard to Social Insurance and Accident Compensation are being worked out on the same lines as those in operation before the war.

4. The arrangements on this side are under the aegis of M.G. and the interests of the Italian workers will be kept under close review.

5. The President of the Landesarbeitsamt, Kaernten, has authority to act for both provinces in matters relating to the recruitment of this labour.

6. We should be glad if you would acquaint the Italian Government with the proposal to recruit this labour from Northern Italy, where we understand there is an unemployment problem, and confirm that there are no objections and, in order that the season may be as long as possible, we should be glad if an early decision could be obtained.

The undersigned, Anna Maria Kolarz Vitiello, living at Torre del Greco, corso Vitt. Emanuele 9, states the following:

She owns a building at Linz a/D, Upper Austria, Landstrasse 25; such building is managed by Rudols Jedlitshka who lives at Linz, Landstraase 48.

Also during the war and whenever possible he made remittances for the neat amounts of rents cashed, but now, owing to lack of communication, nothing is heard any more of him or the property.

The undersigned has received indirect confirmation that the property is in good order, but could never get any direct answer to her letters.

As things cannot be left like that, she would personally go to Linz and look after her own interests. That is why she asks to be permitted to make such a journey.

All the above can be proved by documents.

Subject : Application for Travel Authorization to AUSTRIA.

I desire to travel to Vienna, Austria and to return to Milan, Italy, and request that permission for this travel may be granted to me.

The motive for my request is that I desire to see again my 74 years old mother, and my sister, whom I have not seen for more than six years, and to settle matters of inheritance which are very important for me.

I support my request with the following arguments, which I beg to take in consideration :
In February 1940 I escaped from Austria for racial reasons and to join my husband who escaped several months before to Yugoslavia. From 1940 until 1941 we have been interned in Yugoslavia. When the Germans came there we escaped to Lubliana, from where we have been sent by the Italian Government in Italy and interned (1942-1943). On 3/XII/43 we escaped again from the Germans who wanted to send us to a concentration camp in Germany. After being hidden 8 months in the mountains we succeeded in crossing the war front (July 1944). Since that time both, my husband and myself, have been employed with Displ.Pers.& Rep.S.C.; at the present time my husband at HQ"NW"Group, and I at Refugee Camp II 77 as a storekeeper.
Of our family have remained living only my mother and my sister. My sister, who is a widow now, lost her only son several weeks ago, he has been killed by an military motor car.

My mother's name is : Josefine Furcht, my sister's name : Meta Christ; their both address is : Vienna, Austria, Huettelbergstrasse 61.

I herewith beg to submit to you my request to procure permission for my wife as well as for myself to go to VIENNA in order to try to settle my personal affairs there & to investigate if it will be possible for me to settle down there definitely, as it is my desire.

For justification of my request I enclose a STATEMENT of which you may see, that in consequence of the NAZI perquisitions praticallly I have lost everything I possessed in AUSTRIA & till now I have not had a penny from there on my claims. - On the other side the financial assistance by the UNRRA of 7100 Lire monthly, granted till now, was abolished last month.

I also must mention, that I have lost a brother & two sisters, who perished in the concentration camps of Theresienstadt & Auschwitz and I am obliged to make investigations of the inheritance in Vienna.

Trusting, that inview of the realy pressing circumstances you will kindly grant my request, sending me the formulas to be filled in, believe me

Informazioni circa l'organizzazione di aiuto
del Card.Primate Mindszenty.

Sua Em.il Card.Primate di Ungheria Giuseppe Mindszenty durante la sua dimora a Roma ha approfittato dell'occasione per richiamare l'attenzione della S.Sede e dei membri esteri del S.Collegio sulla situazione disastrosa alimentare dell'Ungheria sotto l'occupazione russa.

Il Santo Padre con la sua nota paterna sollecitudine e munificenza,ha offerto in dono 12 tonnellate di viveri,medicine e vestiti agli ungheresi bisognosi.

Per poter trasportare questo dono del Santo Padre in Ungheria S.E.il Card.Mindszenty ha comprato un autocarro con rimorchio targati:Roma 89952 e Roma 2528 e ha affidato la pratica di trasporto all'Azione Cattolica Ungherese di Roma,presieduta dal P.Giorgio Mészáros O.F.M.cappellano ungherese e assistente per i profughi ungh.

THE ALLIED CONTROL Dio

SIECI, 14th of April 1946

At the COMMAND of the ALLIED COMMISSION

ROME.

Born in Vienna in 1904 by Austrian parents, I became Italian citizen marrying in 1936 the Italian Ingeneer Gino MESCHI.

