Extract of a letter from the motherhouse of the deaconesses at Düsseldorf - Kaiserswerth ,Germany - Rhineland/British Zone,dated June 27th,46 to the deaconesse -home and clinical hospital here in Rome,via A.Farnese 18, concerning the sisters Johanne Kolb and Luise Labringhaus:

" Hoping that sister Johanne Kolb will get again quite right(Means:health) we call her back with the heartliest welcome into the mother - house,if it may be not better,as you are also of the same opinion,to transfer her for curing directly to a station of the Tropengenesungsheim at Tübingen (French Zone - also a property of the deaconesses).Rather we shall send her back once more or keep her here,is in the decision of the doctor Mc. I write particularly to sister Luise inviting her to come back to the motherhouse under all circumstances.

.....

It is clear for us that with this call back to the homeland we must make restitution to you. loping that it is possible to get the travel - permission from there to the motherhouse and from here to Italy by intercession of the Oekumenic Council Genf.

Dear Findlay

I attach hereto a pro-memoria from Miss Maria Fluegge with a request for her repatriation to Germany.

Miss Fluegge has been employed in this Office since October 1945 and has giventhe utmost satisfaction.

It appears that her mother is entirely alone in Berlin without any visible means of support and I feel that it would be an act of charity if you could see your way clear to assisting this poor girl to get home.

Yours sincerely

My mother, Frau Elisabeth Fluegge, Berlin-Zehlendorf-West, Ilsensteinweg 63 (Russian Zone, American sector) is at present living alone in Berlin without means of support. She is advanced in years and in bad health condition.

My repatriation would permit me to be able to help her, as in consequence of the bombing of our home we have lost all relatives and means of living.

I have been employed since October 45 as English shorthand-typist at the Chief Disposals Officer, Ministry of Supply office of Rome.

Before that time, during the war I was employed at the Unione Centrale Siderurgica, Milan, as German correspondent, where the Allied occupation found me. After which I came to Rome having in the city Italian friends, not being able to return to Germany for the restrictions for civilian travellers.

I would apply at once for work in an Allied office in Berlin.

If it is impossible to get an entry-permit to Berlin, I ask to go to the British zone of western Germany where also I will apply for work at the British Command.

Pavia, 25 July 1946

I have received your letter dated 19 July and I am sending back to you the inclosed for you requested me to fill out.

I have been residing at Frankfort on Main (Germany) from birth until 15 July 1942. On 15 July I came to Italy in order to accomplish my military service. Presently I am residing at Pavia Corso Carlo Alberto No 3.

In this meanwhile my mother died and I have not seen her grave yet. Now, as I informed you some time ago, my father is in very critical health conditions inasmuch as he is affected with cancer which will fatally lead him to death. I beg your Command to take into consideration my particular case.

Being in Italy, I am completely destitute and wearing many severe privations. My earnest desire is to go to Germany and see my father before he dies. Please, I beg you to do me and to my poor father such a favor.

On 6 July my sister forwarded a letter to your Command to inform you of the fatal disease affecting my father. Please issue me such a coveted permit as soon as practicable.

Awaiting your solicitous appropriate action, I thank you wholeheartedly. Accept my best regards.

May 3, 1946.

Bearer of this letter is the Rev. Eusebius Duregger, O.F.M.Cap., a duly ordained priest of the Capuchin Order. He has been appointed by hi Religious Superiors, by the Bishop of his diocese and by the Holy See to labor for the liberation and alleviation of those poor and unfortunate religious of South Tyrol who, against their own will, have been forced to serve in the German army and have been taken prisoner.

As Superior General of the Capuchin Order, the undersigned earnestly requests that the Rev. Eusebius be permitted to visit his unfortunate country-men and fellow-religious now detained in Germany. The reasons for this request are the following:

1) The prisoners in question are man from Alto Adige, Province of Bolzano, and in the year 1940 at the general option they voted against returning to Germany.

2) As memebers of religious order they were exempt from military service in accordance with the Concordat between Italy and the Holy See.

3) Nevertheless, when Alto Adige was occupied by the German troops, they were forced to join the German army.

4) Some of them were even obliged to become members of the German SS and of the German Police, for the purpose of giving expression to the German antipathy towards Catholic religious Orders.

Hoping that this request will meet with a favorable reply,

I beg to remain,

Sincerely yours,

Clement Neubauer, of Mil.

Indirectly we could hear that the Plant had to suffer demages during the Köln bombardment, but we are fully unaware of the actual conditions of same, whilst expenses are running and we do not know which they are.

As in order to reach Köln one must go through all the occupied areas, viz. French, English and American, a visa of all Authorities concerned would be required. We have been told however that, following a new agreement having been made between the various Military Commands, each of them may grant a visa being available for all areas.

Berlin W.30, den 17.April 1946
Neue Winterfeldtstr.7

Mein lieber Stefano!

Seit dem 1.April ist der internationale Postverkehr zugelassen; ich wollte aber den ersten Ansturm vorübergehen lassen und hoffe, dass Dich diese Zeilen recht bald erreichen.

