Subject: **ERMINA** Ermana Lilian fu Giovanni e fu Ermana Marika
born in Budapest, 21 June 1925. Hungarian

The Prefectura from Palermo has informed us with a letter 09508 of the 17 June 1945, that on the 13 June, a foreign subject came in without any documents whatsoever. She has asked to be sent on the frontier for repatriation. Being questioned she has declared that she went to live in Berlin as a very young person, where she was working with the Krone Circus. When the war broke out her brother was shot by the S.S. having refused to fight against Russians. Her father has been sent with the German Troops in Greece and she has had no more news about him. She was put in a concentration camp wherefrom she has escaped in January 1945 and came in Italy.

As the a/m is without any identity documents, and coming from the North, she has been stopped.

We would appreciate if you would treat the case urgently as she is not able to move.

Subject: Movement of Civilians to France

To: - Contessa Yvonne LAMBERTINI, Italian Red Cross.
Security Division, Headquarters Allied Commission,

C.M.F.

1. Instructions are sought as to the procedure regarding applications made by persons whose homes are in France and who have been displaced by war exigencies and now wish to return to France.
2. It would seem that, in addition to the screening of applicants in the Italian locality in which they are residing, an additional check of records in Rome is desirable.
3. The particular case which is the subject of this report is the first of its kind which has been received in this Region. Countess LAMBERTINI, French by birth - Italian by marriage, is a nursing sister of the Italian Red Cross and her address until July, 1944 was - Hotel Continental, Rue Rossini, Nice, France, of which hotel her mother - Mrs Marie STEINSCHNEIDER nee De FALCONE - is the owner. Her father, Luigi or Louis STEINSCHNEIDER was Czecho-Slovakian by birth, British subject by naturalisation, now deceased.
4. As a nursing sister of the Italian Red Cross Committee in Nice, France, Countess LAMBERTINI accompanied parties of sick and wounded Italian soldiers from France to Italy, during December, 1943 to July, 1944. On the last of such journeys in the latter month she was retained for duty at the Italian Military Hospital, Bologna and was

1128
P.T.O.

unable to return to her home at Nice, France.

5. She is in possession of a certificate issued by the Italian Red Cross Committee, Bologna - VI Centro Mobilitazione - Ufficio Militare di Mobilitazione. This certificate - which is submitted herewith - releases her from duty in Bologna for return to her home in Nice, where she will report to the Italian Red Cross Committee.

6. Enquiries by the Regional Security Officer, Emilia Region have revealed nothing to her detriment and her case appears genuinely to be that of a nursing sister displaced from her normal domicile by reason of war circumstances.

7. It is requested that a final security check be made in Rome and that, if satisfactory, her Italian Red Cross certificate be forwarded with appropriate comment to the authority responsible for issuing of permits - in liaison with French authorities - for crossing the frontier into France. Please notify this office of result.

§ 2. - Anche per gli ufficiali richiamati di licenza per ragioni di servizio sarà redatto, per il viaggio di ritorno, il Certificato di viaggio, facendosi constare, nella 4ª pagina, il motivo del richiamo e annettendovi copie del correlativo ordine e la lettera di licenza.

§ 3. - Per gli ufficiali ed impiegati amministrati dal Corpo di Stato maggiore, dall'Istituto geografico, e dall'Ufficio di Amministrazione dei personali vari il Certificato serve anche per i viaggi nei servizi collettivi - come sarebbe per le manovre coi quadri, nei campi per le grandi manovre - e in questi casi, si comprendono sul Certificato anche le diarie di marcia e di accantonamento e la indennità per ricevimenti ufficiali. Lo stesso dicasi per gli ufficiali isolati, che precedono o seguono il corpo o reparto di corpo.

In questi casi si descrivono sul Certificato i singoli viaggi di mano in mano che hanno luogo e si possono omettere, sul fronteapizio, le dichiarazioni relative alla data del ritorno dell'ufficiale ed impiegato.

Quando però si tratta di piccole spese incontrate da ufficiali generali o superiori per nolo di vetture pubbliche, le quietanze saranno unite nel solo caso che eccedano le lire cinque, e quando siano inferiori si supplirà alla ricevuta con apposita dichiarazione nella quale le singole spese siano particolarmente descritte, secondo la specie e la natura loro.

La dichiarazione della necessità di siffatte spese per il personale della giustizia militare sarà stesa nella 4ª pagina o fatta risultare in foglio separato da unirsi al certificato.

