SUBJECT Demend of an extension of two "Allied Military Permits"

Some week ago Prince Schwarzenberg, the Czechoslovak chargè d'affairee in Vaticano transmittede to your office my demend for an extension of my and my wife's "Allied Military Permit" beeing impossible to us to undertake the travel to Czechoslovakia, my wife's country, before our Permits would be run out, because my wife is waiting a baby about the 15th of June and was forbidden by her doctor to make any movement until six - eight weeks after the child's birth.

Now the extension you kindly made me is valid till the 1st of June but the doctor insists saying that my wife is not in condition to leave before the 15th of August. And as a proof of this I send you his certificate.

Will you be so kind as to consent us another extension till this date?

I am sure you won't refuse my demend after you have reflected upon our reasons and I send you all our best thanks in advance.

I have been in Germany, working at first as a farmer and then as a railway worker, since 24/4/38 until the Spring of 1945, where I became the father of a baby-boy, left orphan of mother (also Italian) when merely a few weeks old.

I took care of him in all that was possible for a father to do for his own son.

During the Spring 1945 I repatriated but with the intention to go back to Germany to re-take my son.

I beg the Allied Commission to kindly furnish me with an authorized pass or passport for Germany or your authorization to obtain same for the reason mentioned above.

Enclosed please find document issued by the tribunal, which in this case could serve as certificate, and kindly send it back to me for being the only document in my possession.

With many thanks

At the same time, he wants to see his mother who is suffering from a cancer.

As he is leaving within this year for his mission in Angola (Portuguese West Africa), it might be his last chance to see her alive again.

The same request has ben made to the French Commandant in Germany, as there are two more houses in the French District to be visited.

SUBJECT : Request for the authorization to return to Germany

Undersigned Giuseppe LOCASCIO, son of Giordano born on 28/10/1925, asks to be authorized to return to Germany.

He states that his return to Germany is absolutely necessary for the following reasons:

up till now, he always lived abroad - 17 years in Germany (from 1926 until 1937 in the Saar international zone; from 1940 to the 1945 at Amburg, Berlin, Soran, Danzic, and others cities) and is,presently,in Italy on a disposal issued by the Allied troups, who sent him here, after a period of 3 months of work by UNRRA (Prisoners and War-Veterans Aid).

He furthermore states to be still under-aged, without any relations and acquaintances here, and with no possibility of improving his present position, and continuing his studies, thus being obliged to be supported by the UNRRA at the Florence Refugees Centre.

His return to Germany,on the contrary, would enable him to re-join his family which he left long ago and the fate of which he still ignores.

Furthermore, he has also interests to attend to; mainly his rights on mortgages and real estates, for a total value amounting to 250.000 lire, as a guatantee for some loans granted by his father, before the War, and repayable at the end of 1946.

By this time, the 5 years contract, made on 1941, transcribing the rights on the above sum, to the name of the undersigned, will reach the maturity.

Now, according to the relative terms, undersigned is the only person juridically authorized to advance claims.

The fact is urgent as the terms of the contract do not agree on an eventual prolongation of the same, so that if undersigned does not advances his claims before the maturity of the contract, he can lose all of part of his rights.

Owing to the urgency of the business which can be impossibly

2.208

strainghtened up per letter, undersigned points out that further delay of his repatriation would seriously damage him.

Accordingly, undersigned, begs your Commission to take his application under a favourable consideration, and thanks in advance.

Oggetto: nulla osta per il rimpatrio in Jugoslavia

Il sottoscritto Gino Locarini, di Giordano, nato il 28-10-1915, prega codesta Commissione Alleata di comunicare il suo nulla osta per il rimpatrio in Jugoslavia.

Per dimostrare il suo buon diritto di ottenere la richiesta dichiara che dopo aver risieduto tutta la sua vita all'estero (escluso 1½ anno in Germania 1926/27 nella zona internazionalizzata della Saar, 1941/45 ad Amburgo Berlino Vienna Venezia ed altre città) si trova attualmente in Italia a seguito delle truppe alleate da provenire a mendicare ogni dopo un periodo di 3 mesi di attività svolta in favore della U.N.R.R.A. nell'assistenza dei ex-prigionieri ecc. rimpatriandi in Jugoslavia.

