CICCHITTI, Renato

ASKS FOR Consideration of his case

ARRESTED BY F.S.S. Aftessa

CONFINED IN C C Padula

CICCHITTI has been arrested without any explanation and never given an interrogation or chance to prove he is innocent. He was called to arms but after the armistice of September 1943 he never gave service nor took part in politics in any way. Previous to his entrance in the Army he served as Administrative Secretary to the local Fascists but never had any responsibility. His wife earnestly pleads his return as she is in great moral anguish and financial need. His aged father died in December broken over the sufferings of his son. She asks a just reconsideration of his case and a study of the false accusations made about him.

LUPIS, Luigi

ASKS FOR liberation

CONFINED IN C C Padula

REQUEST MADE BY his son, Clorinda Lupis, Ragusa

LUPIS was taken as political prisoner on August 4th 1943. He had been on two occasions Federal of Ragusa until 1931. During this time Fascism was an organ of justice and order and their relations between England and America were very friendly.

Afterwards he took no part in political matters and consequently was in no way connected with the Fascist Regime or the errors into which they fell. From 1938 - 1943 he was given the Office of Mayor of Ragusa. He accepted it in order to silence the continual tormenting accusation that he was an element no in sympathy with the State. His activity then was entirely administrative and he sought only the welfare of the people. The citizens esteemed him for his disinterestedness, honesty and goodness.

He faithfully collaborated with Captain Parker for one month after the occupation of Sicily by the Allies. A letter is preserved which Cap. Parker has written to him thanking him for the collaboration he has so generously given to them and which he highly appreciates, assuring him (Lupis) of his consideration and confidence in consequence of his praiseworthy activity for the benefit of Ragusa.

He was arrested as being a dangerous element by other factors and is now two years in concentration camp. His son pleads for his restoration to his family who stand greatly in need of his help.

 risposto così: Padre mio sono Unitario perché nato
 italiano e lo resterò a esserlo perché sono la mia
 Patria, l'ho avuta fin da piccolo da quando ero con-
 cello, cattolico ed anche la mia nazione ad

essere la Patria. Come potevo dire rispetto a ciò se
 financo la Chiesa gli dava ragione? E' stato appunto
 per difendere l'Unità d'Italia che dopo che furono
 arrestati i dirigenti del MSI si autolesione Prem
 ad intenzionalmente ad unanime consenso degli iscritti,
 di quali in tale occasione disse per prima cosa che,
 se c'era qualcuno negli arrestati che veramente ris-
 soltasse vero di avere offeso in qualsiasi modo la
 Patria non doveva fare più parte del MSI ed aggiunse
 che era necessario continuare a tenere su il movi-
 mento Unitario anzi cercare di ingrandirlo il più
 possibile finché sarebbe stata raggiunta l'Unità
 d'Italia che altrimenti i separatisti avrebbero ap-
 profittato di questo momentaneo sbandamento per pren-

 il loro scopo e cioè di separare la Sicilia dall'I-

 tentare di andare al Movimento Unitario Italiano ed
 ha aggiunto: tutto ciò che l'ho detto e lo dirò sempre

La libertà non doveva fare più parte del MSI ed era un dovere per tutti continuare a tenere in alto il motto di libertà e così raggiungere più facilmente il loro scopo e cioè di separare la Sicilia dalla Italia. Questo ci ha detto per convincerci a farlo senza ricorrere al governo. Il governo italiano ha sempre avuto la sua parte di libertà e lo farà sempre. La libertà è un valore che non si può vendere, che si può vendere solo se si è disonesti, e questo lo ha detto il signor che veramente sente di avere la sua parte. Subject: CESARIO Eugenio son of Vincenzo, interned at TERMI.

The writer, having on 30 May 1945, presented an appeal in order to obtain the release of her son interned at the Internment Camp of COLLESCIPOLI (Terni) and having furnished documents which prove the necessity for the interned to rejoin his family and which gave a contribution in blood to the National Cause, lost the head of the family, and has two sons as P.S.'s in India, the house destroyed by bombardments for which reason three women without a guiding hand or a roof (the writer and two daughters) find themselves without means in the middle of the road in utter misery, appeals to human solidarity in order that the situation of a family of honest workers be taken into consideration as the war has taken everything from it.

The interned, whose release is requested, is not a criminal but a young post graduate who has the sole fault of having lived this infernal period and paid for the sins of others.

It results to me that many true Fascists, men who after 8th of Sept. 43 were propagandists, ex-camp in our cities whilst innocent ladies are still suffering in concentration camps. Perhaps because of the fact that my son lost his father by means of a small splinter that no one can help him?

May it be permitted to a mother to say with all bitterness against the injustice which to-day is being committed, and she pleads that her son may be give back to her in order to carry on a life of honest labour which has always been the only merit of the Cesario family.

The interned's name is Cesario Eugenio son of late Vincenzo, serial N.1038, post graduate in Mathematics and Physics, born in 1922, interned at COLLESCIPOLI, Terni.

La sottoscritta Zuccarina Ida ved. Cesario fu Eugenio e di Furlani Tersilia, nata a Fano il 10 agosto 1897, domiciliata in Reggio Cal. ed attualmente ancora sfollata, perchè sinistrata, a Cannitello di Villa S. Giov. (Reggio Cal.) presso la famiglia Palamara, si pregia esporre quanto segue:

L'ultimo di lei figlio, Cesario Eugenio fu Vin-
cenzo e di Zuccarini Ida, nato a S. Nicola da Crissa
(Catanzaro) il 7/3/921, già domiciliato in Reggio C.
si trova internato civile n° 1038 nel Campo di Con-
centramento di Terni.

