To the Command of 370 POW Camp
Rimini

June 2o,46.

Sirs ,

In order to have my present position cleared which is due to the crime I have been accused of during the interrogations following my arrest on 12 August 1945, I,internee No 960,Romanelli ,Giovanni ,make the following statement and request :

On the third of May 1944 two British prisoners of war who had escaped from a concentration camp were shot in the area of Ascoli Piceno.Five men were considered guilty of the crime and among them m myself.We were sent to the R Internee camp at Terni as criminals of war.Four were tried by the Allied Court Martial at Ancona on 24 April 1946.Two of them were sentenced to three years of imprisonment ,one to one year,one who had died during the permanence in prison was not sentenced and as I was considered not guilty after two interrogations I remained at the Camp of Terni and on 24 May 1946 with a new number and with the same treatment as the other internees I was released from the cells.All this made me suppose to have been fully discharged from the serious crime which I had not committed and all the more so as I had given sufficient proofs of my innocence . - On 24 May 1946 all the internees were transferred to this camp and so was I .On 17 June I was interrogated by an Italian Military Commission in which there was a British Captain who told me I could not be released ,because I had to be tried by an Allied Court Martial for I was considered a criminal of war. - By this communication I was struck with a deep feeling of grief and desperation , for I am an honest citizen,father of a numerous family all of women unable to work,who used to live on his own work and now without any more means of living and with the family in the poorest circumstances . -

For these motives I beg this honourable Command kindly to accept my request and give me it that consideration which I so much hope .

I remain

Your obedient servant

Subject: Brugnoni Giuseppe - Civilian Internee =

The afsn subject's illness was over and when he left the Monteverde Hospital he was taken into custody by the questura of Rome and then sent to the Prefettura of Terni —

The Questura agents of Terni took the afsn to Forlì in order to be returned to the Concentration Camp of Rimini —

On the 20.5.45 Brugnoni G. was handed over to the Questura of Terni in order to be recovered in an Hospital (he was sick of tuberculosis) with the clause, however, that as soon as he were recovered he should have been sent back to the Camp.

As this Province lacks of private asylums, so it was decided that the afsn should have been received in the Monteverde Hospital and watched, in the meantime, by his Questura agents —

TRANSLATION [illegible]/

Darling mother,

Gianni and Vittorio came yesterday to the Forte with regular permission. I was a little depressed and their visit made me happy. They told me what you have done and intend to do for me. Thanks, thank you very much. But don't take much care for my situation and don't write or go very often to Caserta. Let the Allies examine my case and I am sure they will get persuated of my good faith and will free me.

I appreciate very much the steps you made for my transfer to the Clinic, because my illness requests that tranquillity and feeding that cannot be got in a prison.

You complain for my long silence. Forgive me please! But I could grieve you and increase your martyrdom telling you how I spend my days. And I don't want to do that.

Betty wrote a letter to me a few weeks ago and I also received her pictures. I told Mary, when she came last time to see me, to write to Betty for me. Poor my dear Betty! How much has she suffered for this my misfortune! I was not at all surprised when I knew from Gianni and Vittorio that she has been recovered in an hospital due to a nervous exhaustion. It was inevitable.

I was glad to hear that Junior is growing well and healthy. Oh how would I like to see him again! I live for my son.

As I repeat, don't be worry if I don't write sometime and don't preoccupy yourself if I have not here those comforts and helps I had during my life.

A lot of kisses for all of you.

Yours

signed: Renato.

Attention: S.C.I. And C.I.C.

Sirs:

On January 8, 1946 My son Carmine Renato Senise was arrested in Rome by order of the C.I.C. of Caserta. The reason Leading to his arrest was: "Dangerous to the allies security".Which was wrong.

At the age of 16 my son was a reporter of the Italian socialist newspaper "Avanti!" directed by a close friend of my husband, the late G.M. serrati.

In May 1927 my son became an employee of the Italian ministry of interior. In december of the same year, for private reasons, he was arrested by order of the late Michele Bianchi, former under-secretary of the Interior, sentenced to four months of prison, then sent to the Islands of Lipari and Ponza for a period of three years as an antifascist.

Released in 1930, my son obtained a passaport from my brother-in-law, Carmine Senise , former Chief of all Italian police forces, and left Italy to go to France. Back from France in 1932, my son was sent again to Ponza and Vietri-sul-Mare for an additional period of one year, accused of contacts with the Italian antifascist Concentration of Paris. Escaped from Vietri-sul-Mare with my support, he obtained a new passaport from my brothemin -law, and this time left Italy to go to America as a visitor.

In 1937, my son, after obtaining an immigrant visa, declared

In 1937, my son, after obtaining an immigrant visa, declared his intention to become an American citizen, and in 1942, after the attack on Pearl Harbor, he asked to be American citizen in order to join the American Army. The U.S. Immigration and naturalization Service refused to him the citizenship paper, then my son was included in a list of Italians to be repatriated, list prepared by the Italian

Embassy in Washington. My son sent various letters to the U.S. Immigration Authorities and to the late President Roosevelt asking to be allowed to remain in the States, but in vain. In June 1942 he was forced to leave America and returned to Italy.

Upon his arrival to Italy, my son was accused of being an American Secret Agent, and strong steps were taken against him by the italian S.I.M. and O.S.

My son had any intention to fight to the italian side against the allies, therefore he left Italy on april 1943 to go to Sweden where he remained until 1945.

During his stay in Stockholm, I sent a letter to my son informing him that my brother-in-law had been arrested in Rome by the Germans and sent to the concentration camp of Dackau. Worried by my letter, my son approached the German Legation in Stockholm in order to ask some news about his uncle's health conditions; and this with the approval of the American Authorities in Sweden.

Consequently my son was accused by the Swedish Police of Espionage in favor of Both America and Germany, and he left Sweden to avoid a sentence against him.

Arrested on January 1945 by the Germans in Danemark and sent to Berlin and then to Italy, my son escaped from Milano to join the C.L.N. of Como. After the liberation of Como by the partisans and by the American Troops, my son contacted General Daniels, fifth armored division's Commander, when he first arrived in Como, and gave him all the details about

From january 8 to february 20 my son was in prison at the Italian Police station of Castro Pretorio by order of the S.C.I. but no arrangements were taken by the S.C.I. nor by italians to provided my son with food's expenses. And on february 20 my son left the Police station to surrender himself to the Allied Security prison. Arrested again next day with his wife (swedish subject) and with his baby (18 months old), my son was taken to the prison of Cecchignola and lately to the M.P. station at via Galvani 8 in Rome.

At the present moment, after four months of investigations, my son is still in prison.

The reason leading to his arrest is:"Dangerous to the allies security". I repeat this is not correct.

I know my son very well to tell the Allied Command of Caserta that my son was always loyal to America and that he was forced by the U.S. Immigration Authorities to leave for Italy when he was determined to become an American Citizen and to join the American Army. He arrived to Italy without any enthousiasm and left for Sweden in order no to join the Italian Army.

Because the charge against my son is wrong and because he already suffered four months in prison, I beg to ask the Allied Command of Caserta to release my son at the earliest possible moment.

