1. November 1944

Subject : Employment and discharge of civilian employees

To : D.C. of S., Establishment Section

1. With reference to the attached:

I have made enquiries but have failed to trace the original memorandum referred to in Head Quarter Commandant's letter. The Internal Security officer has now informed me that no document was in fact issued, but that the basis of excluding from employment anyone who was a member of the Fascist Party in the early years has grown up with A.C.C. and has acted as a demarcation line.

2. As I have explained to Lt. Bongarzone, it is difficult to lay down any set of rules as to who is, and who is not, suitable to employ from a security point of view, and it is neither a safeguard nor an equitable procedure to have a hard and fast rule as to the dividing line solely on the length of membership in the Fascist Party.

3. Very often a young man, at an impressionable time of his life, joined the party in its early stages, and subsequently, with more mature judgment, found that it did not live up to its early promise. There was no point in him withdrawing, unless of very strong political views, and consequently he simply maintained his membership but did nothing to further the aims of the Party. The test in these cases is "Did he achieve any status in the Party or make considerable profit". If the answer is "No" then I do not think it a fair procedure to prejudice him now.

4. What a man has done after the fall of Fascism is of very great importance, and although early members of the Party, many

36

6035

refused to go North with the Germans and made great sacrifices in so doing. The reprisals of the Germans against so many Italian families has driven many lukewarm former Fascists right against their old Allied.

5. The Scheda Personale form has been devised to give as accurate a picture of a person's history as is possible, and I think if the information on this form is studied intelligently, and the person cross examined on what he has stated, there will be few cases in which the examiner is in doubt.

6. Screening is a matter of experience and often depends on the accurate summing up by the examiner of the subject. The best way is to have all the information it is possible to obtain, Scheda Personale and a personal interview. The latter is most important as a subject's reactions to questions, his degree of integrity, and personality can be more accurately assessed in this manner than by the perusal of documents alone.

7. If the internal Security Officer is in doubt in any case, he is very welcome (as in the past) to consult officers of this Division who have had considerable experience in this work; Captain Ellis as well as myself having spent some months in reviewing the cases of civilian internee at Padula.

8. While this is not intended as a directive, I think there is sufficient material to act as a guide, bearing in mind always that it is more advisable in assessing character to be governed by broad principles than by a rigid rule of thumb method.

SUBJECT: Billoting Accommodation.

1. In reply to your request of 10 February relating to Miss Adele Fasano, I am sorry that I must inform you that it will be impossible to billet her in the Hotel Colonna with other key employees of this Headquarters. The hotel has been completely filled and there is no other space available. We are not permitted to request more property for civilians and, consequently, we cannot enlarge upon the present accommodation.

2. Even if it were possible to make room for Miss Fasano, under the present regulations we could not billet her as she was never authorized on the list of key personnel that were brought to ROME from NAPLES, SALERNO and BARI. My instructions are not to billet any personnel whatsoever in addition to the approved list that was submitted to G-1 (B) last summer. There are a number of people employed in this Headquarters that have made request to live at the Colonna Hotel. Some of these are American citizens and some are British citizens. If we were to make any exceptions, we would be bound to take care of all of them. This is not possible due to the limited accommodations that we have.

PER IL DIRETTORE :

MAJORE JOHN A. MCKAY

Roma, li 5/10/1944

Gentilissimo Signor Maggiore Mekai,

dono quanto ha scritto il Primo Presidente della Suprema Corte di Cassazione, asserzioni suffragate dalla trascritta dichiarazione del Comitato di Liberazione e da altre cui sono in possesso, ritengo di poter invocare la restituzione della posizione cui fui ingiustamente spogliato, mediante la ricostruzione della mia stroncata carriera. Trattasi in sostanza di un provvedimento restitutorio, che giuridicamente rispetti l'esistenza di un decreto reale, annullato dalla faziosità di un nefando regime.

Il lavoro fedele, appassionato, svolto presso la S. V. credo possa essermi giovevole al raggiungimento della finalità cui tendo e ciò anche in considerazione che non esitai a lasciare il mio posto.

Trascrivo nell'allegato una preziosa dichiarazione del Signor Colonnello Hannaford.

In varie altre amministrazioni le autorità Alleate hanno proceduto o suggerito delle nomine di loro persone di fiducia. Questa volta concorrerebbe la circostanza di riparare, contemporaneamente, ad una iniqua ingiustizia.

Con devoto ossequio.

L. De Angelis

Si trascrive la lettera scritta dal Primo Presidente della Suprema di Cassazione al Signor Colonnello Joung in data 27 giugno 1944 come dovrà risultare dal carteggio del Comando della Polizia Alleata

Ill.mo Signor Colonnello Joung
Capo della Polizia dei Governi Alleati
R O M A

Mi permetto segnalare a V.S. un ottimo elemento chiedendo nei suoi riguardi un provvedimento che, oltre a costituire un atto di giustizia di un sopruso fascista, sarà di grande vantaggio per l'opera epuratrice della vita nazionale intrapresa dalla polizia degli Alleati.

