29 February 1944

SUBJECT: Non-Secret Short Title Unit Designations.

TO : All Concerned.

This is Rescinded

Letter this headquarters, dated 9 January 1944, subject and file as above, is rescinded and the following substituted therefor:

1. The following non-secret short titles are approved for use in this Theater. These short titles are not secret code words for units, but are merely to be used for brevity in place of the full name of the organization when messages are transmitted by electrical means.

2. For uniformity and to avoid confusion, no other non-secret abbreviations or short titles will be used. The short title is to be used in the text of the message in place of the whole name of a unit or installation and are not to be used in addressing official correspondence. All new short title names or changes in non-secret short titles will be approved and announced by this headquarters.

3. For convenience, the list of Short Title Unit Designations is in two parts; Part I being the units or organizations listed alphabetically and Part II being the Short Title Unit Designations listed alphabetically.

SUBJECT: Move of British Civilians to ROME.

TO : Security Branch.

1. Mr. Fisher of the High Commissioner's Office rang me up this morning and said that he had two parties of British civilian officials from his office who wished passes to go to Rome early this week.
2. There will be nobody here who can sign any of the passes and I am not quite sure whether they are in fact necessary under the new regulations. I think the best thing is for you to make some local arrangements with Region III and wire the names through to Rome so that we can arrange at that end with Region IV and Rome Region road blocks. Failing that, issue any passes that you consider suitable on your own initiative and I will take the responsibility for this.
3. In any case I want you to ensure that these individuals move to Rome without difficulty on the days that they ask to go.

SACCHETTI Sebastiano, di anni 60, laureato in legge, ha prestato servizio presso la prefettura di Roma, la sottoprefettura di Lanciano e presso il Ministero dell'Interno.

Fu nominato prefetto nel 1927 e destinato ad Agrigento; successivamente è stato prefetto de L'Aquila e a Parma.

Qui, a Roma è poco conosciuto; ma si vuole che sia elemento moralmente bacato. Si accenna ad uno scandolo che avrebbe provocato durante la sua permanenza a Parma, per la sua intrusione in un processo a carico di alcuni macellai di quella città, imputati di irregolarità nella vendita della carne.

Si vuole che anche a L'Aquila abbia lasciato un non buono ricordo di sé, per illecite intrusioni.

Ma queste notizie vanno senz'altro controllate sul posto ( a Parma e a L'Aquila).

Non è ex combattente; né risulta squadrista o mercia su Roma o sciarpa littorio.

Viene indicato come elemento da scartare per il disimpegno di incarichi delicati e di fiducia.

Dear

In the absence of Colonel Young, I am answering your 2006/11 G(0) received today.

I much appreciate the manner in which you pointed out our error and would like to say that, through a clerical error, the American classification "Urgent" was given to this cable instead of "Priority". No doubt, "Urgent" was translated into the British "Emergency Operations".

We were being pressed for the answer by Captain Stone, U.S. Navy, Executive Officer, Salerno H.Q. A.C.C.

I much regret this error and have taken steps to prevent a repetition.

Yours

Dear, *Young*

I have been shown the two attached signals which were presumably signed and franked "Emergency Operations" by you.

I think that you must agree that the text of neither message betrays any particular urgency. This priority should only be used in cases of operational necessity and if it were abused, a point would be quickly reached where priority would be of no value.