Non sono da comprendersi sui certificati da viaggio le spese di vetture state autorizzate per servizi nell'interno dei presidi, dovendo essere chieste in rimborso con documenti separati.

§ 3 - Per gli ufficiali ed impiegati amministrati dal Corpo di Stato maggiore, dall'Istituto geografico, e dall'Ufficio di Amministrazione dei personali vari il *Certificato* serve anche per i viaggi nei servizi collettivi - come sarebbe per le manovre coi quadri, nei campi per le grandi manovre - e in questi casi, si comprendono sul *Certificato* anche le diarie di marcia e di accantonamento e la indennità per ricevimenti ufficiali.

Lo stesso dicasi per gli ufficiali isolati, che precedono o seguono il corpo o reparto di corpo.

§ 4 - Nei viaggi che hanno carattere di periodicità e che si riferiscono ad uno stesso servizio (per esempio: nei servizi di sorveglianza del materiale d'artiglieria e genio, servizi speciali dei carabinieri, servizi nei quali sia stabilita la indennità speciale di presidio e destinazioni di ufficiali ai forti alpini) può essere compilato un solo *certificato* al mese - come si fa per i giri continuativi per le ispezioni, per i corsi ferroviari e per altri simili servizi - ancorchè le trasferte si siano succedute ad intervalli.

In questi casi si descrivono sul *Certificato* i singoli viaggi di mano in mano che hanno luogo e si possono omettere, sul frontespizio, le dichiarazioni relative alla data del ritorno dell'ufficiale od impiegato.

§ 5 - Quando si tratti di servizi isolati di lunga durata, le indennità possono essere conteggiate, anzichè solo a servizio compiuto, anche a termine d'ogni mese per il tempo già trascorso: in questo caso gli ufficiali verranno muniti di un nuovo *Certificato di viaggio*, modificandone le dichiarazioni della intestatura in modo che appaisca la continuazione del servizio e del diritto alle indennità corrispondenti.

I pagamenti dovuti nel mese di giugno sono disposti in modo che possono effettuarsi non oltre il 30 del mese stesso. La parte di assegni o indennità non potute comprendere in detti pagamenti è corrisposta insieme cogli assegni del mese di luglio: epperò si dovranno compilare distinti *certificati* quando i pagamenti interessino differenti esercizi finanziari.

§ 6 - Quando nei viaggi venga scelto un itinerario diverso da quello che importa una spesa minore, e quando si percorra la via ordinaria ove esista ferrovia, occorre ne sia indicato il motivo sul *Certificato*.

Quando si tratti di viaggi effettuati con treni diretti o direttiissimi sono dovuti i seguenti prezzi minimi per viaggiatore: 1ª Classe L. 2,60 - 2ª Classe L. 1,85 - 3ª Classe L. 1,20 ferma in ogni caso le limitazioni d'ammissione in determinati treni (§ 10, 22 e 23 del regol. sui trasporti militari in ferrovia).

Quando però il viaggio da compiersi sia tale che pagando la tariffa ordinaria si ottenga un vantaggio sui prezzi minimi si dovrà pagare la tariffa ordinaria.

L'indennità bagaglio spetta invece sempre in ragione della distanza effettivamente percorsa.

§ 7 - Sui *Certificati di viaggio* le spese di vettura, di cui si chiede il rimborso, vanno indicate partitamente giorno per giorno, annettendovi le correlative ricevute od in difetto, una dichiarazione dell'ufficiale che non fu possibile avere le ricevute stesse dai noleggiatori di veicoli.

Quando però si tratta di piccole spese incontrate da ufficiali generali o superiori per nolo di vetture pubbliche, le quietanze saranno unite nel solo caso che eccedano le lire cinque, e quando siano inferiori si supplirà alla ricevuta con apposita dichiarazione nella quale le singole spese siano particolarmente indicate e scritte, secondo la specie e la natura loro.

La dichiarazione della necessità di siffatte spese per il personale della giustizia militare sarà stesa nella 4ª pagina o fatta risultare in foglio separato da unirsi al *certificato*.

Non sono da comprendersi sui *certificati* da viaggio le spese di vetture state autorizzate per servizi nell'interno dei presidi, dovendo essere chieste in rimborso con documenti separati.