Im Dezember 1945 erhielt ich Deine Anfrage nach unserem Befinden über das Rote Kreuz und antwortete Dir umgehend auf dem gleichen Weg. Inzwischen habe ich eine gleiche Anfrage von Dir, die nach Kladow gerichtet war, erhalten, sowie 2 Briefe vom 31.August 1945. Ich freute mich, aus Deiner Mitteilungzu ersehen, dass es Euch allen gut geht und Ihr alle beisammen und gesund seid. Dagegen wirst Du wohl mit grosser Bestürzung aus meiner Benachrichtigung über das Rote Kreuz erfahren haben, dass unser lieber Thetsch gefallen ist. Ach, lieber Stefano, ich kann Dir gar nicht schildern, was ich so ganz allein alles durchgemacht habe. Noch am 25.April war Thetsch bei mir, musste aber am Nachmittag wieder zum Dienst (er war am Sakrower See eingesetzt) und am 26.4. abends ist er gefallen. Erfahren habe ich es erst am 4.Mai und seitdem ruht er auf dem Kladower Friedhof. Ich kann es heute noch nicht fassen, obwohl es jetzt schon ein Jahr her ist, und ich bin überzeugt, dass es Dir und auch Wally sehr schwer werden wird, sich an den Gedanken zu gewöhnen, dass der allezeit lustige, lebensbejahende, stets hilfsbereite, gute, treue Thetsch nicht mehr unter uns weilt. Ich bin im Juni 1945 wieder in unsere Wohnung, die noch stand, aber sehr demoliert war, gezogen und lebe nun hier mit meiner Mutter ein für mich sinn- und inhaltsloses Leben. Du weisst ja auch, wie sehr glücklich Thetsch und ich waren, was für eine schöne Ehe wir führten (Du sagtest ja immer, wir wären noch nicht aus den Flitterwochen heraus), und nun kannst Du Dir vorstellen, wie mir Thetsch mit seiner grossen Liebe fehlt.

Ich kann mir denken, dass Dir nun sehr daran liegt, über Deine Angelegenheiten etwas zu erfahren. Elly war im vorigen Jahr dienstverpflichtet, mit ihrer Dienststelle evakuiert und kam erst im September zurück nach Berlin und wohnt jetzt Barbarossastr.34, Ecke Bambergerstr., also im gleichen Haus wie früher, nur Eingang Barbarossastr. In Deiner Wohnung hatte sich Frau Schöning breit gemacht und liess leider sehr viele Sachen, sogar Möbel, verschwinden. Deine Polstermöbel sind abgeholt worden, sogar Deinen Flügel hat jetzt eine fremde Dame, deren Adresse aber Elly weiss. Um einige Möbelstücke von Dir zu retten, schlägt sich jetzt Elly mit verschiedenen Leuten herum. Als mich Beatrice im September besuchte, brachte sie Deinen Radio-Apparat, den bis dahin Frau Marks hatte, zu mir. In Deine Wohnung ist ein Schneider eingewiesen worden, der die Möbel aus dem Esszimmer, und noch die vorhandenen Sachen aus dem Herrenzimmer und Salon sozusagen übernommen hat. Frau Schöning ist kürzlich eine Treppe höher gezogen.

Frau Schöning ist kürzlich eine Treppe höher gezogen. Die Sachen, die Du bei uns in Kladow hattest, habe ich mit grösster Mühe fast alle retten können. Was fehlt, musst Du mal selbst feststellen, da ich nicht weiss, was alles in den verschiedenen Paketen war. Von Deinen Sachen, die Du in Potsdam untergestellt hattest, ist leider nichts mehr da; alles hat Eule an sich genommen und verschoben. Sogar das Haus hat er gleich für sein Eigentum

Declassified E.O. 12356 Section 3.3/NND No. 785046

erklärt und die Mieten für sich behalten. Jetzt soll das Haus der Staat übernommen haben. Auf meine verschiedenen Schreiben hat Eule überhaupt nicht geantwortet. Selbst hinausfahren konnte ich noch nicht, da es mit grossen Schwierigkeiten verknüpft ist, die ich Dir nicht schriftlich auseinander setzen kann. Ich glaube aber, dass Du, wenn Du nach Berlin kommst, noch viel retten kannst, in erster Linie das Haus. - Das Haus Grossbeerenstr. ist noch in den letzten Apriltagen von Bomben getroffen und vollständig zertrümmert worden. Die Deutsche Hypothekenbank fragte inzwischen bei mir an, von wem die hiesigen Interessen des Grundstückseigentümers, des Herrn Oscar Wolkenberg in Mailand, nunmehr vertreten werden. Lebt eigentlich Herr Wolkenberg noch? Könntest Du Dich bejahendenfalls nicht mal mit ihm in Verbindung setzen und mir seine Adresse mitteilen? Ich hatte mich ja nie um Thetschs Haus-Angelegenheiten gekümmert, und nun weiss ich gar nicht Bescheid.

Lieber Stefano, es wäre sehr gut, wenn Du recht bald nach Berlin kommen könntest. Wie ich Dir schon durch das Rote Kreuz schrieb, halte ich es für das beste, wenn Du dann zu mir kommst. Du kannst dann auch bei mir wohnen, denn bis jetzt habe ich noch kein Zimmer vermietet. Ich würde Dir auch empfehlen, nicht gleich nach der Bambergerstr. zu gehen, sondern erst wenn Du mit mir gesprochen hast. Elly besucht mich ab und zu und bleibt auch in Fühlung mit Frau Marks. Gestern besuchte mich auch wieder Frau Grosskopf, die jetzt mit ihrer Tochter in Raupachstr.6 wohnt.

Mit Beatrice korrespondiere ich eifrig.-Dora ist jetzt in Braunschweig, jedoch ohne eine bestimmte Tätigkeit. Beim Theater kann sie nicht ankommen, und zu etwas anderem kann sie sich nicht entschliessen.