La sottoscritta prega pertanto si voglia rivedere
con benevola urgenza la posizione del figlio Cesario
Eugenio, tenendo presente:

a) che, come può risultare dalle informazioni che
codesto Ministero vorrà assumere, egli (come il
resto della famiglia) non ha mai svolto attività
politica fascista, essendo, oltretutto, di giova-
ne età;

b) che, a quanto risulta alla sottoscritta, fu in-
ternato perchè senza documenti di riconoscimento
mentre faceva ritorno a casa.

Il ritorno in famiglia del figlio Eugenio arre-
cherebbe un grande sollievo non solo moralmente ma
soprattutto economicamente perchè, essendo laureato

mento della famiglia.

La sottoscritta confida pertanto nei sentimenti

attende il ritorno del figlio per ricostruire il fo-

TO: The Prefect of Perugia, Comm. Peano Luigi.

Excellency,

Pardon me if I come to disturb you with this other letter. I refer to your letter sent to me with your messenger in which it said:

"If such investigations will result favourable we will take the necessary steps in order to obtain the authorization for his liberation from the F.S.S."

Afterwards you informed me through Don Carlo Alberti and through Dr. Renzo Coen, that there were no accusations against ARMANDO ZUCCHERINI.

They have already started to release some of the internees of Terni. I went to see my husband on the 15th of May 45, but even though he was interrogated three weeks before that date he still did not know his luck. I went to talk to the captain of the camp and he told me that he was awaiting for some new documents from Perugia.

ARMANDO ZUCCHERINI has never harmed anybody all he did was to wear the uniform of the g.n.r. after he received a post card on the 3/2/44 which was sent to him by the Nazi-fascists inviting him to do so. He accepted such invitation only to save his family from the nazi-fascists persecution.

Excellency, I want to bring to your notice my conditions: We escaped from Trento on the 13th of Sept. 43 with the only clothes we had on, leaving furniture, clothes and all the rest in the house and as the most miserable refugees we came to Perugia. My Father-in Law gave us hospitality; but even though a piece of bread and a roof has not been denied to us, the life needs many other things especially when there are young childs like mine. While the families of other internees have a part of the husbands salary I do not have the right to get it being that my husband was a compliment officer. Up to this moment I have done my best with the few lires we had saved, but now they have finished. In order to go and see my husband who I hadn't seen for 5 months I had to see a pair of ear-rings which were for me a dear remembrance of my mother. I do not ask you for money, nor food the only thing I ask you for is my husband's liberation so that he can take care of his family once again.

For the actions you deem necessary, we transmit a petition made by the Superior Military Transmission Office, who are hoping to obtain the liberation of the a/m subject, interned in the concentration camp of Collescivoli (Terni)

"The Local R. Questura has furnished us the following informations, expressing a favourable opinion on his account:

"Mingardi Enzo di Edoardo e di Fabbri Amelia, born in Bologna on the 28th of May 1913, living in Via Circonvallazione Clodia n.167, has a regular moral and political conduct and he has no precedences in these files.

On the 25th of November 1937 the same was employed as an electrician radio-erector by the Transmission Institute (Military) in Viale Mazzini n.8, from where he was discharged on the 31st of December 1943.-

He is a laborious man and it is not within our acknowledgement that he has collaborated with the German invaders.

He reached the grade of Capo-Nucleo and was esteemed and liked by everybody, in his neighborhood he enjoys a good reputation.

It seems that he left his house on the 5th of April 1944 for the purpose to pass the German lines and reach those of the Allies, in which he succeeded; but, he was found in company with individuals who were suspected of espionage and was interned in the concentration camp of Padula from where, on the 28th of June 45 he was transferred to the camp of Collescivoli (Terni)

608

He is married to Taddei Maria di Ignoti, born in Rome on the 6th of July 1915, house-keeper, and has two small children.

The wife, after the Allies arrival, has made every one put in doubt her moral conduct, being that she daily receives Allied soldiers in her house.

Considering that an eventual liberation of the a/m subject would produce a good impression in his neighborhood and where he used to work, and also so that he can help the family, being that it is to be retained that the wife prostitutes herself in order to get money and sustain her own children, this office would have nothing to the contrary for his discharge from the concentration camp."

"Mingardi Enzo di Edoardo e di Pabbri Amelia, nato a Bologna il 28 maggio 1913, abitante in Via Circonvallazione Clodia n. 167, serbando regolare condotta morale e politica ed in questi atti non ha precedenti.

Raggiunse il grado di capo-nucleo ed era stimato e ben voluto da tutti e nel vicinato gode buona reputazione.

Egli, si vuole, che il 5 aprile 1944 si allontanò da casa allo scopo di passare le linee tedesche e raggiungere quelle Alleate, ciò che riuscì a fare; ma, essendo stato trovato in compagnia di individui sospetti di spionaggio, venne internato nel campo di concentramento di Padula da dove il 28 giugno u.s. fu trasferito al campo di Collescivoli (Terni).

./.

