TO : Allied Military Government, Rome.

The undersigned forwards the following appeal to your Allied Military Government begging you to please intervene with good and valuable interest at the competent authorities, if you believe the a/m pitiful case is worth of help and justice:

BARCHI GIUSTANTINO Ju Socrate born at Montepulciano (Siena) on the 5th of March 1911 and there living, married, has two children and the mother 82 years old under his support, was since 1st January 1928 up to the 20th of April 1941 employed at the district office of the "Imposte Dirette" in Montepulciano. On the 21st April 1941 he was nominated "Alunno D'Ordine" at the a/m office following a competition, in which, he got the XXI merit grade among 1,000 competitors.

Until the 8th of Sept 1943 he did not carry out any moral activities nor any propaganda, he didn't cover any charges nor did he receive any nomination except that of "Capo Nucleo" which he kept for four months, without causing privileges nor interference.

In Oct. 1943 he returned to give his adhesion to the Republican Fascist for the same reasons he was advised to inscribed himself at the Fascist which was not yet Republican at that time, & aggravated by the fear that he would loose his job and of the pre-occupation to have troubles with the Germans and with the Prefettura of Siena.

After being nominated "triumviro" he accepted the commission not for his or his family's interest but only for the population's interests. Infact in the Montepulciano Republican Fascio Camp there was danger for all the non-fascists and anti-fascists.

Therefore, after the pressure, menaces and deceiv-

a competition, in which, he got the XXI merit grade among 1,000 competitors.

Until the 8th of Sept 1943 he did not carry out any moral activities nor any propaganda, he didn't cover any charges nor did he receive any nomination except that of "Caso Nucleo" which he kept for four months, without causing privileges nor interference.

In Oct. 1943 he returned to give his adhesion to the Republican Fascists for the same reasons he was advised to inscribed himself at the Fascists which was not yet Republican at that time, & aggravated by the fear that he would lose his job and of the pre-occupation to have troubles with the Germans and with the Prefettura of Siena.

After being nominated "triumviro" he accepted the commission not for his or his family's interest but only for the population's interests. In fact in the Montepulciano Republican Fascio Camp there was danger for all the non-fascists and anti-fascists.

Therefore, after the pressure, menaces and deceptions for the inscription, there was pressure made also by the anti-fascists so that the permanence in the fascio would conquire to prevail the factious and violent ones.

His participation to the local treunvirato was for a short period (little more than two months) because on the 24th of Jan. 1944 he had to report to the Republican Guard's Hq. in Siena from where he was assigned to a small Military fraction (Montefallonicco of Torrita, Siena) where his activity was limited to accountant services of the administration, without any power of actions against the partisans not against the private citizens enjoying the consideration and being esteemed for his behaviour.

On the 29th of April 1944 he was sent on a leave on account of being sick with Bronco-pneumite and remained home until the 29th of June (Liberation of Montepulciano) and did not return to the Republican Guard's barrack, in spite of the continuous pressure made by the Military Commands.

5883

He was forced with order n. 362, 9th March 1944 by the Finance Superintendent of Siena to make an oath as an employee threatening all those who would refuse by discharging them.

In spite of what has been stated above and although no accusations result on his account (as declared by the local Liberation Committee) nor can he be charged for having favoured or for being in contact with the Germans, the undersigned was arrested on the 1st of July 1944 by the Carabinieri and on the 4th of the same month was delivered to the Allied Authorities who sent him to the concentration camp of Padula, where he arrived on about the end of the month. The Allied Authorities kept him until the 8th of Sept. (a little more than two months - including the going trip) On the 8th they put him in liberty giving him a liberation document, of which we attach a copy.

The undersigned thought that such measures would be limited to there. Instead, successively he was suspended from his job and on the 9th of May 1945 the 1st Epuration Commission of the Finance Ministry informed him of the following accusations: "For having actively participated to the fascist political life and for made an oath to the fascist government after the 8th of Sept. and collaborated with the same (Art. 12 & 17 of D.L. Lgt. 27-7-1944 No 158-7) He made an appeal hoping that he would not be completely punished but that such punishment would be of disciplinary character.