Dear Sir,

I have to acknowledge the receipt of your letter No. 123497/3A dated 6 June 1946.

Miss PALUMBO cannot at present be released. She was an active collaborator and caused many arrests and brought untold suffering into the lives of many partisans and others supporting the Allied Cause.

I am, however, instructed to say that if she can produce sufficient proof of her need for hospitalisation in the form of a medical certificate by an Allied Medical Officer she may be transferred to the Allied Military Hospital in ROME, responsibility for her safe custody being placed with the Italian authorities. She must be returned, however, to Allied custody when released from the hospital in ROME.

There is a medical officer at the camp in which Miss PALUMBO is interned and her family may rest assured that she will be given all the medical attention necessary.

My son, Mario Martire, is, since 15 months, detained at "R" Civil Camp at Terni. He was called for the levy in 1943, and I never knew what happend to him. But knowing his character and his innate goodness, I am absolutely sure that nothing serious and compromising he perpetrated.

In good faith and excited by his friends he enlisted himself to the Republic.

I beg Your Highness, with all my heart, to help me in order that my son be acquitted of every charge.

To H.R.H. the Prince of Piedmont
Lt. Generalm of the Realm

The undersigned Elsa Pavanti addresses herself to H.R.H. in order to ask his bene olence in her husband's favour, Lt.Col. Ghiglione Armando son of late Francesco born at Pontedeci o(Genova) on 22 May 1 98, interned since June 1945 at "R"Civilian Internee Camp of Collescipoli (Terni) under British jurisdiction.

Her husband, obliged to serve as an officer in the Army of the ex-Social Republic, had exclusive bureaucratic responsabilities, and therefore he was free of any front line or information activities.

As per abo e, she does not understand the reason why he was interned in a civilian internment camp and why he has not been interrogated.

From assurances of my husband and from investigations conducted by the undersigned there is nothing against him.

She appeals therefore, taking her bad state of health and her disastrous economic conditions into consideration, to H.R.Highness's interest in her case in order her husband's position, who was once rewarded by His Royal Highess, be speedily examined and at the same time given back to his family.

Your obedient servant

VERONA ANTI-FASCIST UNION
Former political prisoners

Nr. 859 A.B.

To: COMERADE TOGLIATTI
Minister of Justice
R O M E

We beg to point out to your attention a round up performed in our town by the Police Forces, following which about 50 persons, among whom many Anti-Fascists, were detained.

At the beginning of last july, Police elements arrested many persons on very vague charges, which did not seem to be the true reason of their arrest. After a fortnight, without any further formality, most of them were released. Only 5 comrades ~~of us~~ were kept in prison: brothers MONTRESOR, FUMAGALLI Bruno, RIGO Otello, TEDESCHI Enzo and PAPINI Dino.

We always wondered why the Police did not forward any denunciation against them, and why their trial was not celebrated if they were guilty. We noticed furtherly that, while the Fascist criminals detained in the jail of the 79th Infantry Rgt. have a lawyer bar defending them, our comrades were not able to find even a lawyer to appoint to their defence.

Accordingly, we beg to ask you, as Minister of Justice, to investigate about said Police operation. We furtherly beg you to communicate us the result of the investigations, in order to be able to reassure the families of the convicts.

Waiting for an aknowledgement of receipt and trusting in your kind intervention, we thank you in advance.

R O M A

Le portiamo a conoscenza una operazione che è stata svolta dalla Polizia nella nostra Città, operazione che ha procurato il fermo a una cinquantina di persone fra cui molti antifascisti.

Ai primi di luglio u.s. elementi della Polizia effettuavano il fermo di molti individui, i quali tutti venivano arrestati sotto imputazioni vaghe che non lasciavano trapelare l'esatta ragione di tale arresto.

Dopo una quindicina di giorni, senza alcuna formalità, quasi tutti vennero rilasciati. Restarono nelle celle solo cinque nostri compagni e cioè:

I fratelli Montresor, Fumagalli Bruno, Rigo Otello, Tedeschi Enzo e Papini Dino.

Questi nostri compagni, dopo essere stati qualche mese rinchiusi in carcere assieme ai fascisti, vennero trasportati nel campo di concentramento di Terni.

Ci siamo sempre chiesti per quale motivo la Polizia non ha ritenuto suo dovere completare la denuncia e far celebrare il processo, se tali nostri compagni erano colpevoli. Abbiamo osservato inoltre che mentre i criminali repubblicani che sono chiusi nelle carcere del 79° Fanteria hanno dei Collegi di Avvocati a loro difesa, i nostri compagni non hanno potuto trovare neppure un avvocato che li difendesse.

Chiediamo ora a Lei, in qualità di Ministro di Grazia e Giustizia, che venga fatta luce su questa operazione poliziesca e ci vengano dati gli schiarimenti in modo che noi possiamo dare, con sollecita premura, notizie precise, che speriamo confortanti, alle famiglie dei nostri compagni.

Restando in attesa di un Suo gentile cenno di riscontro a questa nostra, nella ferma speranza che Lei si vorrà cortesemente interessare di questo caso, Le porgiamo i nostri più cordiali saluti.

SUBJECT : BALICE Francesco and others, interned at Collescipoli, Terni.

Herewith forwarded for your approval is a documented letter of parents of eighteen residents of Barletta, requesti g the liberation of same from "R" Internment Camp at Terni.

The R. Prefettura of Bari has forwarded the following information, at the same time giving its approval :

" The u/m young men, as per attached letter, were arrested on April 1944 at the request of the Centro C... of Bari for Fascist activities. All of them , with the exception of Puttilli Cosimo, labourer of the State Railways, ex-militia man of the ex-Milizia Ferroviaria and a member of the Fascist Party, are high school students belonging to good families of Barletta.

The only penal precendents existing are those against Puttilli and De Feo Ottavio, the latter a day employee of the Post and Telegraph Administration and who is the only supporter of his family which is composed of his mother, a widow,and a married sister.

During the past regime none of them had public responsabilities and owing to their young age and the compulsory membership of all youth in the Yourth Organisations of the Regime, they were members of the G.I.L.

An act of clemency in their regard, both in consideration of their young age and of the punishment inflicted upon them as internees for two years in an internment camp, would produce a good impression on the public.

To: President of the Council of Ministers,
Sig. Ferruccio Parri, Rome.

Our mothers' suffering hearts gives us the courage to address ourselves to your Excellency in order to ask clemency for our sons. Since 13 April 1944 our sons were arrested by the British Police and sent to the Carceri Mandamentali of Bari. Notwithstanding that the investigations in their regard were unfounded, they were held there for four months and thence transferred to the Internment Camp of Padula. In July of this year they were transferred to to the Internment Camp of Collescipoli (Terni). For over seventeen months our sons are away from their homes, seventeen long months of sorrow, pain and tears. Now that the war is over and now that the country is becoming normal, we beg that our sons be returned to us and who have committed nothing to merit such a serious punishment. They are all young students who had to interrupt their studies : we ask that they should not lose this year as it would mean the end of their future upon which the joys and hopes of their families are founded. Some of these young men are the only means of their families; others, because of their sufferings, are ill. Let them come home and give us the joy of embracing them. May their return to our homes, now sad and dosolated, bring luck to your Excellency.

