Travel Control Division,
Public Safety Sub-Commission,
Allied Commission.

Sirs:

The Embassy has been advised that General Wilczorkiewilcz, his wife and two children who are presently in Bern, Switzerland, desire to enter Italy. General Wilczorkiewilcz is without money and cannot continue to live in Switzerland; at the same time friends in Italy have offered him and his family a home and hospitality. It is understood that the Italian Minister at Bern has requested by telegram to Rome permission to grant him a visa. He promises, if admitted to Italy, to refrain faithfully from engaging in any political activity.

During the war, General Wilczorkiewilcz rendered inestimable service to the Allies.

In the aforementioned circumstances and since he cannot for obvious reasons return to Poland, it would be greatly appreciated if the Travel Control Division were to support the visa application of General Wilczorkiewilcz and family to the end that the appropriate Italian authorities in Rome authorize the Italian minister in Bern to grant them permission to enter Italy.

Very truly yours,

Byron B. Snyder

SUBJECT : Immigration in Italy of Polish subjects from Germany.

In relation to a/m. letter, this Ministry must point out that the presence in Italy of a great number of foregners, who are actually surcharging the present abnormal situation, makes it untimely the influx of similar elements.

For such consideration besides the case that in the near future it seems probable the demobilization of the Polish expeditionary forces, this Ministry does not retain possible to grant the authorization for immigration to the wives of officers belonging to the a/m forces.

OGGETTO Ingresso in Italia dalla Germania di suddite polacche.-

In relazione alla nota suindicata, questo Ministero non può non far presente come la presenza in Italia di un numero rilevantissimo di stranieri, i quali aggravano la nostra situazione in tutti i campi, renda inopportuno l'affluire di altri elementi.

Per tale considerazione, oltrechè per la circostanza che sembra prossima la smobilitazione del Corpo di spedizione polacco, non si ritiene di concedere l'autorizzazione all'ingresso in Italia alle mogli di ufficiali del Corpo stesso di cui alla nota suindicata.

n. 85/346/D

SUBJECT: MACHINERY TAKEN BY THE GERMANS FROM OUR ROVERETO PLANT.

In order to identify the machinery looted by the Germans in 1944 from our Rovereto plant, it is necessary for us to send a technician - Mr. Egidio Gavazzi, a member of our staff - in Germany and Austria.

Dr. Gavazzi intends to visit the following places, which are reported as probable location of the stolen machinery:

Dornbirn, Feldkirch, Innsbruck, München.

Passports for Mr. Gavazzi and for his driver, Carlo Rapelli, who accompanies Him, have already been issued by the Italian Authorities in Milan.

The Italian Government (Ministry of Industry & Commerce, and Ministry of Foreign Affairs), to whom we have made application, are supporting our request and are getting directly in touch with Control Commission Council (Restitution & Deliveries Section).

We therefore ask you to give your kind attention to this matter which closely interests the Italian Industry, and to support our request in order to obtain authority, through the proper channels, for Mr. Gavazzi and his driver Carlo Rapelli to effect their journey as soon as possible.

1. Your good offices are requested in tracing the a/n from the information afforded in the attached statement by a Dutch national.

I N F O R M A T I O N S

PROF. LUIGI COSATTINI, dispersed Italian national.

First hand informations from a repatriated Dutch national (Dr. Tonny J. M. F. de Rijk, Hertog Reinoud singel 117, Venlo, Holland) authorize a presumption that Prof. Luigi Cosattini, previously an interned of Aschersleben concentration camp, may now be alive and in good health in central Germany, in the area under Soviet occupation.

Prof. LUIGI COSATTINI, son of Dr. Giovanni Cosattini, aged 33, a resident of Udine, Italy, tall, fair, wearing glasses, was deported to Germany in 1944 for political reasons. He was interned at ASCHERSLABEN, near Weimar, a concentration camp depending from the larger one of Buchenwald, his number being 44257. Up to April 11, 1945, Prof. Cosattini was in a good state of health and spirits. He held the office of supervisor in the camp and his leadership was unanimously approved by and extremely valuable to his fellow prisoners.