Essendo il sottoscritto ancora minorenne, e non avendo in Italia nessun parente né prossimo né lontano, senza la minima possibilità di lavoro senza residenza e che frequenta i suoi studi è costretto a vivere a carico della U.N.R.R.A. nel campo Profughi di Firenze. Oggetto: nulla osta per il rimpatrio in Jugoslavia

Il sottoscritto Giuseppe Locascio, di Ciccheano, nato il 28-10-1925, prega codesto Comando Alleato di pronunciarsi il suo nulla osta per il rimpatrio in Jugoslavia.

Per dimostrare il suo caso di estremo bisogno dichiara che dopo aver trascorso tutta la sua vita all'estero (nacque 14 anni in Jugoslavia (1926/32) nella zona internazionalizzata della Istria, 1940/45 ad Innsbruck (Austria) Vienna (Austria) ed altre città), si trova attualmente in Italia a seguito delle truppe alleate che provvisoriamente a mandarlo senza dargli un permesso di 3 mesi di attendere notizie da parte della U.N.R.R.A. nell'assistenza ai ex-prigionieri ecc. rimpatriandi in Jugoslavia.

Essendo il sottoscritto ancora minorenne, e non avendo nessun parente nè genitori senza la minima possibilità di fare nessun progresso e di proseguire i suoi studi è costretto di rivolgersi alla U.N.R.R.A. nel campo Profughi di Firenze. La sua presenza in Jugoslavia invece, oltre a dispensarlo di ricorrere all'assistenza alleata, le metterebbe in grado di raggiungere la famiglia della quale è separato da molto tempo e di cui ignora tuttora il destino e di attendere alla salvaguardia dei suoi interessi materiali. Ma questi sono da ritenersi principalmente i diritti su ipoteche su immobili a Fiume per un valore effettivo di ca. £ 200.000.- a titolo di risarcimento per proprietà effettuate da mio padre

prima della guerra e rimborsabile verso la fine del 1946 dopo la scadenza del contratto quinquennale concluso nel 1941 in occasione della trascrizione dei diritti ma richiedette somme sul conto del sottoscritto che in virtù delle relative clausole figura come unica persona giuridicamente autorizzata a sottoscrivere delle rechiamazioni. Il caso si presenta tanto più urgente in quanto un mancato accordo ritarderebbe probabilmente oltre il termine di scadenza impedirebbe una buona definizione ed eventualmente la perdita totale dei diritti. Data la delicatezza di questi affari e la giustificata impossibilità di spiegarsi per mezzo di lettere ecc. già perchè in mancanza dei documenti dovrebbero essere svolte delle laboriose ricerche e questa spiegazioni, il sottoscritto viene a pregarvi che una sollecita disposizione del suo rimpatrio conservando dei suoi diritti in suo riguardo.

From: Artisan Confederacy of Sorrento

To : Supreme Allied Commander

I, the undersigned, Giovanni Stinga, on behalf of the Artisans of Sorrento, take the liberty to bother you, Sir, so that you will take into consideration the dire situation our artisans are in. We are living fast and our financial conditions are worsening because of the impossibility of trading with foreign nations.

Therefore, I am applying to you, Sir, in the hope that you will issue me a permit to enter into Germany and to sell our articles in Germany.

In the certainty that you will accede to my request, I thank you on behalf of the artisans of Sorrento.

TO : ALLIED COMMISSION TRAVEL CONTROL BOARD - ROME.

From a conversation with Colonel Loaf (PBS Leghorn) and Colonel Young (G 2 Hq.hg.MtoUSA) I was informed that your Commission grants travel-permits for Germany.

I have, as a German Anti-Fascist (confirmed by the Allies) obtained the permit - from the Italian Ministry of Commerce in Rome - to represent future German Exportation in Italy.

Thus I beg you to issue the travel-permit necessary for me to go to Berlin, for a period of one month, in order to give me the possibility to directly deal, with the local Allied Control Commission for Germany, matters concerning Exportation.

I beg you to issue such a permit as soon as possible in order to give me in the meanwhile the possibility to earn a living. My wife and son are in danger of starvation in Florence as there is no probability of work for Germans in Italy.