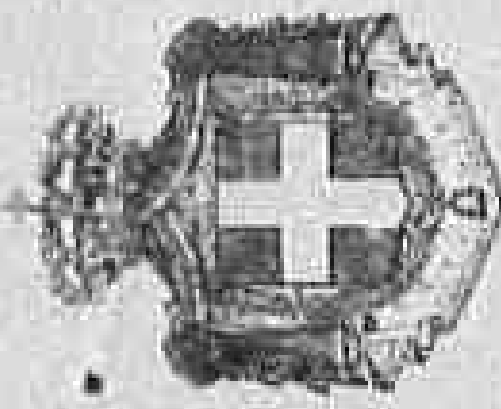

E' coniugato con Taddei Maria di Ignoti, nata a Roma il 6 luglio 1915, casalinga, ed ha due figli di tenera età.

La moglie, dopo l'arrivo delle truppe Alleate, ha lasciato molto a dubitare con la condotta morale, in quanto giornalmente riceve nella sua abitazione militari Alleati.

Ciò premesso, tenuto conto che una eventuale liberazione del Mingardo dal campo di concentramento produrrebbe buona impressione nel vicinato e nell'ambiente dove lavorava, ed anche perchè possa essere di aiuto alla famiglia, in quanto deve ritenersi che la moglie si prostituisca a scopo di lucro per sostenere i propri bambini, questo Ufficio non avrebbe nulla in contrario a che il predetto venga dimesso dal campo di concentramento".

The Pistoiese section of the A.N.I.P., request our interest in favour of a group of partisans who during the clandestine period when they were waiting for the Allied occupation of the area, took part in the fight against the nazi-fascists and in the military information service for the anglo-american forces.

The persons are, Carobbi Guido, Capecchi Enzo, Spagnesi Marino, Garzi Aladino, Benesperi Artese, Frosini Attilio and Placido Stanislao.

The a/m, about the last days of last December were arrested and interned in a concentration camp at Terni, by the Military Police, where they are still now.

We therefore ask your Commission to please examine the case of these young men, so that they may be released to return to their families who are anxiously waiting for them.

Subject :- Bonaccorsi Augusto.

Forlì 18 April 1945

and for information to :- C.L.N. COMUNALE - PORTICO DI ROMAGNA.

After the liberation of Portico di Romagna, the Commandant of the Partisans O.R.I. "Corbari - Spazzoli" arrested several fascists in that area, who were sent immediately to concentration camps by the Allies.

As this was done in a great hurry, an error was made by the Head of the partisans; Sig. Bonaccorsi Augusto, born and living at Portico di Romagna, underwent the same treatment and was deported.

The Head of the Partisans recognising the mistake he had made, at once wrote to the Allies revoking the measures taken. Furthermore, he went on foot to the locality of Vicchio di Mugello where the internees had at first been taken in order to bring back Bonaccorsi free. but the search proved fruitless, so the appeal, up to this moment, has had no effect.

The C.L.N. of Portico di Romagna have written to us, stating that they have nothing contrary to Bonaccorsi being released, and beg us to intervene on his behalf to the Italian government.

We therefore pray your office to interest themselves in the matter, keeping present that Bonaccorsi SEEMS to be interned in the concentration camp of Afragola (Naples) or - more probably - in the one at Terni.

We are very sorry that this mistake has occurred and therefore ask that this matter be taken up urgently. Waiting the favour of a reply.

TO: His Excellency the President of the Council of Ministers.

R O M E

I, the undersigned BATTISTINI Alvaro, interned at "R" Internee Camp of Terni, also on behalf of a great number of partisans, exposes the following: It is over four months that I have been interned, as well as my other companions, held at the disposition of the competent Allied Command. So far we have not been interrogated, which seems that our case has not yet been brought up.

It is with a great hope that we have turned to you for help, your Excellency, so that you may intervene on our behalf to the Allied Command so that they may render justice, that justice for which we have fought and are still ready to do so again.

Many of us have suffered under the Tyrannic Fascist Regime, persecuted and placed in prison, some of us were refused work for one sole reason: our love for liberty, the defense of our right to wish to be free men.

When the oppressive Germans wanted to carry on its tyrannical regime we did not hesitate to take up arms and fight for liberation; we swore not to stop until we had saved Italy.

And now? Here we are enclosed, mortified, with Nazi-spies around us as well as fascist profiteers; we see justice forbidden us, we find ourselves alone and abandoned.

Please your Excellency we beg you to intervene on our behalf, so that our position may be examined. Many have the right to be punished but those that have done no harm should be released.

Respectfully,

/s/ BATTISTINI Alvaro

also on behalf of his interned companions.

Vettori had taken refuge with several hundred other refugees.

3) That during all his permanence in Camaldoli, Dott. Vettori, kept extreme praiseworthy behaviour, assisting the wounded, and in some grave cases, acted as surgeon taking shrapnel from the bodies of some of the refugees.

4) That always in said period, especially after the massacring in Moggiola where about 20 persons were killed by the Germans, Dott. Guido Vettori organized of his own initiative and directed the night-watch service as well as during the day time of the Convent, exposing in this way danger to his life for defending this religious community as well as of the refugees the Convent had given shelter to.

5) That Dott. Vettori, during all his stay in Camaldoli always carried out a service of hate and was in open contrast with the German forces, and thereby his assistance to the refugees in saving them from the Germans is to be highly admired and is worthy of every consideration and praise.

R.PREFETTURA of PERUGIA

3 May 1945

TO: The command of the Provincial Allied Police.

P E R U G I A

As your Command knows, the Vice Questore Dr. Andrea Grisolia is interned at the concentration camp of Terni since September 1944 where he was taken by the Allied Police.

The mentioned Questore through information taken on him does not result to be a security danger, and owing to his conditions, merits particular consideration.