On April 12, 1945, consequently to the Allied advance, Aschersleben prisoners were made to leave on foot towards the East, in three columns. They went past COTHEN and then SOESIG (April 13, evening), 45 miles due East of Aschersleben. On April 14, Prof. Cosattini's party being separated from the other two, Allied advance followed at close range and the SS escort disbanded. After moving unescorted for some time, the party was put under German MP escort, which however soon after also disbanded. Prof. Cosattini then took control of the party (150 men and 500 women) and proceeded unescorted through BITTERFELD. Having received a new MP escort, party reached MÜHLBECK (April 15, evening). Prisoners refuse to walk further. German MPs, who were in full psychological breakdown, gave in. They ordered lorries for transport of prisoners to Torgau destruction camp, but could not secure any. Party enjoyed quiet rest at MÜHLBECK for several days (April 16 - April 20), with warm assistance from village people. On April 18 lorry arrived for transport to Torgau. Great resistance from prisoners. Driver shows solidarity with prisoners, drives one load of women to Torgau and comes back with them to starting point. Prof. Cosattini personally supervises sejour at Mühlbeck, which is spent in good conditions of lodging and food.

On April 21, 1945, party is made to leave on foot. Prof. Cosattini succeeds in hiding with small group and is left behind. Later in the day he is recaptured and made to rejoin the party by car, under escort of MP patrol. Party reaches SCHKEUDAL on April 21, at night, and takes lodging in a "I.G. Farbenindustrie" plant. Prof. Cosattini makes quick plans of escape, which he relates to his friend and fellow prisoner who is the author of this report. He leaves the plant to inspect the surroundings and nothing further is known of him after this moment. Circumstances at that moment were as follows: Prof. Cosattini was in perfect conditions of health and spirits; the small MP guard was psychologically broken down and exercised little control or vigilance over prisoners' party; Prof. Cosattini, according to previous agreements, was in the best

After moving unescorted for some time, the party was put under German MP escort, which however soon after also disbanded. Prof. Cosattini speaks German fluently and Russian quite correctly. He is a man of talent and initiative.

Considering present conditions of Germany, one can assume that: a) chances he may have gotten killed are no greater than in ordinary life, b) he was alive and well as late as April 21, 1945, c) there were no extensive military operations in that area, d) he may be settled in Soviet occupied area, unable to send news and to attempt a journey back.

NO reply has yet been received to our CCG/80022 of 211110Z January concerning clearance with Italian Government of proposed visit of Roman Catholic Bishops including Archbishop of PADERBORN Ad Limina visit and of Cardinals designate, FRUNOS VON FREISING, VON GALEN for consistory to travel to ROME in first week February.

All these prelates are entitled to Diplomatic privileges in journeying to the VATICAN CITY.

The visit of the Cardinals designate to the consistory has world wide significance and if arrangements, for which we are held responsible, break down, much harm will be done to British prestige.

FOR MILITARY ATTACHE

Your 74 of 3 January 1946.

1. Reference our 10633 dated 29 December 1945. One hundred and thirty NOT thirty Jugoslavs including 70 children were taken off Czech train ex PRAGUE at SEMMERING on 15 December 1945 as they had NO papers and NO indication as to ultimate destination. Steps were taken by British Military Authorities at SEMMERING to try and get party through to JUGOSLAVIA but Jugoslav Frontier Post would NOT accept party as NO information or instructions had been received form BELGRADE. As delay was thus inevitable party was taken to nearest Allied DP Camp at KAPFENBERG by British Authorities. This camp admittedly contains among others some hundreds of Yugoslav DPs of mixed political opinions as there is NO differentiation made. Party was well cared for during four day stay in camp and were despatched via ROSEBACH as soon as onward movement had been arranged by BTA and DP Section.

2. NO warning was given either to this HQ or to BTA of presence of these Yugoslavs on Czech train nor apparently had the Yugoslav Frontier Post been informed. In future it is requested that ample warning be given of transit of DPs through British Zone of AUSTRIA.

