Classificato sempre ottimo ad eccezione di un distinto nel 1926.

funzionario che da affidamento, volenteroso, capace -

ROMA, 19 dicembre 1944

Born in 1886 - inscribed in the fascist party after the marcia su Roma.

Began his career in 1914. Served in Cosenza, Chieti, Avellino, Spezia, Lecce, Roma.

Classified always "excellent" excepting one "distinguished" in 1926.

Has carried out various special duties deserving some "encomiums".

Trustworthy official, willing, capable.

1160

CUDILLO Luigi V. Prefect Inspector.

He entered the administration of the Ministry of the Interior in 1914.

Ex-combatant in the war 1915-1918. As functioner he served in many of the prefectures in Italy which include Cosenza, Chieti, Avellino, Spezia and Lecce.

Late in 1938 he was appointed Vice Prefect Inspector.

He is very attached to his duty being just and honest.

He knows his work as administrator very well and is considered by his superiors as an excellent functioner.

Politically nothing can be said against him, he has always remained indifferent of the past fascist regime in fact he showed a dislike for it.

After the 8 September Cudillo remained faithful to the Government of Badoglio.

By the Ministry he is very well considered and is liked by all his superiors.

Rome, 29-12-44

AF.

1159

CUDILLO dott. Luigi, 58 years, Vice Prefect.

He entered the Administration of the Interior on the 16 June 1914.

Has rendered service at the prefectures of Cosenza, Chieti, Avellino, Spezia, Lecce, under the Government of Badoglio, at Bari and Salerno. In the last mentioned town he rendered service at the Ministry of the Interior-General Direction of P.S.-.

The Government being transferred to Rome he continued his office in the mentioned General Direction as Head Director, Division of the General Affairs; but for a very short time, being substituted as not being capable to carry out the mentioned post. He was therefore transferred to the Prefecture of Rome, in these last few days he has been placed at the disposition of the Ministry, as it seems that he will be transferred to Littoria. He is a functioner with a discreet professional capacity; serious and honest but of a very weak character and is therefore not considered able to carry on any delicate or important office.

He is an ex-combatant in the last war 1915-1918, but has no decorations.

Politically it does not result that he has compromised himself in any way with the past fascist regime.

He has never been a squadrista, marcia su Roma, or sciarpa littorio.

CUDILLO dott. Luigi, di anni 55, Vice Prefetto.

E' entrato in carriera nell'Amministrazione dell'Interno il 16 giugno 1914.

Ha prestato servizio presso le prefetture di Cosenza, Chieti, Avellino, Spezia & Lecce, e, sotto il Governo Badoglio, a Bari e a Salerno. In quest'ultima città ha prestato servizio presso il Ministero dell'Interno-Direzione Generale di P.S.--.

Trasferitosi il Governo a Roma, continuò a prestare servizio presso detta Direzione Generale come direttore capo divisione Affari Generali e Riservati; però per breve tempo, venendo sostituito perchè ritenuto poco idoneo a ricoprire detto posto. Pertanto venne trasferito alla prefettura di Roma, donde da pochi giorni è stato messo a disposizione del Ministero, sembra per essere destinato a Littoria.

Treatasi di funzionario di discreta capacità professionali; onesto serio, ma di carattere debole, per niente autoritario, e quindi non è ritenuto idoneo a ricoprire incarichi delicati e di particolare importanza.

E' ex combattente della guerra 1915-18, ma non ha decorazioni. Politicamente, non risulta compromesso col cessato regime fascista.

Non è stato squadrista, marcia su Roma, o sciarpa littorio.

MONARCA Giulio, di anni 65, Questore di I Classe.

E' entrato in carriera il I marzo 1907.

Ha prestato per molti anni servizio presso la Questura di Pisa, paese di origine dell'ex ministro fascista Buffarini, del quale era ritenuto protetto.

E' funzionario di discreta intelligenza e cultura, e di mediocre capacità e competenza in materie professionali.

Dopo l'8 settembre 1943-secondo quanto ha riferito a suoi conoscenti-sarebbe stato arrestato a Pisa, per ordine dello stesso Buffarini, e dopo alcuni giorni di detenzione in carcere, tradotto a Roma, dove fu fatto alloggiare all'albergo Atlantico, sotto vigilanza, per circa venti giorni. Quindi fu rilasciato con l'ordine di trasferirsi al Nord, col governo pseudo repubblicano.

