SUBJECT : Permit to go to Germany - HOHENLIMBURG (Jeerlohn district, Nordrhein Province), British-held zone.

Undersigned, German subject Eng. Thils FELLER, born at HOHENLIMBURG on the 3/2/I90I, begs to point out the following :

At the end of the war, he was appointed to the German Command "STAB MAJ. SCHU, Aussenstelle - Turin". As he did not want to take any risks in the unavoidable German defeat, some time before the end of the war he went to live with some Italian friends, with the intention of remaining there until the end of the hostilities. Anyway, on repeated request by his friends, he decided to stay until the issue of the peace treaty, but as this seems to be still far away, and on the other hand, he has just heard from his wife and relatives, after a long time he had had no news from them, he wants to return to Germany as soon as possible in order to re-join his family.

Accordingly, he begs your Command to grant him the permit to return to his town, HOHENLIMBURG, in the British-held zone, and points out to be in possession of a German passport Nr. 59 issued Jeserlohn, which is not valid any more since the I8/9/45 because the undersigned was not in the position of having it re-newed as there was no German Consulate.

With the highest sense of esteem,

Betr: Einreiseerlaubnis in die britisch besetzte Zone Deutschlands speziell nach Hohenlimburg, Kreis Iserlohn, Land Nordrhein-Provinz - Westfalen.

Antragsteller, der deutsche Staatsangehörige Ingenieur Thilo F e l l e r geboren am 3.2.1901 in Hohenlimburg, Kreis Iserlohn Provinz Westfalen, ebendortselbst beheimatet, war bei Ende des Krieges als Sachbearbeiter für Schrottfragen der Deutschen Dienststelle "Stab Major Schu, Aussenstelle Turin" zugeteilt.

Da er nicht beabsichtigte, sich in irgendwelche eventuelle militärischen Endkämpfe verwickeln zu lassen, begab er sich rechtzeitig vor der Kapitulation der Deutschen Wehrmachts zu italienischen Freunden, um dort das Kriegsende und späterhin auf Drängen dieser Freunde den Frieden abzuwarten. Der Abschluss dieses Friedens schob sich aber immer mehr hinaus. Daher verblieb Antragsteller weiterhin abwartend in Turin. Lange Zeit hörte er auch nichts von seinen Angehörigen. Jedoch seit kurzer Zeit hat er Nachricht von seiner Frau und seinen Angehörigen, die sich zur Zeit alle in Hohenlimburg befinden.

Antragsteller hat nunmehr den verständlichen Wunsch, schnellmöglichst zu seiner Frau, zu seiner Familie und in seine Heimat zurückzukehren. Aus diesem Grunde richtet er dieses Gesuch, mit der Bitte um Genehmigung an die Hohe Kommission.

SUBJECT : Travel from Italy to Germany.

1. With effect 16 September 1946 applications in respect of all nationals desiring to travel to Germany will be handled by the American and British Embassies in Rome.

2. Applications for the United States zone of Germany will be dealt with by the Military Attache's office of the American Embassy, and for the British zone by the Travel section of the Visa Department of the British Embassy; applications for the French zone of Germany, as in the past are dealt with by the Commandement Militaire Francaise, (Securitie Militaire) at Palazzo Guidoni, Rome. However, if a person desires to visit the United States and French, or the British and French zones, the American or British Embassy will make application for the French zone clearance at the same time as they refer the case for their respective zone clearance.

3. It is the policy of the occupying powers to restrict travel into and out of Germany to the minimum. The following categories of travel to Germany are specifically not permitted at the present time.

(a) Travel for private reasons, including travel to bring back the body or visit the grave of a relative killed in Germany. (Visits by French nationals to graves in the French zone are now allowed by the French authorities).

(b) Travel to re-possess or locate property looted by the Germans. (Reparations, Restitution and Deliveries Section of the French, British and United States Control Commissions have been established to arrange for the restitution and location of property looted by the Germans. The work of these sections cannot be accomplished if individuals are allowed to enter Germany to locate and remove such property on their own account. All necessary descriptive detail should be forwarded by the Government concerned to the Reparations, Restitutions and Deliveries Section of the Control Commission Council of the zone concerned)

(c) Travel to Germany of businessmen, except those travelling under a scheme of sponsorship arranged by the Government of the occupying powers of the zone to which they are proceeding. (The policy to be adopted with regard to private trading is still under review, and, pending a decision, journeys of this nature cannot be approved.