So far I am in Caserta where I work with the Allied Command.

Very Truly Yours

Wolfang Fritzsche.

Two brothers and three sisters of mine have been deported by Germans to poland and no further news have ever since been received about their whereabouts. For four of them I have very little hope, but one brother, DAVID Ludwig, deported with his wife from Berlin to the camp of Jawinowith (High-Slesia) in November or December 1942 or even in January 1943, may still be alife.

Can I be authorized to search them on my own account? I understand that by writing nothing will be found out, but my personal presence could produce a more concrete effect.

I add for your information: I was born in Germany, came to Italy in 1933 after the racial laws, have been teaching at Bologna University up to 1938 and now again since her liberation. For my University engagements I shall appreciate it very much if permission to go to Berlin and Jawinowitz would be granted to me for the months of July or August.

Thanking you in anticipation

I am 766A

Yours truly

Lucie David

ALLIED COMMAND
Civil Affairs Section,
Via Veneto Rome.

The undersigned NORA KOSCHINSKY married MASCIOTTA, born on the 23.7.1911 at Breitenberg bei Passau, Germany (Bavaria), resident in Florence, 5 Piazza SS.Annunziata, specialist for children's diseases, makes application to the Allied Command in order to obtain the permit for a trip to Germany accompanied by her husband MICHELANGELO MASCIOTTA, born on the 28.3.1905 at Casacalenda (Campobasso), Italy, Professor for History of Art at the Academy of Art in Florence, - both of Italian nationality.

The undersigned had the German nationality before her marriage and was obliged to leave Germany because, owing to her father's jewish race, she could not practice in Germany. Since 1939 she could no more obtain the permission to enter Germany and to see her parents at Breitenberg in Bavaria because she was considered an undesirable subject. After two years and a half, during which time she had no news whatsoever from her parents, she knew that her father had died in the meantime. She is now anxious to obtain permission to visit Germany to inform herself of the conditions in which her mother is living and of the disposition of her father's property and the testamentary provisions of his will. She would like for the settlement of necessary business to remain in Germany for from 6-8 weeks together with her husband, who is of necessary help.

She will greatly appreciate an early reply and be grateful for any assistence in facilitating her in this matter.

signed:

Subject: Permit to go e fetch ill wife in Gy. e come back.

Dear Sir ,

I am very grateful for your letter G.R.I 389-506/18-K-L of March 27

1)My wife is in a nursing home in Weinsberg Kreis Heilbronn in Wurttemberg for a serious breakdown . She has got the permission by the American Authorities in Stuttgart to come back to Italy , but she is not fit to travel alone with 2 small children in such a bad state of health .
2)It is then really necessary that I go e fetch her .
3) The Italian Authorities in Savona are willing to give me a permit for my going in Germany e coming back again .
4)But they cannot give me this permit as long as the American Commission in Rome does not give it first .
5)That is why I am applying to you that you may send me the permit to enter into Germany e come out again .
6)As my wife is so unhappy e ill , I should ask for your kindness to send me the permit the sooner possible .
7)The Italian Authorities here in Alassio where I live e in Savona the near by town , know all about it .
I thank you very much for all you do

Yours sincerely

Emilio Fischer

The director of the American Joint Distribution Committee Headquarters Allied Commission APO 394 Rome informs me by the letter dated March 21st that I have to make a petition addressed to you concerning a permit to go to Berlin. I take the liberty in writing what follows:

I was born on the 6.4.15 in Klettwitz (Germany) as a single child of the lawyer and notary Berhold Schulz and his wife Elise Schulz born in Hohberg. My father was e jew and he is died. Under the law valid in Germany by this past time I have been qualified as half-breed first degree (Mischling I.Grades). In 1937 I have married in Berlin the Italian citizien Beniamino Pizzinato. After this marriage my husband and I have had tu suffer many social, moral, financial disadvantages and I can give references upon that. Till the 14.6.45 we have had our uninterrupted residence in Germany and that in Berlin-Charlottenburg 9? Kaiserdamm 83. The reason for which we have remained in Berlin, especially during the last years of war is because I was in a certain way sufficiently protected through my mother (a protestant) and my husband, a transfer in Italywould have cost me a concentration camp, for the law since 1943 valid in Italy would have considered me as a Jewess, besides my husband's family was under a special control of the Gestapo, why my sister's in law son was a partisan and had flew in the mountains. - On the 14.6.45 a Russian Colonel of the N.K.W.D.(ex-GPU) invited us kindly but decided to leave Berlin via Mosca in two hours and a half on purpose of entering in Italy. I objected that I had no intention to leave Germany, especially in this moment, when the liberation was come and besides to leave alone my mother ill and aged sixty seven. The reply was that: 1.) all foreigners were obliged to leave Berlin, 2.) I could take with me my mother. By reliable source I know that the first point is not founded on facts and to realize the second point it was refused. My husband and I with a hundred thirty five foreigners of all nationality have been kept during four and half months in a concentration camp(Krasnogorsk by Mosca, camp 27). This time was utilizied for controlling our identity an specially our political past in Germany. On the day 31.10.45 we have been put on the train and we arrived in Riva sul Garda on the 7.12.45. What twelve years of nazi-regime could not realize, has been effectued in two and half hours on the 14.6.45 without giving me the possibility to see my mother for the last time.before starting and dispose

CTSB Letter

The director of the American Joint Distribution Committee Headquarters Allied Commission APO 394 Rome informs me by the letter dated March 21st that I have to make a petition addressed to you concerning a permit to go to Berlin. I take the liberty in writing what follows:

I was born on the 6.4.15 in Klettwitz (Germany) as a single child of the lawyer and notary Berhold Schulz and his wife Elise Schulz born in Hohberg. My father was e jew and he is died. Till the 14.6.45 we have had our uninterrupted residence in Germany and that in Berlin-Charlottenburg 9; Kaiserdamm 83. The reason for which we have remained in Berlin, especially during the last years of war is because I was in a certain way sufficiently protected through my mother (a protestant) and my husband, a transfer in Italywould have cost me a concentration camp, for the law since 1943 valid in Italy would have considered me as a Jewess, besides my husband's family was under a special control of the Gestapo, why my sister's in law son was a partisan and had flew in the mountains. - On the 14.6.45 a Russian Colonel of the N.K.W.D.(ex-GPU) invited us kindly but decided to leave Berlin via Mosca in two hours and a half on purpose of entering in Italy. I objected that I had no intention to leave Germany, especially in this moment, when the liberation was come and besides to leave alone my mother ill and aged sixty seven. The remly was that: 1.) all foreigners were obliged to leave Berlin, 2.) I could take with me my mother. By reliable source I know that the first point is not founded on facts and to realize the second point it was refused. My husband and I with a hundred thirty five foreigners of all nationality have been kept during four and half months in a concentration camp(Krasnogorsk by Mosca, camp 27). This time was utilizied for controlling our identity an specially our political past in Germany. On the day 31.10.45 we have been put on the train and we arrived in Riva sul Garda on the 7.12.45. What twelve years of nazi-regime could not realize, has been effectued in two and half hours on the 14.6.45 without giving me the possibility to see my mother for the last time.before starting and dispose of my affairs.

I present my petition with the following arguments:

1.) I kept my uninterrupted residence in Berlin although married with an fordgner.

2.) Under the present aspects I may consider me as absolutely political unobjectionable, the same is worth for my mother and my husband.

3;) My mother is aged and sickly. I don't know if after the end of this war her financial conditions are unchanged, but I think it is impossible for her to provide for a long time and maintain herself without my help.

Declassified E.O. 12356 Section 3.3/NND No. 785016

4.) As my departure on the 14.6.45 passed off in the shortest time, it was impossible for me to dispatch only a part of the things, which was absolutely to execute: life-assurance, to place my furniture, bring home my boxes still existing, put out the bank-account, testament-regulation, taxes and other engagements.

5.) If the autorithies refused my residence in Berlin the things specified in 4.) are to dispatch more than ever, because my financial situation in Italy il logically very strained and I have the intention the last that has been spared of the war to secure and later to send in Italy, besides it is necessary to find a solution for 3.) so that I may have the possibility to make all necessary steps in Berlin to take my mother in Italy. -

With many thanks and regards.