He has an old sister, ill and exalted, she has been recently recovered in the local hospital, not having the possibility of being cured at home.

Dr. Grisolia, implores to be released so that he may look after his sister, of whom he is very fond.

As we have already mentioned above there is no grave accusation against the Dr. and the many years he has served in the Administration of the P.S. should as well be considered. We therefore pray your Command to intervene to the competent Allied Authorities so that Dr. Grisolia can be released from the concentration camp to return to his native country, in Calabria.

The Questura of Perugia has transmitted to the Allied Police Command of this city, the following report on the 24th of April 1945:

"On the 10th of October 1944 the V. Brig. of P.S. Polidori Mario was arrested by the Allied Police Command and put in jail, from where, on the 18th of January 1945 he was transferred to the Concentration Camp No. 2.

He has been accused ^{having} taken part to the Police. forces, who in Gubbio on the night of the 18 & 14 of January 1944 arrested some antifascists and perquisitioned their houses.

There is nothing concrete of the accusation against Polidori, being that in some cases, there does not exist any sure affirmation on the identity of who has effected the arrest or the perquisitioning, and in other cases it is explicitly affirmed that the operation has been made by Polidori, it is also admitted that the above mentioned person has used a correct behaviour, without threatening or insulting.

Only in a woman's statement it is pointed out that Polidori during perquisitioning a house he would have threatened and used intimidating manners forcing the woman to say where the boyfriend was hid.

From what Signorina Barontini denounced it does not results that Polidori has perquisitioned any house while armed.

When Polidori was interviewed he admitted

The Question of Perugia has been transmitted to the Allied Police Command of this city, the following report on the 24th of April 1945:

"On the 10th of October 1944 the V. Brig of P.S. Polidori Mario was arrested by the Allied Police Command and put in jail, from where, on the 18th of January 1945 he was transferred to the Concentration Camp No. 2.

He has been accused for ^{having} taken part to the Police Forces, who in Gubbio on the night of the 13 & 14 of January 1944 arrested some antifascists and perquisitioned their houses.

There is nothing concrete of the accusation against Polidori, being that in some cases, there does not exist any sure affirmation on the identity of who has effected the arrest or the perquisitioning, and in other cases it is explicitly affirmed that the operation has been made by Polidori, it is also admitted that the above mentioned person has used a correct behaviour, without threatening or insulting.

Only in a woman's statement it is pointed out that Polidori during perquisitioning a house he would have threatened and used intimidating manners forcing the woman to say where the boyfriend was hid.

From what Signorina Darontini denounced it does not results that Polidori has perquisitioned any house while armed.

When Polidori was interrogated he admitted **6037** he had perquisitioned houses and that he had only arrested avv. Salciarini, of which the statement points out the correct behaviour of the non-commissioned officer.

Being that some verbally assumed statements, excludes insults, threatening and uncorrectness of Polidori, it is not clearly understood how such manners could be used in the own regards of a woman.

Polidori admits the execution of the above mentioned arrest and of some hostile perquisitions, he affirms that after all he obeyed the Quastore, his direct superior, who also went to Gubbio, and encloses the fact that he has been in contact or encountered orders from and other persons.

In addition, from informations given by the R. Commissioner of the P.S. of Gubbio (of which we enclose a copy) it appears that Parentini, perverted woman, inclined to libertinism, without scruples, is able to denounce persons for ridiculous revenge or for personal affairs.

The above mentioned woman appears to be the National Liberation Committee President's lover, and on investigation of this denounce it does not seem to be true.

Being that previously there had been no denouncements made against Polidori, for which he should be still kept in the concentration camp, we beg this command to re-examine the position and decide about the opportunity to free him.

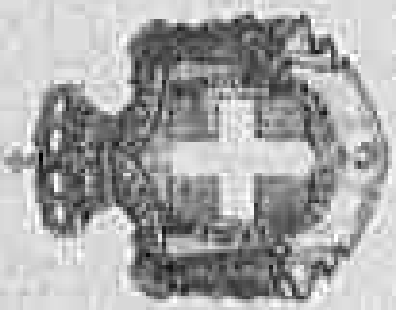

We inform this Sub-Commission of the above so that the matter be taken in consideration, to expedite and clarify, if possible, V. Brig. of P.S. Polidori's position.

We hereby attach the latter sent by the P.S. Commissioner of Gubbio No. 103 dated 28/10/34, with which is put in evidence the behaviour of the non-commissioned officer and the accused consisting against him.

A kind reply would be very appreciated.

La Questura di Perugia il 24/4 u.s. ha trasmesso al Comando Alleato di Polizia di quella città il seguente rapporto:

Il V. Brig. di P.S. Polidori Mario, in oggetto indicato, in data 10 Ottobre 1944 per ordine del locale Comando di Polizia Alleato fu tratto in arresto, ed associato nelle locali carceri, dove il 18 Gennaio 1945 fu trasferito al Campo di Concentramento n°2.

OGGERIO V. Brig. di P.S. POLIDORI Mario di Ippolito -Internato.

La Questura di Perugia il 24/4 u.s. ha trasmesso al Comando Alleato di Polizia di quella città il seguente rapporto:

Il V. Brig. di P.S. Polidori Mario, in oggetto indicato, in data 10 Ottobre 1944 per ordine del locale Comando di Polizia Alleato fu tratto in arresto, ed associato nelle locali carceri, dove il 18 Gennaio 1945 fu trasferito al Campo di Concentramento n°2.

