 SUD - EUROPA
 SITZ: ROM

ROM, 7 August 1945
 Piazza di Spagna 35

The two undersigned men of the Anti-Nazi Socialist League have asked the Allied Control Commission to certify their organization as they are performing their duties in office.

Reasons:

We already have correspondences in Allied Commission in Rome and Hq. Caserta and leaders of the organization have already worked together with Allied officers for over 1 year-- the PWB, CIO, FSS, SCI, G-2, G-5, and RAAC.

We were established as secret organization in 1942 and received on 29 June 1944, through Allied Control Commission, permission for establishing office in Rome. Announcement to the effect published by Allied Government in paper called "Courier de Roma".

The political aim of organization is to carry out program named in letter.

For administrative reasons it was necessary that German office be established under leadership of signers of letter. This office also approved by Allied Commission and announcement published 3 February 1945 in all Italian newspapers.

Chief aim of German Bureau was at first that all Germans in Italy register (without regard for political viewpoints of this organization) and all Germans not willing to call on Swiss Legation because Swiss Legation operated by order of Nazi Government.

Since May 1945, German Government no longer exists and Swiss Legation will regard it as finished and said to Germans that they must call and on German Bureau for help, because it is only agency of Germans and undersigned called on Col. Fisher, RAAC, and obtained his agreement and called on Italian Government for official recognition which was granted on 21 July 1945-
 No. 40716/34182/15.2.

It was agreed between German bureau and Italian Gov. that the undersigned men establish throughout Italy with Rome as Hqs.

We hope that these establishments agree with the rules of Potsdam conference and Allied Control Comm.

The personnel of all the offices and their political past as examined by competent authorities, Italian and Allied, I have the trust of the Allies and after one year of work ask that they be recognized officially by the Allies and that the undersigned be appointed as officers by Allied Authorities.

We hope therefore that proper diplomatic steps will be taken so that we will be recognized in order to better facilitate the keeping down of Nazi movements and restorations in Germany.

BETRIFFT:

AKT. NR.

ROM, den 7. August 1945

Piazza di Spagna 35

Die untenunterzeichneten gemeinsam verantwortlichen Leiter der D.A.V. (Deutsche Antinationalsozialistische Vereinigung) und des Deutschen Büros mit Hauptsitz in Rom wenden sich hiermit an die für Deutsche im Ausland (Italien) zuständige alliierte Kontrollkommission mit der höflichen Bitte um entliche Bestätigung ihrer Organisation bzw. ihrer persönlichen Tätigkeit.

Begründung:

Wie aus den diversen, sowohl bei den alliierten Dienststellen in Rom, wie auch beim Hauptquartier Mittelmeer in Caserta vorliegenden Unterlagen ersichtlich, erbelten die benannten Leiter und ihre Organisation seit der Befreiung Roms, d.h. seit über einen Jahr in engstem Kontakt mit den zuständigen und interessierten alliierten Stellen zusammen, also da sind: German Intelligence - FWE, CIC, FSS, SCI - G2 und G5, RAAC.

Als geheime Organisation seit 1942 bestehend, erhielten wir bereits am 29. Juni 1944 durch die zuständige alliierte Kontrollbehörde die Erlaubnis zur öffentlichen Stabilisierung unseres DAV-Büros in Rom. Die 3 Erkenntmachung dieser Tatsache erfolgte direkt von alliierten Seite

in den zu jener Zeit entlichen Mitteilungsblatt der alliierten Militärr-

Hauptzweck des "Deutschen Büros" war zunächst der, alle jene Reichsdeutschen in Italien zu registrieren und zu betreuen (und zwar ohne Rücksicht darauf, ob sie die politischen Voraussetzungen für die Mitgliedschaft zur D.A.V. erfüllen oder nicht), welche nicht gewillt waren, sich bei der Schweizer Legation, Abteilung für deutsche Interessen, zu melden bzw. sich von ihr vertreten zu lassen, da dieselbe im Auftrage der Naziregierung amtierte.