A suo tempo - e precisamente il 24/1/1946 - rivolsi domanda al fine di ottenere il passaporto per mia moglie e per me onde ritornare in Augusta di Baviera (Germania) - Città natale di mia moglie e residenza dell'unica parente in vita di quest'ultima: la sua mamma.

Sono stato prigioniero in Germania e il 16 maggio 1945 insieme a mia moglie ne partii per rientrare in Patria perchè ansioso di rivedere la mia terra e i miei familiari dopo un'assenza di circa CINQUE anni.

E' da allora Signori, che nessuna nuova di mia suocera abbiamo ricevuto malgrado gli insistenti messaggi inviati per la Croce Rossa Internazionale e per il Vaticano.

Mia moglie, in seguito alle continue malattie causate dalla diversità del clima, ha abortito all'8° mese di gravidanza rimanendo in istato di malattia che va minando le già precarie - molto precarie - condizioni di salute.

I Medici curanti hanno tutti diagnosticato il ritorno in Germania per evitare il continuare e l'aggravarsi delle malattie che la tormentano.

Ho scritto invocando che il passaporto fosse concesso e mi si è risposto "di attendere un momento più propizio".

Ho riscritto senza ottenere risposta alcuna e, pertanto, prego la Commissione Alleata ed il Sig.De Gasperi - cui la presente è diretta per conoscenza - di volere evitare che un povero uomo, onesto e retto divenga anarchico e si senta costretto a considerarli colpevoli della perdita di una vita umana da addebitarsi "AD IDIOTE ED INSIGNIFICANTI RAGIONI DI STATO CHE LIMITANO IL DIRITTO DEGLI UOMINI".

Perchè, Signori, mia moglie muore ogni giorno di più!

E se l'inevitabile dovesse accadere, voi, e solamente voi, sarete i colpevoli che dovranno risponderne davanti agli uomini prima, e poi davanti a Dio!

Credo che la mia invocazione sia chiara e convincente e, pertanto, resto in fiduciosa attesa.-

Pregasi trattare un solo oggetto per ogni lettera

OGGETTO Permesso delle Autorità alleate per il viaggio in Germania del n/ Titolare.

Il n/ Titolare, CALLIGARI Rodolfo, ha richiesto ed ottenuto da codesta Questura, con l'approvazione del Ministero del Commercio con l'Estero e di quello degli Affari Esteri- Roma, il passaporto no. 61648-P/Reg.3736, valido sino al 18-9-46, per recarsi in Germania e precisamente a BOCHUM (Ruhr) ed a HEMER (Westfalia).

Lo scopo di detto viaggio, con permanenza in Germania di circa 10 giorni, è di esaminare con le Autorità militari inglesi di occupazione della zona:

a) la possibilità di ritirare e trasportare in Italia materiali metallurgici, già allestiti d'ordine e per conto nostro dalle Acciaierie Bochumer Verein A.G. di Bochum (Ruhr), da noi già pagati, segnalati giacenti in fabbrica a n/ disposizione, ma rimasti bloccati colà in seguito al divieto d'esportazione emesso nel Luglio 1943 dalle autorità germaniche;

b) la possibilità di dar corso a diverse nostre ordinazioni di rotaie speciali per curve, di acciaio compensato, nei profili unificati italiani e di scambi a lingue flessibili, brevettati e quindi di produzione esclusiva delle acciaierie di Bochum. Detto materiale è particolarmente urgente alle aziende tranviarie municipali, n/ clienti, di Roma, Milano, Napoli, Firenze e Genova per il riassetto delle loro linee;

c) la possibilità di far ultimare la costruzione del macchinario relativo ad alcuni impianti speciali per la fabbricazione in grande serie di tubi saldati elettricamente e destinato ai n/ clienti: S.p.A. Acciaierie e Ferriere Lombarde Falk e S.p.A. Edoardo Bianchi, entrambe di Milano. Tale macchinario ci risulta parzialmente approntato ed è stato parzialmente anche pagato in anticipo, per cui la sua ultimazione ed introduzione in Italia

sono necessarie, non solo per evitare ai n/ clienti perdite di danaro, ma perchè detti impianti sono di grande interesse per i lavori di ricostruzione. Detto macchinario non viene prodotto da case italiane e le sue moderne caratteristiche tecniche e di alto rendimento economico riteniamo non possano essere assicurate da altre case estere.

