Dear Sirs,

I am the wife of Mr.RUBESCHI CARLO who was kept in a concentration Terni camp since 1944. In the early months of this year he was transfe=-rred to Arezzo where he was tried by the Italian Court and dismissed for insufficient witnesses.

The Allied Authorities were going to transfer him again to another concentration camp (probably in Rimini) without giving any notice to the family and without giving any explanation to his lawyer. But the Italian Authorities kept him again in jail because, at the last moment some socialist people made a complaint accusing him of having formed at Montevarchi in 1921 the fascist action groups. I am sure that my husband will be realeased from this new charge too, because he is innocent and therefore I am very anxious now to get any information from you.

I would be grateful if you could let me know what his position will be in future. What is the charge against him, whether he will be tried or whether he will be released after the sentence of the Italian Court.

I thank you in advance for anything you will be able to do for me as I am in a terrible state.

Yours respectfully