Elly, die noch die selbe komische Numero von damals ist, ist dauernd unterwegs; sie hat im vergangenen Jahr auch gleich Helm. Friedel aufgesucht, der auch sehr schlank geworden ist und die Reste seines Geschäfts, so gut es geht, weiterführt. - Unser Freund Grischa soll sich zu seiner Familie in die Schweiz begeben haben. Ob er dort angekommen ist, hat man nicht erfahren. - Frau Schubert ist noch mit ihrem Söhnchen in Hamburg, bezw. in der Nähe von Hbg. auf dem Lande. Sie möchte einesteils gern nach Berlin zurück. Ihr Mann ist in England in Gefangenschaft. - Mein Schwager Frost hat alles mit seiner Familie gut überstanden. Die Familie hat 10 Wochen bei mir gewohnt und hat jetzt eine Wohnung in Wilmersdorf gefunden. - Ich selbst war im letzten Sommer durch den grossen Kummer und die vielen Aufregungen und Strapazen so herunter gekommen, dass ich nicht mehr 45 kg wog. Jetzt geht es mir aber schon wieder etwas besser.

Für heute möchte ich meine Zeilen beschliessen und würde mich freuen, recht bald von Dir zu hören, bezw. Dich recht bald hier begrüssen zu können. Schreib mir doch bitte umgehend, wie Du und Deine Lieben die letzte Zeit überstanden und was Ihr erlebt habt und wie Ihr Euch die Zukunft denkt. Grüsse bitte Wally recht herzlich von mir. Ich wünsche Euch beiden für die Zukunft alles Gute und bitte Euch, mir Eure Freundschaft auch weiterhin zu erhalten.

SUBJECT : DIETRICH Herta daughter of Filippo and Maria Giuseppina, born in Germany on the 6/12/1917, German subject.

For competency, we beg to transmit the attached petition, forwarded by the person in subject in order to be repatriated to Germany.

The above, on August 1945, came from Germany to Carrara (Genoa) together with the Italian worker PICARELLI Arsene, from whom she had a son named FRANCO.

As PICARELLI is destitute of means and, although working as a tayler, is not in the position of supporting DIETRICH and her son, the said foreigner begs to ask to be repatriated to Germany in order to rejoin her relatives.

K O M A

Per i provvedimenti di competenza, si trasmette l'unita domanda con la quale la sopradetta chiede di ottenere l'espatrio in Germania.

La predetta, nel mese di Agosto del decorso anno 1945, venne condotta dalla Germania da Cervaro (Caserta) dal lavoratore italiano Ricarelli Angelo col quale ha procreato un figlio a nome Ivanoe.

Poichè il Ricarelli nulla possiede e ciò che col suo lavoro di mezzo non riesce a ritrarre il necessario per sostentare la DITRICH ed il figlio, detta straniera chiede di essere rimpatriata in Germania allo scopo di ricongiungersi ai propri parenti.

Gentlemen:

I, the undersigned, am an American citizen. By outbreak of the war I lived in Italy with my ~~Lad~~ wife and my son. We were promised a steamer to the United States, but so far there was no possibilty to return. I have inquired several times at the American Consulate General in Milano about the possibility of returning to the United States with my family. I was advised a few days ago, that such a transportation is expeted in the near future. As I have still funds in Germany, which were blocked by the Nazis and as some of my property was destroyed by bombs it is absolutely necessary, that, before returning to the United States, I have to travel to Germany to settle our money matters there, I instructed my administrator in Bremen, Germany, to contact the AMG in Bremen and to have my funds unblocked and obtain indemnity for the property destroyed by bombs. My administrator now advised me,, that my personal presence is absolutely necessary to settle these matters.

As the Consulate in Milano has not issued new American passports for American citizens living in Italy, I have aked the Consulate to issue to me some traveller's dccument for Bremen, Germany. The Consul replied, that he had not authority to do this. As I intend to return to the United States as soon as possible, I inquired at the AMG in Bolzano, whether they could provide us with some kind of traveller's documents to Germany. I was told by Major Hare, that he was not permitted, to give such documents and that we had to apply for these by the American Headquarters in Caserta. I would be very much obliged to you, if yould arrange for the necessary documents as soon as possible, or, if this is not in your jurisdiction, inform me please, who could help me, to obtaion the above mentioned documents.

As we have heard, that transportation to the United States is also possible from Bremen, I shall be very thankful to you, if you can advise me, whether you know, if this is based on facts.

I may mention, that the Italian authorities already stated, that at any time, that we wished to, they would provide any American document with the necessary visas and "lashiapassare" to leave and re-enter this country.

Of course we first need some kind of an American certificatian in order to supply these documents with the necessary visas and "lasciapassare."

Your early reply to this will be very much appreciated.

Very truly yours

To Whom It May Concern.

The undersigned hereby requests your office's permission to go for a two month period to Freising (Munich, Bavaria), in the American occupation zone of Germany.

It is urgently necessary for me to settle business there which I had to leave long ago. I am Italian born, but lived for ten years in Munich, and I am divorced from my German husband, who for seven years has been unable to send me and my fifteen year old son anything to live on. My mother who is a widow and who so far has made all sort of sacrifices to help us, can't support us any longer. It is essential that I go to Germany myself to find out what property is left, and to discuss with my husband what can be done about it.

Attached is a document I received from the Military Government in Freising (Bavaria), confirming all the above and giving approval to my request to go to Germany.

In the hope of your sympathetic understanding of my very urgent and needy case

Yours:

1. In view of the fact that "authorization" had been given Mrs. Eberspacher and son to return to Germany this matter was taken up with Property Control Section this Headquarters. It is regretted that they still strongly recommend disapproval. In view of this fact this Board cannot favorably consider travel application described in the above basic communication.