§ 8 - Quando gli ufficiali od impiegati fanno i viaggi con mezzi di locomozione forniti dall'Amministrazione, o su vettore noleggiato dall'ufficiale generale o superiore cui sono addetti, non si dovrà comprendere nel conto alcuna indennità chilometrica, e quando si richiedono indennità chilometriche nei viaggi al seguito di ufficiali generali o superiori, l'ufficiale in viaggio dichiarerà sul *Certificato* che non si valse della vettura noleggiata dall'ufficiale cui è addetto.

§ 9 - La spesa del trasporto di un attendente o domestico al seguito di ufficiali generali in viaggio deve essere iscritta nelle colonne 9 e 10 del *Certificato*.

§ 10 - Nella 4ª pagina sotto la rubrica «Annotazioni complementari» si devono porre anche le indicazioni che occorrono per meglio dichiarare i fatti che danno luogo a variazioni durante il viaggio facendo sempre risultare il giorno di arrivo e quello di partenza dal luogo di temporaneo soggiorno.

Tali indicazioni dovranno essere autenticate dalle autorità presso le quali l'ufficiale od impiegato si recò a compiere il suo servizio.

§ 11 - Le anticipazioni che si fossero ricevute per sopprimere alle spese di viaggio, dovranno essere scontate nell'atto stesso che ricevesi il rimborso delle indennità.

L'ufficiale che ha compiuto i viaggi o servizi firmerà, per quietanza delle indennità ricevute, l'apposita dichiarazione a piè della 3ª pagina, avvertendo di annullare con la propria firma la marca da bollo da cent. 5 o 10, secondo la somma riscossa, che dovrà esservi applicata.

§ 12 - Prima di ammettere in contabilità i *Certificati di viaggio*, le amministrazioni si accertano che gli ufficiali abbiano ottenuto a tutte le prescrizioni indicate nelle presenti «Avvertenze» specialmente in quanto riguardano i cambi d'itinerario.

1. This movie reporter of the Swiss Film Weekly, left Switzerland after the German collapse in Northern Italy. He was instructed by his company to film the entry of Allied troops in Milan.

2. He came into Italy without any difficulties at that time, but when he tried to return later he was stoped by C.I.C. Border Control.

3. I think Vitello spoke to you about the case when we were at Como. This man has been waiting in Milan ever since and he would lose his job if he does not return to Switzerland soon.

4. I have checked his records, and he is alright. The reason for his trip to Konstanz, Germany, was to film the exchange of wounded Allied and German prisoners.

1. The lists of the CC.RR. have finally arrived.
From the envelope I note that they were first sent to the American Vice Consul in Lugano, then to H.Q. IV Corps, from there to ALOCM Advance in Milan and then finally to me.
I wonder if IV Corps could be notified to send the lists to me in Rome direct.
2. On the column 12 (Swiss remarks), Nos. 1-2-3 mean good, satisfactory and unsatisfactory.
3. The explanation of column 11 is on the 2nd page of the attached Order No. 323 which I send you in French in which you are an expert.
4. I am very sorry about the delay of these lists on route, but I am sure that we can still catch up now.
5. Public Safety Sub-Commission and CC.RR. Headquarters have decided to give each of these Carabinieri on arrival in Italy 5,000 lire and a leave to see their folks.

Subject: Movement of Civilians to France

To: - Contessa Yvonne LAMBERTINI, Italian Red Cross.
Security Division, Headquarters Allied Commission,
C.M.F.

1. Instructions are sought as to the procedure regarding applications made by persons whose homes are in France and who have been displaced by war exigencies and now wish to return to France.
2. It would seem that, in addition to the screening of applicants in the Italian locality in which they are residing, an additional check of records in Rome is desirable.
3. The particular case which is the subject of this report is the first of its kind which has been received in this Region. Countess LAMBERTINI, French by birth - Italian by marriage, is a nursing sister of the Italian Red Cross and her address until July, 1944 was - Hotel Continental, Rue Rossini, Nice, France, of which hotel her mother - Mrs Marie STEINSCHNEIDER nee De FALCONE - is the owner. Her father, Luigi or Louis STEINSCHNEIDER was Czecho-Slovakian by birth, British subject by naturalisation, now deceased.
4. As a nursing sister of the Italian Red Cross Committee in Nice, France, Countess LAMBERTINI accompanied parties of sick and wounded Italian soldiers from France to Italy, during December, 1943 to July, 1944. On the last of such journeys in the latter month she was retained for duty at the Italian Military Hospital, Bologna and was

unable to return to her home at Nice, France.