Our hopes are with you, the more since a young man who was arrested for the same motive as ours sons, has been lately released.

SUBJECT : DI CORATO Nunzio son of late Vito interned at Terni.

We are forwarding you a petition on the part of Suor Filomena DI CORATO, aunt of the a/n; who requests the liberation of her nephew from the Terni Internment Camp.

The R/Prefettura of Bari approves it, and offers the following information:

"DI CORATO, Nunzio, as presented above, belonged before his arrest, to a group who were caught in propaganda work for the ex-Fascist regimen. H e always had a normal behaviour and could not be reproached for his political activities.

Taking his age into consideration, he had nothing to do with fascist activities, and dedicated his time to study.

His parteeipation to the a/n group was certainly caused by pressure on the part of ill willing persons whom he had to obey, without knowing the consequences of such an obedience.

DI CORATO is presently in a concentration camp, after having been imprisoned for 4 months.

His aunt's petition is therefore forwarded for an act of pardon in his regard would produce a favourable impression on the public".

La R. Prefettura di Bari esprime parere favorevole, fornendo le seguenti informazioni:

""DI CORATO Nunzio, meglio in oggetto generalizzato, anteriormente alla data in cui fu arrestato perchè faceva parte di un gruppo di altri coetani sorpresi in attività di propaganda in favore del cessato regime fascista, serbò regolare condotta in genere e non dette luogo a rimarchi con la sua condotta politica.

Data la sua età, non ha mai svolto attività fascista.dedicando il suo tempo agli studi.

La sua partecipazione a tale gruppo fu dovuta certamente a pressioni esercitate in mala fede da persona a cui dovette aderire incoscientemente, senza pensare alle conseguenze alle quali andava incontro con tale adesione.

Il Di Corato trovasi attualmente in campo di concentramento dopo aver scontato 4 mesi di carcere.

TO : MINISTRY OF INTERIOR
R O M E

Prot. N° 658.

SENEGALLIA, 8/11/1945.

SUBJECT : PASQUINI Lino, son of late Attilio.- Interned.

We forward the attached request of Miss Lina PASQUINI and all the attached documents and we inform that PASQUINI Lino, according to the statement of the local Mayor, has never been denounced for his conduct, was never a member of the republican guard and has never committed acts of fascist factiousness.

Therefore his release from the internee-camp will be favourably accepted by the local authorities.

Signed : the pretore
Dr. E. Gentili.

Declassified E.O. 12356 Section 3.3/NND No. 785016

TO : MINISTRY OF INTERIOR
ROME

It is requested that an error and a great injustice be repaired.
Lino PASQUINI, son of late Attilio and of Senegallia, was sent on the 27/7/45 to an internee-camp by the FSS of Senegallia, as a POW, without being able to know the reason and without being interrogated and without being able to defend himself from what it is considered to be a false information, because he was never in the fascist army and was never a soldier for he wa was not able to serve.
He was less than a month (he did not receive his wages for a month) May and June 1944 a rations comptroller for the control of prices. He had to give his word, but his job was not of political or a military character. The republican fascio and the municipality exercised control over the PASQUINI's reports.
The civil character of this job was changed by certain merchant of the black-market, who, prejudiced in their interests, manifested their personal rancour with threats.
His father being old and infirm and his sisters frightined by these threats and trembling for his sake, having convinced him and obliged him to leave, were sure that this separation would have ended with the arrival of the Allies.
The Mayor of Senagallia, without knowing exactly the false reasons for which PASQUINI appeared as a soldier and without being able to absolve him in this sense, requested PASQUINI's release with a letter on the 1/8/45, N° 2674, to Hq FSS of Iesi, with all the guaranties, because it resulted to him that he was an honest man and considered with favour by all the citizens; he was never occupied himself with fazeist politics and further he was dismissed for obstruction under the republican government by the postal office of Ancona where he was an employee, he accepted to be a rations-comptroller after six months of unemployment, as he was in a disperate need of money.
The Questura of Ancona, at last, after having obtaining precise details from the Hq Carabinieri and from the "Comitato Liberazione e di Epurazione"having corrected the errors made in the first moments of confusion and excitement, requested the release of PASQUINI to the FSS of Ancona.

Declassified E.O. 12356 Section 3.3/NND No. 785016

It was answered that this Hq was no more competent, because PASQUINI was transferred to an internee-camp of the South, in the direction of Taranto.
I appeal to the humanity and justice of this Ministry which after having the Questura about the truth of this matter, forward the present request to the competent Allied authorities, because PASQUINI merits it either for his moral and political qualities or for the injust misfortunes of his family who is now composed of only one sister : his brother died during the war, his father died broken-hearted during his absence and the youngest sister who adored him was ill due to sufferings and sorrows and died without seeing him, fifteen days after his departure as P.O.W. He does not know that she is dead.

It is requested that his case be revised with begnin humanity and conscience in order to return this honest man, so cruelly punished, to his unfortunate sister who urges his moral and material assistance.

I undersigned Manuel de PELAEZ, Major in the Artillery of Spanish Republican Army, professional, military engineer at the War Efforts Branch, graduate in Natural Science, actually living in Rome, 67, via del Paradiso, beg to inform you as follows:

My wife, Maria Luisa , has been detained at "R" Terni Camp for 9 months and nothwistanding my steps she was not yet neither released nor judged. I beg you to inform me , as soon as possible, on the matter. I hope that, after the informations concerned, the nine elapsed months, will be enough for her charge . I beg you, if possible, to give me her back, owing also to her bad health due to two surgical operations: one to the womb and the other to a loins. For this reason she is always feverish. Besides she suffers from chronic appendix deseases and was hospitalised, first at Terni, and then in Rome.

I hope that, taking in due consideration the case, you will be able to give her back to me for her repatriation as soon as possible.

Awaiting your kind reply,

Je soussigné Manuel de Telaez, Major d'Artillerie de l'Armée Republicaine espagnole, professionnel de carrière, et Ingenieur Militaire de Fabrication de Guerre, diplomé en Sciences Naturelles, dan l'actualité résidant à Rome, rue del Paradiso-67, j'ai l'honneur de vous communiquer:

Que se trouvant dans le Camp de Concentration de Terni, ma femme Maria Luisa, en qualité d'internée civile depuis il fait presque 9 mois, sans qu'elle ait encore pû liberée malgré mes continuelles démarches, ni jugée selon la procedure ordinaire, je vous demande de bien vouloir me communiquer dans le plus bref delai possible l'état dans lequel se trouve sa pratique processale.

J'estime M. le capitaine, que d'après les informations portées, leur responsabilité juridique est insignifiante, et en tout cas notamment inferieur a celle qui correspond aux neuf mois de prison qu'elle a déjà subie à la date d'aujourd'hui.