3. Concerning the 11 Yugoslavs who left KAPFENBERG Camp it is pointed out that it is NOT the policy to detain persons forcibly in DP Camps. If they wish to leave they can NOT be prevented nor can they be repatriated against their will.

5. It is hoped that this report contains all information you required.

1st Witness/

1404

1345

Declassified E.O. 12356 Section 3.3/NND No. 785016

1st Witness: Captain S.I. LOEB, 2 Polish Corps, attached to British Control, Polish Repatriation Camp, states (in English): I have been shown a chit signed by me. (Marked "A" and attached to proceedings).

" The chit was written by me and I gave it to 2/Lieut [redacted]. I went to see him on the evening before he left by train. He was anxious about conditions in POLAND and said that he would probably try to come back. I do not remember exactly whether he asked for the chit or whether I offered it to him.

By the wording of the chit I meant that 2/Lieut [redacted] was working in the camp as a Polish Wing Commander. By the words "British authorities in the Soviet Zone" I meant any British Liaison or officers in Soviet-occupied territories.

By referring to GHQ CMF (C in C)) I intended that anyone who questioned [redacted] could obtain more information about him by asking GHQ. I had no authority to quote GHQ on the chit.

The rubber stamp "British Control, Polish Repatriation Camp, S.I. LOEB, Capt" used on the chit, I obtained myself. I always use it on correspondence which I sign. I do not know whether the British Commandant of the camp is aware of the stamp.

When I sign my name over a rubber stamp which shows "British Control" I think that I, who sign my name am responsible. I know that my Polish name LOEB is also an English name. I did not ask any British officer in the camp whether I could issue the chit. Nobody knew about it except me and [redacted]."

(Signed) S.I. LOEB, Capt.

" This was the first chit I have issued. I have issued one more to Private [redacted] who went on the third or fourth train. I cannot remember whether he asked for it or not."

(Signed) S.I. LOEB, Capt.

" I wanted to help [redacted] because he had worked in the German Army for the Allies on intelligence duties and I knew him very well.

I told him that I had information about POLAND and in my opinion he would be running back soon. Major [redacted], the Polish Camp Commandant knew nothing of the passes. If he had known, [redacted] would have been arrested on arrival in POLAND."

(Signed) S.I. LOEB, Capt.

2nd Witness: 2/Lieutenant F. [redacted] states (in Polish):

" I was previously of 16 Brigade, 65 Battalion in 2 Polish Corps. I was the Polish officer in charge of the first train to Poland which left on 25 May 45.

I got the chit I have been shown from Captain LOEB on the morning of my departure.

I met Captain LOEB and our chaplain on the eve of my departure, and talked about my impending journey to POLAND, which was to be the first transport of Polish repatriates, and about local conditions in POLAND.

Since/

Declassified E.O. 12356 Section 3.3/NND No. 780016

Since I do not speak English I asked Captain LONG for some document which could be of assistance to me in case present conditions in POLAND should prove not to be what they were represented to me to be by broadcasts from POLAND and by official circles representing the Warsaw Government.

If conditions in POLAND were not what were represented, I was determined to leave POLAND for any place occupied by the British and for this purpose the document would prove useful.

On the journey to the frontier station KOSEL, I had conversation with the British O.C. Train whose name I do not remember and the correspondents of Reuters' Agency. These two gentlemen offered, on the way to KOSEL, to take me back in the same train in view of the conditions in Russian-occupied zones. I refused because I wanted to see my wife and child. I conversed with the British officer in German.

I refused the offer at that time because I wanted first to see how my family was faring and also because we had only seen conditions in the newly annexed border and there was a possibility that conditions further inside POLAND would be better. As soon as I realised that everything in POLAND was under Russian control and that I had no future in the Army or in civil life; furthermore since I had been on the so-called Volkslists 3, members of which were, contrary to promises, made previous to our departure from ITALY, treated as second-rate citizens, I decided not to stay.