2. The Board realizes fully the embarrassing position in which this refusal will place you. However, the Board obviously cannot compromise its policy to compensate for unauthorized action of individual persons in the United States Army.

3. Please recommend to Mrs. Eberspacher that she would do well to write to Property Control Section this Headquarters giving full details as to her property. If the above-mentioned Section will deem her travel to Germany necessary, the Board will then issue travel documentation desired.

To the High Commander in Chief
of the Allied Forces in Italy
CASERTA

Dear Sir,

I apply to you for help.

My mother Mrs. AMALIE REICH living in Weimar (Thuringen) 83 years old is dying, as you can see by the medical certificate attached, and the doctor wrote to me to come immediately.

Being her only child, she has nobody alse who takes care of her, and she is longing to see me as I do.

At the Questura of Milano I was told that they can only give me a passport for Germany if I receive the permission of the Allied Head Quarter in Italy to cross the frontier for going and returning.

My mother is in the Russian occupation zone, and I have to pass the English, American and French zones.

During the last year I tried in vain to take my mother in our house, but being born in Warsaw (Poland), neither she was allowed to come to us, nor I to go to Germany.

My husband is an Italian subject and so I am, and both our two sons were fighting on the side of the Allied Troops in Italy, in the 8th Army (Div. Legnano and Friuli).

Trusting that my petition will be granted as quick as possible, I remain, dear Sir, with many thanks by anticipation,

Your faithfully

sgd/ Elisabetta France nee' Reich.

Tempo addietro mi rivolsi al Comando Militare Americano di Heidelberg (Germania) con la lettera che allego in copia affinchè Loro ne possano prendere visione. Ebbi il consiglio di rivolgermi all'addetto militare a Roma, cosa che feci, e da questo ho avuto il Loro indirizzo, per svolgere la procedura da seguire per ottenere un permesso temporaneo per recarmi in Germania.

Mi permetto quindi rivolgermi a Loro e di pregarLi ad esaminare la mia posizione per vedere se fosse possibile concedermi un permesso per recarmi in Germania a ritirare la mia roba personale e soprattutto il mio corredo di scherma a me necessario per riprendere la mia attività in qualsiasi paese dove l'occasione si presenterà. Faccio presente che da ben due anni mi trovo disoccupato senza nessuna ricorsa e nell'impossibilità quindi di ricomperarmi la roba occorrente al mio lavoro.

Fiducioso di un benevolo accoglimento della presente anticipatamente ringrazio.

Claudio Azara

Ref your letter of 11th March No GBI. 389-506/18-K-2.

I have heard nothing further in the matter.

Could you again ask Germany if they have reached any decision.

Perhaps if you reminded them that my lawyer Mr. Lane Claypon wrote to the Political adviser for Germany at Munich, a Mr. Beehrman on the subject of my Fiancee & almost certainly mentioned my name, it might help.

I shall be very grateful if you will do what you can for me . It is now six months since I first asked permission.

Re: Travel to Germany:

Gentlemen:

Having made an application for a visa for the US occupied Zone of Germany to the Military Permit Office, Office of the Military Attaché, American Legation, Berne, Switzerland, we were referred to you. In consequence we beg to apply for

a Permit for aprox. 30 days, to visit Frankfurt/Main, US-occupied Zone of Germany, for the proprietor of our firm:

Commendatore Ferrario, Carlo
born: in Milan, Oct., 8, 1882
Residence: Milan, Via Baldissera 5

Reasons:

This Company has been for more than 20 years the exclusive representative in Italy for the German Chemical firm: I.G. Farbenindustri Aktiengesellschaft, Frankfort. During the first months of 1945 this Company had ordered large quantities of merchandise, being forced to prepay its value. The respective goods never were dispatched, having us informed the I.G. Farbenindustrie Aktiengesellschaft that the merchandise owing to transport difficulties could not be delivered and therefore had been stored in the establishments of I.G.

As this is an affair of much importance for us, being the value of the goods more than seven Millions of Lire, Mr. Ferrario wants to go to Germany and have conversations with the Officials of the I.G. as well as with the US Control Office for I.G. Farbenindustrie, trying to have delivered finally this merchandise, which undoubtedly is Italian property.

We therefore would be glad if you could be kind enough to grant the permit we apply for. We naturally are at your disposal for any more information you may need. Mr. Ferrario would travel in his own car, mark. MI 74716.

Hoping to hear from you soon, we are, Gentlemen,

Yours very truly

No. 18/VI/2 10 July. File

Sirs,

I, the undersigned Lodovico WOLFSKEHL - 16, Corso Concordia - Milano, with the present like to submit to your attention the following application :

Being of Jewish race, as soon as the Nazi government had taken over the power, I left Germany, and since 1934 I am living in Italy.

In 1938 my father was murdered in the Buchenwald camp.

My mother died on December 25, 1940 in Frenofort on Main, leaving all her fortune and belongings to her twin sister, who was deported to Poland on November 10, 1941.

By chance I got to know that the house where my mother had been living in Francfort is still existing, and I therefore should like to go there for a short time in order to see if I shall be able to save something which belonged to my parents.

I am already in possession of a valid passport, issued by the Ministry of Foreign Affairs with the authorisation to leave Italy and to return via Bremer. As the authorisation to re-enter Italy is only valid till September 1, 1946, I ask you kindly to grant me the permit to go to Francfort on Main for a period of about 15 days.

