Siracusa 13 September 1945

To : Field Marshal Harold Alexander  
Supreme Allied Commander - Headquarter - Caserta.

I, the undersigned Serafina Vinci, widow Fontana, residing at Siracusa - Viale Terecati No. 114, declare the following :

On 15 May 1945, my son Alfonso Fontana, son of the late Sebastiano born at Siracusa on 17 December 1910, residing at Milano as Director of " Banca Nazionale dell'Agricoltura", Rho Section, went to Alfonsine to inquire about his brother Adriano's body, who was killed in action and buried in Alfonsine ( province of Lugo ) war-cemetery. Next day he reached Bologna according to a statement of the Director of the " Banca Nazionale dell'Agricoltura ". On 16 about 1530 hrs. he left for Ferrara riding a bicycle. From this day I have not received any further news about my son in spite of anxious inquiries made by me and by his wife Mrs. Angela Coniglione. My son had a valuable amount of money in order to give his brother a proper burial. Now about four months have gone by, and no news has yet been heard about him.

Sir, mere words are inadequate to describe the worry of an unhappy mother, mourning her son day and night. Many thoughts went through my mind. Finally, I decided to lay my case before you in order to get your high help. You ought to give proper instructions in order to settle whether my son is at present in an Allied concentration camp or anywhere else. Sir, in the hope you will give my particular case your kind consideration, I am awaiting you reply.

I trust in your nobleness.