I collected my family and went by train to KOSEL, where I got on one of the empty trains returning to ITALY. I tried to contact the British O.C. Train, but could not find him. I asked the British other ranks if I could board the train. They insisted on my seeing the O.C. Train, Lieutenant READ.

I showed the chit to Lieutenant READ and after a long period of pleading I was allowed to stay on the train with my family.

I intended to approach the British military authorities asking to be given any job in a British-occupied country. I hope that my past service on the side of the British will be taken into consideration.

(Signed) F. Furgol

3rd Witness: Lieutenant P.J.P. READ, R.A., states:

"I am on the staff of the British Control of the Polish Repatriation Camp.

I was O.C. 6th Train repatriating Poles which left the camp on 5th December, 1945.

On 12th December at KOSEL in POLAND, just before we started the return journey, I was confronted in my wagon by a Polish officer whom I recognised as 2/Lieutenant MIKEL. I knew him as the former Polish Commandant of No.8 Wing.

He presented me a chit which is now shown to me, signed by Captain LONG. Because the chit had reference to G-1(Br) (ES), I decided after some thought to honour it. Although it was not signed by an officer of G-1(Br) I thought perhaps FUREK had an official job which G-1(Br) knew about. I had seen Captain LONG's signature before and recognised it. I allowed FUREK, his wife and child, to travel on/

1402

1847

Declassified E.O. 12356 Section 3.3/NND No. 785016

on the train and reported the matter to Colonel CHAMBOCK on my return on 26 December.

I was dubious about allowing the wife and child on the train, but I understood from FERENZ that he was worried about what would happen to them if they were left in POLAND. We had conversed in a few words of German."

(Signed) P.J.P. READ, Lt. R.A.,

Having considered the evidence, the Court is of opinion that:

1. The rubber stamp used by Captain LONG on the chit had been covered in part to prevent the words "Polish Liaison Officer" or "Liaison Officer" being impressed on the chit. This is evident from the impression on the top left corner of the chit.

2. Captain LONG had no authority to issue any chit or pass. He hoped by covering up reference to "Polish Liaison Officer" and through his name being also an English name, to give authenticity to the chit. He issued it without the knowledge of the Polish Camp Commandant or his staff.

3. From the evidence and attitude of both Captain LONG and 2/Lieutenant FERENZ before the Court, the chits were not issued as part of a preconceived plan to get information about POLAND into ITALY, but were issued to individuals who were personal friends of Captain LONG and who in good faith he wished to assist.

4. Lieutenant READ was aware of Captain LONG's signature and his position in the repatriation camp and he also knew FERENZ. Lieutenant READ, therefore, committed an error of judgment in accepting the chit as an authority.

Certified that R.P. 123A complied with.

SUBJECT: Ivan KOLLAR (Czech) - Travel to Italy.

TO : Visitors Bureau.
USFET MAIN,
APO 757, US Army.

1. Subject recently arrived in Italy with his wife, Vilma, both of whom were improperly documented to enter Italy. The documents actually held were as follows.:

a) Military Government of Germany Pass No F 213 2/33391 dated 20.10.45 "to travel from Munich to Innsbruck by all means of transport, also by train."

b) HQ Military Government Stadtkreis Frankfurt a/Main note, signed M.P. RADIGAN Major dated 16 October 1945 permitting entry to restricted area for purpose of seeing Italian Liaison Officer at 108, Oberlinden re his desire to go with his wife to Italy.

c) Note, stamped A.C.S. USFET, Italian Liaison Mission APO 757, U.S. Army stating "No objection that Mr Ivan KOLAR go to Italy for a period of 15 days" signed Remo PAGLINI, 2nd Lt.

d) French Laisser-Passer No D-2215 issued 30 October 1945 by the French Liaison Officer "Auprès du Gouvernement Militaire américain du Regierungsbezirk [illegible]", which authorised transit through French territory to go to Italy.

2. Since KOLLAR was under the impression that he was properly documented and in fact reported to this office the moment his 15 days expired, an Allied Expeditionary Force Permit is being issued to him and his wife for their return to Germany, without prior reference to your HQ.