Senonchè-stando sempre a quanto avrebbe confidato il Monarca-egli si sarebbe rifugiato in provincia di Lucca, dove risiedeva la sua famiglia.

In complesso è ritenuto funzionario di scarso valore.

Non è stato squadrista, nè marcia su Roma, o sciarpa littorio.

E' ex combattente della guerra 1915-18, ma non ha decorazioni al valor militare.

Roma, 19 dicembre 1944.

He entered the administration of the P.S. in March 1907 passing his career nearly all the time in Pisa. Ex-soldier of the last war 1915-1918 and was awarded the commemorative medal for the Unity of Italy. Is Public Safety official of the P.S., has served in Rome and in other parts of the reign. He was sent to Pisa as Head of the Cabinet, following he became V. Questore Vicario and successively Head Questore of the province of Pisa remaining all the time till he was promoted Inspector. He is a very able functioner and loves his work, he is serious and correct. He was against the fascist regime and for that reason quarreled with the then under-secretary of the Interior EUFFRASI Guidi. He is well known by the Royal House and at the Ministry he is held in high consideration. Politically he has never compromised himself and after the 8th September has never collaborated with the nazi-fascist.

MALINVERNO Mario - Prefettura Counsellor -

He belongs to the Administration of the Ministry of Interior since 1932. In 1937 he has been appointed 1st Secretary, and only a short time ago "Consigliere di Prefettura".

Politically nothing can be said against him as having a rather small rank, he had to obey the orders of his superiors and could not therefore have any fascist activity, or held a fascist charge.

He is a rather cultivated, intelligent element. He is serious, correct and has much initiative.

In the Ministry he is esteemed, and his colleagues like him.

After the 8th of September his behaviour has always been correct.

Dr. MALINVEFNO Mario, 36 years - 2nd Class Counsellor

He began his career on the 26th of September 1932
He served at the Prefettura of Genova and Rome.
He was recalled to military service as officer of the Reserve,
and on the 8th of September 1943 he was in the province of
Pesaro., and had to run away in order to avoid serving under the
Fascist Republican Government.
After the liberation of Forli he presented himself to the Prefect
of this Province who appointed him his Cabinet Chief.
He is an intelligent, cultivated and honest person.
His father is a State Counsellor and has been Prefect.
He does not seem to be politically compromised with the Fascist
Regime towards which his attitude has always been indifferent.
He is not squadrista, or marcia su Roma, or sciarda litterio.

VOLPES Goffredo. V. Prefect of the Reign.

He entered in the Administration of the Interior in 1920 where he served in the provinces, Having reached the grade of Prefect in 1937 he was placed on the register of V. Prefect Inspectors.

He was a valiant soldier in the last war 1915 to 1918, brave and intelligent doing his work seriously and making himself noted for his professional capacity and rectitude. He was absolutely against fascism and politically we do not think he has ever compromised himself, firstly because he has never covered any political office. He is considered to be a very intelligent person, educated and full of initiative.

After the 8th September by information taken it results that Volpes did not collaborate with the Nazi-Fascists and instead did his duty with a correct reserve.

Finally by asking, one will see that he was held in good consideration by all his dependents at the Ministry.

He entered the career of Prefettura about 30 years ago, serving in many of the cities of Italy, some of which are Biella, Sondrio, Rome and Cuneo. He was promoted to V.Prefect very late in his career though he had served for many years. Very intelligent and clever politically and should have reached higher grades than the one he has had up to now. He distinguished himself everywhere and has left to all a very good impression. As far as is known he has never compromised himself politically, as in the past he only dedicated himself on the administration of his office. During the German occupation Bianco kept under every respect an exemplary conduct. Finally the Ministry considers him to be classified an excellent element and he is liked by all his dependents.

Gener. Direct. of General Affairs and Personnel

APICELLA dott, Alfonso - Vice Prefect.

Born in 1890

Began his career in 1907

Inscribed to the National Fascist Party after the March on Rome.

He has held office in the Prefecture of : Foggia, Nuoro, Pavia, Grosseto, Pesaro,
Rieti.

Classified always as "excellent" with the exception of one "good" in 1907.

He was charged with some special appointments and praised on how he carried them

out. Industrious, competent official with a great administrative preparation.