DE ANGELIS Gioacchino residente in Roma - Circonvallazione Gianicolense n° 214 - nato a Roma il 27/3/1894, figlio di un alto funzionario del Ministero delle Poste e Telegrafi e di una nobile discendente della famiglia Piccolomini d' Aragona, dopo aver frequentato la Scuola Allievi Ufficiali, uscendone promosso Sottotenente in servizio permanente effettivo e di aver partecipato alla guerra del 1915-1918, entrò nel 1919 col grado di Tenente nel Corpo della R. Guardia per la Pubblica Sicurezza, istituito dal Ministro Francesco Saverio Nitti.

In odio politico a Nitti, fieramente avverso al fascismo, il Mussolini soppressò il detto Corpo nel 1922, quando il De Angelis, allora coniugato con prole era in attesa della promozione a Capitano; e fu gettato sul lastrico. Nel 1923, il Governo fascista, forse compreso dell'enormità della ingiustizia commessa, consentì la riassunzione in servizio del De Angelis, ma retrocedendolo al grado di sottufficiale del Corpo degli Agenti di P. S. - Ed in tale mortificante situazione che gli precludeva ogni sviluppo di carriera è rimasto fino ad oggi.

Il De Angelis, si mantenne durante questo ventennio irremovibilmente fedele alla causa nazionale dell'antifascismo; ed esplicò fino ad oggi attività diretta a minare l'esistenza di un regime, da lui giudicato nefasto per la Patria.

Fu compagno affettuoso ed inseparabile dei generali d'aviazione Sabato Martelli Castaldi e Lordi Roberto nella loro opera di rifornimenti di armi e cibarie alle bande dei patrioti e, apprezzante del pericolo che lo sovrastava a cagione della sua posizione, cooperò infaticabilmente alla sublime missione patriottica dei due compianti generali, che nel 24 marzo u. s. dopo fustigazioni e torture, caddero sotto la mitraglia tedesca alle Fosse Ardeatine.

Da cinque anni addetto alla mia persona e vice segretario particolare, posso attestare le doti di intelligenza, di cultura, di preparazione tecnica professionale del De Angelis e la sua fede antifascista.

La stessa attestazione possono fare, tra gli altri, l'avvocato Mastino Del Rio Giorgio, miracolosamente sopravvissuto alla prigionia di via Tasso e S. E. Umberto Tupini, attuale Ministro della Giustizia.

Ritengo fermamente che il De Angelis potrebbe rendere segnalati servizi alla Polizia Alleata, data anche la sua perfetta conoscenza dell'ambiente politico italiano di questo sciagurato ventennio, qualora gli fosse conferita la direzione di un Ufficio di Questura o di Commissariato della P. S. in una delle maggiori città italiane che si vanno giornalmente liberando al giogo tedesco merco il valore delle Armate Alleate.

Suprema Corte di Cassazione

SI ATTESTA

che il cav. DE ANGELIS Gioacchino nato il 27 marzo 1894 a Roma ha attivamente operato con le Forze Armate del Fronte Glandestino della Resistenza (Volontari della Libertà) dal 9 settembre 1943 al 7 giugno 1944.

Coraggiosa figura di patriota, ha collaborato sia con la Banda Mastino Del Rio sia con la Banda che facevano capo ai generali Lordi e Martelli Castaldi. Fornì armi ai partigiani e con diretto contatto personale fu di aiuto e conforto ai patrioti. Costituì squadre alle proprie dipendenze, compì atti di sabotaggio contro le truppe tedesche. Elemento fattivo e coraggioso.

Mia cara Eccellenza,

ho atteso molto prima di farVi presente quanto
io ho apprezzato la collaborazione del Vostro segretario, De Angelis.

Egli ci è stato più utile di tutti i nostri colla-
boratori italiani in ~~qualsiasi~~ ramo della sua attività.

E' stato sempre intelligente, lavoratore e leale.

La sua conoscenza delle personalità della ~~polizia~~ ^{polizia}
e della politica in Roma è veramente eccezionale.

Anche il Colonnello Joung, della nostra Sezione
di Sicurezza è molto soddisfatto del suo lavoro.

Spero che egli riceverà dalla sua amministrazione
la ricompensa che merita.

Sperando di vedervi il 15 all'apertura della cac-

SUBJECT: Civilian Employee (SCAFUTI, Vincenzo).

TO : Lt. Col. R. E. ROBERTSON, Hq. Commandant, Hq. ACC, APO 394.

1. Attached is testimony given by RAICOLA, Michele, on SCAFUTI, Vincenzo. Also attached is personal "scheda" of SCAFUTI, Vincenzo, a similar "scheda" being maintained on all employees of Hq. ACC.

2. Interrogation of Avvocato CAMMAROTA, Nicola, personnel manager of the Naples Municipal Railways, resulted in a substantiation of the testimony given by RAICOLA, Michele. CAMMAROTA stated that SCAFUTI had been one of those who made the march on Rome (28 October 1922), that he had received important promotions with the Municipal Railways because of his association with the Fascist party, and that he had once been sentenced to two years imprisonment because of insubordination to a Fascist official. CAMMAROTA also stated that SCAFUTI, Vincenzo was suspended from the employ of the Municipal Railways on 26 February 1944 because of his participation in the march on Rome. This suspension was approved by the Prefect of Naples, and later by Colonel POLETTI.