3. It is however desired to point out that entry to Italy from Germany and Austria is still governed by Allied Force Permits which are only issued after reference has been made to the Italian Government, and it would be appreciated if you would take such action as you think necessary to avoid the recurrence similar misunderstanding and breaches of travel regulations.

Dear Sir ,

In former Yugoslavia i was a cavalry colonel and i passed through many wars i.e. against Turchey 1912, against Bulgaria 1913, first World War 1914-1918 and through this second one.
Now i am living in Italy and i remained faith to my King Peter II.

From 1918 to 1937 i was with my service at the Kings Guard at Belgrade being at last on the duty as Commander of the regiment . After the defeat of Yugoslavia i went to the mountains and forests and i fought with the troops of General Draza Mihailovic. In 1945 i was sent from Bosnia to Slovenia and then to Italy. Through all that time my two sons were with me together. In Italy near Padova i was concealed with my men and in society with the Italian patriots. I on April 21 st 1945 we attacked the Germans and in such day we helped to liberate the Provincia of Padova but in that battle i was wounded very hard and i lost my left hand. In that battle took part both my sons too. For that action Marshal Alexander himself praised us and we received a letter from him.
Now i am living in Rome without any wages and penniless.

Nobody helps us.

I have two sons: C V E T K O /aged 23/ and I V A N /aged 19/. Both of them are students and they started on October 8th 1945 from Rome to Austria to be present at the meeting of the democratic youth. But coming at Salzburg they have been arrested by the American police . I have been informed they should be judged because they passed the border without any permission.

For me the life without my childern is quite impossible. I am an one armed man and i am not able to dress myself without a help. Therefore i beg You very kindly to do all the possible that my childern could return back to me as soon as possible. At the same time i beg You to give me a permission to go to Austria to pay a visit to my childern and to take them from the prison if possible.

I inform You that my son Cvetko is very ill/Diabetic coma/ and he needs a special care because he is obliged twice a day to take medicine /Insulin/.

Apologizing You for the trouble i gave You i hope to have a positive answer.

Your truly

Dear Captain Riggio:

The Secretariat of State of His Holiness takes the liberty to request that you recommend to the competent Allied Authorities the petition of the Reverend Mother Maristella Knaus, Largo XXI Aprile 10, Rome, for authorization and facilitation to travel from Germany to Italy for a number of Sisters of her congregation.

The request states that the Sisters are in charge of the Istituto di Villa Paolina, Rome, which conducts an elementary, high and college preparatory school and are in urgent need of from six to ten Sisters because of the illness of some of the teachers and the great increase in work.

The Mother Provincial Superior at Paderborn has applied to the Allied Authorities in Germany and has left with them the names of the Sisters she wishes to send to Italy.

Thanking you for your kind consideration, I am

Sincerely yours,

Rome, December 5-th 1945

No.2/54/45
TM/HS.

In reference to the conversation on the December 1-st, 1945 between Captain St.Rizzio and Attaché T.Wertynowicz, the Embassy communicates as follows:

On November 10-th, 1945, the Polish railroad car, number 982 from Warsaw arrived at Rome station with the Polish diplomatic and consular staffs in Italy. This car is now to return to Poland with a party of about 7 individuals on shortest way possible. In order to reach their destination they will have to pass the Zones of Allied Forces.

Besides the personal luggage of the passengers there will be in the car some parcels containing Christmas presents from the Polish soldiers in Italy destined to their relatives in Poland. It would be greatly appreciated, if these parcels would reach the addresses without any obstacles from the custom officers at the frontiers of different Zones.

The Embassy would be grateful for the assistance which the Allied Commission would give by issuing the permits to pass the Zones of Allied Forces enroute to Poland.

The steps has already been taken at the Allied Commission Headquarters, Transportation Subcommission (Cpt.Clinging) to secure the passage of a railway car and to couple it to trains operated by various nations.

A list of the party is annexed.

To the Officer in Charge
Foreigners Office
Allied Military Command
CASERTA.