Instead, with great surprise, he was suspended from his job, notwithstanding the recognition his Commission gives: "of his good behaviour as an employee and the flattering informations given by the Administration.

The undersigned has made an appeal to the II Epuration Commission, but fears that being that the 1st Epuration Commission did not keep account of the just reasons, also the II Commission could do the same.

It is for this reason that the present appeal is made to your Government.

Faithfully I thank you with best regards.

ROMA

Il sottoscritto si onora avanzare la presente istanza a Codesto On/le Governo con vivissima preghiera di voler interporre il suo buono e valevole interessamento presso gli Organi competenti, qualora da quanto in appresso esposto ritenga il doloroso caso dello scrivente degno di aiuto e di giustizia.

Barchi Costantino fu Socrate nato a Montepulciano (Siena) il 5 Marzo 1911 ed ivi domiciliato, coniugato, con due figli in tenera età e la madre di anni 82 a completo suo carico fu dal 1° Gennaio 1928 al 20 Aprile 1941 Avventizio presso l'Ufficio Direttoriale delle Imposte Dirette di Montepulciano,

sima preghie-ra di voler interporre il suo buono e valevole interessamento presso gli Organi competenti, qualora da quanto in appresso esposto ritenga il doloroso caso dello scrivente degno di aiuto e di giustizia.

Barchi Costantino fu Socrate nato a Montepulciano (Siena) il 5 Marzo 1911 ed ivi domiciliato, coniugato, con due figli in tenera età e la madre di anni 82 a completo suo carico fu dal 1° Gennaio 1928 al 20 Aprile 1941 Avventizio presso l'Ufficio Direttoriale delle Imposte Dirette di Montepulciano, il 21 Aprile 1941 venne nominato Alunno d'Ordine presso il ridetto Ufficio in seguito a Concorso, nel quale -per merito di esami- risultò, nella graduatoria di merito XXI° su circa 1000 concorrenti.

Il 21 Aprile 1934 si iscrisse al partito fascista. Tale iscrizione gli fu consigliata dai dirigenti quale unico mezzo di sistemazione e di permanen-

za nel posto allora ricoperto.

Fino all'8 Settembre 1943 non ha svolta nessuna attività di propaganda nè morale nè materiale in prò del partito, non ha ricoperto cariche, nè ricevuti incarichi, all'infuori della nomina a capo-nucleo che durò per quattro mesi, senza procurargli alcun privilegio od ingerenza.

Nell'ottobre 1943 tornò a dare la sua adesione al fascio repubblicano per gli stessi motivi che lo consigliarono a iscriversi al fascio non ancora repubblicano, aggravati dalla paura di dover perdere il posto e dalla preoccupazione di aver noie da parte dei tedeschi e della Prefettura di Siena.

X Nominato triumviro s'indusse ad accettare la carica per altri motivi che vanno oltre gli interessi esclusivamente personali e familiari ed investono l'interesse di tutta una popolazione. Infatti nel campo del fascismo repubblicano si aveva a Montepul-

privilegio od ingerenza.

Nell'ottobre 1943 tornò a dare la sua adesione al fascio repubblicano per gli stessi motivi che lo consigliarono a iscriversi al fascio non ancora repubblicano, aggravati dalla paura di dover perdere il posto e dalla preoccupazione di aver noie da parte dei tedeschi e della Prefettura di Siena.

X Nominato triumviro s'indusse ad accettare la carica per altri motivi che vanno oltre gli interessi esclusivamente personali e familiari ed investono l'interesse di tutta una popolazione. Infatti nel campo del fascismo repubblicano si aveva a Montepulciano anche una corrente estremista che, se avesse prevalso sarebbe stata una rovina, un pericolo continuo e terribile per tutti i cittadini non fascisti o antifascisti. Sicchè, dopo le pressioni, gli inganni e le minacce per l'iscrizione, vi furono presioni anche da parte di antifascisti perché la permanenza nel fascio scongiurasse il prevalere della

ziosi e dei violenti, ed allora non è più il motivo egoistico, quanto ragioni di interesse generale che costringevano lo scrivente nelle maglie del fascismo repubblicano.