3. CAMMAROTA further remarked that he would be able to offer proof to substantiate his statements against SCAFUTI. He finally stated that he had a very bad opinion of SCAFUTI, that he was undisciplined and a slacker, and that he (CAMMAROTA) did not consider SCAFUTI worthy of a position of trust.

4. SCAFUTI, Vincenzo has been in the employ of the Italian Refugee Branch since 1 March 1944, and is in Rome at the present time.

I have known SCAPUTI, Vincenzo, well for the past few months, during which time we have been working for the Italian Refugee Branch of the Allied Control Commission. However, I have known him by sight and name for the past 10 or 12 years. 593E

Since I am a Communist and he is a Fascist, we have had frequent quarrels during the time that we have been with the Refugee Branch. While associated with him, he spoke feverishly, on several occasions, of Mussolini and the Fascists, and also made the statement that the Germans would soon be returning to Naples, to take the city over, again.

In 1922, or 1923, SCAPUTI, Vincenzo entered the employ of the Naples Municipal Railways, in which place I have worked for the past 35 years. Though I did not know him personally in the time that he was there employed, still, I knew SCAPUTI, Vincenzo by sight and name, and often heard of him. While there employed, I learned that SCAPUTI, Vincenzo had been a SQUADRISTA, that is, one who had made the march on Rome with the Fascists on 28 October 1922. Because of his close association with the Fascist party, SCAPUTI, received important promotions with the Municipal Railways.

After the Allies' arrival in Naples, SCAPUTI, Vincenzo was suspended by the Municipal Railways, because of his association with the Fascist party.

The above testimony has been made freely, on my part.

Dear Sir,

I take the liberty of calling your attention on a most distinguished officer. I'm asking on his behalf an act of justice, which would not only redress a wrong that he has received from the Fascist Government, but would no doubt prove of great advantage in the work now undertaken by the Allies' Police to clear out the national life. DE ANGELIS GIOACCHINO, residing in Rome (Circonvallazione Gianicolense, 214), was born in Rome on the 27th of March, 1894, and is the son of a high officer in the Ministero delle Poste e Telegrafi, and of a lady of high descent, belonging to the family Piccolomini d'Aragona. He has attended the Military Academy, where he obtained a commission as sub-lieutenant, on permanent active service; he has taken part in the Great War of 1915-18, and entered with the rank of lieutenant in the Corps of the R. On account of Mussolini's personal enmity towards Nitti, who was strongly opposed to the Fascist régime, the former caused this Corps to be suppressed in 1922. Mr. De Angelis, who was at the time married and the father of a child, and was expecting to be promoted to the rank of captain, thus found himself out of a job and deprived of his livelihood. In 1923, the Fascist Government, probably realizing the great wrong done to him, allowed Mr. De Angelis to be recalled into service,

Mr. De Angelis has been attaché to my person, acting as my private secretary for five years, and I can testify to the intelligence the culture, and the technical professional preparation with which he is endowed, as well as to his antifascist principles.

The same things can be testified to, among other people, by Mr. Mastino Del Rio Giorgio, a lawyer who has by a miracle survived to the

Mi permetto di segnalare a V. DE ANGELIS GIOACCHINO residente in Roma (Circonvallazione Gianicolense 214) nato a Roma il 27/3/1894, da un alto funzionario del Ministero delle Poste e Telegrafi e di una nobile discendente della famiglia Piccolomini d'Agogna, dopo avere frequentato la Scuola degli Allievi Ufficiali, uscendone promosso sottotenente in servizio permanente effettivo e di avere partecipato con tale grado alla Grande Guerra del 1915-1918, entrò nel 1919 col grado di Tenente nel Corpo della R. Fu compagno affettuoso ed inseparabile dei generali d'aviazione Sabato Martelli Castaldi e Roberto Lordi nella loro opera di rifornimento di armi e cibarie alle bande dei patrioti e, sprezzante del pericolo che specialmente lo sovrastava a cagione della sua posizione, cooperò infaticabilmente alla sublime missione patriottica dei due compianti generali, che nel 24 marzo u. s. dopo fustigazioni e torture, caddero sotto la mitraglia tedesca nella Fossa Ardeatina.

Da cinque anni addetto alla mia persona e mio segretario particolare, posso attestare le doti di intelligenza di cultura di preparazione tecnica professionale del De Angelis e la sua fede antifascista.

La stessa attestazione possono fare, tra gli altri, l'avvocato Mastino Del Rio Giorgio, miracolosamente sopravvissuto alla prigionia di via Tasso e S. E. Umberto Tupini, attuale Ministro della Giustizia.

Ritengo fermamente che il De Angelis potrebbe rendere segnalati servizi alla Polizia Alleata, data anche la sua perfetta conoscenza dell'ambiente politico italiano di questo sciagurato ventennio, qualora gli fosse conferita la direzione di un Ufficio di Questura di Commissariato della P.S. in una delle maggiori città italiane che si vanno giornalmente liberando dal giogo tedesco mercè il valore delle Armate Alleate.