5. She is in possession of a certificate issued by the Italian Red Cross Committee, Bologna - VI Centro Mobilitazione - Ufficio Militare di Mobilitazione. This certificate - which is submitted herewith - releases her from duty in Bologna for return to her home in Nice, where she will report to the Italian Red Cross Committee.

6. Enquiries by the Regional Security Officer, Emilia Region have revealed nothing to her detriment and her case appears genuinely to be that of a nursing sister displaced from her normal domicile by reason of war circumstances.

7. It is requested that a final security check be made in Rome and that, if satisfactory, her Italian Red Cross certificate be forwarded with appropriate comment to the authority responsible for issuing of permits - in liaison with French authorities - for crossing the frontier into France. Please notify this office of result.

except recovered prisoners of war as noted in para. 4j below
whatever period, may be retained in the theater for use in either combat units or rear areas, whether such personnel were formerly assigned to this theater or not. G-2 Section, AFHQ, will notify the Replacement and Training Command MTOUSA as to results of such screening and as to limitations, if any, of assignment.

b. The Replacement and Training Command MTOUSA is responsible for determination as to whether or not an individual is to be retained for duty in this theater, and for the administration, processing and handling of all US recovered personnel, and will coordinate with Commanding General, AAF/MTO on matters pertaining to Army Air Force personnel.

c. The Replacement and Training Command MTOUSA and AAF/MTO will consider the following points in determining which recovered personnel are not to be returned to the United States:

- (1) Length of time overseas
- (2) Length of time out of US control
- (3) General physical condition
- (4) General mental and psychological condition
- (5) Special training or technical abilities
- (6) Overall replacement level in the theater
- (7) Number of sorties flown (For Air Corps personnel)
- (8) If the man meets the minimum requirements for rotation, he should normally be returned to the United States

f. Air Force personnel whose last assignment was to a unit not now in the theater, will be sent to Headquarters AAF/MTO for interrogation. Upon completion of interrogation, and other immediate action deemed appropriate, they will be forwarded by Headquarters AAF/MTO to their former organization if that action is desired by the present theater commander of the former unit. Travel by military aircraft is authorized. That personnel whose return is not desired by present theater commander of former unit will be placed in the replacement system of this theater.

g. OSS personnel will be disposed of as recommended by Commanding Officer, 2677th Regiment OSS (Provisional).

h. G-2 Section, AMHO, will be responsible for the processing and disposition of "MIS-X" and other G-2 clandestine personnel.

i. If personnel are not eligible for combat duty, they may be retained for other duty within MTOUSA or returned to the zone of the interior at the discretion of the Commanding General, Replacement and Training Command MTOUSA.

j. - see bottom of sheet.

5. Security Screening

a. Considerations of security will not ordinarily prevent assignment to combat duty in MTOUSA of personnel who have not previously served in this theater.

b. The return to combat duty in this theater will be governed by the security considerations involved in each individual case. The final decision will assure the protection of:

- (1) Persons and/or organizations within enemy or enemy-held territory who may have assisted escapees
- (2) Escaped personnel who might be subject to criminal prosecution by the enemy for acts alleged to have been committed within enemy controlled territory
- (3) Escaped personnel who may be readily identified by the enemy as former prisoners of war
- (4) Security of unusual and extraordinary methods or circumstances of escape.

c. In those cases where further retention in this theater is considered inadvisable for reasons of security, an appropriate remark will be made on officers' qualification card (WD AG Form 66-1, 66-2, or 66-3), and in enlisted men's service record under "Remarks Administrative".

in addition to other duties will suffice) one officer to serve as liaison officer to Allied prisoner of war repatriation units, that may be set up in the future. These officers will remain on duty with the headquarters which they represent and will, insofar as their particular headquarters is concerned and when practicable to do so, make recommendations to the Replacement and Training Command MTCUSA as to the final disposition of repatriates.

