TRANSLATION

To : Allied General Command, Caserta.

I, the undersigned, Federico Burigo, son of Giosue' and of the late Elisabetta De Villa, born at Sedico on 13 September 1911, am requesting your Command for a six-months passport for Germany where I have to go for the following reasons:

On 22 July 1945 I handed to Mrs. Elsa Paaschen, Berlin-Schoneberg, Hauptsrasse 158 the sum of 80.000 reichmarks for the purchase of a building to be fitted into a hotel with cinema in the vicinity of Lanwitz.

On 13 September 1945 I was forced by Allied authorities to repatriate and was thus unable to take care of file concerning transfer of property.

I inform you that I gave the sum of 1.000 reichmarks to notary Gertrud Tschesche for the fees of transfer of ownership of afore mentioned building but as yet I have received no answer, due to lack of communications to and from Berlin.

I stress my extreme necessity of obtaining the required permit which I need in order to take care of my interests inasmuch as all my property is in Germany.

Confident that my request will be heeded I thank you in advance.

yours truly

s/ Federico Burigo

C A S E R T A

Io sottoscritto BURIGO Federico di Giosuè e fu De Villa Elisabetta nato a Sedico il 13/9/1911, chiedo il passaporto per la Germania per la durata di mesi 6 per recarsi a Berlino per i seguenti motivi:

Il giorno 22 Luglio 1945 ho versato alla Signora Elsa Paaschen, Berlin-Schoneberg, Hauptsrasse 158, la somma di RM.80.000 (Ottantamila) per l'acquisto di un locale da adibire ad Albergo con cinema in località Lanwitz.

In data 13 Settembre 1945 sono stato obbligato dalle Autorità Alleate a rimpatriare e non ho più potuto curare le pratiche di passaggio di proprietà.

Faccio presente di aver versato la somma di RM. 1.000 (Mille) al notaio GERTRUD TSCHERNE per le spese di passaggio di proprietà del suddetto locale, ma non ho avuta nessuna risposta a causa che non è possibile aver comunicazioni con la zona di Berlino.

Pertanto ho estrema necessità di ottenere il chiesto permesso per curare i miei interessi dato che tutto ciò che possiedo si trova in Germania.

SUBJECT: Petition by Picone Francesco.

The undersigned, Picone Francesco, was made a prisoner two years ago at Gorizia and interned in Germany. There he met, and later married, a Miss Kranitz Veronica. When released , he came to Italy to see his aged parents.He now has interest to return to Germany, for many reasons pertaining to his wife. Firstly, his wife's parents are old and frail and no one to care for them; secondly, she is with child and thirdly, he can, through her, find a ways of living by re-opening a cafe which she had closed down because of the war.

In his petition he not only begs for your authorization to return to Germany aboard a vehicle thereto bound, but also appeals to your generosity to grant him, in view of his straitened financial condition, a modest allowance.

CAPOVA, Miss Edita, born JABLONEZ, 25 Aug 18
Passport 1418/572 issued Prague 4 Sept. 45
came to this office to-day requesting information as to how she could return to Prague. She had come to Italy to get married, travelling via Munich and Switzerland on a train conveying Italian wounded being repatriated. Her fiance being ill she now wishes to return to Prague. She was advised to apply to the Displaced Persons and Repatriation Sub-Commission of Allied Commission.

3. It was observed that her passport contained a transit visa for Austria as per enclosed specimen issued by the Austrian Consulate in Prague. This of course had never been used since she travelled via Germany and Switzerland. We should be interested to know of what value is such a visa.

With reference to parag. 26 of the Armistice terms, which has been substituted with the disposition that "the Italian in possession of a regular passport or permission can freely leave the Italian territory", he begs to ask again your Commission to grant him said passport or permission.

He furtherly points out that WALDSEE district is under the administration of French Authorities.

H.Q., A.C. A.P.O. 394

1. In October 1945 a Czechoslovak bus Mark PRAGA No. PC 11031 brought the new members of the staff of the Czechoslovak Legation in Rome from Prague to Rome. This bus has an Allied Forces Permit No. 104665 and is driven by drivers Josef PALEK passport No. 235534/45 and Tomas EDEL passport No. 235532/45.