È beninteso che per le forniture di cui sotto b) e c) non ancora pagate, oppure da pagare parzialmente, i relativi importi potranno essere versati alla potenza occupante quella zona germanica, in conto riparazioni dovute dalla Germania, ove tale modalità sia di gradimento del Comando Alleato. Per gli accordi del caso è indispensabile che il n/ Titolare si rechi in Germania e prenda contatti diretti non solo con gli stabilimenti fornitori, ma anche con le autorità militari alleate d'occupazione.

Tenuto conto della particolare urgenza che i precitati n/ clienti hanno di ricevere quanto ordinato sin dal 1941/42/43, ci è gradito sperare che vorrete inoltrare sollecitamente codesta domanda ed appoggiarne il buon esito presso le autorità alleate competenti.

Vi ringraziamo anticipatamente e vi salutiamo con perfetta stima.

Oggetto: Permesso di viaggio in Germania a favore di CALLIGARI Rodolfo - Milano.

La ns. Società ha ordinato sin dal 13/11/42 alla Ditta Rodolfo Calligari, Via Carlo Farini nº 53 - Milano - concessionaria della Maschinenfabrik August SEUTHE di Hemer i/W, diverso macchinario per la fabbricazione di tubi di acciaio saldati elettricamente.

La fabbricazione di detto macchinario ha dovuto essere sospesa nel Luglio 1943, per ordine delle autorità germaniche.

Poichè i ns. Stabilimenti hanno subito gravi distruzioni in seguito agli eventi bellici, abbiamo urgente bisogno di riorganizzare i ns. impianti onde potenziare la produzione di biciclette. A tal fine ci occorre disporre entro il più breve termine possibile del macchinario precitato.

Preghiamo quindi codesta Questura di voler inoltrare sollecitamente la domanda presentata dalla Ditta Rodolfo Calligari di Milano, intesa ad ottenere il permesso di viaggio in Germania per il suo Titolare, e di appoggiarne il buon esito presso le autorità alleate competenti.

Vi ringraziamo anticipatamente e ben distintamente Vi salutiamo.

Attention: Colonel Young

Dear Sir:

The undersigned Mother General of the Mission Congregation of the Servants of the Holy Ghost at Via Latina 41, Rome-- respectfully requests permission of the Allied Authorities for a Sister to enter Germany.

After a medical examination last week the said Sister was found to have tuberculosis. The climat in Rome, especially the approaching summer heat would be very harmful for the patient, but the Congregation has no other houses here in Italy to which she could be transferred. We have a hospital in Hiltan near Duesseldorf, Germany, which seems to be an ideal place, since it has a very healthful location and has proper equipment for the required treatments, which according to doctor's orders will extend over a considerable period of time. Therefore we ask kindly to grant Sister permission to enter Germany.

Sister's name: Katharina Nonn-- known as Sr. Malachia
She was born: April 1, 1887 in Brohl/ Rheinland
Her father's name: Carl Nonn
Her mother's name: Sophia Paulson
Sr. Malachia has resided in Rome since December 16, 1937.

Thanking you for your kind consideration in this matter and awaiting a favorable reply, I am

Respectfully,

SUBJECT : Request for a passport.

Undersigned AMORT Alma, daughter of Alberto, born at Matrei (Innsbruck) on the 14/4/1918 and living at Trento, begs to point out the following:

I should go to LINNIC (Rheinland) -Germany-, in order to get married to Eng. Werner FINKELDEI, to whom I am engaged since many years. The place, in the Aachen district, is under the English administration.

During January last, I forwarded to the TRENTO Questura all the necessary documents in order to obtain a passport and also a certificate issued by the Trento Tribunal proving my engagement.

Some days ago, I went to the Questura in order to get an answer, and I was told that the files shall not be forwarded to Rome because no passport can be released to Germany.