Dr. APICELLA Alfonso, 64 years of age - Vice Prefect

He began his career on the 9th of May 1907.

He worked in the Prefecture of Cagliari and Rieti, but it seems that he must be removed to Salerno.

Having remained always in province, he is not well known in the capital.

He is reported to be an honest but medium official.

It seems that his removal from Rieti has been provoked by the partisans of the province who considered him a collaborator of the Nazi-fascists. However, it is said, that as there are among the partisans rather bad elements, they fear that Dr. Apicella's presence in the province might be detrimental to them.

He is an ex-combatant, and was decorated with the Cross for war merits.

He is not squadrista, or marcia su Roma, or sciappa littorio.

Dott. APICELLA Alfonso, di anni 64, Vice Prefetto.

E' entrato in carriera il 5 maggio 1907.

E' stato funzionario presso le prefetture di Cagliari e Rieti,

e sembra che lo si voglia trasferire a Salerno.

Essendo stato sempre in provincia, è poco conosciuto nella Capitale.

Da quanto è stato possibile conoscere, il dott. Apicella ha continuato a prestare servizio sotto i nazi-fascisti, ed è stato anche Commissario prefettizio.

Viene indicato come funzionario mediocre, ma onesto.

Il suo allontanamento da Rieti sarebbe stato provocato dai Partigiani della provincia stessa, i quali sostengono essere incompatibile la sua presenza colà, appunto per aver prestato servizio sotto i nazi-fascisti. In realtà, però, sembra che essendovi fra i Partigiani elementi poco raccomandabili, questi temono che la permanenza in detta città del dott. Apicella, possa nuocere loro, dato che detto funzionario li conosce molto bene.

E' ex combattente e decorato della Croce al merito di guerra.

Non è stato squadrista, marcia su Roma, o sciarpa littoria.

PAVONE Dott. Tommaso - II Class Prefect.

Born the 13th of September 1899

Began his career the 6/9/24.

Appointed Prefect the 11/6/1943

Before being appointed Prefect, he held the office of Chief of Cabinet with the Prefecture of Palermo, Genova and Naples. Appointed prefect, he was sent to Trento, where in occasion of the armistice he behaved in a very firm and praise-worthy manner. He was replaced and retired.

Successively he suffered continuous persecutions from the Nazi-Fascists; he was arrested, denounced and threatened to be shot.

He has always been qualified an excellent official, he has in a very high degree all the qualifications to exercise the functions of a Prefect.

TO : H.E. THE PRESIDENT OF THE COMMISSION Io GRADE FOR THE EXPIRATION OF
THE PERSONNEL OF THE CIVILIAN ADMINISTRATION - MINISTRY OF THE INTER-
RIOR

R O M E

PAVONE Dott. Tommaso
Prefect of II Class

I ask the judgement of the Commission in regards of Dott. Tommaso
PAVONE - II Class Prefect.

PAVONE, entered in the Civilian Administration of the Interior the 6th
of September 1924, as a result of a regular competitive examination, he covered
all the grades regularly till the actual one (grade IV group A), to which he was
appointed the 31st of July 1943.

He has never belonged to the Voluntary Milizia for the national securi-
ty (milizia volontaria per la sicurezza nazionale) neither has he never had char-
ges or appointments from the party.

He had the fascist qualifications of "artemarcia", "marcia su Roma", and
"sciarpa littorio". These qualifications do not however correspond to the real si-
tuation nor to partaking to squads of action; but were given to him in 1932 as a
result of the Federzoni disposition who gave these qualifications to all those who
had belonged to the nationalist party.

In fact, PAVONE in 1922, still a university student, inscribed himself to
the Nationalistic Italian Association, office of Catania (as resulting from the pho-
tographic copy of the membership card n. 212440) We lack the substancial fact con-
templated by article 14 of the law decree 27th of July 1944 n.159.

We must however point out to the really praiseworthy and highly patriotic
attitude of PAVONE after the 8th of September 1943. On that date he was in Trento
in the office of Prefect. As soon as he heard of the armistice, who had already
and dignified attitude, he opposed the requests of the Germans, who had already
occupied Trento since the morning of 9th of September, and was then stopped; he
obtained the liberation of the police force that the germans had arrested and in-
terned; he refused to undersign a proclamation against the disbanded militaries,
prepared by the german command and given to him to sign. He then left the office.