2. The a/m bus is now returning to Prague with members of the Czechoslovak Legation in Rome who have been recalled to Prague, Mrs. J. KUSKOVA passport No. 234391/45 and Mrs. Ruzena PALKOVA passport No. 235533/45.

3. As this bus would return empty to Czechoslovakia, this Mission suggests to use this transport for the repatriation of some Czechoslovak nationals. They are mostly sick people and one child who would not stand the severity of a long travel by train.

4. It would be, therefore, highly appreciated if an authorization could be granted for the repatriatees shown on the attached Nominal Roll, to proceed to Czechoslovakia.

L'anno 1945, addì nove del mese di novembre, alle ore 10,30, nei locali dell'ufficio stranieri della locale R. questura, avanti di noi sottoscritti Funzionari di P.S. e Ufficiale di polizia giudiziaria è presente il sig: MECIAR Stanislao fu Imrich e di Julia, nato a Prievidza il 21/3/1910, dottore in filosofia, munito di passaporto slovacco n°440/42 rilasciatogli a Turc Sv. Martine da quella polizia il 20/3/1940.

Egli dichiara di essere venuto in Italia nel modo e per motivi spiegher nel corso del presente interrogatorio in compagnia di sua moglie MECIAR Anna nata NOVODVORSKA di Alois e di Emilia Kozak, nata a Prievidza il 5/7/910 casalinga, munita di passaporto slovacco n°40 rilasciatole dalla polizia di Turc.Sv. Martine il 19/1/1945, e di sua figlia Stanislava, di anni 4, nata a Turc Sv. Martine, iscritta sul passaporto della madre. Esse però non sono presenti all'interrogatorio perchè indisposte ed il Meciar dichiara che esse, per quanto concerne i fatti che passerà a descrivere, sono sempre state con lui e che perciò hanno da fare le stesse sue deposizioni.à

Egli viene diffidato con la sua famiglia a non allontanarsi da Roma ed a continuare ad abitare nella sua abitazione attuale di via Reno n.9, ed a tenersi a disposizione di questo ufficio fino a quando non sia completamente chiarita la sua posizione circa il permesso di viaggio per recarsi in Italia.-

A.D.R.: Abbiamo lasciato Turc Sv.Martine perchè l'avanzata russa incalzava e ci siamo recati a Bratislava da dove in seguito ci siamo recati in Austria ma anche qui dovemmo ben presto spostarci perchè i russi stavano per occupare tutta la zona. Ci siamo quindi trasferiti in Baviera ove abbiamo vissuto presso dei contadini, ma abbiamo sempre avuto il desiderio di recarci in Italia per poter vivere civilmente.

A questo proposito, d'accordo con i Sigg.Krucovsky Trembisek e Cigar Mronsky che si trovavano con noi insieme alle loro mogli, abbiamo inviato una persona a parlare con il sig.maggiore ROMANO Angle che abbiamo saputo si trovava ad Ulm, per sentire da lui, che conoscevamo per averne inteso parlare, per una brava persona, che ci avrebbe aiutati. Dal predetto sig.maggiore abbiamo poi avuto il permesso dattilografato recante la data del 15/10/1945 firmato da lui stesso in qualità di ufficiale di Collegamento Italiano presso la VII^ armata americana.

A.D.R.: Siamo giunti in Italia attraverso il passo del Brennero il 7/10/945 con un treno che trasportava molti profughi italiani e stranieri. Siamo giunti a Roma il 1/11/1945 e poichè siamo tutti sprovvisti di denaro ci siamo rivolti a Monsignor Dott.Giuseppe RAPALA in Vaticano il quale ci ha fatto anticipare dalla Città del Vaticano del denaro per permetterci di vivere.

A.D.R.: Abbiamo tutti l'intenzione di ritornare in Slovacchia, non appena sarà sgomberata dalle truppe russe.

A.D.R.: Il documento rilasciatomi dal Military Government of Germany il 12/6/1945, mi è andato smarrito insieme a quello rilasciato al nome di mia moglie.

Undersigned CHIARO Antonio living at 16 Rio Torbido St. Genoa Doria begs to renew his application in order to be sent back to Ulm in Germany.

He attaches enclosure stating that he has worked as a carpenter by the Truechsass Factory on account of the Americans.

He was allowed to return on leave in Italy on the 12th last September in order to visit his family which did not know anything more about him since he had been rounded up by Germans in March 1944. Actually they thought he was dead.

Being in possession of German passport Nr. 12492 K 42 and Arbeitbuch (Work book) A 308/1635 dated 8th May 1945, he now asks for the authorization to return to Germany.

He thanks in advance.

Declassified E.O. 12356 Section 3.3/NND No. 785016

Il recupero di questo materiale è molto necessario
e importante per ricostruire l'industria italiana.
Un consorzio in Italia ha chiesto a me se vi è
possibilità di fabbricare una macchina due tempi.
Auto. Union in Germania ha già fatto anni
addietro una macchina con questo sistema e
io vorrei approfittare di questo viaggio anche
per poter prendere licenza e disegni per fare
questa nuova macchina.
La fabbricazione di questa nuova macchina sareb-
be anche molto importante per la ricostruzione
dell'industria italiana primo per occupare degli
operai e secondo far pure lavorare piccole industrie
Voglio sperare che questa mia iniziativa sia
presa in buona considerazione e vogliate
rilasciarmi i relativi documenti necessari per
questo viaggio a Germania e ritorno a Italia.
Ringrazio anticipatamente per il disturbo che
vi reco e sono sempre a vostra disposizione
per qualunque informazione.

A.D.R.: Abbiamo lasciato Turc Sv.Martine perchè l'avanzata russa incalzava e ci siamo recati a Bratislava da dove in seguito ci siamo recati in Austria, ma anche di qui dovemmo ben presto spostarci perchè i russi stavano per occupare tutta quella zona. A questo proposito abbiamo inviato una persona a parlare con il sig.maggiore ROMANO Angle che, abbiamo saputo che si trovava ad Olm per sentire da lui che conoscevamo, per averne inteso parlare, per una brava persona, che ci avrebbe aiutati. Dal predetto maggiore abbiamo poi avuto il permesso dattiloscritto recante la data del 15/10/1945 firmato da lui stesso in qualità di ufficiale di collegamento italiano presso la VII^ armata americana.

A.D.F.: Siamo giunti in Italia attraverso il passo del Brennero il 17/10/45 con un treno che trasportava molti profughi italiani e stranieri. Siamo giunti a Roma il 1°/11/945 e poichè siamo tutti sprovvisti di denaro ci siamo rivolti a Mons.dott.Giuseppe RAFALA in Vaticano il quale ci ha fatto anticipare dalla Città del Vaticano del denaro per permetterci di vivere.-

n.5/1299/1998 6/901/45

MEMORANDUM FOR THE ALLIED COMMISSION

SUBJECT: Purchase of fishing-trawlers.

1. The "Società Cooperativa Armatori Italiani di Navi da Pesca d'Alto Mare" (C.I.A.P.A.M.) has learned from its Wersermunde correspondent, Signor Fortunato PAUL, that the American Occupation Authorities are about to proceed to the sale of 10 captured deep-sea fishing trawlers, each of about 280 tons dead-weight who are at present located at Wesermunde and Bremenhaven.

2. It would be the intention of said firm to purchase the trawlers in order to extend its activities to cod and herring fishing in Northern waters. The catch would be treated in the Wesermunde plants, to secure its preservations, and would then be sent to the Italian markets.

3. The C.I.A.P.A.M. estimates the yearly catch at about 15000 tons, a quantity which would greatly assist in the solution of the Italian food problem.

4. The Ministry for Foreign Affairs should consequently be very grateful to the Allied Commission if they would kindly recommend to the competent Authorities that the C.I.A.P.A.M. be allowed to submit a tender for the purchase of the trawlers.

5. It would also be appreciated to be informed as to the conditions and modalities connected with the sale.

4. The Ministry for Foreign Affairs should consequently be very grateful to the Allied Commission if they would kindly recommend to the competent Authorities that the C.I.A.P.A.M. be allowed to submit a tender for the purchase of the trawlers.