La partecipazione al triumvirato locale fu brevissima (poco più di due mesi) perché il 24 Gennaio 1944 ricercato dai Carabinieri con cartolina precontenuta, dov'è presentarsi a Siena, alle guardie repubblicane e destinato, quale milite aggiunto in una piccola frazione di un piccolo paese (Montefollonico di Torrita di Siena) dove la sua attività si limitò a servizio d'ordine nonché a servizio di contabilità e di amministrazione, senza mai azioni di forza né contro partigiani, né contro privati cittadini e godendo della stima e considerazione per il contegno tenuto.

Rimandato in licenza il 29 aprile 1944 per broncopolmonite rimase a casa fino al 29 giugno (Liberaazione di Montepulciano) e non fece più ritorno al-

5879
Rimandato in licenza il 29 aprile 1944 per bron-
co-polmonite rimase a casa fino al 29 giugno (Libe-
razione di Montepulciano) e non fece più ritorno al-
la caserma della guardia repubblicana nonostante le
continue pressioni dei comandi militari.

Il giuramento come impiegato gli fu imposto
con ordine 9 marzo 1944 n° 362 dell'Intendente di
Finanza di Siena che minacciava il licenziamento per
chi il giuramento non avesse prestato.

Nonostante quanto sopra esposto e nonostante nessuna denuncia risulti a suo carico (come ha dovuto dichiarare lo stesso Comitato di Liberazione locale) nè nessun favoreggiamento o contatto con i tedeschi gli si possa addebitare, lo scrivente la sera del 1° Luglio 1944 venne fermato dai Carabinieri ed il 4 stesso consegnato alle Autorità Alleate che lo avviarono al Campo di concentramento di Padula dovè arrivò verso la fine del mese. Le Autorità Alleate lo trattengono fino all'8 Settembre (poco più di due mesi -compreso il viaggio di andata-) e la mattina del 9 lo rimisero in libertà consegnandogli il foglio di liberazione del quale si allega copia.

Riteneva lo scrivente che l'atteggiamento ostile mosso senza motivo e soltanto da spirito partitistico di chi denunzia per lo scopo di far del male con offesa palese alla più elementare giustizia, ci sarebbe limitato a questo. Invece, successivamente si vide sospeso dall'impiego e la Commissione

lo avviarono al Campo di concentramento di Fedula dove arrivò verso la fine del mese. Invece, successivamente si vide sospeso dall'impiego e la Commissione di 1° grado per l'epurazione dei ruoli provinciali presso il Ministero delle Finanze in data 9 Maggio 1945 gli comunicò le seguenti incolpazioni: "per aver partecipato attivamente alla vita politica del fascismo e per aver prestato giuramento al governo fascista dopo l'8 Settembre e collaborato col medes-

simo (art. 12 e 17 del D.L.Lgt. 27=7=1944 n° 159)"

Ricorse l'istante, difendendosi come in premessa e sperava non in un assoluzione completa, ma in qualche punizione di carattere disciplinare.

Invece, con sua grande sorpresa, si è visto dispensato dal servizio, nonostante il riconoscimento che la Commissione dà: "dei suoi ottimi precedenti d'impiegato e delle lusinghiere informazioni fornite dall'Amministrazione."

Lo scrivente ha interposto tempestivo appello alla II Commissione, ma teme che, non avendo la I Commissione tenuto in alcun conto le giuste ragioni adotte in difesa e riconosciute sostanzialmente fondate, anche la II Commissione possa fare altrettanto.

MINISTERO
DELLA PUBBLICA ISTRUZIONE
Direz. Gen. Istruz. Technica - Div. II

Roma, 30 Aprile 1945

Prot. No. 2370

ALLA COMMISSIONE ALLEATA -
Sottocommissione per l'Educazione
ROMA

SUBJECT : Prof. Mario Giua.

The Ministry of Public Instruction has been informed that Prof. Mario Giua titular professor of chemistry at the R. Technical Commercial Institute "Da Vinci" of Rome was arrested the 25 October 1944 by the American police. After a month's permanence in the prison "Regina Coeli" the a/m professor was transferred to a concentration camp near Aversa.

In the meanwhile, following the request of the Deputy High Commissioner for epuration, Prof. Giua has been suspended from his office from the 1st of July 1944, in expectation of the results of the epuration trial.

Being Prof. Giua presently confined in a concentration camp, it is impossible to give course to the epuration trial as he cannot defend himself. In order to settle the position of the a/m professor - which otherwise would be indefinitely undecided - we beg this Subcommittee to draw the attention of the competent Allied Authorities, if there is no objection to the fact that Prof. Giua may be released from the concentration camp and allowed to return to Rome.

THE MINISTER

All the Police officials, who, after the Armistice of the 8th of September 1943 remained in their places, were committed to the Special Commission for Epuraton. This news issued by the daily press would not have been noticed if the name of the person appointed to accuse these people had not drawn our attention. The name of the young judge is D'ABBIERO and it is not an unknown name. D'ABBIERO during all the period of German occupation in Rome (11th September 1943 - 4th June 1944) remained in his place in the Rome Tribunal. If the Epuraton laws were justly and honestly enforced, the name of this judge should come under them and Mr. D'ABBIERO should have to answer for the same crimes with which the others are accused. We point out the great incongruence and immorality of such a system, which allows and tolerates the absurd spectacle of seeing people who ought to be judged themselves sitting in the place of the judge.

To-day in Italy we assist to this unbecoming spectacle. To-day we are obliged to see those people, who ought to have been among the first to pay, make other people pay instead, after having somehow got into one of the parties, when they are not always accepted in good faith, and judged others who are guilty, but less guilty than they themselves.

And these judges, thank to the grate case with which the High Commissary for Fascist Crimes chose them, to-day, without any feeling of shame, sit beside those who really fought fascism right from the very start and ought to have been the only ones to judge.

And only these should have that right, because even those who did not consent to the Fascist Regime, but only beated against the dictator and his followers, timidly and not fearing to come out in the open, and so letting their country go to ruin for the fault of that dictator whom they feared, to-day should not judge the others.

Only those who had the courage to openly fight the regim and experienced the severity of fascist law and knew the bitter roads of exile, to-day, to what ever party or social they belong, should be the people to improve the country.

The others, fascist or non-fascists, courageous or non-courageous, between four hospitable walls, cannot claim this right. They cannot because they too are guilty. ecause the supine acquiescence is also the cause of the ruin in which this country has fallen.

And to return to the absurd situation of to-day of judges who were collaborators juggling other collaborators we can only say that their presence in the many, too many, Epuraton Commissions, in an offense for those who gave everything for the liberty of Italy and especially for those who for liberation of Italy gave their lives. And these judges, unam to the grace of Commissary for Fascist Crimes chose them, to-day, without any feeling of shame, sit beside those who really fought fascism right from the very start and ought to have been the only ones to judge.

And to return to the absurd situation of to-day of judges who were collaborators jugging other collaborators we can only say that their presence in the many, too many, Epuratiu Commissions, in an offense for those who gave everything for the liberty of Italy and especially for those who for liberation of Italy gave their lives. Not only this. But their presence in these Commissions, a part from every other consderation, does not give anyone, inside or out of the country, the necessary security that the great work of redemption will not be transformed into persecution.

Persecution because these judges, to appear pure do everything except judge with conscience, equity and justice. And that why, seeing that this system still stands, we put a question to the new High Commissioner for Fascist crimes, and we say: Epuratiu, Mr. NENI, is right, epuratiu is necessary but please tell us who, tomorrow, when these epurators will have finished their job, will epurate them? Who will epurate these epurators who are more guilty and morally lower than the epurees themselves? U.C.

We like to know what Griego, High Commissionary for Fascist Crimes thinks about t that.

Dal giornale "L'ITALIA DEL LAVORO" n° 3, anno I°, in data 9 luglio

1945:

EPURAZIONE - EPURAZI - EPURAZI

Quis custodit Custodem ?

Tutti i funzionari di P.S., che dopo l'armistizio dell'8 settembre 1943, rimasero in servizio, sono stati deferiti al giudizio della Commissione di epurazione.

Questa notizia, data dalla stampa quotidiana, non ci avrebbe un gran che interessato, e tanto meno di essa si sarebbe occupati, se non ci fosse sal-
tato sotto gli occhi il nome di chi era stato chiamato a sostenere, sia PG
re nell'ambito dell'Aiuto Commissariato per l'Epurazione, il ruolo di accu-
satore contro gli stessi.