Egli è stato accusato di aver fatto parte delle forze di polizia che nella notte dal 13 al 14 Gennaio 1944 eseguirono, in Gubbio, arresti di antifascisti e perquisizioni domiciliari.

Solo dalle dichiarazioni di una donna si rileva che il Polidori, durante il corso di una perquisizione domiciliare, avrebbe profferito minacce ed usato modi intimidatori per costringere la donna stessa a dichiarare dove fosse nascosto il fidenzato.

6035

Dalle denunce della signorina Barontini non risulta che il Polidori abbia eseguito la perquisizione a mano armata.

Il Polidori, in sede di interrogatorio e contestazioni ammette di aver effettuato qualche perquisizione ed il solo arresto di tale avv. Salciarini, la cui dichiarazione accenna al comportamento corretto del

o/o

sottufficiale.

Dal momento che in alcune dichiarazioni assunte a verbale si escludono scorrettezze minacce ed angherie da parte del Polidori, non si vede chiaramente come detti modi possano essere stati usati nei riguardi proprio di una donna.

Il Polidori ammette l'esecuzione dell'unico arresto suddetto e di alcune perquisizioni domiciliari, afferma di aver ubbidito in sostanza ad ordini del Questore suo superiore diretto, anch'egli recatosi a Gubbio, ed esclude, nella maniera più categorica, di aver avuto contatti di sorta od eseguito ordini di altre persone.

Inoltre, in seguito ad ulteriori informazioni rese dal R. Commissariato di P.S. di Gubbio, (di cui si alliga copia), è risultato che la Berontini, donna perversa, incline al libertinaggio, senza scrupoli, capace di denunciare persone per basse vendette o per scopi personali. La predetta risulta amante del Presidente del Comitato di Liberazione Nazionale, e dietro istigazione di questo redige denunce non sempre conformi al vero.

Poichè da quanto precede non emergono a carico del Polidori accuse specifiche per le quali egli debba ulteriormente rimanere in campo di concentramento, si prega codesto Comando di voler riesaminare la posizione del predetto sottufficiale e decidere circa l'opportunità di proscioglierlo dal campo di concentramento ove in atto si trovano.

Si informa di quanto sopra codesta On. Sottocommissione per un benevolo interessamento al fine di sollecitare, ove sia ritenuto opportuno e possibile, che la posizione del V. Brig. di P.S. Polidori Mario sia chiarita.

Si alliga la nota IO8 in data 23/IO/944 del Commissariato di P.S. di Gubbio, con la quale si mette in evidenza il comportamento del sottufficiale e la consistenza delle accuse mosse allo stesso.

Tornerebbe gradito un cortese cenno di riscontro.

Con riferimento alla nota n°104746 del 14 corrente, si comunica che il sottufficiale in oggetto, per il breve periodo di tempo che ha prestato servizio alle dipendenze di questo ufficio, ha tenuto condotta esemplare.

Egli, anche quando fu apostrofato in ufficio dalla Barontini con invasi e risentite frasi, tenne contegno sereno e corretto.

In quanto alla donna suindicata, identificata per Barontini Fedora fu Giuseppe e di Porrozzì Vittoria, nata in Umbertide il 17 Gennaio 916, qui domiciliata via Sottoprome n°1, da riservate ed accurate indagini assunte è risultata di pessima condotta morale. Da circa quattro anni coltiva intima relazione col Dr. Tabarrini, presidente del locale Comitato di Liberazione e si ritiene che la Barontini, dietro istigazione dell'ante, rediga denunce, non sempre conformi al vero che invia alle autorità politiche.

Trattasi di una donna perversa, incline al libertinaggio, senza scrupoli, capace di denunciare persone per bassa vendetta ed a scopo personale, per cui va seguita con molta attenzione.

Nel 1937 venne impiegata presso la Scuola Magistrale del luogo, quale segretaria, ma nel successivo 1939 ne veniva licenziata per la sua cattiva condotta morale e per scarsa comprensione del posto che ricopriva.

Anche la condotta morale della madre è stata, ed è tuttora, molto discussa essendosi sempre mostrata di sentimenti frivoli ed avuto più amanti, specie dopo la morte del di lei marito.

Per quanto riguarda il Dr. Tabarrini, anch'egli figura ambigua e non riscuote alcuna fiducia da parte della popolazione, per la sua equivoca condotta morale. Da circa 4 anni mantiene illecita relazione con la Barontini, tresca che è divenuta di dominio pubblico; ha avuto illeciti rapporti con molte altre donne del luogo e in questi ultimi tempi ha reso madre una giovane che si trovava ricoverata in ospedale sanatoriale affidata alle sue cure. Tale fatto pare che abbia dato anche origine a disgustose scene di gelosia da parte della Barontini.

Gubbio, 23 October 1944

No 108

SUBJECT: POLIDORI Mario di Ippoliti - Vi. Brig. of P.S. political prisoner.

P R I V A T E

TO THE REGIA QUESTURA OF PERUGIA

Reference to your note No. 104746 of the 14 inst., we communicate to you that the officer mentioned above, rendered service with this office for a very short period, during that time his conduct was exemplary.

Even when he was insulted in the office by Miss Barontini, his conduct was serene and correct.

Regarding the a/m woman, she is identified as being a certain Barontini Fedora fu Giuseppe and di Porrozzi Vittoria, born in Umbertide the 17 January 1916, here residing at Via Sottoprome No 1, by reserved and accurate inquiries made it results that her conduct is very bad. For over four years she has had intimate relations with Dr. Tabarrini, president of the Local Committee of Liberation, it is retained that instigated by her lover, she sends untrue statements to the political authorities.