5. It would also be appreciated to be informed as to the conditions and modalities connected with the sale.

To ALLIED CONTROL COMMISSION

With reference to your letter AC/14421/PS dated 16 November 1945 and as three months have already elapsed, I take the liberty of bothering you again.

I resided in Germany with my family and as since three years I did not receive any news from my parents, I made up my mind to go to Italy for some time and see them, leaving my wife in Germany.

Of course I thought that I could have returned to Germany in a short time: but up to this day it was impossible for me to do so as the Italian Authorities do not grant visas for entering Germany.

Since I left Germany my wife had no news from me; so I am much worried about her. Consequently I address myself to your Commission in order to know if it is possible to obtain this permit to go to Germany i.e. to GELSENKIRCHEN Westfalen (which I suppose is controlled by a British Command), for settling everything.

If this is impossible for the present, I beg you to be so kind as to communicate me how I should send news to my wife.

Perhaps also you are head of family; so you can understand and excuse my eagerness.

Thanking you in advance

Sincerely Yours

(sgd) Nicola CASALUCI

My dear Dr. DeGasperi:

I refer to a letter on the above subject, dated 27 September 1945, from the former Prime Minister of your Government, Signor Parri (copy attached for your convenience), and to letters G/0631/1693 of 29 September and G/4543/2090 of 16 November from your Ministry.

I would inform you that it has been determined by Allied Force Headquarters that claims by Italians to property in Austria or Germany may be submitted by the Italian Government to the Russian, French, British or U. S. embassies as the case may require. Further, Allied Force Headquarters has ruled that, except in cases affecting a military interest in this Theater, they will not undertake to forward Italian claims to property located outside the Theater.

If you consider that any useful purpose would be served at this time by the Finsider Company or the Fiat Company sending technicians to Germany and Czechoslovakia, I would inform you that Allied Force and Allied Expeditionary Permits are required, as per paras. 2, 3 and 4 of the attached AC/14018/0/FS dated 7 August 1945.

The Finsider Company and the Fiat Company should be instructed to make application for such permits, which application will be given due consideration by Allied Force Headquarters.

Very truly yours,

Marian Cleveland

Dear Mr.Schweizer,

We have learned of your intention to shortly take a trip to Switzerland. We consequently take the liberty to address to you today a request which is rather out of the ordinary. Please be so kind as to notify from there Dr.Nino Mambretti of Fino-Mornasco (Como) that his father-in-law, Mr.Richard R.Walter died in Starnberg on November 12th, after a brief severe illness. He was suffering from cancer. He was buried there on 15 November.

Kindly let him also know that by Mr.Walter's last Will and Testament, Mrs.Vera Mambretti has become sole heir of his factory and of his Chemical Laboratories and that Dr.Mambretti has been appointed Testamentary Executor. During Dr. Mambretti's absence, Messrs Dir. As you are already aware we have two factories in Germany under the direction of our Manager, Mr. Bonelli.

We have from 40 to 50.000 cars circulating in Germany and the problem of ensuring spare parts for the cars in circulation is of the utmost importance. Besides, our factories in these zones - Heilbronn a/Neckar and Weinsberg (American zones) must be enabled to carry out a type of production which is of interest to the Allied Authorities. In the month of October our Mr. Bonelli returned from Germany to refer on the situation, to prepare for the shipment of spare parts and to prepare the blue prints for the spare parts to be manufactured in Germany which are required for the tens of thousands of cars circulating in that country.

He returned from Germany with a permit released by the Military Government in Germany which expires on the 31st of April 1946 and with a permit released by the Gouvernment Française Suréte National which expired on December 31st, 1945. As Mr. Bonelli fell ill in the meantime it was impossible for him to return for the above date and therefore his permit has expired.

Two applications which were made out on the apposite forms and recommended both by the Regional Military Government and Public Safety, for unknown reasons have not yet been sanctioned. A New application has been presented through the Ministry for Foreign Affairs. The question becomes more urgent day by day and the delay in Mr. Bonelli's departure for Germany prevents the solution of problems which are also in the interest of Allied Command.

The same applies for his trip to Austria (Tyrol and Voralberg
