To be married to soldier

from informations gathered on account of above mentioned woman in the village she lives in, in Torri in Sabina, it appears that Mancinetti Maria belongs comes from a family of peasants, who live with their own work. Her father Fiastro Mancinetti doesn't own any property whatsoever and has to keep these three children.

Mancinetti Maria who should marry an allied soldier, has since 8 years been working in Rome, as a maid, and from time to time she used to return to see her family. At Torri in Sabina, there are rumours that when she was in Rome she did not always behave in an exemplary way neither that she was morally a model of virtue. At any rate we have not been able

to gather more concrete informations on her morality.

- c. Escaped from enemy-held territory within twelve (12) months prior to date of applications
- d. Habits and traits of character which would cause the marriage to bring discredit to the military service.

8. WAITING PERIOD

Theater Permits will specify that marriage may take place ninety (90) days subsequent to the date of the earliest application. However, the waiting period may be waived, either wholly or in part, when circumstances justify.

a. Generally the validity of a marriage is determined by reference to the laws of the country wherein the marriage ceremony is performed. Laws relative to marriage within this theater will be made available to commands specified in paragraph 3, above, by this headquarters.

b. In Corsica, a civil marriage must be performed prior to a religious ceremony. The prerequisites to the civil marriage so far as the military authorities are concerned, are set forth in the French Decree of April 16, 1943. The Theater Permit form (MTOUSA Marriage Form No. 3), attached hereto, accomplishes the certificate required of U.S. personnel when prepared in accordance with the instructions set out on the reverse side thereof.

c. In Italy, Sicily and Sardinia, the prerequisites of a marriage are determined under the Legislative Decree of 28 December 1944. The Theater Permit form (MTOUSA Marriage Forms No. 4 and No. 4 (Italian)), attached hereto, accomplishes the declaration required of U.S. personnel when prepared in accordance with the instructions set out on the reverse side thereof.

10. COMPLIANCE WITH LAWS AND CUSTOMS

a. Chaplains:

(1) Chaplains of the U.S. Army and Navy have no authority to perform marriages unless authorized by or in accordance with the laws of the country in which the marriage is performed. If the facts submitted justify such conclusions, he will indorse on the face or back of the marriage certificate, if space permits, otherwise on a separate sheet attached thereto, the following:

"Based on information submitted, it is the opinion of the undersigned that the marriage certificate dated _____, evidencing marriage between _____ and _____ is authentic.

(2) Applicants will arrange for the civil ceremony required in Corsica, with the local officials.

(3) In Italy, Sicily, and Sardinia, applicants who have obtained Theater Permits to marry and who have had their marriage ceremony performed by a Chaplain of the United States Forces authorized by the decree cited in paragraph 9 c, shall, within three (3) days thereafter, deliver their Theater Permit and the marriage certificate issued to them, to their immediate commanding officers for action prescribed in paragraph 10 b above. When that action is accomplished, applicants will immediately deliver such letter of transmittal and all inclosures to the mentioned Italian official for transcription.

(4) If the marriage takes place before an Italian official of vital statistics, as set out in Article IV of the decree cited in paragraph 9 c, above, instead of before a Chaplain of the United States Forces, applicants need only present the Theater Permit and the true translation thereof to that official.

(5) Applicants should secure a certified copy of the transcription of the marriage made by the Italian official of vital statistics as proof in case any question should arise concerning the validity of the marriage after his or her return to the United States. The original and a true translation of each document are the property of the applicants, and should be kept by them as evidence of their marriage.

11. DEPENDENCY PROVISIONS

a. The wife or husband, as the case may be, will not become a citizen of the United States by virtue of marriage, but may be exempted from immigration quotas, thereby obtaining speedier naturalization.

b. The spouse by virtue of marriage itself, will not be entitled to commissary or post exchange privileges, or to government quarters, medical or dental service in this theater.

c. The spouse will be entitled to allotments and certain benefits presently authorized by the laws of the United States for military personnel or their dependents.

From investigations made by the Carabinieri it results that Orpianesi Anna has been employed by the "Federation of the fighting fascists" of Macerata. It is told that she had fascist ideas also after the 8 September 43, but there are no proofs. Her morality is not very good.

N° 34 Porto S. Elpidio 4 Aprile 1945

ASCOLI PICENO

SERAFINI Maria Luisa di Giuseppe e di MARTELLINI Maria, nata a S. Elpidio a Mare il 9 Luglio 1922, qui domiciliata, in via A. Caro n. 50, risulta di buona condotta morale e politica, sebbene con rapporto N. 17/64 in data 27 marzo 1945 sia stata denunciata da questo Comando per furto di legna in danno all'amministrazione comunale di Porto S. Elpidio.