4. All other applications, other than Allied Military personnel travelling on duty, should be forwarded to the respective Embassy for decision; and in the cases of approval the necessary Military entry permit will be issued.

5. The categories of travel for transiting Germany are ... a far more lenient nature, though transit of Germany is only allowed for essential journeys and when no petrol, oil, lubricants, transport, food or accomodation requirements are desired in Germany; in all cases the valid passport or visa for the country of destination is also required before an application can be considered.

4. All other applications, other than Allied Military personnel travelling on duty, should be forwarded to the respective Embassy for decision; and in the cases of approval the necessary Military entry permit will be issued.

5. The categories of travel for transiting Germany are on a far more lenient nature, though transit of Germany is only allowed for essential journeys and when no petrol, oil, lubricants, transport, food or accomodation requirements are desired in Germany; in all cases the valid passport or visa for the country of destination is also required before an application can be considered.

6. Here again all applications complying with the above requirements should be forwarded to the respective Embassy for decision; and the issue of a Military entry permit for the approved cases.

7. The above is passed for information, and attention is drawn to the necessity of all applicants being in possession of passports validated for travel in Germany

CASERTA

Monsieur le Commandant,

Le Ier Juillet dernier, ma femme, Madame ELISABETH REICH, de nationalité italienne, vous a envoyé une demande pour pouvoir se rendre à WEIMAR (zone russe), où elle avec sa belle-soeur, Madame Greta Jacobson, suédoise, est propriétaire d'un immeuble situé Belvedere Allée 2, où se trovait sa mère, Madame Amalie Reich, très malade, presque mourante.

Comme pas de réponse est arrivée de Votre part, et, entretemps, malheureusement, Madame Amalie Reich est morte, sans pouvoir révoir sa fille, en la laissant héritière de son avoir, il faut que ma femme puisse se rendre, au plus tôt, à Weimar, et pourtant je vous prie encore une fois, de vouloir bien accueillir la prière de ma femme, en lui délivrant la permission de traverser les lignes alliées en Allemagne, ce que servira aussi à la Questura de Milano, pour délivrer le passeport.

En vous remerciant d'avance, veuillez me croire,

Monsieur le Commandant,

votre bien dévoué

Doct. Umberto FRANCI

To the Commander in Chief,
Allied Forces in Italy,
CASERTA

Sir,

On the first of July this year my wife, Mrs. Elissbeth Reich, of Italian nationality, sent you a letter in which she applied for permission to go to WEIMAR (Russian Zone), where she and her sister-in-law Madame Greta Jacobson, a Swede, are co-proprietors of a building situated at No. 2, Belvedere Alley, where her mother Madame Amalia Reich was dangerously ill.

No reply came from you. Meanwhile, unfortunately, Madame Reich died without being able to see her daughter, but left her all her property. My wife must now go to WEIMAR and so I beg you once more to be good enough to accept my wife's request and give her authority to cross the Allied lines (sic) in Germany; the Milan questura will then grant her a passport.

Thanking you in anticipation,

I am, Sir, etc,

/s/ Dott. Umberto FRANCI.

Dear Sir!

Would you please be so kind to give me information about the following question: I was German national, was married to an Italian, and now I am here in Italy since one year and a half. As I have to work again to earn my life and as I have already contracts for theatres in Berlin and in Leipzig, I ask you what I have to do to get from you the permission to enter Germany. My Italian passport is alright and I only got the Visa to leave Italy and to enter Germany from the Questura in Turin. But as I was informed by the British Consul in Turin, that this Italian permission is not sufficient, he gave me your address and the council to write you, what I have to do.

I would be very greatful if you could answer me as soon as possible, because it would be necessary and very helpful for me, to be in Germany before winter.

I remain, Sir,

Yours faithfully 1795

Eva Eras-Stretti.

SUBJECT : Travel to Germany and eventually to England.

Undersigned begs to ask the Allied Commission for the authorization to undertake a 4 weeks journey for business reasons to Germany (Muenchen, Stuttgart)and eventually also to England (Isleworth-Middx).

As it appears from herewith attached documents, the FRAZER+NASH+CARS (Isleworth-Middx) Coy offered me on December 45 to open on their account a business agency in Italy. This offer was probably based on my experience as business agent , as I have been the General Agent for the Bayrischen Motoren Werke A.G. (Muenchen-Eisenach) in Italy and Colonies for some 20 years.