It deals of a perverse woman, inclined to libertinism, without scruples, capable of making false denunciations for personal revenge, for all this she should be carefully watched.

In 1937 she was employed at the Scuola Magistrale del Luogo, as secretary, but in 1939 she was dismissed for her bad moral conduct and for not carrying out her duties.

Even the conduct of her mother is bad, she has been and is still now very frivolous and has had many lovers, especially after the death of her husband.

Regarding Dr. Tabarrini, even he has not a very good reputation and is not liked by the population. For over four years he has kept illicit relationship with Barontini, he has had many other mistresses and not a long time ago has had a child with a young girl who was recovered in a sanatorium under his cure. It seems that through this last scandal Barontini caused a scene of jealousy.

QUESTURA DI PERUGIA

Div. Gab. N. di prot. 6149

SUBJECT: POLIDORI Mario di Ippolito, born 2/1/1912 -
V. Brig. of P.S. - interned -

TO: ALLIED COMMISSION
PERUGIA

By order of the local Command of the Allied Police, Vice Brig. of P.S. Polidori Mario, was arrested the 10 January 1945 and placed in the local jail, on the 18 January he was taken to the concentration camp N.2.

He has been accused of taking part in the police force who during the night of the 13+14, arrested the anti-fascists and searched their houses.

By declarations made by the same persons who denounced him, no concrete date can be placed against him, there is no certainty on whom were the persons who effected the arrests and who searched the houses. It has been affirmed by the persons who were searched that Polidori when carrying out his search behaved with correctness, and did not threaten anyone. Only a declaration made by a woman states that she was threatened and frightened in order to compel her to say where her fiancée was hidden.

By the denouncement made by Signorina Barontini it does not result that Polidori was armed when he carried out the search.

When interrogated Polidori admits of having searched some of the houses and of arresting only one man a certain Avv. Salciarini, the mentioned Avv. declares that the officers behaviour was good towards him.

As in all the declarations and verbal interrogations made it does not result that Polidori ill-treated anyone, it does not seem possible that he could have treated badly the a/m woman.

Polidori states that he carried out the arrest and search of the houses by order of the Questore, his Superior officer, who had also gone to Gubbio. He swears to having carried out no other persons orders.

Following other enquiries it results that the woman, Barontini is a bad woman, without scruples, capable of denouncing persons for low personal reasons. The mentioned woman results to be the mistress of the President of the Committee of National Liberation of Gubbio. Thus the declaration of this woman should not be regarded.

As there are no specific accusation against Polidori, we think his case should be re-examined in order that he may be released from the concentration camp.

SUBJECT: Beyer Raspini Ingeborg, interned at Terni.

We forward you herewith for your information the appeal of Raspini Fazio tending to obtain the release of his wife interned in the concentration camp of Terni.

On request, the R.Prefettura of Florence has given us the following information:

""From the inquiries made it results that the person a/m, now interned in a concentration camp, has not carried out any activity in favour of the nazi-fascists; instead, it has been reported that she has openly manifested her dislike for the fascist regime.

For a certain time Mrs. Beyer has been employed as interpreter with a German Command. She used to often have the visit of a German officer with whom she used to go out. However it seems that the a/m officer came from her native city.

The persons mentioned in the appeal which we return herewith, have all given good information about her, therefore the statement written by the husband corresponds to the truth.

TRANSLATION

BEYER RASPINI INGEBORG of the late Eugenio and of Cherlotte Schuberth, born in Chemitz (Germany) 24 August 1912, married 22.5.1933 to Raspini Fazio, living in Florence, Via Tornabuoni n.7 from whom she had a son who is now 6 years. Since 1938 she is suffering with heart disease as can be seen by: radiography and cardiogramma examined by Prof. Terzani of Florence, who declared that Mrs. Raspini Beyer, was to avoid overworking and privation, which would damage her health. She was arrested by the F.S.S. on the 25.6.44, without a specific charge, and detained in the jail in Florence up to the 10-44 she was then transferred to N.2 concentration camp at Terni. Her work is in the kitchen which is not good for her health.

For having caught paratifo she was recovered for over a month in the infirmary causing her now to be so weak that the doctor of the camp is alarmed at her conditions.

She has never carried out any political activity, and though she loved her country very much she always had a strong dislike for fascism and nazism, proof of this has been sent in statements signed by friends to the competent authorities.

GEMMA MUCCIA ISRAEL:- Declares to having hidden with her son Alberto in the house of the a/m. With the help of Mrs. R.B. her son was able to flee to Switzerland where he is still now. Mrs. R.B. risked her life by hiding in her apartment two jews.

COOK'S AGENCY of Florence:- Declares that through the ability of Mrs. R.B. many valuables belonging to anglo-americans were saved from being taken away by two germans who had broken into the Agency.

RANIERI GARZELLA:- Declares to having been saved by Mrs. R.B. when two nazifascist agents had threatened him and robbed him of about 100000 lire.

SIRIO PETRACCHI:- Member of the Communist Party, declares that although he does not know the political tendencies of Mrs. R.B. through conversations had with her, she showed to be strongly against the nazifascists.

AVV. CARLO CRASNIK:- Declares that Mrs. R.B. took over the villa "La Veranella" which belonged to two jewish families so as not to have it taken away from them.

AUGUSTO & IOLE BAUER:- Hebrews, declare to have taken refuge in the house of Mrs. R.B. during the months which proceeded the liberation of Florence by the Allies.