Hoping that you will keep my application in the best consideration, and thanking you in advance, I am, Sirs,

very sincerely yours,

Lodovico Wolfskehl

Dear Sirs! re / July 2.

I have learned by my cousin, certain A. Fortura that You are providing passports to travel to Germany and back here. I am an Italian citizen, residing in Germany, where my parents are still living. I came to Italy about 6 month ago, to see my uncles. I was provided with a permission from the American Military Government in Frankfort/Main, also signed by the Italian Military Mission attached to U.S. F.ETT. Headquarters there, which allowed me to go back to Germany. But when I arrived at the Brenner Pass, the Italian frontier-guard told me, that I couldn't go back to Germany. So I had to return to my uncles, where I am still living. Wishing now, to go back to Francfort, I kindly ask You , if You can provide me with a passport also that I can come back to Italy.
I was working as an interpreter for Military Government in Francfort, from which I got recomandations which are to Your disposition if You desire it.
Hoping to get soon Your news and thanking You in anticipation

Very truely Your's

Luigi Fortura

To : the Allied Forces Headquarters - Caserta.

I, the undersigned, Aldo FORTURA, son of Sabatino and of the late Elisabetta Felosi, born at Duesseldolf, (Germany), on 14 June 1922, (my parents were Italians aforad), am applying to your Headquarters for the following:

In reply to an application I forwarded to the A.C.H.Q. in Rome, I received from U.N.R.R.A. the enclosed letter; in compliance with the suggestion given thereby, I obtained from the Questura (Police Headquarters) of Pavia the passport for Germany No. 13852 P. It is valid for myself and my wife, Albertina Biscaldi, daughter of Pierino and of Maria Zanotti, born at Pavia on 28 January 1921, holder of a passport for Germany No. 81768 P issued by the same Questura.

Now I earnestly entreat you to let me have the required travel-permit, in consideration of the following reasons:

1. I desire to join my family, with whom I lived before I was drafted into the Army. They are presently residing at Frankfurt on Main, Grimmheim Stadtweg 108, U.S. Zone.

2. My father is about to die and wishes to see again me after so many years. (see enclosed letter from my sister).

3. I am unable to live here in Italy as I am without any material and financial means which could enable me to live away from my family.

In the hope that your Headquarters will take into benevolent consideration my present dire condition, and will issue me the permit required to enter Germany, at the earliest possible date so that I may see once again my father, I thank you wholeheartedly.

Lieber Aldo!

Da Du es noch nicht für nötig gefunden hast uns zu schreiben, will ich es tun. Leider ist es keine erfreuliche Nachricht.

Papa ist sehr schwer krank, er muß operiert werden. Er hat ein Tumor an der Blase, er kann nur noch Urin mehr lassen nur noch Blut. Man befürchtet, daß es schon Krebs ist; also kannst Du Dir denken wie es um Papa steht. Er wartet immer auf Post von Dir, man kann jetzt schon seit einem Monat wieder schreiben, und hättest Du es tun können, wir wüßten ja Deine Adresse nicht. Nun haben wir ihm Eure Briefe schreiben lassen. - Ihr habt immer wunderschöne Liebesbriefe an Papa geschrieben, hauptsächlich Deine Frau. Wenn Papa hier und wieder Papa ist, aber bekümmern tut Ihr Euch überhaupt nicht. Wenn Du Papa noch mal sehen willst dann sehe zu, daß Du genehmigung bekommst auf ein paar Wochen aber komme alleine denn ich habe keinen Platz, habe nur zwei Zimmer und Küche und alles klein und auf und hocke zwei Kinder also können sämmtlich zwei Familien darin Wohnen. -

Unsere Mama ist gestorben ohne Dich noch einmal zu sehen und war ihr größter Wunsch vielleicht kannst Du dann Papa wenigstens noch mal sehen. - Also ich hoffe, daß Du mir etwas auf dieser Nachricht hin schreiben wirst. -

Was machst Du jetzt? Hast Du Arbeit? Uns geht es gut, Christian arbeitet bei den Amerikanern und hat schon als Ausländer gut. - Renate ist ein nettes Kind geworden, und Jolande ist nun auch schon 8 Monate. - Also wenn Du kommst werden wir über alles andere sprechen. -

Sei für heute innigst geküßt auch von Renate und Jolande viele an Deine Frau. Deine Schwester Ginca

Mr. Edgardo Cortese, Admin. Asst., will be leaving by car for Prague (Czechoslovakia) on July 13th 1946.

His Italian papers are in order and he has already the Czechoslovak visa.

It would be greatly appreciated if Mr. Edgardo Cortese could be granted a transit visa through Germany. That would enable him to obtain the Swiss transit visa.

Thanking for the cooperation

1. The Italian Ambassador Francesco PITTALIS is in urgent need to proceed to Munich in view of being attended by Professor Karl WESSELY, a very famous oculist and specialist for the "glaucoma myopicus" which he is suffering from. The a/n was treated by said professor during the ten years (1932-1942) he spent as Italian Consul General in Munich and when he had to leave that town and the special treatment his eyes became worse, so much so that, last year, he had to try in Italy an operation on the left eye which was unfortunately unsuccessful.

2. In view of the a/m motive, A.F.H.Q. issued on behalf of Ambassador Pittalis and his wife, who has to accompa= ny him since he is not in position to travel alone, the here= with enclosed Allied Expeditionary Force Permits for their jour= ney to Germany, with which in the month of February 1946 they went to Munich.