After heving informed the Commissariat of the Interior in Rome, he then
took refuge in Florence. Here he was arrested by the neo-fascists as a "communist
badogliano" and handed over to the germans, who brought him to Rome, where, after

1098

having an interview with the Chief of Cabinet of the so-called Ministry of the Interior, BUFARINI-GUIDI, he was brought to the prison of Araceli (cellule n. 598, branch 6). He was set free on the 10th of October, because he was ill, and he then remained at the hotel "Atlantico" under guard. After having refused to go with the new Government, he escaped from the hotel and returned to Florence, where they searched for him in vain as he had gone in hiding (see certification of the Reggente of the Questura of Florence 12.9.44-).

Taking into consideration these circumstances, which clearly show the high spirit of patriotism (italianita') and the decide and firm attitude of PAVONE, I propose that he should be exempt from any sanction, even considering the art.16 of the afore mentioned Lt's Decree.

FAVONE Tommaso, Prefect.

For 25 years he belonged to the Administration of the Interior and his career has been regular, that is, for seniority and not for special merits.

He has been employed as official in different parts of Northern Italy where he was appointed Prefect. He fulfilled his duties with diligence and scrupolosity gaining the sympathy of all those who knew him.

He is a man very well educated, intelligent, serious and very well prepared, especially in what concerns his delicate office.

He was then transferred to a province in Southern Italy, and exactly in Sicily where he still was when the armistice was signed.

From careful enquiries made it results that FAVONE had no political activities such as to compromise himself, but he only took interest in what concerned his office.

At the Ministry, although he is not very well known, he is taken into great consideration because he is a very good official.

Rome, 18 - 11 - 44.

1096

Dr. FAVONE Tommaso, 45 years old - Prefect

He began his career on the 6th of September 1924

He served at the "Prefettura" of Palermo, Napoli, Bari, Genova, Taranto, Trento.

He is an intelligent, cultivated official, capable in an administrative capacity.

He is honest, serious, of good character but can be energetic if necessary.

He is well liked by his superiors, his colleagues and his dependents.

He has been appointed 2nd class Prefect in 1943 and sent to Trento where he behaved very well.

He was a member of the National Party, and in 1926 he joined the Fascist Party.

Coming from the National Party he had backdated to 1921 his registration in the Fascist Party, and received also the certificate of *marcia su Roma* and *antemarcia*.

After the 8th of September 1943 he has been persecuted by the Nazi fascists, arrested on the 30th September after an order of Buffarini, Minister of Interior, and imprisoned in Regina Coeli. After his release in October, he left Rome for Florence where he remained hidden.

In Florence he collaborated with the partisans and was a member of the "comitato Toscano di Liberazione".

For his fascist precedents and for having been Cabinet Chief of the fascist Minister Albini, Favone has been submitted to the Epuration Commission. However, the Epuration Commission for the Internal Civil Administration, has decided that, considering his collaboration with the partisans, and considering the justification he gave about his political precedents, no measures must be taken against him.

Dott. PAVONE Tommaso, di anni 45, Prefetto.

E' entrato in carriera il 6 settembre 1924.

Ha prestato servizio presso le prefetture di Palermo, Napoli,

Pari, Genova, Taranto, e per ultimo a Trento.

E' funzionario molto intelligente e colto; capace e competente in materia amministrativa.

Questo, serio, di carattere mite; ma sa essere energico al momento opportuno.

E' ben visto e dai superiori e dai colleghi e dai dipendenti.

Fu nominato prefetto di II classe nel 1943 e destinato a

Trento, dove si comportò molto bene.

Fu iscritto dapprima al partito nazionalista e dal 1926 al disolto partito fascista.

Poichè proveniente del partito nazionalista ebbe retrodatata

l'iscrizione nei ranghi fascisti al 1921. Pertanto ebbe i brevetti di marcia su Roma e antemarcia.

Dopo l'8 settembre 1943 subì persecuzioni da parte dei nazifascisti: fu arrestato il 30 settembre detto, d'ordine del ministro

Di Pancrazio was squadrista, march on Rome, sciarpa littorio and officer of the Fascist Milizia. In addition to this his fascist records, his moral record while he was at Pescara is also questionable.