La sua famiglia si compone :

- padre SERAFINI Giuseppe fu Giovanni e fu Benigni Maria, nato S. Elpidio a Mare il 20-7-1898, pescatore;
- madre MARTELLINI Maria fu Domenico e fu Martellini Gesualda, nata a S. Elpidio a Mare l'11-5-1889, venditrice di pesce;
- fratello SERAFINI Giuseppe, nato a S. Elpidio il 17-6-1936, calzolaio;
- sorella SERAFINI Isabella nata a S. Elpidio il 18-1-1927, casalinga;
- sorella SERAFINI Gesualda, nata a S. Elpidio il 23-3-1938, casalinga;
- nipote SERAFINI Flora d'ignoto e di Serafini Gesualda, nata a Fermo il 16-2-1944.

Il padre, con verbale n. 17 del 21-3-1933, fu denunciato da questo Comando per lesioni in persona della moglie e con sentenza in data 6-2-1935 del tribunale di Fermo fu assolto perché il fatto costituiva reato, ma con sentenza della Corte d'Appello di Ancona in data 20-9-1935 fu condannato a mesi 2 e gg. 10 di reclusione.

Inoltre con rapporto n. 64/17 del 27 Marzo u.s.; è stato denunciato per furto di legna in danno dell'Amministrazione Comunale. La sorella Gesualda ha avuto una figlia in seguito a relazioni amorose illecite.

Il fratello Giuseppe, durante l'occupazione di questa zona, ha collaborato con i nazi fascisti, dimostrandosi fervente fascista.

Nella popolazione tutti i suddetti componenti non riscuotono buona considerazione per il carattere libertino delle donne e per la mancanza di retitudine specialmente del fratello Serafini Giuseppe.

Economicamente la predetta famiglia non trovasi in buone condizioni; possiede solo la casa di abitazione.

ALLIED MILITARY GOVERNMENT

From P.P.S.O. Ascoli Province
To Provincial Commissioner, Ascoli Province
Subject:- SERAFINI Maria Luisa
Ref:- R5/501/59.
Date:- April, 7th 1945.

With reference to the inquiry from Hq. Marche Umbria Region of the 26th. Ultimo respecting the application to marry made by Pte. Alfred Charles Gibson I have to report that I have made inquiries with the following results:-

The woman to whom application is made to marry- SERAFINI Maria Luisa - is 22 years of age and is employed as a house-keeper. She is of clean appearance and her Police record shows her personally as of good moral and social standing. Inquiries respecting her antecedents show that she has recently been reported by the CC.RR. for theft of wood, but the case has not yet come up for trial. Other-wise nothing is known against her, and nothing from a security point of view has come to light.

I have interviewed the referees, both of whom are of good character and standing, and both speak well of her, having known her for several years.

Her father is a fisherman and her mother deals in selling fish by retail. There are three sisters and a brother in the family. So far as the sisters are concerned one of them - Cesualda - aged 17 years, has had an illegitimate child and it is believed locally that the women in the family generally are not of good moral standing.

The brother Giuseppe - aged 19 years - during the German occupation collaborated actively with the Nazi-Fascist and showed Fascist tendencies. The family appear to be in a poor financial condition and generally speaking I would say that such a union could be regarded as unsuitable.

Form "3" is returned h rewith together with a report respecting the family from the local CC.RR.

The Questore has no knowledge of the family.

Del Palzo comes from a noble Neapolitan family, her conduct is generally good, and she does not appear to have been inscribed to the fascist party.

Brother - Pasquale, married to Guarracino Anna.
" - Luigi
Sister - Carmen

Gerardo (brother) married to Elvira De Stefano, with three children, ex Provincial Secretary of the Opera Maternita' ed Infanzia, was denounced for carnal violence, together with his brother Mario.

Mario (brother), appears to have been denounced in 1933 for game of chance, in 1930 denounced for theft and acquitted for insufficiency of proofs; in 1931 denounced for carnal violence and false credit, together with his brother Gerardo.

Giovanni (brother) appears to have been arrested on 12/12/1938 owing to a denunciation for theft of jewellery, worth 4000 dollars, from an American subject La Branche Estelle; The Tribunal on 23/6/1938 sentenced him to 1 month's imprisonment and 300 lire fine and ordered that the certificate issued by the Judiciary Archives should be kept confidential.

CR/3524/G1(Br)
26 Jan 45

1. The Allied Military Authorities have no objections to marriages taking place between internees in British Internment Camps, provided that such marriages are in all respects legal and valid.
2. The absence of any objection by the Allied Authorities to such marriages is not to be construed as in any way supporting to validate a marriage otherwise illegal or invalid.
3. Such marriages do not necessarily confer any additional privilege on the parties concerned. For example, they will only be permitted to occupy married quarters in a camp subject to such quarters being available and then at the discretion of the Camp Commandant.
4. Notification of marriages will be made to the following authorities in order that the name of the woman concerned may be altered in their records:
 - a) HQ which authorised internment.
 - b) A.C. of S. G.2. A.F.H.Q.
 - c) G.H.Q. 2nd Echelon.