8. Processing of Personnel Within the Theater

a. Preliminary Interrogation. Advance intelligence echelons will interrogate repatriates only to the extent necessary to secure information of immediate tactical value, such as enemy plans, order of battle, installations, equipment, etc. A certificate will be given to each individual which will show that an interrogation has been made and that the individual is not to be interrogated further until a place of detailed interrogation is reached.

b. Medical Examinations and Records

(1) Each former prisoner of war will be given a thorough medical examination at the earliest practicable moment. Such examination will make special reference to the existence of infections or contagious diseases and mental afflictions, and appropriate reference will be made to treatment furnished by the enemy and to any illnesses or injuries suffered while in custody. Complete statements of such injuries, including affidavits from the individuals concerned, where possible, and from enemy or Allied personnel cognizant of the circumstances, will be obtained and forwarded to this headquarters in duplicate. Medical records, which will be improvised locally and likewise forwarded to this headquarters in duplicate, will contain the information obtained under the provisions of this paragraph.

(2) Other classes of repatriates will be given a medical examination, as deemed necessary. No record or report is required in these cases.

c. Pay and Pay Records

(1) No payments that have been received from the enemy by officers or enlisted men under the terms of the Geneva Prisoners of War Convention, during the period they were interned by the enemy, will be deducted from their pay accounts.

(2) For the purpose of this paragraph, pay records will be construed to be:

(a) For officers - Pay Data Card, WD AGO Form 77

(b) For enlisted personnel - Individual Pay Record, WD AGO Form 26; Service Record, Remarks Financial; WD AGO Form 24.

- (4) No effort should be made to effect full settlement of pay accounts of an officer or an enlisted person while in a casual status, i.e., awaiting evacuation to the United States or transfer to another unit, when such evacuation or transfer is contemplated within sixty (60) days. However, if it is reasonably certain that a person will be in a casual status for more than sixty (60) days, immediate action should be taken to settle his account in full, in accordance with instructions contained in sub-paragraph (5) below.
- (5) Pay accounts of all other personnel will be brought up to date as soon as possible after rejoining their former units or when they have been assigned to new units in a permanent status. In order to accomplish this end, local commanders will, upon the arrival of such permanently assigned personnel, promptly prepare a letter addressed to the Office of Special Settlement Accounts, 27 Pine Street, New York 5, New York, requesting the pay data information pertaining to each individual. effect and amounts due the United States) indicates that no overpayment will result. Partial payments within the above limitations may be made monthly thereafter, if the individual is still awaiting evacuation or transfer, or if full settlement of his pay account is being held in abeyance pending verification of pay data in accordance with sub-paragraph (5) above. (Note: Every effort will be made to effect full settlement of individual accounts within ninety (90) days. Commanders will exercise discretion in approving requests for maximum partial payments, in order that there will be no abuse of this privilege which will result in overpayments.)

- (b) When preparing vouchers for partial payments to enlisted personnel, the following will be added to the certificate of the Personnel Officer, on WD Form 366 or WD FD Form 56: "The amount paid to each enlisted person on this payroll has been authorized by CONFIDENTIAL letter, Headquarters MTOUSA, AG 383.6/470 A-0, dated 31 March 1945, subject: 'Repatriation of American Personnel', and each payment has been entered in the respective individual's service record."

This procedure will permit the War Department sufficient time to make official notification to the next of kin and to clarify his status. Subsequent messages then received from the individual by the next of kin will not occasion doubt or alarm as to his safety and whereabouts. This procedure, together with the reason therefor, will be carefully explained to all repatriates.

f. A temporary service record will be prepared for enlisted men as outlined in paragraph 13, AR 345-195, WD TM 12-230, and Section II, MTOUSA Circular Number 13, 1945. An entry will be made on the cover of the record that the individual is an escaped prisoner of war, has avoided capture in enemy or enemy held territory, has escaped or been released from internment in a neutral country, or has been liberated from custody in enemy or enemy controlled country.

g. Whenever possible, all decorations and service medals awarded an individual but not yet issued him, will be supplied. Ribbons in lieu of medals, when medals are not available for issue, will be supplied. Appropriate entry of such award will be made in temporary service records.

Caro Colonello Chapman,

mi riferisco alla Sua lettera del 28 febbraio u.s. N° SD/545.IG, per comunicarle che i congiunti del Signor William Thomas Robson si trovano nella impossibilità di richiedere il nulla osta del Governo Italiano per il di lui rimpatrio, essendo minorenni e sfolati.

Ad ogni modo è stata interessata la Presidenza del Consiglio dei Ministri (S.E. Flores) per esprimere anche il suo parere.