3. While enclosing also a certificate of Professor Wessely which states that further consultation with Ambassador Pittalis would be necessary, the Ministry for Foreign Affairs would very much appreciate if A.F.H.Q. could kindly render valid for another urgent journey to Munich of Ambassador Pittalis and his wife the Allied Expeditionary Force Permits n.15009 and 15010, or issue on their behalf new permits for such purpose.

TO: The Allied Command - Caserta -

I am a Chaplain, returned from Germany in October of the last year. On my repatriation I was unable to take along with me my valises and left them at Stuttgart (Wurttemberg), hoping I could pick them up in this spring.

Therefore I am applying to your Allied Command in order to obtain a travel permit for Germany and, exactly, for Stuttgart, so that I may go and pick up my valises which I badly need.

My intention is that of returning back immediately. Among other things I left in Stuttgart also the portable altar which I have been using in religious services for the Italians either deported or prisoners there.

In the hope that I will be issued the travel-permit, I thank you and beg you to accept my regards.

I beg to ask your sub Commission for the authorisation to reach DRESDEN - A 24, Wilhelmstr. 3 Bundenland (Saxony) - Russian-held zone. I was released on September 1945 in Italy by the GARDA (Brescia) sub-Command, which adviced me to forward after six months an application to return to Germany with my family, as there was no possibility to travel back at that time. But the UNRRA in Florence replied to my application that only on 1947 there would be some transportation to Germany.

I am an Anti-Nazist and all of us are extremely needed in our country for the reconstruction. For this reason, I could not understand why the Allies should deny me to return there, also because of the fact that we Anti-Nazists must help the Allied Military Government to build up a new democratic conscience in our country.

Furthermore, on May 1945 I gave a blood transfusion for three American soldiers, thus saving their lives, and I always hoped that this would be aknowledged in my favour. It is absolutely impossible to stay any longer in Italy, because we Germans would starve here, and it is also unbelievable that our life must be harder now under the Allies than it was once under the Nazist Government. Thus, I hope very much that your Command will grant me the authorization to reach Germany. There is also a possibility to clandestinely cross the border, but I do not want to use this way, as I feel that it is more logic that the Allies should do something in order to improve the situation of the Anti-Nazists in Italy.

2359

Awaiting a favourable issue of this application, I warmly thank you in advance.

Attached herewith is a copy of a letter of recommendation issued on my behalf by Alfred A.Baitz, Military Chaplain at the Hq. Command APO 512, the original of which is in my possession :

To whom it may concern :

I hereby wish to certificate that the bearer of this note Wolfgang FRITSCHE was properly married at Mantova (Italy), and afterwards liberated with the understanding that he must remain in Italy and finitely. However it becomes more and more impossible for a German to live in Italy. The only solution seems to be that FRITSCHE return to Germany and there live until such time as conditions will permit him to bring his wife to Germany.
FRITSCHE was with us doing hospital work for many months.
During that time we had opportunity to study his character.

Ich bitte die dortige Sub-Commission um eine Reisegenehmigung nach:

DRESDEN-A 24, Wielandstr. 3, Bundesland Sachsen (Saxony), Russ.-Besatzungszone.

Ich wurde am 6.September 1945 von Sub-Command Ghedi(Brescia) nach Italien entlassen mit dem Bemerken,dass ich 1/2 Jahr spaeter wieder einen Antrag auf Entlassung nach Deutschland stellen soll.Da im September keine Moeglichkeit vorhanden war,mit meiner Familie nach Deutschland zu fahren.

Nach Rucksprache mit UNRRA in Florenz wurde mir mitgeteilt,dass durch die UNRRA erst 1947 Transporte nach Deutschland stattfinden.

Ich bin deutscher Anti-nazi und wir werden in Deutschland zum Aufbau dringend benoetigt.Aus diesem Grunde wuerde ich nicht verstehen,wenn mir die Alliierten keine Einreisegenehmigung erteilen wuerden.Denn letzten Endes liegt es ja im Interesse der Alliierten,dass die deutschen Antinazisten Seite an Seite mit den Militaerregierungen arbeiten und Deutschland im Demokratischen Sinne aufbauen.

Ausserdem habe ich im Mai 1945 3 amerik.Soldaten mit meinem Blut das Leben gerettet und hoffe damit,dass diese Soldaten am Leben erhalten werden konnten,dass die Alliierten nun auch ihrerseits mir entgegenkommen zeigen.

Es ist mir unmoeglich noch laenger in Italien zu verbleiben,da ich nicht ansehen kann,dass wir Deutsche hier dem Hungertod entgegen gehen.Denn dafuer haben wir nicht waehrend des Krieges die Alliierten unterstuetzt,dass wir jetzt dafuer der Not preislos ausgeliefert sind.Ich hoffe das wir Antinazisten bei den Alliierten ein menschenwuerdigeres Dasein haben,als waehrend der Nazi-Herrschaft.

Ich hoffe nun,das es moeglich sein wird,dass Sie mich allein nach Deutschland fahren lassen.Denn es gibt wohl auch Moeglichkeiten,dass man illegal nach Deutschland fahren kann.Ich will dies aber nicht tun,da ich auf dem Standpunkt stehe,dass seitens der Alliierten auchmal etwas getan werden kann,um wenigstens das Los der deutschen Antinazis in Italien zu verbessern.

Mit der Hoffnung auf recht baldige positive Antwort verbleibe ich mit den besten Gruessen und Hochachtung fuer das amerik.Volk.