Re: My son, Horst F e h r, 15 years old, resident at Milan with his father, German by birth, but provisionally at Heidelberg - Quincke strasse, 38.

The undersigned Ernst Otto Fehr born at Kollnau (Baden) Germany on the 31st. October 1894 went abroad when 16 years of age to school in Switzerland and came to Milan on 1923 with his wife, Stella Fehr, to take residence. On the 11th. April 1930 my only son, HORST Fehr, was born; in Milan where he frequented the Italian schools until October 1943 when he was suddenly obliged to go to Germany (Quinckestr., 38) to visit his mother. It was his intention to return immediately to me, his father, in Milan, but the events of War prevented him from doing so and now he lives in desperate conditions without any help or support. He considers Italy his own country and his ideas and thoughts are of an Italian subject. He suffers considerably the absence from Italy and of his fathers' help and support but cannot return without special permission from the Allied Military authorities. I can, if necessary present his certificate of residence in Milan as also for that of his mother together with a certificate from the local authorities in humanitarian spirit. Although only 15 years of age he helped Allied prisoners whenever he had opportunity and gave them hospitality. He also assisted them in sending their news by letter via Switzerland. This is only mentioned to prove the spirit which reigns in our family. My boy is worthy of being favoured with your permission to return to his father.

I beg to excuse me for making this appeal to you for advice regarding my boy but I am full of preoccupations as to his fate and future. Would you please inform me the steps I should take in order that my son may be allowed to return to Milan together with his mother. Would it not be possible for you to give the necessary instructions to the Allied Command at Heidelberg to allow both my son and wife to be allowed to return to Milan together with ex-Italian internees or PW's?

I thank you in anticipation for any advice and or assistance you may be in a position to give me and remain,

Sir,
yours very faithfully

DI S.A.R. IL LUOGOTENENTE GENERALE DEL REGNO

Mar Colonnello Chapman.

Si è qui rivolto il Comm. Luigi BUROCCHI, abitante a Roma - Via Arco della Ciambella 19 - per ottenere che il Comando Alleato voglia cortesemente concedere il nulla osta richiesto dalle Autorità Svizzere per il rilascio del passaporto al Sig. Jules Zillweger, residente a Fribourg, per recarsi in Italia a contrarre matrimonio con la Signorina Anna Flavia BURCCCHI, sua figlia maggiore.

Il Comm. BUROCCHI è stato perseguitato politico durante il fascismo ed è stato spogliato dei suoi averi e fortemente toccato negli affetti famigliari.

La sua suddetta figliola, deportata dai tedeschi, si è fidanzata col Sig. Jules Zillweger da Fribourg, conosciuto in campo di concentramento.

Tutti i documenti per il matrimonio sono stati consegnati alla Legazione Svizzera a Roma.

Si attende soltanto il nulla osta delle Autorità Alleate, richiesto dalla Svizzera.

Le sarei molto grato, Signor Colonnello, se voles se esaminare cortesemente l'aspirazione e concedere benevolmente il Suo autorevole interessamento perchè il desiderio manifestato venga esaudito al più presto.

Con i miei migliori ringraziamenti, Le porgo i più distinti saluti.

ve notizie di sua madre la quale é impossibilitata a rientrare in Italia perchè occorre una richiesta dai suoi diretti famigliari.

Il sottoscritto fa questa sua domanda affinché dopo sette lunghi anni possa ancora sentire l'abbraccio di sua madre e la parola confortatrice che possa almeno alleviare in parte il dolore di un figlio che, dopo di aver creduto di aver perduto tutti e due i genitori, finalmente senta la voce della mamma che anche lei lo chiama.

Si rivolge per questo al senso di umanità che fino ad oggi é stato soffocato nei cuori, perché codesto Ministero voglia accordare il nullaosta per il riavvicinamento della madre al figlio.

Acclude alla presente gli estremi sulle generalità di sua madre: TERESA MICHEL fu Alesandro nata a Monaco abitante in Ungherestrass N° 80.

Distinti ossequi.