Only now (during to the war) I came to know that already three years ago my mother and my grandmother died. The last one declared me to the heir-general, as I was informed by the Notarien from Vienna.

The last will of my mother has been already opened in the office of a Vienna Notarien - so that my presence in Vienna is absolutly necessary - as within a certain time which mustn't been neglected, the hereditament has to be exepted, otherwise it could be lost.

All the property of these two Ladies has been given to different dispachers, and I was told that these things are in danger to become less every day, if one is not able to take care of them at least now as the war is over.

Beyond this there are some banc-depots for which I have to inquire too - and of course it will be necessary to sign by myselve at the liftings.

I am afraid , and I have reason to believe, that the more I will leave everything without any controlthe less I will find of it, and it is of highest importance for me to saves what can be saved !

I have therefore to go with urgence in my nativ town to carry through all these affairs without loosing no more time, which would bring great damage to me.

Considering the urgency of my interests the foreign Ministry in Rome has already accorded me the pass for going to Austria.

But as I want to have now trouble by no way, and to be in perfect order at every control which I may have, travelling, and crossing the border - I ask politely this Commission to confer me as quick as possible the permission of going to Vienna, and to be if possible allowed, to travell with a Military-train if necessary where doesn't yet exist an ordinary civilian traffic. Or to give me a PASS to take a W.D.car which is on his way there, and so could take me too, as from Florence I could have easily the opportunity to find one.

In case that this Command consider it necessary to see me personally I should come to Rome.

I implore this Commission to consider the importance which I really have to ask this favour, excusing me that I have to disturb privatly.

MINUTES OF MEETING ON RELAXATION OF TRAFFIC CONTROL
HELD IN ACTING CHIEF COMMISSIONER'S OFFICE
12 FEBRUARY, 1946.

Chairman: Brigadier M. S. LUSH, CB, CBE, MC.
(Acting Chief Commissioner).

Present:

Mr. R. Wesley Jones,	U.S. Embassy.
Mr. H. Schneider,	U.S. Embassy.
Mr. A. Malcolm,	British Embassy.
Mr. P. Benton,	British Embassy.
Mr. J. Lee,	British Embassy.

Col. E. J. Bye,	Public Safety S/C, AC.
Lt.Col. C.F.Fothergill,	Displaced Persons S/C, AC.
Lt.Col. J. E. Young,	AFHQ.
Major T. Simmonds,	AFHQ.
Major G. Hartman,	Displaced Persons S/C, AC.

1. The meeting was opened with a general discussion on the various aspects of travel control exercised by AFHQ and AC, and it was agreed that, due to rapidly diminishing personnel, resources, and the fact that the security interest had declined to a very great extent, the transfer of full responsibility to the Italian Authorities was desirable.

2. It was decided that military security requirements would be satisfied if particulars of persons authorised to enter the country by the Italian Government were supplied to AFHQ for a check against records held.

3. It was also pointed out that the right to reimpose military control of movement by the exercise of a power of refusal or over iding approval should be retained if military necessity required it.

4. Agreement was reached on the method of transferring the various phases of travel control from Allied military channels, as follows:-

a) From countries in which the Italian Government has representation.

Approval was given to the action taken to empower the Italian Authorities to grant or refuse visas without reference to Allied Military Authorities. Particulars of visas would, however, be submitted to AC for transmission to AFHQ for check against records. In the event of undesirable elements being found, appropriate action would be requested of the Italian Authorities.

b) Travel from countries without Foreign Office representation.

It was agreed that action proposed in refusing to act further in the issue of permits on behalf of the Italian Government was desirable

Present : Mr. R. Wesley Jones, U.S. Embassy.
Mr. H. Schneider, U.S. Embassy.
Mr. A. Malcolm, British Embassy.
Mr. P. Benton, British Embassy.
Mr. J. Lee, British Embassy.
Col. C. R. Tuff, AFHQ.
Col. E. J. Rye, Public Safety S/C, AC.
Lt.Col. C.F.Fothergill, Displaced Persons S/C, AC.
Lt.Col. J. E. Young, AFHQ.
Major T. Simmonds, AFHQ.
Major G. Hartman, Displaced Persons S/C, AC.

1. The meeting was opened with a general discussion on the various aspects of travel control exercised by AFHQ and AC, and it was agreed that, due to rapidly diminishing personnel, resources, and the fact that the security interest had declined to a very great extent, the transfer of full responsibility to the Italian Authorities was desirable.

2. It was decided that military security requirements would be satisfied if particulars of persons authorised to enter the country by the Italian Government were supplied to AFHQ for a check against records held.

3. It was also pointed out that the right to reimpose military control of movement by the exercise of a power of refusal or overriding approval should be retained if military necessity required it.