Thus, I warmly ask your Commission to take my case into careful consideration, and to kindly inform me about the eventual possibility to re-join my fiancee. I point out that my situation is by far not that of people wanting to emigrate in order to get a work abroad, as my fiancee is well to do and owns a house, and besides gets a good salary from his work as an architecht. Consequently, he can afford to maintain a wife.

On request by your Commission, I could forward the letters which my fiancee sent me just lately through the Vatican Mission, testifying what I stated.

I warmly beg your Commission to aknoledge receipt, informing me when I shall be able to get a passport or else a temporary visa.

I thenk you in advance,

Oggetto: richiesta passaporto.

La sottoscritta Amort Alma, di Alberto, nata a Matrei (Innsbruck) il 14.4.1918 e risiedente a Trento, dovrebbe recarsi in Germania e precisamente a Linnich (Basso Reno) vicino ad Aquisgrana, territorio questo occupato dagli Inglesi, onde contrarre matrimonio coll'Ing. Werner Finkeldei, suo fidanzato giá da parecchi anni.

A questo scopo la sottoscritta ha giá presentato nel mese di gennaio alla R.Questura di Trento, tutti i documenti necessari per ottenere il passaporto , nonché l'atto notorio del Tribunale di Trento, comprovante l'avvenuto fidanzamento e le sue ragioni per doversi quanto prima recare in Germania.

Recatasi giorni fa presso la Questura, le é stato riferito che la pratica non poteva essere inoltrata a Roma , perché nessun passaporto viene momentaneamente rilasciato per la Germania.

Ora la sottoscritta si rivolge a codesta Commissione con preghiera vivissima di voler considerare il suo caso e di voler gentilmente informarla sulle eventuali possibilitá di raggiungere il suo fidanzato. Fa presente che la sua situazione é ben diversa da quella di coloro che si vogliono recare all'estero a scopo di lavoro e che il suo fidanzato é benestante con casa propria , oltre ad esercitare una professione (ingegnere-architetto) redditizia. Egli puó quindi garantire al mantenimento della moglie.

Dietro richiesta di codesta Commissione possono essere inviate a Roma le lettere del fidanzato avute in questi giorni attraverso la missione pontificia e comprovanti quanto sopra dichiarato.

La sottoscritta resta in attesa di un cortese cenno in merito, e prega la Commissione volerla eventualmente informare a quando ci potrebbe essere la probabilitá di ricevere il passaporto o un permesso anche provvisorio.

Dear Sirs,

While enclosing an application for an authorisation to enter German Territory, we wish to give the following references regarding our firm and our Mr. Braendli :

The Swiss General Consul of Milan: Dr. A. Brenni,
via Beretta 8, Milan,
The Swiss Chamber of Commerce, Foro Bonaparte 51 , Milan.

Our firm specialised in Wall Paper importation (we represent the Allan Cockshut Ltd., England) and production since 1908.

Your authorisation would permit us to recover = at least partially = some of our patterns and cilinders = which at the outbreak of the war chanced to be in German hands and of which the loss is bitterly felt.

Our production = which was resumed in November = could be incremented very much more if this handicap could be over= come.

We are at your full disposal for any further information you may require and beg to remain, Dear Sirs, with our best anticipated thanks

TO: ALLIED COMMAND

ROME

SUBJECT: Primerano Giuseppe.-

We beg to transmit you the hereto attached notary's deed in connection with person on above subject, who wishes to go to Germany. His request needs our approval. On regard the Questura of Catanzaro communicates as follows:

"The s/m requests a passport for Germany stating that he has to go to Monaco(Faviera) to join his wife Sofia Shelesinger, and in connection wrote to St. Anna's R.C. Parish at Monaco for his marriage certificate.

He went to Germany in 1937 for work reasons and in 1940 returned to Italy to do his military service during which he was made a prisoner by the Germans. About the end of last October he returned from the War Camps and took up his old abode at Santa Caterina Ionio, where he lives alone having neither parents nor relations.

His marriage appears to have taken place in September 1945 according to the laws of the church and across notary's deeds. He was unable to get his papers from his place of birth owing to the interrupted communition with Germany."

"" La controscritta Schaedlich Maria Margherita ha chiesto la rinnovazione del passaporto per fare ritorno a Munchen(Germania).