Il nome cioè del giovane giudice D'Abbiato, il quale neanche a farlo ep-
posta, durante tutte queste il tristissimo tempo del nove mesi della "Prima
tedesca" (11 settembre 1943 - 4 giugno 1944), se ne era bellamente rimaste
in servizio, prima presso l'ufficio di istruttoria, poi presso una sezione ca-
vile (1°) del nostro tribunale.

E assieme col nome dell'accusatore in proposito, il quale se oggi in Ita-
lia, le leggi sull'epurazione fossero giustamente ed esattamente applicate,
dovrebbe, se mai si diletta di epurazione, anche lui rispondere degli
stessi, identici delitti, di cui debbono rispondere già, e conosciuti da lui, da-
vanti agli occhi di chiunque tuttora la grande incognita, anzi diramo di
più, tutta la moralità del sistema attuale, di quello cioè che permette
e che tollera l'assurdo di vedere seduti al tavolo dei giudici a giudica-
re, gente che invece dovrebbe essere giudicata.

Oggi in Italia si assiste a questo spettacolo indecoroso.
Oggi si tocca di vedere, quelli, che dovevano essere colpiti per i pri-
mi, colpire a loro volta, in nome di quei principi per cui tanto si agitano,
dopo essersi intrufolati in questo o in quel partito, che non è espre poi
in buona fede li ascoltano, e che hanno sempre ed in ogni occasione traditi,
e giudicare altri che sono colpevoli, ma colpevoli di atti meno gravi di

epurazione.

Questa notizia, data dalla stampa quotidiana, non ci avrebbe un gran che interesse, e tanto meno di essa ci saremo occupati, se non ci fosse salitate sotto gli occhi il nome di chi era stato chiamato a sostenerlo, sia pure nell'ambito dell'Alto Commissariato per l'epurazione, il ruolo di accusatore contro gli stessi.

Il nome cioè del giovane giudice D'Abbiere, il quale nacque a Saris e posta, durante tutto il tristissimo tempo del nove mesi della "Prima tedesca" (il settembre 1943 - 4 giugno 1944), se ne era bellamente rimasto in servizio, prima presso l'ufficio di istruzione, poi presso una sezione civile (1°) del nostro tribunale.

E assieme col nome dell'accusatore in giudizio, il ruolo di accusatore, cioè, le leggi sull'epurazione fossero giustamente ed equamente applicate, dovrebbe, se mai si diletta di epurazione, anche lui rispondere degli stessi, identici, debiti, di cui debbono rispondere gli, accusati da lui, davanti agli occhi di sé, e di tutti la grande incognita, anzi di più, tutta la immoralità del sistema instaurato, di quello cioè che perverte e che tollera l'assurdo di vedere seduti al tavolo dei giudici a giudicare, gente che invece dovrebbe essere giudicata.

Oggi in Italia si assiste a questo spettacolo indecoroso.

Oggi ci tocca di vedere, quella, che dovevano essere colpiti per i primi, colpire a loro volta, in nome di que principi per cui tanto si agitano, dopo essersi intrufolati in questo o in quel partito, che non è altro che in buona fede li accolgono, e che hanno sempre ed in ogni occasione traditi, e giudicare altri che sono colpevoli, ma colpevoli di atti meno gravi di quelli da loro commessi.

E questi giudici sui generis, grazie all'oculata che pone nelle scie gli altri, uno per uno, il così detto Alto Commissariato dei Crimini Fascisti, si edono oggi e senza provarne vergogna al fianco di quelli che effettivamente lo tarono il fascismo dal tempo della sua origine e sino alla fine. Ed era solo a questi ultimi che il duro ed ingrato compito dell'epurazione doveva essere affidato.

A questi ultimi, è solenne a loro, poiché gli altri, anche a quelli che non aderirono al fascismo, ma che si contentarono solamente di belare contro il dittatore e contro la sua gente, timidamente standosene al sicuro, contro seccolenti nati, e lasciavano così senza essere di sollevare solamente un dito che il paese andasse verso l'abisso, e per colpa di quel dittatore di cui avevano il più sacro terrore, e di non più essere affidato il compito di giudicare gli altri.