4. Agreement was reached on the method of transferring the various phases of travel control from Allied military channels, as follows:-

a) From countries in which the Italian Government has representation.

Approval was given to the action taken to empower the Italian Authorities to grant or refuse visas without reference to Allied Military Authorities. Particulars of visas would, however, be submitted to AC for transmission to AFHQ for check against records. In the event of undesirable elements being found, appropriate action would be requested of the Italian Authorities.

b) Travel from countries without Foreign Office representation.

It was agreed that action proposed in refusing to act further in the issue of permits on behalf of the Italian Government was desirable. On receipt of Foreign Office and State Department approval of this project, a letter informing the Italian Government that the Allied Force Permit system was to be abolished would be despatched by AC. A draft for this letter would be prepared in advance, and circulated for concurrence. Other action proposed in AC Memorandum of 9 February 1946 para 1 (b) was also approved.

c) VENEZIA GIULIA Traffic Control.

It was agreed that the present procedure would be modified, that AFHQ and AC control would cease and that XIII Corps should operate the system on the following lines:
Questure to receive applications and request permits direct from XIII Corps.
Italian Liaison Officer to be appointed to UDINE to handle applications for entry into ITALY proper.

It was suggested that if the Italian Government had the power they would refuse entry to this part of ITALY for political and economic reasons and this would probably mean the installation of a large Yugoslav Transit Camp at UDINE.

It was decided that as UDINE Province was in AMG Territory the right to move individuals or groups between VENEZIA GIULIA and UDINE would have to be reserved.

It was emphasized that the VENEZIA GIULIA movement control problem could be helped most by ensuring that the control of the Western boundary was efficient.

The Italian Government could be asked to give a weekly or monthly report on the number of persons coming across the border individually or as displaced persons.

d) Travel between ITALY, AUSTRIA and GERMANY.

A further modification of proposals to control this travel was agreed. Procedure now proposed would be for Italian Liaison Officers in AUSTRIA to be appointed to approve entry into ITALY on behalf of the Italian Government and to act as channel for the transmission to the Allied permit agencies in AUSTRIA of applications to enter their territory. It was pointed out that the "right of scrutiny" in all these cases should be retained.

5. The question of exit from the country was also discussed and the contingent that war criminals would be able to leave without passing through Allied controls. It was pointed out that AFHQ had already withdrawn all exit permit machinery and that only visas and passports were now necessary.

It was decided that this control was primarily the responsibility of the Italian Government and they should be pressed to institute a stronger measure of control.

6. The problem of Italian policing of ports, coasts and waters was also ventilated with particular reference to the ADRIATIC and it was concluded that lack of adequate shipping and personnel was the crucial point rather than difficulties about the right to patrol these waters.

It was emphasized that the Italian Government would have to be pressed to bring their control machinery to a reasonable degree of efficiency

It was emphasized that the Italian Government would have to be pressed to bring their control machinery to a reasonable degree of efficiency owing to the impending reduction of our own security forces to a very low level. Arrangements would have to be made to ensure that particulars of all illegal entrants reached G-2 Section, AFHQ.

7. The question of the Italian request to be authorized to reimpose their deportation laws was also covered and it was stated that the AFHQ ruling that political refugees could not be repatriated against their will rendered this concession difficult except in the case of certain very limited categories.

It was felt, however, that if was very necessary to take steps to enable the Italian Authorities to take the preliminary steps towards this

end and it was recommended that they should be encouraged to institute various preliminary police methods of documentation so that they would be in a position to submit requests to AC for the disposal of undesirable elements classified into different groups.

A draft letter on this subject would be composed by AC for concurrence by interested members of this meeting.

8. It was also stated that this question of displaced persons was a major problem which was in need of urgent solution. It was decided to embody the whole problem in a memorandum which could eventually be submitted to UNO, particularly as after a short time no military rations would be available for feeding such people in ITALY and it was patently unfair to saddle the Italian Government with such a responsibility.

9. Finally the subject of the continued entrance into ITALY of bodies of displaced persons was covered.

It was pointed out that, in principle, the only displaced persons who should be allowed to enter the country were (a) bonafide Italian nationals and (b) other nationalities in transit, provided they had been accepted for movement both in ITALY and in the country to which they were proceeding.

It would be essential for UNRRA to carry out proper identification and documentation of all displaced persons entering the country and provide them with nominal rolls and visaed D.P. cards on the lines of the system operated by Displaced Persons Sub-Commission, AC.

The Italian Government could be informed of this so that they could discuss it with UNRRA.

10. CONCLUSION.

It was decided that letters setting out the points raised at this meeting would be despatched from AC after approval had been obtained from the Embassies in ROME and from AFHQ.