Al GOVERNO MILITARE ALLEATO

ROMA

Con la presente rivolgo domanda al Governo Militare Alleato di Roma di potermi recare in Germania , a Rüdesheim sul Reno, in zona d'occupazione Americana, dove si trova mia sorella Laura Krämer Badoni, Rheinstrasse 3, gravemente ammalata e bisonosa di cure speciali. Detta mia sorella si è ammalata di difterite nel dicembre scorso ed ha avuto in conseguenza disturbi cardiaci che la costringono al letto e per guarire i quali occorrerebbe il riposo assoluto. Siccome però il di lei marito, Dott. Rudi Krämer è impiegato presso il Comando Americano di Assmannshausen ed è tutto il giorno via da casa, a mia sorella tocca la cura di tre bambini di 8,6 e 2 anni, cosicchè essa ben lungi dal poter riposare , è in continue ansietà per questi tre piccoli, con grave danno per la sua salute. Il mio intervento è quindi indispensabile per l'assistenza alla sorella e per la cura dei tre piccoli, che ora sono abbandonati a se stessi.

Per informazioni potete anche rivolgervi al Col.Bock , Headquarters U.S.Forces, European Theater, di Francoforte sul Meno , il quale è al corrente dello stato di salute di mia sorella.

Per Vostra norma l'Autorità Italiana mi ha concesso Passaporto per la Germania Nr. 52848-P N° del Registro 787 .

Resto in attesa di ricevere Vostre notizie favorevoli e ben distintamente Vi saluto.

She begs to ask for a travel permit in order to reach the said locality, where she owns a farm and a house. There are living two sons of her, both married, and a daughter, widow.

She points out that on May 1943, the Italian Consul adviced her to fly to Italy, in order to avoid to be interned in some concentration camp, which was happening to all Jews owing to the racial persecutions.

She was allowed to stay at MANTOVA, having issued and signed a statement, in which she promised that she would never be living on expenses of that comune.

Now, she is completely destitute of means, and owing to the fact that she speaks only German and is 65 years old, she is not in grade of providing for herself. Consequently, she should like to re-join her relations, who can support her, and warmly asks for a favourable issue of her application.

Spett. COMMISSIONE ALLEATA DI CONTROLLO

A.M.G.

Torno nuovamente ad importunare detta Commissione circa il lasciapassare per recarmi in Germania per prelevare mia Moglie.

Giorni or sono ho ricevuto due lettere di cui questa dice di non potersi muovere se non vado io personalmente Faccio presente a detta Commissione che io ero di residenza in Germania senonchè nel Settembre del I945 venni in Italia per una visita temporanea ai miei Genitori e dopo ho cercato tutti i mezzi per tornare in Germania ma fino a questo momento non ho potuto ottenere questo benedetto lasciapassare: di questo è in conoscenza anche codesta Commissione.

Faccio presente ancora che mia Moglie è di nazionalità Italiana però nata in Germania.

Il lasciapassare che io chiedo è per un massimo di due mesi.

Mia Moglie dice che parecchi Italiani in questo periodo si sono recati in Germania ora dice naturalmente perchè io proprio non posso ottenere il permesso?

Le autorità Italiane mi dicono che non è di loro competenza e che tutto dipende di un visto al mio Passaporto dalle

Stando le cose in questa maniera credino pure che ci sono dei momenti da diventare pazzo.

Eccellenza,

mi rivolgo direttamente a Lei, affinchè voglia benigniamente accoltarmi e quindi ajutarmi.

La sottoscritta Sarcletta Diomira nata Bertagnolli, da molti anni ha eletto domicilio a Monaco di Baviera insieme al marito Emanuele con i quattro figli tutti nati in detta città.

A Monaco mio marito possiede un edificio ad uso commerciale e vi gestisce due esercizi pubblici ricavandone il sostentamento per la famiglia. Da oltre tre anni la sottoscritta trovasi sfollata con le due figlie minori, una di quattordici l'altra di otto anni al suo paese natio, qui in Sanzeno (Val di Non) Trento.

Da qualche tempo la sottoscritta, avendo esaurito le somme risparmiate, versa in tristi condizioni finanziarie e deve fatica a mantenere, causa la lontananza del marito, le due figliolette.

Dall'altra parte, il marito ha la necessità assoluta della mia presenza per poter disimpegnare i suoi lavori, mancandogli anche l'appoggio dell'unico figlio maschio gravemente ammalato.

La sottoscritta da lungo tempo, ed esattamente dal tre febbraio 1946 ha inoltrato regolari pratiche presso la Questura di Trento, ma malgrado i miei solleciti non sono venuta a capo di nulla.

Pregando La di voler perdonare la libertà presami la ringrazio sentitamente

MEMORANDUM FOR THE OFFICER IN CHARGE:

SUBJECT: MANCINI, Pietro

RE : Screening

1. Pursuant to instructions from the Supervising Agent this office, this agent conducted an investigation on Subject to determine whether he represents a security threat. Original letter of request for investigation emanated from AC of S, G-2, RAAC, in letter dated 3 June 1946.

2. Subject was formerly a military chaplain in the Italian army. He is presently residing at Via Carlo Mirabello 23, Rome.

3. Personal information on Subject is as follows:

Date of birth: 21 March 1903
Parentage: Fu Giosefae di CONTORNI, Giuseppa
Occupation: Brother of the Franciscan Order

4. Check of the files of this office, SCI-2, SCI-3, 276 PSS, I/CS, CC.RR. and the Questura does not disclose any information on Subject.