Solo a chi ebbe il coraggio di lottare apertamente il cruento fenomeno, e che affidò i rigori della giustizia fascista, o che conobbe le spere ed ignote vie de l'esilio, oggi, millantati in qualunque partito ed appartenenti

...

a qualunque categoria sociale, il compito di bonificare il Paese, poiché in effetto di una bonifica si tratta, delle scorie piccole e grandi che il fascismo aveva lasciato dopo la sua impetuosa caduta.

Gli altri, fascisti o non fascisti, coraggiosi o non coraggiosi entro le quattro mura ospitali, non possono arruolarsi questo diritto. Non lo possono perché essi sono egualmente colpevoli. In qualunque supino, è anche essa una colpa della rovina in cui oggi è caduto il Paese.

E per tornare poi all'assurdo odierno, quello cioè del collaborazionisti, uti iudicij di altri collaborazionisti, diremo soltanto che se la loro presenza nelle carceri, troppe commissioni di epurazione, non può più, e ne deve essere ulteriormente sollevata, poiché la stessa suona quasi come una sfida a tutti quelli che tutto devono per la libertà dell'Italia, e che affrontarono tutti i rischi, ogni sacrificio, ogni servizio ed ogni tortura suona pure, ed è questo che più conta, suprema offesa verso quelli che per la liberazione dell'Italia dal duplice servaggio, offrirono la vita.

Non solo. Ma la loro presenza in queste commissioni, a parte ogni altra considerazione, non dà a nessuno, né agli epurandi, e né a chi crede ancora, dentro e fuori del nostro Paese che in Italia, malgrado ogni cosa, sia rimasta quella garanzia necessaria, affinché la grande opera di redenzione non la traditori in una non meno grande opera di persecuzione.

Opera di persecuzione perché questi così detti giudici attuali, tutto fanno per apparire illibati e di farei quella impenabile verità, tranne che giudicare con coscienza, con equità, con giustizia.

Ed è per questo che noi, visto che questo vergognoso sistema ancora continua, rivolgiamo al nuovo Alto Commissario per le sanzioni contro i criminali fascisti, una domanda, e gli diciamo: epurare sta bene, signor Henri, l'epurazione è necessaria è vero ed è anche giusta, ma diteci, ditoci di grazia, dopo che gli attuali cosiddetti epuratori avranno, senza lodi o con molte infamie conclusa il loro compito, chi mai li epurerà?

Chi mai epurerà questi epuratori, signor Alto Commissario, che sono più colpevoli, e tanto moralmente più bassi degli stessi epurati?

E. C.

Saremo curiosi di sapere che cosa ne pensa l'On. Le Grisco, Alto Commissario Aggiunto?

TO : Allied Commission, Public Safety S/C.

The Court of Appeal of Perugia, Section Istruttoria, on the 4th July 45, has consigned to that Questura a warrant of arrest against the A/m, accused of political offences and implicated in an important trial in which were implicated other fascists, almost all implicated imprisoned since the month of December u/s. In this trial, the presence and questioning of Camponovo is very important.

As it appears that the latter finds himself in the Concentration Camp N.2 at Padula; you are asked to kindly give the authorisation to execute the arrest through the authority of the competent Police and the successive transfer at the Perugia prison.

We will await the decision of this Hon. Commission.

As the political internee, interned at the concentration camp of Padula, COSTANTINO Giovanni fu Severio born 16/9/1899 in Bari, must appear before the Italian Judicial Authorities, Tribunal of Trani (Bari) at the hearing on the 6 October 1945 being accused of the crime as by art. 610-61 n.9 C.P.Italiano and 6 D.Legge 27-7-1944 n. 159 (sanctions against fascism) because as federal secretary of Bari he ordered in November 1935, the political secretary of Molfetta, Bellifemine Luigi, to make Professor Muscetta Carlo, to drink 40 grs. of castor oil. I therefore ask the authorization so that Costantino may attend the audience on the 6 October 1945. The internee will after be accompanied to the concentration camp.

For the crime for which he must answer for, Costantino is not considered under arrest.