Je vous prie s'il est possible de la mettre à ma disposition surtout ayant compte de son extrement delicat état de santé à consequence de deux operations déjà subies, une de la matrice et l'autre de l'enlevement d'un rein, ce que c'est à l'origine de son état continuel de fièvre. En outre elle souffre

SUMMARY-TRANSLATION

ANGELO COTTINI's notes about his son COTTINI Anton Vittorio - Naval Lt. concerning latter's action from 8 Sept. till 23 April 45.

Anton Vittorio COTTINI:

1. Ensign on Submarine "Manara"- 8 Sept. 43. Capt. GALLETTI Raul's proposal of parachuting in enemy territory is accepted by COTTINI. Jump executed on 21 Oct. 43, together with his radio operator PAGANI Bruno, over PONTEDERA. Took name of CAMPANELLI Mario. He handed on German air field and escaped. On 31 Mar. 44, one SIRO betrayed him. Said SIRO was from the SIM and COTTINI was arrested with the others on that day. Liberated from Marassi Prison on 23 April 45.

Interrogated by Allies and SIM.

Lt. Col. MASSAIOLI and Major LANFALONI assure Commander COTTINI that his son committed ni crimes, one some thoughtless actions. A/n officers drafted his son's case.

On or about 15 Aug. 45 Cottini Antonio was ordered to report to his unit. On 21 Aug. 45 he did not return home, as he was arrested and sent to the "Aristide Gatelli" prison.

Major CALOSI, Major BOTTO, Lt. Col. MASSAIOLI Capt. DE ROSSI, Major LANFALONI and Capt. MORETTI (S.I.S. and SIM officers) could not give him the whereabouts of his son.

He thinks that his son is accused of the following:

a. Imprudent thoughtlessness shown on his son's conversation with SIRO, who caused the arrest of members of the organization.

b. Ambiguous comportment during his detention period, with manifestations which could be taken as a condescendency toward the enemy.

SIRO, with his radio operator BIAGIO handed near Genova in Feb. 44, destined for the Mondovi' band. SIRO brought SIM codes, with verbal instructions for COTTINI Anton Vittorio, and came to know, through the SIM congratulations, the names and surnamed of the organization members.

SIRO left for his destination.

On 30 Mar. 44, toward 1630, COTTINI was at the PRETI bar in Piazza Portello (Genova), SIRO came in with another person.

SIRO asked COTTINI to transmit a message through his radio, as things were going badly with his own group. COTTINI did not reply because of the third person; SIRO assured him that he was one of theirs. An appointment was established on 31 Mar. 44 in Via S. Luca 5/17 so that a message could be sent to the Base.

Instead of finding SIRO at the place of meeting, S.S. Troops arrested him, together with other members of the organization - Capt. LI GOBBI (Alias Simone) RUGGERO, SOGNO RATA (Alias FRANCHI) and Capt. LI GOBBI's brother, who tried to escape and who was fired upon by the SS troopers.

SIRO was standing near the Germans during the line up of the arrested.

They were brought to the Casa dello Studente, where Prof. BALDUZZI was likewise detained as he was arrested by SIRO at the S. MARTINO hospital.

To all effects SIRO is responsible for the arrest of members of COTTINI [illegible] the imprudence of the

SIRO was standing near the Germans during the line up of the arrested.

They were brought to the Casa dello Studente, where Prof. BALDUZZI was likewise detained as he was arrested by SIRO at the S. MARTINO hospital.

To all effects SIRO is responsible for the arrest of members of COTTINI Organization as he knew their names and surnames due to the imprudence of the SIM in having chosen him as the carrier of a message of congratulations destined to all of them, and that as such an act on the part of superior authorities was a blunder, COTTINI Anton Vittorio is being MADE A SCAPE GOAT [illegible] WHICH THING COMMANDER COTTINI ANGELO DOESN'T WISH TO BELIEVE.

Capt. LI GOBBI made out a report against COTTINI, [illegible] later corrected (on the 26 July 1945) in his favour.

COTTINI Anton Vittorio brought the SS Troops to his radio operator address in order to hand over the radio to them, thus hoping to warn PAGANI Bruno, the operator, to escape - but the letter was apprehended.

SOGNO RATA ESCAPED (31 Mar. 44), helped by Capt. LI GOBBI and COTTINI . LI GOBBI was tortured as he knew SOGNO's real identity. ROGGERO (working for the Germans) denounced LI GOBBI because he was the only one who knew SOGNO.

E103

Declassified E.O. 12356 Section 3.3/NND No. 785046

SILVIO was arrested on 11 April 1944.

Ragioniere UBALDO BRASCHI (V. Chiossone 1/3, Genova) informer of one Capt. DONALDSON of the Special Office stated that SILVIO gave himself up in order to be with his officer (Capt. COTTINI) and also because he feared reprisals against his family on the part of the Germans.

Lt. Col. MASSAIOLI stated that COTTINI Anton Vittorio did not act well as he continued to send out messages under German supervision.

A British Major, COTTINI's instructor, whose name Commander Angelo COTTINI doesn't recall, told him to continue to send messages, even if captured, provided he advised the base of his position.

COTTINI advised the Base, by means of the radio still functioning (presumably SILVIO's as he was arrested later), and through the Communist organization, that he was in German hand.

Therefore he continued to transmit messages.

SOGNO (alias FRANCHI) and the Communists kept in touch with the Base and informed it of BIAGIO's treachery (SIRO's wireless operator) etc. etc.

The Germans stopped COTTINI and SILVIO from issuing messages, and tried to use them as decoys for the purpose of arresting CLN members.

COTTINI was later tortured in order to give information about a new arrested member, one UGO.

He may have acted badly in playing the decoy, but he also had to think of his family, and he always hoped that even a limited liberty could help him to get in touch with other members, thus continuing his work - which occasion never presented itself so much so that the Germans gave up their plan and incarcerated him and SILVIO at Marassi until their liberation by the Allies.

It would be appear that COTTINI and not SIRO is the real traitor, as the latter stated, perhaps in order to discriminate himself, that COTTINI was arrested on the 30th of Mar. 44 and not in the 31st thus having a whole day at his disposal for the purpose of entrapping the other members of the organization, which is not true as COTTINI was at PAGANI's home on that day, and later, in the evening, he passed the time playing cards at the Decima family in Via Fieschi No. 19/9. Signora Saccardo was likewise present. He left at 2300 - HENCE HE WAS FREE THAT EVENING.

Capt. COTTINI refused to join the Fascist Republican Navy when offered to do so.

Witnesses to his refusal and to his exemplary behaviour in prison are: Col. AMOROSO, Eng. ZIRILLI (living in GE-PEGLI, Via Renario 3/8), Sig. FARALLI, now Mayor of Genova).

BRASCHI state: SIRO betrayed Mario, and this will be proved. "I am certain of it"

4 Dec. 1945

I, the undersigned, surgeon Artiaco Alfonso, certify that I have been treating Mr. Giovanni Ressia, son of the late Angelo, 75 years old, father of Miss Claudia Ressia.

For a long time, he has been suffering from a serious arterial hippertension which, two months ago, brought about a hemorrhage of the right retina with a resultant almost total loss of sight.