It would interest us to know why the Italian Government has the intention to nominate such a man whose record certainly must be known to them, especially in view of its epuration policies.

However, he joined the Fascist Party in 1922, took part to the Marcia su Roma and is aquarista and sciarpa littorio. It is therefore very probable that his fascist merits helped him during his career. In Rome his behaviour has always been good. Though he is considered a good official he is not very much esteemed at the Ministry evidently because of his political past.

He does not seem to have collaborated with the new fascists after the 8th of September.

GENERAL COMMAND OF THE ROYAL CARABINIERI
SERVICE SECTION - SITUATION AND LIAISON

Rome, 19 oct. 1944

N. 50/40 of prot. Ris,
Answer to: 5/10 n° 3196

SUBJECT : Informations ZANETTI DISMA of fu Angelo
TO : To the Ministri of Interior - Cabinet of the Minister - ROME -

The Brigadier General of the reserve ZANETTI Disma fu Angelo Ottavio and Vigna Romualda, born in Rovigo the 25th of April 1885, domiciled in via Cagliari n. 42, has a good moral and political conduct. He was never inscribed to the National Fascist Party and for that reason was under the local Questura's supervision till 1941.

Domiciled in Rome since 1934, he came from Bari with his family composed of his wife, GIUSTI Ernesta di Luigi and Bedogni Cesira, born in Reggio Emilia the 23 of May 1894, house-wife, and of the daughters: Maria Adelaide, born in Milan, the 31st of October 1915, single, doctor at the Istituto Forlanini, and of Maria Pia, born in Gaeta, the 11th September 1917, married to Della Valle Emilio, journalist domiciliated in Rome, via Margutta, n. 48.

With the rank of Colonel, in 1935 and 1938, was appointed Chief of the General Inspectorate of the Cadet Preparatory Training attached to the Presidency of the Council of Ministers from 1938 to 1941 he was appointed Chief Director Division of the Institutes and Military Schools attached to the Ministry of War and, from 1941 to March 1943, was appointed Chief of the Section Movement of Personnel at the same Government Department.

Immediately after the fall of the fascism and till the 11th of the September 1943, he held the post of Chief of the political military control on the Press at the Ministry of War. During the above period he had frequent contact with R. S. Badoglio.

-2-

As a result of the declaration of armistice and the ensuing nazi occupation of the Capital, General ZANETTI left his office and lived for some days hiding in his house. But realising very soon that the attention of the republicans was turned against him, he was obliged to abandon the family towards the middle of the month of september and to take refuge in Abruzzi where he remained till the middle of December, at that time he came back to Rome, especially to help his family for which he was anxious as the Police exercised a continuous vigilance on them.

In fact, it has been ascertained, that in October 1943 the Ministry of the Interior, as a result of an anonymous letter, informed the local Questura so that they should intensify their enquire on Zanetti.

As a result of this assiduous vigilance, and frightened of reprisals, the family of Zanetti was obliged to abandon their house in Via Cagliari to hide with some friends. In the meantime the General ZANETTI, towards the middle of December was taken in the palazzo of the Religious Congregation in S. Maria di Trastevere where he remained till the liberation of Rome.

1073

ZANETTI Diana - Generale di Brigata -

He entered in the Army 30 years ago and reached the rank of Generale di Brigata. He took part to the last war and proved to be a very good soldier. Afterwards he was appointed Cabinet Chief of the Minister of the War Grazioli, and also "Capo Divisione Movimenti Ufficiali". He always had a rather important position at the Ministry of War.

After the 25 July 1943 the Government of Badoglio appointed him Head of the Political censor Office. After the 8th of September 1943 he refused to collaborate with the nazi-fascists and was obliged to go to Lucchese Marsi where he remained hidden for months.

He was a member of the Fascist Party but never had any political charge, and does not seem to be politically compromised.

He is very much esteemed in the military and civilian circles.

Gr.Uff. ZANETTI Disma fu Angele, nato a Rovigo il 25 aprile 1885, abitante in via Cagliari 42, Generale di Brigata nella Riserva- Arma di Fanteria.

Dal 1932 e per vari anni è stato addetto alla Presidenza del Consiglio, quale segretario dell'Ispettorato Generale per la istruzione pre-post militare.