But before accepting their offer, it is absolutely necessary that I undertake a journey to Muenchen (and, if possible, also to EISENACH - Russian held zone) in order to settle various business of technical nature.I have also business pending in STUTTGART, at the local BOSH firm. It depends utterly on the decision of these matters if I shall be in the position of undertake a journey to England immediately after in order to take contact with the FRAZER Nash CO.

I should be grateful if this application might be granted an immediate issue, as the re-entry permit issued to me by the Italian Ministry of Interior is due on the 12th November 1946. My political position is utterly clear, as I never was a member of the German Party nor of any depending organ.

With my respects,

yours EMIL GLUECK, sgd.

Dear Sir.,

As you were, we believe, agents for B M W cars before the war we are writing to you in the hope that we may have your co-operation in the following suggestions.

We are now actively engaged in producing the Frazer - Nash version of the BMW car which we sold before the war as the Frazer-Nash-BMW. Our spare parts would be interchangeable with the pre-war models produced by BMWs except, of course, that our measurements are English and not metric.

If you would be prepared to place a hard-and-fast order for a definite quantity of spare parts we would be prepared to make spare parts to metric measurements.

We need hardly point out that in this event you would be in a position to increase your business, and also keep your existing customers' BMW cars on the road.

We think you may take it as definite that there is no possibility of the firm of BMWs being in a position to supply you with spare parts - we have made several visits to Germany in recent months which enable us to make this statement.

We would also appreciate your views as to the export of our new post-war Frazer-Nash cars to yous country, designed and built as they will be to conform to the best of BMW design, and incorporating our very considerable knowledge of overseas conditions. Our new cars will be basically intended for the export market, and as you will know on this basis we shall have the fullest aid and co-operation of our Government.

It is possible you might be able to give us some tentative estimate of your possible requirements for cars when we are in production, or alternatively the number of BMW cars (and Type of model) that you sold annually before the war.

Referring again to the possibility of our supplying you with spare parts for BMW cars, perhaps you could also indicate what parts you would need (also type of model) based on your <u>maximum</u> requirements over, say, a period of two years - we should require this information before we can produce spare parts on a quantity basis.

Dear Sir ,

We thank you for your letter of the 27th March 1946 and would ask you to accept our apologies for the delay in replying but your letter had in some way been filed and temporarily lost.

We are very interested to learn all you say regarding the circulation of B M W products in Italy and are also interested in what you say concerning the probable market for our new post-war Frazer-Nash-Bristol car. We quite appreciate that there is still considerable instability in the market but as we shall not have a very great surplus of cars for export until well into next year possibly by this time the position in Italy will have become more stabilised.

We shall however be pleased to see that you are informed regarding our progress and within a few weeks we shall be sending you literature giving details of the new car range.

Yours faithfully

30th May , 1946.

Dear Sir ,

We have pleasure in enclosing herewith a brochure with provisional data in respect of the post-war Frazer-Nash cars.

This leaflet gives preliminary details pending publication of a full catalogue , and has been printed because of the very considerable demand from home and overseas for information. It includes specification of the " Bristol " saloon and cabriolet models , while details of the sports two seater will be published shortly .

The artist's impression of the models should not be taken as definitive , except in a general sense .

Production is not sufficiently advanced to permit of giving delivery dates , but new cars should be available by February or March next year . In the same way while prices have not been finally decided , a provisional figure of £ 1,050 , ex Works , is anticipated for the " Bristol " models , which price it is at present considered will allow of a discount of 20 % to the appointed agents .

A revision of these provisional terms , in the hope of giving a more favourable quotation , will be applied whenever the circumstances permit .

Yours faithfully ,

for A. F. N. Limited

We herewith beg to forward request for travel permission for Mrs. Ida Dietz.

Mrs. Dietz is well known to us and merits in our opinion every possible help. We know that this matter is purely a private and personal matter but we trust that nevertheless you will be so kind to help this poor woman and her baby. She is really in a very desperate position and the only solution to her problem would be the possibility to join her husband.

Thanking you in advance

Yours truly

Rome 24 August 1946 .

To the Security Travel Division ,
Allied Sub-Commission ,
Via Vittorio Veneto ,
Rome .

I beg to make the following request and shall be profoundly grateful to you if you will give it your kind consideration .

I am an Italian by birth, born 12.10. 1918 at Taranto. I am married to a German by special permit while my husband was here in camp. He is now repatriated to Germany and I am left here alone with my little baby not quite a year old. My family refuses to help me because I am married to a German and I find myself in the most difficult position. With the cost of living as high as it is and my whole time practically taken up with my small baby so that I am not able to earn much, and my plight is becoming worse. For this reason I beg you to make an exception and grant to the permission to go to Germany and join my husband. My husband has work and also a place to live and is in the position to take care of me and the baby. His name is Heinrich Dietz, Pforzheim-Brötzingen, Herrenstadt 10 , American Zone.

I herewith beg to enclose three photos of myself.

Please give me the permissions to go to Germany to my husband . Thanking you most sincerely for your kind help in this matter .

I am ,

Yours faithfully

TO THE RESPECTABLE COMMAND
OF THE GENERAL QUARTERS

ALLIED ARMY FORCES IN ITALY

ROME

OBJECT: PERMISSION FROM THE ALLIED ARMY FORCES

Full of hope I apply to the above Respectable Command and ardently beg of you to help me.

I am a German by birth, my husband is Italian and a fruit growing merchant, we lived in Germany till last year. In conseguence of an air incursion on Heilbronn a /nk., we lost nearly all our possession. We had to put our small habitation to the disposition of the American troops, and we found lodgings in a small room in my brother's house, which was already occupied by three families.

Therefore, we decided to come to Italy (my husband's native country) and was obliged to leave all our belongings.

We had the permission to return from the Military American Command of that Zone.

Now, I have an urgent need of re-acquiring all my personal linen, clothes, house-linen, mattresses, ect. It is impossible for me, owing to financial difficulties, to acquire even patially all have lost.

In conseguence of the war I have lost all my existence, money and everything.

The city of Heilbronn a /nk. is situated in GERMANY and im the American Zone, our habitation, then occupied, has now been liberated by the American troops

I beg of you with all my heart to give, me a permission, available for three or four weeks, to go and return, so as to take all my personal clothing and goods.

I can show all my documents, passaport ect. and give all information required.

Thanking you in anticipation for your, kindness, I beg of you to accept my most respectful homage.

Oggetto : Permesso delle Forze Armate Alleate

Piena di fiducia mi rivolgo a Codesto Spettabile Comando e prego caldamente di volermi aiutare .

Io sono nata tedesca , mio marito é italiano già commerciante in prodotti ortofrutticoli , abitavamo in Germania nino alla scorso anno .

In seguito ad incursione aerea su Heilbronn a/nk. perdemmo la quasi totalità del nostro avere .
La nostra piccola abitazione di fortuna dovemmo mettarla a disposizione delle Truppe americane di occupazione e noi trovammo alloggio in una piccola stanza in casa di mio fratello , la casa era troppo piccola e già occupata da tre famiglie .

In conseguenza venimmo alla determinazione di venire in Italia (nella Patria di mio marito) dovendo lasciare colà tutta la nostra roba .

Il rimpatrio avvenne con regolare permesso del Comando militare americano di quella Zona .

Ora io dovrei urgentemente poter rientrare in possesso della biancheria personale , vestiti , biancheria di casa , materassi ecct che costituisce tutto il resto di quanto da noi ancora posseduto , in considerazione che qui noi non siamo nella possibilità finanziaria di acquistarlo anche parzialmente .

Quale conseguenza della Guerra noi perdemmo la nostra esistenza, denaro , ed ogni avere .

La città di Heilbronn a/Nk. é sita in Germania e nella Zona americana e l' abitazione da noi a suo tempo occupata é stata ora resa libera dalla truppe americane .

Io vi prego vivamente e di tutto cuore di volermi concedere un permesso per un viaggio di andata e ritorno della durata da tre a quattro settimane per potermi recare colà a prelevare la nostra roba

Resto a disposizione,di codesto Spettabile Comando,con tutti i documenti del caso , passaporto . ex permesso americano di rimpatrio , ecct onde sottoporli alla Vostra visione qualora necessario e dietro Vostra richiesta .

An das

Hauptquartier der Allierten Streitkräfte!