5. On 7 June 1946 this agent interviewed MANCINELLI, Pietro, Building Superintendant of Via Carlo Mirabello 23, who stated in substance:

He has known the PIETRANGELO family for many years, and Subject is now living with this family in apartment #26, his sister being Mrs. PIETRANGELO. Subject formerly worked in Germany, ministering to the needs of Italian soldiers there that were prisoners of the Germans. Subject returned to Italy in January 1946, bringing along news of the whereabouts and condition of those soldiers so he could communicate this information to their respective families and friends. Brother MANCINI has never engaged in any political activities.

6. On 7 June 1946 this agent interviewed RUSSO, Nicola, residing in apartment 20, Via Mirabello 23 who stated;

Subject is a Catholic missionary, and he has also been a military chaplain in Germany. His work has been commendable because he returned from Germany with important news about Italian prisoners

war interned there whose fate was not known by their families and friends. Subject has never taken part in any political movement. Brother MAMBRINI is an outstanding religious figure, and has always enjoyed the deepest respect and admiration of all who have come to know him.

7. On 8 June 1946 this agent interviewed Subject at latter's residence. Brother MAMBRINI entered the Franciscan Order in his teens, and after completing his studies and after being ordained, he worked as a missionary in Albania. In recent years he was a missionary in Bavaria, and after the Italian surrender of 8 September 1943 he ministered to the spiritual and material needs of the first contingents of Italian troops that were imprisoned in Bavarian camps by the Germans. Subject made up lists of the names of these Italian prisoners and when Allied forces conquered Germany, he obtained permission from A.M.G. in Bavaria to return to Italy with that information. He arrived in Italy in January 1946, completed his mission of transferral of information, and now seeks to return to his parish in Bavaria. He has obtained a new passport from the proper Italian authorities.

Subject stated he has never taken part in politics of any sort, and that his whole life is dedicated to missionary work, and it is for that reason, and that reason only, that he wishes to return to Germany.

COMMENTS AND RECOMMENDATIONS

Subject's past has never been blemished by any propaganda activity on behalf of any political group. He has always aided the sick and suffering. It is therefore recommended that there be no security objection to Subject's traveling to Germany. Case closed.

I beg you to consider the following case:
German by birth, I am Italian by marriage since 1935. I was domiciliated in Hamburg where I had various interests. Also after my marriage I continued to live there with my husband.
Since 1935 I am sole attorney of the firms" Stepper & Co" and "Deutsche Zaehler Gesellschaft Nflg. A.Stepper & Co"Hamburg Bachstr. 9_17 of which I became owner with my sister by inheritance in 1942. Both firms manufacture and restore electrical meters for domestic use.
Our undertakings, which had considerable part in this special production before, are still more important now for the needs of the reconstruction so that the Allied Authorities have judged it necessary to nominate a trustee for the time of my absence.
The end of the war found us-my husband and me- in Davos, Switzerland where we had gone for health not guessing at all that in doing so, we should remain away from home heaven knows for how long a time.
In order to get back we had tried from Switzerland to obtain the necessary permit but till last January we were told that it was too early yet. As we had no more means we were obliged to come to Italy and stay with some relatives of my husband's who- taking in account our condition- offered us their hospitality, supposing however that it was not for an indefinite time. We hope now that it is possible for us to reenter Germany otherwise we do not know how to go on, as we have nothing at all in Italy, unless the Allied Authorities- in view of our special situation- will enable us to transfer the necessary means from Hamburg.
All these arguments seem to me strong enough as to let me hope that the Allied Authorities will give the permit to enter German territory and to resume my work in Hamburg.
Useless to say that we possess a lot of documents to support what I have said above.

I am a German chemist and stay with a friend of mine in the nearness of Perugia. Since Sept. 1945 I am a civilian actually and I am in the possession of the certificate of discharge, Control Form D.Z., with which I have been discharged to Italy by the Allied Command.
As I have the perfect command of the Italian language I have had the hope to succeed in getting a job in Italy either as a chemist or in another branch. But until today all my endeavours to systematise my life here in Italy has been without any success. Therefore I wanted to immigrate to another country and I have written during the last months to some embassies at Roma but I did not get any answer.
As I have no income and cannot live by an everlasting hospitality I am forced to return to Germany as soon as possible. For this purpose I spoke with the Allied Commands at Perugia and at Florence. They are not competent and I got the address of Your Command.
Therefore I am hereby asking Your Command to give me the authority to can travel to Germany or to send this letter to the competent Command.

I am a German chemist and stay with a friend of mine in the nearness of Perugia. Since Sept. 1945 I am a civilian actually and I am in the possession of the certificate of discharge, Control Form D. 2., with which I have been discharged to Italy by the Allied Command.
As I have the perfect command of the Italian language I have had the hope to succeed in getting a job in Italy either as a chemist or in another branch. But until today all my endeavours to systematise my life here in Italy has been without any succes. Therefore I wanted to immigrate to another country and I have written during the last months to some embassies at Roma but I did not get any answer.
As I have no income and cannot live by an everlasting hospitality I am forced to return to Germany as soon as possible. For this purpose I spoke with the Allied Commands at Perugia and at Florence. They are not competent and I got the address of Your Command.

The Danish Legation hereby certifies that Miss Ritha "j-lersen, M.A. (University of Copenhagen), a Danish subject, desires to proceed to Denmark after a three years' sojourn in Italy. Being impecunious she would be grateful if the necessary permission for travelling through Germany could be granted as this route is much less expensive than any other.

It should be added that a near relative, who has been to her in mother's stead, is mortally ill, wherefore her presence in Denmark is very desirable at no distant date.