E' stato inoltre capo divisione delle Scuole Militari e capo divisione Personale Ufficiali (movimento Colonnelli presso il Ministero della Guerra) dove ha prestato servizio fino all'8 settembre 1943. Precedentemente è stato anche Capo di Gabinetto del Generale S.E. Grazioli.

Durante il Governo Badoglio ricoprì la carica di Capo dell'Ufficio di Censura Politico Militare.

Dopo il 25 luglio scorso, fu chiamato a prestare servizio al Commissariato per l'Esercito alle dipendenze del Generale Girotti, uno dei Capi delle note Bande partigiane del Fronte Militare Clandestino.

Non risulta che sia stato iscritto al disciolto p.n.f.; consta però che nel 1936-probabilmente per dichiarazione resa in quel tempo dallo stesso interessato- avrebbe avuto in corso domanda d'iscrizione a detto partito.

Non ha collaborato con i tedeschi, anzi risulta che dopo l'8 settembre 1943 per sfuggire ad eventuali rappresaglie nazifasciste, si rifugiò a Luco dei Marsi, dove si trattenne nascosto

Durante il periodo del pseudo governo repubblicano (mentre si teneva nascosto) fu oggetto di anonimi che lo accusavano

di " persistente, tenace, insidiosa, continua propaganda contro i tedeschi, contro Mussolini e contro la guerra dell'asse".

Il Generale Zanetti è ufficiale intelligente, abbastanza colto, e capace.

Onesto, di modi affabili, non disgiunto da una buona dose di energia.

E' molto svelto e sa ben mettere in evidenza il suo operato.

Apparteneva al ruolo "M" dell'Esercito, per cui avrebbe dovuto terminare la sua carriera col grado di Colonnello. Senonchè riusciva ad ottenere la promozione a Generale di brigata, nelle Riserva.

Si vuole che sia stato il primo caso del genere.

Ha partecipato alla guerra libica e a quella del 1915-18, ed è decorato di una croce di guerra.

Dott. LIMONE ORLANDO - Vice Prefect Inspector

Born in July 1900

Inscribed to the National Fascist Party in 1926 (1 of August)

Began his career in 1924.

He held office in Rome (General Direction of the Public Security and Cult Fund)

Always classified "Excellent" - mentioned once.

Active, intelligent and serious official. Was Chief of Detached Branch of the General Direction of the Cult Fund, during the republican period.

The actual Director General of the Cult Fund, has reported, on this Office's request, that Dott. Limone, during the afore-mentioned period, resisted as much as possible, the request of the main office in the North, to transfer promptly the office papers : he hid the furniture of some value, he did not exert any particular pressure on the employees to go North and contributed to withholding all the stocks of the three firms : of the Cult Fund, Welfare and Religious Fund in Rome and of the Consolidated Patrimonies "ex economical". This involved a capital of L. 465.117.180.49; and the stocks had been repeatedly requested.

LIMONE Orlando - Vice Prefect Inspector -

He began his career in June 1924. He made a regular career and was appointed Vice Prefect in 1937.

Nothing can be said against him because he never had any specific political activity. He never had a political charge and only thought of performing well his duty.

He is an intelligent, cultivated and very well prepared official. He is honest and loyal.

It is reported that he didn't collaborate with the nazi-fascists after the 8th of September 1943.

He is well liked and esteemed at the Ministry and also by his colleagues and dependents.

1067

Dr. LIMONE Orlando - Vice Prefect Inspector - 44 years old -

He entered in the Administration of the Ministry of Interior on the 23 June 1924. He worked first with the Genral Direction Of Public Health and with the Public Safety (Political Police Division), and later on he served the "Direzione Generale del Fondo per il Culto e del Fondo di Beneficanza e Religione della città di Roma" where he was chief of the 1st section.

When his office was sent to North Italy Dr. Limone remained in Rome as Chief of the "Ufficio staccato di Roma", and he kept this position until the arrival of the Allies.

He is an intelligent, cultivated and capable official.

He is reported to be serious, and honest but rather undisciplined.

He does not seem to be politically compromised with the past Fascist Regime.

He is not squadrista, or marcia su Roma, or sciarpa littorio.

Col trasferimento del Ministero alla sede Nord il dott. Limone venne nominato capo dell'Ufficio Staccato di Roma, carica che tenne fino alla liberazione di Roma.