He is presently suffering from cerebral hemorrhage of the capsular zone with consequent paralysis of his left side.

Due to recurrence of above symptoms, despite repeated attention, the diagnosis results as "Reserved Prognosis".

s/ Artiaco Alfonso.

Pozzuoli, 11 Dec. 1945.

To : Allied Command - Caserta -

I, the undersigned take the liberty to apply to your Command in order to obtain, at the earliest possible date, the release of my daughter Claudia Ressia. On 19 August, she was transferred from the Concentration-camp of Padula to the Concentration-camp of Terni where she is at present being held.

I have taken the liberty of soliciting your interest because of my husband's sickness. He has been ill for more than one year and now his illness has suddenly become aggravated, as is attested to by the attached medical-certificate.

My daughter is not aware of her father's ill health for I have kept the knowledge of it from her in order to render less painful her absence from her family.

Hoping that your Honorable Command will benevolently consider the prayer of a mother, I thank you gratefully in anticipation.

With best regards.

Caserta 4 Dec. 1945

To : Hon. Allied Supreme Command.

I, the undersigned, father of Manno Alessandro, held as a civilian internee at the "R" Civilian Internee Camp of Collescipoli (Terni), Serial Number 1010, implore your Command to have him released; he has been interned for the past 26 months.

I am suffering from blindness and have an absolute need of a valid man at home. I am completely blind in my left eye while the strength of the right one is reduced to 1/10 degree; I can prove this thru medical certificates.

As far as my son's situation is concerned, I inform you of the following:

1. He spent one year in Palermo as a member of the Public Security Forces. He obtained this post thru regular examinations.

2. Inasmuch as he was a new-appointee, he held unimportant posts and never performed any service of his own initiative. He had never anything to do with the so called Political Branches: such as the OVRA, SIM etc.

3. He never indulged in Fascism and everybody in Caserta can state that he never took part in any Fascist parades and cerimonies.

4. He has been interned for 26 months now, that is from 13 September 1943, and only because of the hatred from some citizens of Palermo he was apprehended. The truth is that he was never a Fascist, nor a collaborationist, nor a saboteur, nor a spy; that he never belonged to the Ovra or Sim etc.

I am confident that your Command will take in consideration this case, and will release and return him to his family.

Accept my best regards.

s/ Manno Giuseppe

1. I have the honour of replying to your letter of the 10th of Dec. 45.

2. My sister ERMINIA was born in Messina on the 15th of June 1931. I am enclosing herewith the Civic Register Extract wherein her exact date of birth can be had. Infact, we have left for Perugia some time ago, and my sister's particulars have been registered at the Perugia Register Office. I would have asked the Messina Register to forward me my sister's original birth-certificate, but this would have caused an enormous waste of time as most of Messina is destroyed due to bombardments and I imagine in what a serious state that Civic office finds itself. Anyway, from the legal point of view, the document of the Comune of Perugia is perfectly valid for the purpose of establishing my sister's real age, also for the fact that my family is very well known in Perugia.

3. Anyhow, the Commander of the Camp where my sister is interned for more than 6 months, should have come in the possession of the real age of the girl by means of the rosters which, without doubt, are being kept by the Command of the Camp.

4. I am enclosing a copy of the kind and humane letter of His Excellency the Secretary of State Mons. Montini and I ardently hope that there will be nothing against my sister's liberation.

2. My sister Erminia was born at Messina on June the 15th 1931. I enclose for the purpose the "Stato di Famiglia" (Family Status) from which the exact date of birth of my sister is resulting clearly. We transferred our residence since long ago to Perugia and my sister's particulars were booked into the records of the Commune of Perugia. The original Birth Certificate could be obtained from Messina directly, but this would constitute a further long delay the more so as, as you know, Messina was half destroyed by bombing and I immagine that the Commune records are in chaotic order. However ,from a legal point of view the document of the Commune of Perugia is perfectly valid and can prove the effective age of my sister, taking also into account the fact that my family is well known here in Perugia.

I respectfully apply to this Direction in order to obtain the liberation of my sister GUBBIOTTI ERMINIA born at Messina on 15/6/1931 and at present detained in the "R" Internee Camp Terni.

My sister in June 1944 escapped from our house in Perugia to see her brother who was a prisoner in Venezia Giulia at the time.

She was 13 at the time and I cannot think she was completely aware of what she was doing.

In the meantime the Perugia area was occupied by the Allies and we became separated.

My sister (a girl, do not forget it) found herself alone in Northern Italy and not to die of hunger joined the Auxiliary Services of the Republican Army (nothing more harmless as she was distributing food in the Canteens).

Now she is interned in "R" Internee Camp Terni as a "Member of the Republican Army".

I hope your sense of justice, which is well known, will consider this peculiar case of a girl aged 14 and arrange for her earliest return to her family.

To the C.C. "B" Internee Camp

As new view pointsregarding the reasons of my internment likely tobding to become new evidence have cropped up in the meantime, I beg to apply for the re-opening of my case. With reference to my affidavit, already submitted to you on 13-11-45.

I beg to point out the following facts:

1) The principal witness in my case for the U.S.A.C.I.C. at Merano. the Lt. MAXGALLON, special agent of the CIC at Merano, who testified against me, has been sentenced to death by an Allied Military Court for looting and robbery. (First sentence to death of an Allied officer after armistice).
2) The other principal witness, giving false testimony against me, the co-worker of International Red Cross, Mr. KOLOSZ, is under arrest for many months for looting, conspiracy and bribery. Kolosz is the man to whom the C.I.C. at Merano entrusted after my arrest the unit of the International Red Cross in my stead.
3) My you delivered Passport, bears an International Red Cross Visa issued by the Swiss Government at the request of the International Red Cross itself on 27-April-45 proving that I am a bonafide collaborator of the International Red Cross.

I cannot but assume that these facts are apt to throw a sinister light upon the trustworthyness of said witnesses testifying against me, in order to have reasons to loot me. Kolosz as a member of C.I.C.R. at Geneve knew exactly that I keep in the rooms of Swiss consulate at Merano values about 11 millions dollars, belonging to the Jewish people.

Truly Youre

Romé, II October I945

==========

I undersigned: prof. dr. Anna EMILIANO respectfully re=quest this Allied Commission to re-consider the case of my nephew FRANCESCO CLARIZIO - a civilian internee in the concentration camp of Terni- for release.

He has been interned since the month of October I944 after three months imprisonment at Regina Coeli in Rome on the charge of collaborating with the enemy.

We were told then he had to remain in the concentration c camp only for the duration of the war in Europe but he is still an internee and we don't know when he can be back home.

Applying to the Allied Commission - the highest authority we have to address to,- we beg to take in consideration that:

a)- Francesco Clarizio's parents (he is my sister's son) are Ame=rican citizens, living in NeW-York (at present : 6 Stone Street) for about thirty years.

b)- He himself was an American boy until I936 when he came to Italy with his sisters Mary and Pina to finish his studies at the university.

c)- his brother - VINCENT CLARIZIO- has been an engineer sergeant in the American Army, from the beginning of the war: he was with the V Army in Africa, Sicily, Salerno Anzio and the in France with the VII Army. He is still in Germany, awaiting to be discharged and go back home, to N. Y.

My nephew Francesco has done nothing against the Allies: he was never a fascist, nor a sympathizer with the Germans. At home we called him "the American" because American he is and deep=ly feels so.

His mother, my sister, does not know his son's position and expects to see him in the States as soon as possible.

I rely on the high sense of justice and humanity of this Allied Commission and hope that, after re-examining his case, they will be disposed to release my nephew from such a humiliat=ing and painful situation

Sincerely Yours

MINISTRY OF LABOUR AND

ROME, 23 October 1945

Dear General,

I am taking the liberty of submitting to your attention the case of Ubaldo CINI pointed out by some Genovese friends of ours of proven anti-fascist faith and whose statements are worthy of full consideration.

Sig. Ubaldo Cini, who appealed to the Liberation Committee of Genoa, was an energetic collaborator during the clandestine war. (He printed and distributed thousands of pamphlets of anti-German and anti-fascist propaganda).

Thus, since he declares that his son, although a sailor of the so-called republic, took part in the Genoa insurrection, his statement should certainly be given full credit.

I therefore wish to ask you to examine the possibility of releasing his son, sailor Ulisse Cini, at present detained in the Terni jail.

I was informed that your Excellency had occasion to examine the above case while you were in Genoa, through the medium of Sig. Aszo TONI of the Genoa Liberation Committee.

I trust that my request will be given due consideration and kindly examined.

Many thanks

TO: THE COMMITTEE OF LIBERATION - GENOA

GENOA, 24 May 1945

On 22nd inst. the Allied Secret Service arrested my son CINI Ulisse at his home in Via Fratelli Chiarella 11/5, Genoa, and accused him of taken part in a "maro'" unit of the "Mass" fleet which was transferred from Como to Genoa to commit sabotage against the movement of liberation. The truth is that my son, after being forced to join the armed forces on 10 November 1944, came to Genoa, where his unit was stationed together, with a number of "maro'" commanded by a lieutenant, to carry out unspecified sabotage duties.

My son said they were sent here to forestall the works of destruction done by Germans and fascists, but it seemed so ridiculous that I warned him to be ware. In fact I warned the C.L.N. through Monicelli Teodoro, and arranged with him that my son should be prepared to give at the right moment all such information as might be required to frustrate any criminal action. My son's behavior gave rise to suspicion and the Lieutenant accused him of not fulfilling his duties and of causing discontent in the unit.

When finally the day of liberation came my son took part in the resurrection instead of going to the lieutenant for orders, and fought with the S.A.P. at Ponte Garega as I can testify.

After this the lieutenant mistrusted my son and finally had him discharged with the following words: "Cini, don't try and do me harm, for I am working with the 5th Army and you'll soon see me in the navy". And to prove his words he boasted that he forestalled destruction operations to the port, by cutting the wires leading to the mines. My son paid no attention to these assertions but continued to induce his unit to break up and disarm. The arms were divided among the 1st G. Mazzini Brigade, the "Garibaldini" of Doria, and the "G. Matteotti" Brigade.

I have nothing more to add in defence of my son except his refusal to obey the orders of the lieutenant who accused him of hiding and holding in custody not only his arms out also those assigned to other members of the unit who were living in private furnished rooms.

/s/ Ubaldo Cini

N.B. When my son was arrested, 20,000 lire in his room were sequestrated, 3,000 of which are mine.

ENCLOSURE:

Declaration of Teodoro Monicelli testifying to the truth of the statements made by Cini.

Sig. Generale,

mi permetto sottoporre alla Sua benevola attenzione il caso segnalatomi, con i fogli che allego, da nostri amici di Genova di provata fede antifascista e le cui affermazioni sono degne di ogni considerazione.

Il Sig. Ubaldo CINI, firmatario dell'esposto al Comitato di liberazione di Genova, è stato un collaboratore indefesso del periodo di lotta clandestina (stampò e diffuse miglia ia di manifestini di propaganda antitedesca ed antifascista) e poiché egli attesta che suo figlio, sebbene marinaio della sedicente repubblica, ha preso parte alla insurrezione di Genova, si può ritenere che ciò risponda al vero.

E' per tale considerazione che io mi per-

metto pregare la S.V. a voler esaminare la possibilità che detto suo figlio, marinaio Ulisse CINI , attualmente detenuto nelle carceri di Terni, sia restituito alla sua famiglia.

Mi è stato riferito che la S.V. aveva avuto occasione di interessarsi di tale pratica quando era ancora a Genova, tramite il Sig. Azzo Toni di quel Comitato di liberazione: ne traggo quindi la speranza che la mia richiesta possa avere buon esito e ne porgo infiniti ringraziamenti.

AL COMITATO DI LIBERAZIONE DI GENOVA

Genova, 24 maggio 1945

Il 22 c.m. da parte del servizio segreto degli Alleati, è stato arrestato nella sua abitazione sita in Via Fratelli Chiarella 11/5 a Genova, mio figlio, Cini Ulisse della classe 1921 accusato di aver partecipato ad un gruppo di marò della X flottiglia Mas, trasferito da Como a Genova, allo scopo di commettere atti di sabottaggio in contrasto al movimento di liberazione. Stà di fatto che mio figlio presentatosi alle armi, suo malgrado, solo il 10/11/1944, nel mese di marzo venne da Como, dove aveva sede il suo battaglione, a Genova, assieme ad un gruppo di marò comandati da un tenente per scopi di sabotaggio non ben definiti.

Mio figlio mi disse che erano mandati quà per impedire l'opera di distruzione dei tedeschi e dei fascisti, io gli dimostria che era un assurdo a cui non doveva credere e in conseguenza a ciò mi autorizzò ad avvertire qualche elemento del movimento di liberazione.

Questo io feci, ed a mezzo del com. Monicelli Teodoro, informai il signor Azzo Toni del C.L. col quale combinammo che quando fosse stato il caso, mio figlio si sarebbe prestato a fornire tutte quelle informazioni atte a frustare ogni tentativo criminoso. L'atteggiamento di mio figlio diede sospetto al tenente che lo incolpò di non attenenrsi ai suoi desideri e di fare opera di disgredamento del gruppo dei marò, in quanto, tanto lui che altri chiedevano di svincolarsi e di essere, anzi, liquidati coi fondi che il tenente aveva in consegna.

Giunse intanto il momento decisivo per la liberazione di Genova e mio figlio anzi chè andare andare a ricevere ordini dal tenente, armato a mano, prese parte alla insurezione, in mia compagnia con le S.A.P. a Ponte-Carega e Montesignano, come posso far testimoniare.

Dopo questa sua azione ebbe altri contatti col tenente che gli dimostro diffidenza e desiderio di liberarsi di lui, liquidandolo e congedandolo con l'avvertimento seguente: "Cini, non cercare di farmi del male in quanto io lavoro per la V Armata degli Alleati, e un giorno indosserò la divisa di quella marina." E a conferma di questa possibilità si vanto di aver impedito che fossero compiute azioni di danneggiamento al porto, avendo egli provveduto al taglio di fili conduttori alle mine. Senza dare valore a tali asserzioni, mio figlio continuò nell'opera disgregative del gruppo dei marò fra i quali, altri, come lui, erano desiderosi di svincolarsi, e li indusse a disarmarsi. La armi di questi marò furono consegnate, parte alla 1° Brigata G. Mazzini, parte ai "Garibaldini" della Doria, e parte alla "Brigata G. Matteotti".

A difesa di mio figlio, non altro debbo aggiungere che il fatto del rifiuto da lui opposto al comando del tenente che pretendeva tenesse egli in consegna e nascoste le armi, non solo a lui affidate, ma anche quelle di altri componenti il gruppo che vivevano in camere

Io, sottoscritto tenente Garibaldino MONICELLI TEODORO fu Domenico, custode onorario della Casa Natale di Giuseppe Mazzini, membro dell'esecutivo regionale del Partito Socialista, durante il periodo cospirativo, nonchè del Comitato Sindacale interpartito ed attualmente, anche membro della Commissione Esecutiva della Camera del Lavoro, attesto:

1°) che quanto il cittadino CINI UBALDO, padre dell'arrestato Cini Ulisse, espone nel suo memoriale risponde alla verità.

2°) è vero cioè che non appena il figlio suo gli comunicò che sarebbe stato trasferito da Como a Genova a disposizione di un gruppo di marò, con speciali incarichi, egli d'accordo con lo stesso figlio, venne a riferirmelo, e in conseguenza di ciò lo misi in relazione con la Segreteria del mio partito e col sig. Toni del Comitato di Liberazione.

3°) è vero che il figlio suo, Cini Ulisse, giunto a Genova si estraniò dal compito del gruppo dei marò suddetto e che invece nei giorni della insurrezione, armato, si aggregò al movimento di liberazione,

4°) durante l'insurrezione il Cini Ulisse a mio mezzo venne messo a contatto con "MARCO" del servizio di polizia della Brigata Matteotti al quale diede precisa indicazione per requisizioni di armi del gruppo di marò, accompagnando lo stesso Marco nelle operazioni di requisizioni.

Pronto a ripetere la presente attestazione sotto il vincolo del giuramento, in fede

SUBJECT : LIBONATI Nicola internee at Terni.

Herein enclosed is the application, supported by documents, by the internee's wife, asking for the release of her husband, internee in the Concentration Camp of Terni.

On his account the Questura of Rome has notified as follows:

" The a/m LIBONATI Carlo, fu Alessandro and di SCHRODER Bianca, born in Trani on the 26th of March 1909, at present time internee in the Allied Concentration Camp of Padula, domiciledin Rome, at 21 via Nicastro, leads an honest life and nothing results against him.

From investigations it results that he has always been very well off, as he is a landlord. His family is dignified and honest, as he is a son of a magistrate.

LIBONATI, availing himself of his economic position, started producing works for the theatre, which attained alternate success, then supplied with various materials the Public Administrations, and dealt in motocars.

At the beginning of the German occupation in Rome, as he had acquired fame with his trade in motocars, through a certain TRINCHERO, Giulio, doubtful and equivocal person, he was introduced to the ill-famed BARRACU, who was then Undersecretary at the Presidence of the Council of the Fascist Republican Government. Consequently LIBONATI succeeded in having the direction of a Parking-post , requisitioned by the Fascist Government.

LIBONATI, especially in order to avoid his enlistment in the Republican Army, accepted this charge.

As in the a/m parking-post cars requisitioned from privates by VILLA, Adolfo, MAURO Pasquale, CRISMAN Ettore TRINCHERA and others were temporarily deposited there, and the above mentioned people were taking advantage of this for their activity of swindlers, LIBONATI, aware of this, in order to prevent their activity and to act against the Nazifascists, used to warn the owners of the cars in danger, so that they could hide them.

BARRACU, having learnt this fact, on the 30th of October

BARRACU, having learnt this fact, on the 30th of October 1943 notified the Chief of the Police TAMBURINI of it as it results from our files. TAMBURINI ordered to arrest the a/m, included LIBONATI and placed at his own disposal in the [illegible] and charged them with sabotage against the Nation. As a matter of fact LIBONATI and CRISMAN were arrested, whereas the others, having felt the danger, absconded.

LIBONATI, released after about one month, as no evidence had been brought against him, was neither collaborationist nor member of the Fascist Republican Party; on the contrary he devoted himself to the production of works for the theatre, together with the

well known cinema actors, Carlo CAMPANINI, Renato MADDALENA and others, and helped political victims, even Jews, giving them shelter, moral and material assistance, and availing himself of his friendship with German officers in order to obtain the release of many people arrested by the Nazifascists.

On the 8th of July 1944 LIBONATI was arrested by Allied Authorities, as he was suspected of espionage against the Allies and successively was interned into a Contentration Camp.

From investigations and reliable sources, it results that LIBONATI was arrested, by the actor Rudj CLAIR for reasons of professional jealously and for an extortion. Rudj CLAIR hated him, as during the German occupation, LIBONATI had sent him away from the concern, in which CAMPANINI and MADDALENA participated.

Consequently, we deem opportune a favourable acceptance of this application, and declare that LIBONATI's release would not affect at all public opinion.

Herein enclosed are four statements in favour of the a/m, signed by SPIZZICHINO Settimio, TEFRACINA Amedeo, PACE Emanuele and BRUNETTI Luigi (a copy), forwarded by the internee's wife."

SUBJECT : CASALINO Vincenzo, fu Pietro - Internee.

For competence, we send to you the request of Matilde Scazzeri da Francavilla Fontana, in order to obtain the release of her husband CASALINO Vincenzo from the internee-camp.

The Royal Prefettura of Brindisi has communicated the following informations :

""On the 1/11/1943 some English N.C.Os of the 67^ Special Investigation Section of Brindisi have searched the apartment of the Reserve Infantry Captain - mobilized - CASALINI Vincenzo, of Pietro and fu Oliva Filomena, born in Trapuzzi on the 3/7/1898, living in Francavilla ~~x~~ Fontana, advocate, attached to the concentration-camp of Tuturano. They found and seized clothing, victuals, tobacco, ecc., property of the British Red Cross and destines to the English P.O.W.

With the Capt. CASALINO were also arrested the Lt.Col. ALBANESE Raffaele, the O.C. the concentration-camp of Tuturano, and the Capt. TREVISI Salvatore, attached to the camp.

The HQ IX^ Italian Corps (P.O.W. Office, Bari) made th
ry enquire, but we do not know the result. The Capt. CA
was put under an Allied Commission which seated in July 1
in the office of the Town-Major of Lecce and he was sent in
internee-camp of Padula (Salerno).

Mrs. SCAZZERI Matilde, of Ottavio and Bonacossa Elisa, born on the 6/11/1909 in Francavilla Fontana, living there, is the wife of the a/n Subject.

