SECRETMINUTES OF TWENTY WEEKLY SECURITY CONFERENCE

Held in the Conference Room, 59 Via Sicilia
1400 hrs, 9 Oct 44

Chairman: Lt. Col. J.W. Fischer, AC of S, G-2, RAAC

Present:
Lt. Col. Young, GSO 1(I), RAAC
Capt Gold, GSO 3(I), RAAC
Major Snowden, GIC, RAAC
Major Theunissen, 1 (SA) I of C FS Sec
Major Harvey, Security Intelligence, ACC

Capt Stanhope-Wright, AMHQ Liaison with SIM.

1. Col FISCHER opened the meeting by informing agencies that a directive was being issued by G-2, RAAC, on the "Responsibilities of Intelligence Agencies in connection with the arrest, internment and trial of civilians". He instructed all agencies to comply strictly with the provisions of this directive, especially as regards arrests being made by arrangement with or in company of a member of the Italian Carabinieri etc.
2. Col FISCHER then pointed out to the meeting that all persons arrested by the Allies for security reasons are, in effect, a kind of civilian PW, and, as such, must be treated with all the courtesies etc as laid down in the Geneva Convention. He also pointed out, however, that such persons were probably more dangerous than the ordinary PW, and said that, while adhering to the provisions of the Geneva Convention, care must be taken to safeguard the security of such prisoners. He also pointed out once again that all security prisoners must be booked in through GIC, in every case, even where, for example, an individual had been picked up solely for interrogation by OSDIC. He also again stressed the importance of correct records being forwarded immediately to G-2, RAAC.
3. Col FISCHER then brought up the question of German nationals. He gave some figures of the German nationals in POWs, as obtained from Questura records, and then told the meeting that it had been decided to intern a certain number of them. Arrangements for the arrests were discussed at some length and GIC and FS were instructed to coordinate and make the final arrangements. Tentative dates were suggested and a general plan decided upon.
4. Major SNOWDEN then asked what action should be taken in the case of persons, now in the German Section of Roma Cooeli, who had been found to come in the category of PWs. The matter was discussed and Col FISCHER decided that a list of these persons should be compiled and forwarded to Major COXHEAD of the Questura.

He also again stressed the importance of correct records being forwarded immediately to G-2, RAAC.
3. Col FISCHER then brought up the question of German nationals. He gave some figures of the German nationals in POW, as obtained from Questura records, and then told the meeting that it had been decided to intern a certain number of them. Tentative dates were suggested and a general plan decided upon.
4. Major SNOWDEN then asked what action should be taken in the case of persons, now in the German Section of Regina Coeli, who had been found to come in the category of PWE. The matter was discussed and Col FISCHER decided that a list of these should be compiled and forwarded to Major COYLIAD of the Questura with instructions to dispose of them to PW camps.
5. Major HARVEY then produced some posters which had been found on walls in Rome, the aim of which was to incite reprisal action against women who associated with Allied troops. He passed a copy of this to Col FISCHER, who retained it for the Deputy Commander, RAAC.
6. There being no further business to discuss, the meeting closed at 1450 hrs.

1. A request was recently made on this Headquarters for a roll of arrests of MSVN. The position of these arrests is as follows:-

About 15 June a list of MSVN with an order for arrest was given to the Public Safety Section, Rome Region. An organization was formed with twenty picked plain clothes men and some fifteen arrests were made. Instructions were then received from Major HARVEY, Public Safety Sub-Commission ACC to stop these arrests. An order was further sent from ACC Public Safety Sub-Commission to hand over all papers to Colonel YOUNG. This was done by Captain John A. TOMPKINS, who had been in charge of these MSVN arrests from the beginning.

2. Captain TOMPKINS is submitting a full report to this office immediately.

R E S T R I C T E D

Sir,

In accordance with the instructions in the attached file of "special arrests" I submit the following:

- a) About the 15th June 1944 I was entrusted with the duty of arresting about 150 persons whose names were on a special list.
- b) For this purpose I obtained the services of 20 special plain clothes police from Col. Peninetti of the CC.RR.
- c) After I had effected the arrest of 18 persons on the list, I received orders from Col. Pollock to "freeze" the duty and await orders. This I did.
- d) I then received orders to hand over all the papers to Col. YOUNG. This I did and asked for a receipt. I received no receipt.
- e) This day (14th July 1944) I obtained part of the file I had sent to Col. Young, from it I submit all the information I am able so to do - as follows:
