BOCCAFURNI Myriam - Rome, Via del Babuino 196 - Tel. 680442

Daughter of the late Vincenzo and of Betty BEHRENDT;
born in Rome on 18.5.1917.

Ardent fascist; pro-German sympathies. Her mother, a German citizen born at Stettin on 16.12.1882, became an Italian citizen by marriage.

Prior to the Allies' arrival in Rome, Subject did not conceal her pro-German sympathies. She was engaged to a disabled German officer who was with the German Command in Rome.

She received in her house German officers, friends of her fiancé, who brought her foodstuffs as tinned meat, biscuits, butter, wine etc.

Subject was often seen in the company of a girl-friend of hers, a certain CATALDI, residing at V. del Babuino 135, who was also a pro-Nazi. They went together to Nazi clubs as the Excelsior and the German club at Via Margutta.

Her mother was much feared in the building where they lived, because she was known as reporting all valuable information about people and conversations to the German Command. Moreover she was a pro-German propagandist in her talks.

Following the Allies' arrival, however, they established connections with Allied soldiers and officers, going out with them or receiving them at home.

Subject subsequently found an employment with an Allied Command in the vicinity of Porta Pinciana. Her mother knows English much better than she, almost perfectly, and is now giving lessons to young men and women.

In the building where they live, they are disliked.

It is reported that Carabinieri in mufti are assigned to the surveillance of the BOCCAFURNIs.