Vertrauensvoll wende ich mich an Sie und bitte Sie, mir zu helfen!
Ich bin geborene Deutsche, mein Mann ist Italiener (Comerciante in Frutta verdura) und lebten bis voriges Jahr in Deutschland.
Bei einem Fliegerangriff auf Heilbronn a/Neckar verloren wir unsere Habe, bis auf einen kleinen Teil.
Unsere Notwohnung mussten wir nachher den amerikanischen Truppen räumen ! Wir fanden bei meinem Bruder ein kleines Zimmerchen, das Einfamilienhaus war schon mit 4 Familien besetzt und daher viel zu eng!

Darum beschlossen wir in die Heimat meines Mannes zu fahren und mussten alles zurück lassen. Nun sollte ich diese Sachen dringend haben, Leibwäsche, Kleider, Hauswäsche, Materatzen ecc., den kleinen Rest meiner geretteten Habe, zumal wir hier nichts kaufen können, weil wir finanziell nicht in der Lage sind Anschaffungen zu machen!
Durch den Krieg haben wir Existens, Geld und Habe verloren!

Heilbronn a/Neckar Germania ist amerikanisches Gebiet bez. Zone meine kleine Wohnung ist von den amerikanischen Truppen geräumt worden und für mich frei!

Ich bitte Sie höflichst und aus tiefstem Herzen mir eine Genehmigung für 3 bis 4 Wochen, hin und zurück, erteilen zu wollen, um die Sachen holen zu können!

Mit den nötigen Papieren, Pass, Exgenehmigung der amerikanischen Comandantur zur Einreise nach Italien, stehe ich gerne zu Diensten!

Für Ihre freundliche Bemühungen spreche ich Ihnen meinen Dank aus.

Mit vorzüglicher Hochachtung zeichnet

Berta Magatova
geb. Reichle.

Io sottoscritta Lina Guarescchi, nata a Kassalla il 24 Marzo 1924, domiciliata in Kassalla in via A. Bella N 113, mi rivolgo a codesto spett. Consolato per mia informazione ed eventualmente per la possibilità di mettere in pratica questa informazione. La mia informazione mi venne nel come e che pratiche devo fare per raggiungere la Germania. Il motivo è che vorrei raggiungere il mio fidanzato Heinz Hans Wilhelm Schwen, Altengroden, Jutfennes, 6, attualmente sotto la protezione Inglese (Germania Nord)

To the A.F.H.Q. Caserta.

Dear Sirs,

I undersigned Aldo Fortura being already in possession of the passport delivered through your kind intervention , having received from your Command a form to be filled according to my demand to be sent to the Allied Authority in Frankfurt o/ Main (Germany) to the scope to undertake the trip for a few days, with my wife (in possession also of the regular passport).....
as to visit my father whose condition is worst than ever, and might end with his defunction.
My mother died, and as it was still war, I could not see her anymore.
My father is condemned by an illness which gives him no hope to live more than one month.
I beg this Command,that besides the fact that I am the only son, to take in consideration my situation as I have to settle family matters at GINHEIM , Stadtweg 108 Germany.
My father wishes for time already to see me for the last time having knowledge of his hopeless situation.
This Command could inform about the matter and prove the reality of my declarations.

Thus, I beg this Command to give me a chance to meet my father for the last time, and meet with a human gesture towards people so hardly struck by Destiny. I am only afraid to arrive late to fulfil a sacred duty.

Aldo Fortura.

Caserta.

Dear Sirs,
I have been informed by Mr. Aldo Fortura, that he is waiting here before his probable departure for Frankfurt from where he has received alarming news about the malady of his father.
By the way, and in case that his demand was granted, we would give him instructions to visit the Quartermaster P.B.S., Salvage Officer in Frankfurt, according to the steps made by COL. ELA, P.B.S. Quartermaster , Salvage Officer in Leghorn (Livorno) to settle a Matter already undertaken in May.
As to avoid our demand to undertake the trip to Germany, we inform your Command that we authorised Mr. Fortura to pay a visit to the P.B.S. Quartermaster at Frankfurt, and hope that you will find no objection about the matter.

faithfully yours,

To the P.B.S. Quartermaster,

Salvage Officer, Frankfurt.

Deay Sir,

According to two interviews I had with Col. ELA at Leghorn (Livorn) where I have been sent by Col. Shurte (A.C. Roma) having been duly recommended by our Ambassy, as a Belgian citizen,

I beg to have the honour to confirm that the Col. ELA declared to have written to Frankfurt on behalf of my request to buy a camp of v woollen scrap (waste) out of reaminder of uniforms, shirts, socks, A;s.o.

As a fact, the majority of the camps in Italy have beeh transferred to the A.R.A.R., organisation under Italian supervision with which we as foreigners have some trouble to deal with.

Therefore, I should be much obliged if you could give me some particulars about the possibility to buy a camp in your Zone of about thousand (IOOO) tons.

We are, as exporters in connexion with manufacturers, in charge to buy the scrap material to be exported from Italy, after having been transformed in cheap cloth for the colonies.

The price, however, quoted by the A?N?A.R. are too high as raw material to be exported when manufactured, those are established only for indoor selling.

Therefore, we are ready to pay in dollars, as suggested by the COL; Ela, the price you will quote as reasonable.

Madam Fortura, and her husband, whose family is living in Frankfurt and who will probably be allowed to see his father before his defunction is willing to hand over my request, and bid you for an answer over all particulars, so that we could come on to the spot when you agree with our proposal, and take away the scrap.

We remain,

faithfully yours,

SUBJECT: Transit Permit through Occupied Territory for Arnold FRANKE

The person described on the attached travel permit blank, Arnold FRANKE, is being assisted financially by this office to go to Sweden. He hopes that, through the efforts of his friends in that country, he will be able re-establish himself and become self-supporting.

He holds a valid entry visa for Sweden.

As it is the policy of this Committee to pay only the lowest available travel costs in the case of such refugees, we should be grateful if authority could be given for Arnold FRANKE to travel by rail through the necessary zones of occupation in Germany, from whence he plans to go to Amsterdam. (He has indicated that he is confident of getting the necessary transit visa for Holland.) From Amsterdam, he will go by ship to Sweden.

Dear Sir,

I,the undersigned Rev.D.PETER S E D L M A Y R,born May 3,1884 at Tegernsee,Bavaria,Benedictine monk and member of the Benedictine Abbey of Ettal in Bavaria and for the past eleven years professor at the Pontifical College of St.Anselm,Rome,the international academical Institute of the Benedictine Order,herewith urgently request permission to return to Germany.My reasons are as follows:

1° My Superior,Dr.Angelus Kupfer,Abbot of the Benedictine Abbey of Ettal in Bavaria,asked me to come home since there is urgent need of men for our school,which has been reopened.

2° I am suffering from poor health and for quite some time already should have taken a cure,which,however,I cannot do here.

On four different occasions during the past six years I asked permission to return to Germany from the former German embassy in Rome,but each time my request was refused. Hence I hope now so much the more to be able to go home soon.No return to Italy is planned.

I herewith inclose a confirmation of the above from the Abbot of Ettal and the physician's certificate.

Sincerely

Yours

Comando Militare Alleato

Il sottoscritto Montefusco Luigi, di Raffaele di anni 32, mi rivolgo a codesto Comando pregandolo, se potesse avere il nulla osta per l'Espatrio in Germania. Le ragioni per cui, io desidero andare in Germania sono, per il motivo, che mia moglie è di nazionalità Tedesca e abbiamo nella città di Colonia il di cui padre, e una bambina di anni 6, nella città di Erfurt. Mio suocero essendo vecchio desidera la nostra vicinanza, più non desideriamo anche con noi la nostra bambina. Prego col dovuto codesto Comando, cortesemente, se potesse avere questo nulla osta.

To: Honorable Allied Command - Caserta -

I, the undersigned, Clemente TERAZZI, son of Luigi and of Laura Buscaglia, born on 19 June 1916 at Valdilm Antelmois Rufhl, Eeden, Germany, take the liberty to inform you of the following:

"My father has been residing in Germany for 40 year; in 1940 the Italian Consulate at Frankfurt on Meine called me in the service; I immediately answered the call and performed my duty. I have been here without family, and unemployed since the end of the war, being the guest of a generous family.

My situation is dire, indeed. I have already instituted the proper steps in order to obtain to return to my family, so far to no avail.

On 15 April 1946 I was granted a permission to leave Italy by the War Ministry in Rome, while I still miss that of the Ministry of Interior.

I was advised by one of the Allied Command in Milan to apply to you in order to obtain what I have been longing for.

As I know your high sense of justice and humanity I dare hope that you will kindly take my dire situation at heart and will meet my request granting me the coveted permission so that I may be enabled to join my father, mother and brother; in the expectation of a kind answer from you I thank you very much.