Her conduct is perfect and she has no prejudices. She has no sons. After the departure of the husband, she went to her parents and lived with them and an unmarried sister of 29 years old. Her health is good and does not need help. She possessed a little property cultivated with olives and figs and peasants are working on it. Thus she has the necessary to live.

Before the call up, the Capt. CASALINO did not practice his profession and was busy with his little agricultural firm. Both they are well esteemed in the people and the eventual release of the officer would be favourably commented.

CASALINO Vincenzo was member of the fascist national party since 1922, but he never had functions, did not occupy public charges and it does not result he was sectarian."

I, Matilde SCAREZZI, send this request to the Ministery of War and ask for the release of my husband, SACALINO Vincenzo, fu Pietro, of Francavilla Fontana, Captain and Assistant in the Sorting Camp of Paticchi N° 85, Tuturano.

He was on duty in the 139 Inf. Regt. and released in 1944 He was after call up again at Bari and was sent in the internee camp of Padula (Salerno) "A" CIVILIAN INTERNEE CAMP, CERTOSA, PADULA.

My husband is since more than one year in this camp and I am sure that he is innocent, because he was so good, he was so esteemed. He never has functions in the fascist party and never was in connection with Allied affairs, but he was always correct in his duties. I cannot understand why my husband is still not yet released. When I was at Padula, I have spoken with the Capt. DAVISON, an English officer of the HQ of this camp. He told me that as my husband is still under the arms, only the Ministery of War can ~~xxx~~ have interest for facilitating the examination of his documents which are now at Caserta. Therefore, I ask the Ministery of War to take my request in consideration and to do an intervention at the AFHQ of Caserta in order to re-examinate .....

The undersigned, Lieut. Colonel of the R. Army, who fought in the 1st World War, was arrested by the Germans on the 10th of September 1944 and subsequently succeeded in escaping, owing to your Command to take steps in favour of his situation.

His son, CHIANCHIO Francesco, then seventeen years old was arrested in Barletta on the 11th of April 1944, as he was a member of a Sport Association which concealed its fascist character until his son was arrested. After four months of imprisonment in Bari the boy was sent into the Concentration Camp of Padua and on the 22nd of July to the Camp of Terni, where he is at present time registered with No 1019.

Owing to the age of his son and the position of the undersigned I am sure that the boy was induced to become a member of the a/m Association, completely trusting its apparent character of Sport Association. The undersigned , Doct. COLANGELO Michelina, begs your Command to examine the file of her brother COLANGELO Francesco di Umberto, who was arrested at Barletta (Bari province) on the 13rd of April 1944, when he was 17 years old. He was taken together with other students all charged with membership of an Association, formerly of a sportive character, and successively transformed into a political Association.

Owing to his young age and the conditions of his family- is father in fact, Ten.Colonel of the R. Army after the armistice was taken prisoner by the Germans and many father's brothers were also victims of the Germans, the boy must be supposed to have become member of the above mentioned Association quite unconscious of its character, induced by his older comrades or relying on its aspect. We cannot even conceive that the boy might have felt a sympathy or have given a help to the enemies of his own father. As a matter of fact, as you can ascertain, nothing has been done by the boy against the Allied Troups nor he can be charged with collaborationism.

At present time he is in the Concentration Camp "R" of Terni No. 1019.

I am sure you will consider favourably his case particularly with regard to our moral situation, since he is our only brother, and examine his file as soon as possible.

Thanking you

Doctor COLANGELO Michelina

RETTORATO DELLA CHIESA

Rome 15 September 1945

To : Allied Command
CIC

I beg from you the release of the Austrian citizen, doctor FELLNER, who has been arrested in May on false information and denonciation and interned in Terni. The enclosed letter by the Trieste Bishop brings evidence to his full innocence and his collaboration with the Bishop in favour of the Allies for the defence of harbour of Trieste.

As regards his having been member of the S.S. it did not mean very much, especially after 1943, since even young priests of the army were often obliged to become members of the S.S. and wear their uniforms.

His release would be less an act of benevolence than the redress of an infustice.

I have received to day your letter dated 31 July 1945. I am very sorry to hear that poor doctor FELLNER is in an unpleasant position, I had endeavoured to have him taken by the English, lest he could fall into other hands, I had recommended him to this Command and drawn up his defence for the same Command. I hoped all this would be useful for him.

He was not a spy, he rather adversed nazi methods and mentality. After the change of the Government he was obliged to become a member of the S.S. In such a position he never offended anyone. He often informed me secretly of the German authorities' intentions and clandestinely cooperated for the defence of Trieste harbour. I have always received a very good impression from him; he is Austrian and wishes the welfare of his own country. Therefore he deserves a help.

I hope Your Excellency will be able to destroy the suspicions on his account and to improve his position. I give you full authorization to employ all information contained by this letter.

Please remember me to him and tell him that I had done my utmost in favour of his return to Austria, where, as I have written to the Command, he could be extremely useful for the reconstruction of his country.

Enclosed letter:

My name is Celeste MATERI, widow of the eldest son of late Admiral Giuseppe PALUMBO. My application regards my daughter, a 21 years old girl. Here is her story:

She got engaged in August 1943 with the Capt. Commissary Doctor Federico CAROLA, of the "Ufficio Gestioni Speciali dell'Aeronautica".

At the beginning of the German occupation the Captain and his two brothers, who also were officers, were obliged to hide themselves. Giulia, a self-willed and enthusiastical girl, helped them in this dangerous matter. With the assistance of a Major Commissary, Chief of the Above mentioned CAROLA's Section, Doctor Nicola SIGILLINO, she let a flat at S. Agnese in Rome to conceal the brothers. Though the girl had run many risks in order to safe them, on the 12nd of January 1944, on accusation (the accuser was sentenced to 23 years of imprisonment) two of the brothers, her fiance' and the Captain, were arrested and sent to Via Tasso, to Regina Coeli and then executed at the "Fosse Ardeatine".

My daughter couldn't resign herself to this misfortune and employed all means and all sorts of people in order to take steps with the German Command to succeed in helping her fiance'. In such a way she became acquainted with the most equivocal people whom she thought useful for her aim.

In the meantime one of our relations, escaped from the Gemmans, was hidden in our house. Therefore the girl, not to compromise both her family and the young man, was obliged to leave suddenly Rome for Florence. She hoped to obtain the release of the two officers by means of her sacrifice. I had no more news from her.

Now, at last, after 18 anxious months, I have heard that she is in a British concentration camp in Termi, charged with collaborationism.

My only son, tenente Giuseppe, prisoner in Kenia for 7 years, has heroically fought in A.O.I. and deserved 4 military medals. Furthermore he was promoted to Lieutenant for war merits and received the title of "Cavaliere della Stella" by the hands of the Duca d'Aosta and recognition by the Allied at Moyale, with the honour of the arms, as he, with a few men, had courageously resisted on a hill.

The girl certainly got inveigled out by the Germans and probably played double in order to serve her country. Even if

I beg from you a good word in her favour in order to avoid an unfair trial which would bring to desperation a honourable family.