GIORGIO MOSIICI:- Declares that owing to Mrs. R.B. intervening on his behalf with the German Command he was saved from their persecutions.

There are many others statements signed by friends whom Mrs. R.B. has helped.

Mrs. Raspini was accused of receiving often in her house a German Captain, who was a native of her own country, an old family friend, who sometimes brought with him some colleagues to listen to transmissions on the Radio from London. She could not refuse this because the mentioned captain helped Mrs. R.B. to communicate to her mother who lives in Germany and to go once to Germany on a visit as well as helping her financially.

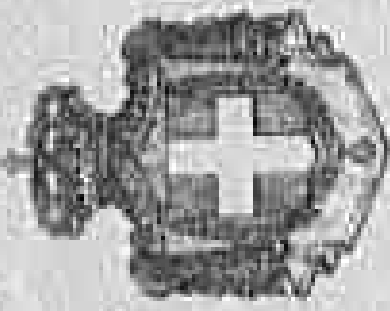

The Allied authority has promised to re-examine the case but up to now nothing has been done.
If it is necessary that Mrs. R.B. should remain far from the front line, why not confine her in Rome?

OGGETTO Beyer Raspini Ingeborg, internata a Terni.

Per l'esame di competenza, si trasmette un'istanza di Raspini Fazio, intesa ad ottenere la liberazione della moglie dal campo di concentramento di Terni.

La R. Prefettura di Firenze, in merito richiesta, ha fornito le informazioni seguenti:

""Dagli accertamenti esperiti, non è risultato che la persona in oggetto, ora internata in campo di concentramento, abbia svolto attività politica in favore dei nazi-fascisti; anzi, in varie occasioni, avrebbe dimostrato, apertamente, la sua avversione al regime fascista. Per certo un periodo di tempo, la Beyer è stata occupata, in qualità di interprete, presso un comando tedesco. Riceveva frequenti visite da parte di un ufficiale tedesco, con il quale si accompagnava anche fuori, me, sembra, che sia stato un proprio concittadino.

BEYER RASPINI INGEBORG Fu Eugenio e di Cherlotte Schubert nata a Chemnitz (Germania) il 24 agosto 1912, sposata il 22.5.1933 a Raspini Tazio, domiciliata in Firenze Via Tornabuoni n.7 dal quale ha avuto un figlio che conta ora 6 anni. Fino dal 1938 soffre di miocardia come dimostrato da:- radiografia e cardiogramma esaminati dal Prof. Terzani di Firenze, il quale dichiarò che la Signora Raspini Beyer, avrebbe dovuto evitare strapazzi e disagi, molto dannosi al suo stato di salute.

Dalla P.SS Alleate è stata fermata il giorno 25.3.1944, senza specificare accusa, e trattenuta nelle carceri di Firenze fino al 10.10.1944 indi dopo un viaggio strapazzosissimo durato 5 giorni, internata nel campo di concentramento n.2 per internati civili a Terni dove tuttora si trova costretta ad un lavoro più forte delle sue possibilità fisiche, ma che ha accettato di buon grado, onde evitare di subire i rigori dell'inverno in locali non riscaldati, (il suo lavoro si svolge in cuoio na).

E' stata per circa un mese internata nell'ospedale del campo, per aver contratto un paratifo, che ha maggiormente indebolito il suo fisico, già fortemente provato con la lunga permanenza alle carceri di Firenze, tanto, che lo stesso medico del campo di concentramento, è allarmato del caso.-

La signora R.B., non ha mai svolto attività politica, e malgrado avesse la sua patria d'origine, cosa del resto più che naturale, ha sempre con i suoi atti e le sue parole, dimostrato la più grande avversione tanto per il nazismo come per il fascismo, ed a prova di ciò, sono stati presentati alle autorità competenti, esposti di amici e conoscenti che comprovano il suo operato a favore degli italiani, e anche anglo-americani, perseguitati dai nazifascisti, nel periodo d'occupazione tedesca, esposti del quali riporto di seguito il nunto del contenuto, dei più interessanti, nonché il nome dei singoli firmatari:

La Signora R.B. essendo di origine germanica, rischiò la vita col nascondere nel suo appartamento due persone di razza ebraica, e col suo gesto riuscì a salvare ambedue nonché tutti i loro averi che tenne celati fino all'arrivo degli alleati.

- AGENZIA COOX di Firenze:- Dichiaro che con abile stratagemma ma Signora R.B., riuscì a porre in fuga due rapinatori tedeschi, che durante il periodo d'emergenza, erano, penetrati nei suoi magazzini, ed avevano già sfondata una porta ben celata, dietro la quale si trovavano diverse casse, contenenti cose di ingente valore di proprietà di cittadini anglo-americani, e come fu in seguito riscontrato che grazie al tempestivo inter-

-GEMMA RUGGIA VEDOVA ISRAEL:- Dichiaro di essere stata nascosta nella casa della Signora R.B., in compagnia di suo figlio Alberto, che fu in seguito, grazie all'interessamento della Signora R.B. fatto fuggire in Svizzera dove tuttora si trova rifugiato. - AGENZIA COOK di Firenze:- Dichiaro che con abile strategia ma Signora R.B., riuscì a porre in fuga due rapinatori tedeschi, che durante il periodo d'emergenza, erano, penetrati nei suoi magazzini, ed avevano già sfondata una porta ben celata, dietro la quale si trovavano diverse casse, contenenti cose di ingente valore di proprietà di cittadini anglo-americani, e come fu in seguito riscontrato che grazie al tempestivo intervento nulla era stato asportato, malgrado che il tutto si trovasse ormai a portata di mano dei rapinatori. Detto esposto è stato anche firmato da quattro persone che furono testimoni oculari al fatto.