La posizione dell'internato potrebbe rientrare in uno dei tre casi per i quali è previsto il rimpatrio: condizioni di famiglia particolarmente pietose.

Colgo l'occasione per porgerle i miei migliori saluti.

SUBJECT: Security of Displaced Persons Accommodation and Reception Centers.

TO: All Concerned

1. The various Displaced Persons Accommodation and Reception Centers throughout Italy (a list of which is attached at Appendix "A") contain a number of persons of uncertain nationality and doubtful record. While these persons are normally screened secure before their entry into the Accommodation and Reception Centers, cases of security interest may develop owing to the long period of waiting and inactivity of the displaced persons, or for other reasons.

2. In addition, cases have arisen where persons have been transferred or directed to Accommodation and Reception Centers without prior screening. This should be avoided whenever possible, but if it is unavoidable, the center should be notified that the persons are not screened.

3. A further source of anxiety, from the security standpoint, is the fact that no military guards are provided at these Accommodation and Reception Centers.

4. It is therefore important that the officers in charge of Counter Intelligence Corps detachments and Field Security Sections should be instructed to make themselves known to the Directing Staff of the Accommodation and Reception Centers in their area and should maintain contact by at least weekly visits.

5. It is pointed out that, in cases where displaced persons are judged to be a menace to the Security of the Allies if allowed to remain at liberty in an Accommodation and Reception Center, recourse may be had to the measure of internment in one or other of the Allied Civilian Internee Camps.

(5) Pay accounts of all other personnel will be brought up to date as soon as possible after rejoining their former units or when they have been assigned to new units in a permanent status. In order to accomplish this end, local commanders will, upon the arrival of such permanently assigned personnel, promptly prepare a letter addressed to the Office of Special Settlement Accounts, 27 Pine Street, New York 5, New York, requesting the pay data information pertaining to each individual. Partial payments within the above limitation may be made monthly thereafter, provided the individual is still awaiting evacuation or transfer, or, full settlement of his pay account is being held in abeyance pending verification of pay data in accordance with sub-paragraph (5), above.

(NOTE: Every effort will be made to effect full settlement of individual accounts within ninety (90) days. Commanders will exercise discretion in approving requests for maximum partial payments, in order that there will be no abuse of this privilege which will result in overpayments.)

(c) When preparing vouchers for partial payments to enlisted personnel, the following will be added to the certificate of the Personnel Officer, on WD Form 366 or WD FD Form 56: "The amount paid to each enlisted person on this payroll has been authorized by CONFIDENTIAL letter, Headquarters MTOUSA, subject: 'Repatriation of American Personnel', dated 18 November 1944, as amended, and each payment has been entered in the respective individual's Service Record."

R O M E

The undersigned CIOCCHETTI ELVIRA of the late Giuseppe, living in Umbertide, takes the liberty to send the attached demand, with the hope of being able to obtain the repatriation of her husband BAIOCCO LUIGI of the late Domenico, born 14 September 1893, as his presence is needed owing to the financial conditions that his family are compelled to live in. At the moment they are living on the military subsidy of 4.08 lire a month.

His son Baiocco Guido cannot be depended on although he is of age, he is without any employment and is studying at the moment privately so as to be able to get his degree as geometer.

If repatriation of her husband is not granted, the family will be in complete misery and the son will not be able to continue his studies.

The only means the undersigned had to live on was the rent of a house belonging to her which rendered 3000 lire per year. This house has now been partly destroyed by the Germans when they retired.

Her husband was taken prisoner in Dire Dawa - Abyssinia - in June 1941 - was after transferred to the Italian Evacuee - Camp N. 18 Kenya Colony. The above as prisoner has the following No. 79392.

The undersigned is sure that her request will be granted,

Thanking you in advance,

THE ADJUTANT GENERAL OF THE REALM

Rome, 1 February 1945

Dear Campbell,

I have been urgently asked to request the repatriation of Mr. William Thomas ROBSON, son of the late Rodolfo, a civilian internee at Kenya - NO. E.49219, Camp 3 - on the grounds of the difficult conditions that his family are living under.

In 1938 his wife died and on January 1944 her mother died leaving him two small children who were obliged to leave their home at Marina di Massa (Apulia) and go as guests to relatives in Florence.

Following an air raid the two children had to leave their home in Florence and have need of assistance and protection.

I beg you to examine this case and if possible accord this repatriation.

Thanking you from now for your interest I am cordially yours.