Seit Monat Mai ds. Jahres, nämlich seit dem Nichtmehrbestehen einer deutschen Reichsregierung betrachtete die Schweizer Legation ihren Auftrag als erloschen und verwies von da ab die Reichsdeutschen an das "Deutsche Büro". Nunmehr als einzige Mittelstelle oder Vertretung der Deutschen verblieben, stellten die Unterzeichneten nach Vorbesprechung mit dem RAO (Col. Fischer) und mit dessen Einverständnis Antrag bei der italienischen Regierung auf offizielle Anerkennung. Die amtliche Bestätigung erfolgte auf Beschluss des italienischen Ministerrates durch Mitteilung vom 21. Juli 1945 unter der Nr. 40716/ 34182/ 15.2 .

In weiterer Ausführung dieses Ministerratsbeschlusses wurde zwischen uns und der italienischen Behörde (Questura bzw. Innenministerium) vereinbart, dass die Leiter der Zentrale Rom des Deutschen Büros, fungierend in Form von kommissarischen Generalkonsulen in lokaler Selbstkontrolle für Italien, eine Gesamtkontrolle sämtlicher zur Zeit in Italien befindlichen Reichsdeutschen organisieren und zu diesem Behuf in allen wichtigen Zentren Italiens Zweigstellen errichten, welche von Vertrauensleuten der Zentraleitung Rom geleitet werden. Die durch uns vorgenommene Personalprüfung, Ausstellung von Dokumenten und sonstige Betreuung geschieht in engstem Einvernehmen mit den italienischen Behörden. Zwischen den anglo-amerikanischen Sicherheitsbehörden und uns besteht seit langem eine Abmachung- welche selbstverständlich auf die Zweigstellen erweitert wird- wonach ihnen von uns die Personalunterlagen aller neu Registrierten jeweils zur Überprüfung vorgelegt werden. -

Da diese Gesamtregelung dem Sinne der Potsdamer Beschlüsse entsprechen dürfte, glauben wir hierfür auch die endgültige Zustimmung ./.
10.6

der alliierten Kontrollkommission erhalten zu können.

Da selbstverständlich schon vor Erteilung der jeweiligen Erlaubnisse Personalien und politische Vergangenheit der unterzeichneten verantwortlichen Leiter, aber auch die ihrer massgeblichen Mitarbeiter von allen kompetenten Stellen auf den Genauesten überprüft wurden und uns ferner von allen alliierten wie italienischen Behörden noch über einjähriger Zusammenarbeit vollstes Vertrauen geschenkt und vollste Zufriedenheit mit unserer Arbeit ausgedrückt wurde, zweifeln wir nicht daran und ersuchen darum, dass das Deutsche Büro der D.A.V. nunmehr von der zuständigen alliierten Kontrollbehörde offiziell anerkannt und die unterzeichneten Leiter in der vorbenannten Eigenschaft entlich beauftragt und beglaubigt werden. - Wir glauben dies umso mehr, da es sich ja keineswegs um eine diplomatische Position, sondern um eine lokale konsularische Tätigkeit, ähnlich der Eigenschaft einer provinziellen Selbstverwaltung in Deutschland handelt, wofür ebenfalls zuverlässige Antinazi als Verantwortliche berufen worden. Und um solche handelt es sich bei den Unterzeichneten, welche, getragen von dem Vertrauen der deutschen Antinazi und der italienischen antifaschistischen Regierung, de facto bereits seit über einem Jahre diese verwaltungsmässige Tätigkeit völlig unentgeltlich und ohne Zuweisungen von fremder Seite ausüben und dabei ihre Leistungsfähigkeit bereits bewiesen haben.

In diesem Sinne erbitten wir wohlwollende Erwägung und zusagehenden Rückbescheid und zeichnen

Hochachtungsvoll

Die Leiter des Deutschen Büros