- RANIERI GARZELLA:- Dichiaro di essere stato salvato dalla R.B. dall'aggressione subita da due agenti nazifascisti, che lo avevano minacciato a mano armata, e truffato di circa 100/mila lire.

- SIRIO PERACCHI:- Esponente del Partito Comunista, dichiara che malgrado che la Signora R.B., non concedesse la sua attività politica, ha dimostrato nei suoi atti e nei suoi discorsi, la sua avversione per i nazifascisti.

./.

-AVV. CARLO CRASNIK:- Dichiaro che la Sig.ra R.B., con simulato contratto, regolarmente registrato, prendeva in affitto in testa propria, la villa "la Veranella" già appartenuta alle famiglie israelite Sacerdoti e Israele, salvando così dalla razza nazifascista le cose ivi rimaste di proprietà delle suddette famiglie, nonché due piccoli bimbi, figli rispettivamente, di Guido Sacerdoti e Alberto Israele, che non erano stati fatti evacuare, dati all'imprevedibili disagi cui sarebbero andati incontro i fuggiaschi. E' riuscito col suo gesto e la sua presenza a scacciare più volte agenti nazifascisti, che si erano presentati alla villa a seguito di denunce di delatori.

-AUGUSTO e IOLE BAUER:- Di razza ebraica, dichiarano di essere stati rifugiati, in casa della Signora R.B., durante i due mesi che precedettero la liberazione di Firenze, da parte degli Alleati.

- GIORGIO MOBILICI:- Dichiaro come a causa, di un'intervento presso un comando tedesco, fatto dalla Sig.R.B. in suo favore, la stessa signora fosse forzata a fare da interprete saltuariamente da quello stesso comando, cosa che la Signora R.B. fece senza percepire alcuna, onde essere disobbligata il più possibile.

Seguono altri esposti, di amici o conoscenti, che sono stati dalla signora R.B., aiutati col suo intervento presso diversi comandi tedeschi, con i quali sfruttava la propria origine germanica, per aiutare gli italiani.

La signora Raspini ha a suo carico di aver ricevuto spesso nella propria abitazione un capitano tedesco, nativo della sua stessa città, e vecchio amico di famiglia, che qualche volta portava con se qualche suo collega, dove spesso potevano sentire le trasmissioni di radio Londra, cosa che abitualmente veniva fatta in casa Raspini. Inoltre la Signora R.B., non ha potuto rifiutarsi, di fare da interprete al suddetto capitano, ma sempre, naturalmente disinteressatamente. Lo stesso Capitano aiutava la signora R.B. a comunicare con la propria madre che tuttora risiede in Germania, ed una volta è riuscito anche a fargli avere il mezzo di recarsi in Germania a visitarla, oltre a darle un'aiuto finanziario, dato che era stata privata di tutto il suo avere in seguito ad un bombardamento.

Le autorità alleate hanno promesso, di rivedere il caso, prendendo in esame, ed indagando su gli esposti fatti, dato che sul caso della Signora R.B., non esistono che sospetti, ma nulla a suo carico è stato accertato, ma per ora, le promesse sono rimaste tali, e la signora R.B. è tuttora internata. Esiste infatti una commissione d'inchiesta italo-Alleata, che si reca al campo di Verni, per interrogatori, e qualcuno è già stato rilasciato, ma la signora R.B. non è ancora stata interrogata.

Se è necessario che stia lontana dal fronte, perché non confinarla a Roma?

Summary translationTo Captain Hayes

Regarding my nephew Lieut. Col. Franco Inzerilli, I can state that he always kept away from politics thinking only about his work, and that like we all he awaited impatiently the Allies. A niece of mine told me that he worked for the British who were very pleased with him, as Captain Meinchi and Captain Nick (I write their names like we pronounce them in Italian) told him that he had done very well. Besides, my nephew worked also with Colonel Ckenedi and was very proud to collaborate with the Allies. I know also that he admired very much the British and had many friends amongst them. Some of them payed me a visit in Rome and spoke very well about my nephew. I think that Sergeant Harold Mend can tell you something about his admiration and esteem for the Allies. It is true that in order to keep his job he joined the republican fascist party, but it is also true that a long time before the fall of fascism he disapproved of it although he couldn't express openly his sentiments. He always hated the Germans and had no friends amongst them.

I am sure therefore that the accusations made against my nephew are unfounded as his behaviour has always been good, and nothing can be said against him.

PERUGIA

I, the undersigned Charlotte Giuliani, want to bring to your
notion the following case:

My husband, Doct. Giuseppe Giuliani, from Perugia, Piazza
Fossi Scotti 3, is interned in the Internee Camp N.2. at
Terni, where he does medical service at the camp infirmary.
Since he was interned in October 1944 he has never been
interrogated. I apply therefore to the A.M.G. Perugia, hoping
to obtain that my husband might be interrogated and that his
case might be examined.

The only facts against my husband are: having adhered to
the republican fascist party and having married me, Austrian,
now denounced as German by many people. He has never occu-
pied any political charge nor taken any part in political
life.

I appeal to your sense of justice and humanity, confiding
that also my particularly distressful position - being com-
pletely alone and without any economical resources - might
be considered.
